BELOVED ARCHANGEL MICHAEL

December 23, 1958

Just imagine what would be your experience if you contemplated the Angelic Host for one whole hour. What do you think We could do for you? Most of the time mankind only thinks of Us

when individuals are in trouble, and then We're immediately forgotten as soon as the pathway is easy again. We'd like to reverse a little of that and be with you when the path is easy. It's more enjoyable for you and Us both! So now if you want to prove the Truth of My Words, contemplate Us in the midst of your daily work. You don't need to go woolgathering or sit in the corner or anything of the kind; but in the midst of your activity, for just the fraction of a second you can send your Flame of Love from your Heart—the Feeling of Love from your Heart—to the Angelic Host and thank Them for Their Love to this world. And if you recognize Their Love, more will come into you. One day you'll be like Them, and then you will understand how much mankind needs Their Love.
