

DISCOURSE II

September 1, 1953

LOS ANGELES, CALIFORNIA

Beloved Ones of the Sacred Fire, We enter in tonight to the use of one of those Magnificent Activities of Life that shall forever bring you Happiness, as you understand the Fullness of what it means to live to the Honor of God, and use the Victorious Flame of Eternal Love from the Heart of your “Mighty I AM Presence” and the Ascended Host into all physical conditions.

The Angelic Host who assist Me, and who are always willing to carry out the Call to Love, are ever awaiting an opportunity to answer your Calls—when you understand that to draw the Sacred Fire into the physical octave of Earth means that It can only be released by the Power of Our Love, and that of your own “I AM Presence,” of course, with which We are One. That Power of the Sacred Fire of Our Love can only come by

Conscious Command into the outer use of those under this Radiation who understand the Fullness of what the “Mighty I AM Presence” means, and who use Its Authority and Power to command into physical conditions those Activities of the Sacred Fire that bring Our Perfection here.

To a large extent, mankind’s devotion to God is an innate recognition of the existence of a Power to help the outer activities of mankind; and that Power is greater than the rest of mankind’s creation. But in a very large degree, mankind’s Call to the Great “God Presence” of Life, whether they know the “I AM” or not, is principally an asking for things. It’s an asking for help. Therefore if the outer self of each individual were taught that the duty of the outer self is to live in this world, and produce the Perfection that proves and glorifies the “Mighty I AM Presence” that placed you here, then the return into your outer use of the things from Our Octave would be very much more rapid, and very much more wonderful.

I hope someday the “I AM” Student Body will live simply to enjoy praising God. The Angelic Host—whose Direction of the Sacred Fire of the Miracle Love of Life is ever surging into outer conditions—exist and only have the Consciousness

within Them of releasing the Love of the Sacred Fire that praises and glorifies the “Mighty I AM Presence.” And if mankind could understand that each individual has the authority and power to command each day’s events to manifest the Perfection of Eternal Love that bears witness to the Reality and Existence of this “Mighty I AM Presence”—and the use of those Powers is only for the production of greater Perfection and to glorify that “Presence.”

So often through the centuries, individuals have been taught that they must do this and must do that to keep themselves out of, may I say, something worse. But individuals are not made to understand that they are here in this world of their own choice. They have come into every embodiment by their own free will; and since they took the responsibility of directing and qualifying a certain amount of the energy of the Universe—the energy of Life—they took that responsibility to manifest Perfection in the outer, that it might glorify and reveal the Inner.

And here mankind, throughout the centuries, have forgotten there was an Inner. Their reference to the Great “God Presence” of Life, as they call It, “God,” in most cases, is a hazy, indefinite,

mental concept only, except in conditions of dire distress when, in that intense feeling that goes up in the Call for Assistance, the Higher Mental Body—or someone of the Angelic Host or the Ascended Masters—has manifested the likeness of the Divine Being to the sight of the outer self, that the individual might feel there was an Individual Being giving the Help.

That is why it is necessary that this Chart be held before the sight of mankind, and explained so they understand that It is an individual Focus of Help—into the outer activities—that is required in order to free individuals from the limitations of this world. Dear Hearts, this world to begin with didn't have any limitations. God doesn't create a planet and place limitations upon it. This world and all upon it, in the beginning, was free for the use of mankind; and they had freedom to use the Blessings that have been given. God never placed the limitations of this world into manifestation. Mankind has created this condition, and therefore mankind must uncreate it.

So when you are brought to realize that the duty of the outer self is to place Service to this "Mighty I AM Presence" first, before any outer, physical demand, then you will have your house

in Divine Order. Then you will find the pathway ahead of you clear. So long as you think the things of the outer world are more important than your Application, you will remain in your chains and problems indefinitely. And I shall break that thing tonight—if you decide to place God first! (*applause—audience rising*) Thank you, Precious Ones. Won't you be seated, please.

And now let us enter into the Conscious Awareness of what the Angelic Host will do and can do for you as soon as you accept Their Presence with you, and live, move, and have your being in the remembrance of the Love which They pour at your Call—and which They bring by Their very Presence which you acknowledge. You could not acknowledge anything about the Angelic Host and not have immediately the Victory of Their Love flow in and around you as a Flame from Their Hearts, that would just as surely qualify the energy about you with Its Love as that you call It forth.

Since They are Beings of Love only, and They know only the Service of that Love, there isn't a thing They could do for you or draw into this octave except the Victory of Their Love. I want you to realize deeply and fully tonight what that

means to you and the world; for the closer you can feel to Them, the more of Their Love can hold Victory for you—and control of physical conditions in the outer octave of the physical world. The Angelic Host cannot bring you anything but the Victory of Their Love! Therefore if you need Protection, that Flame enfolds you, and stands between you and that which might produce disaster or discord for you.

There has been a vague acceptance in the mass of mankind of a Guardian Angel, which many times individuals have seen in time of crisis. But they forget the Service that the Angelic Host are rendering all the time. Wherever the Ascended Masters are giving Assistance, you can be as certain as you live that there is an Angel—one or more—in attendance while the Master is giving that Help. And I for one am determined that mankind shall know more of the Reality of the Angelic Host. They shall feel more of Their Love. They shall understand more of the Service these Blessed Beings have given through the centuries to mankind when they were almost sunk in the shadows of their own creation.

There is almost an unlimited variety of the Legions of the Angelic Host. There is Group after

Group that works with one specific service or one color or one quality or one manifestation. And much of the Blessings of Nature come about—and much of It is released to mankind—through the Love poured forth by the Angelic Host to the Beings who create for mankind the Blessings in the Powers of Nature. Were you to see sometime, in Cosmic Action, a Legion of the Angels of the Violet Flame, you would be breathless with admiration and love and adoration because of the Beauty and the Power and the Love which They bestow.

My Dear Ones, if it were not for the Blessings which the Angels and Angel Devas of Healing give to mankind in the healing channels of the world, where do you think the healing would be? Anything that is real, true Assistance to mankind in channels of healing is drawn and protected and directed by those of the Angelic Host who are the Healing Angels, and the Great Angel Devas who direct Them. Over every hospital there is anchored a Being of the Angelic Host who draws the Power of the Sacred Fire of Healing Love and anchors It there for all who can accept. Therefore, when the Calls of mankind go forth for Help, in most cases, the Help comes. And if it does not, it

is because the Great Divine Plan is operating in a way to teach the individual Obedience to the Cosmic Law.

Now since Limitless Legions of the Angelic Host come under My Direction, whenever an accomplishment is desired to be brought forth in the physical world to render greater Service in fulfilling the Divine Plan, there is always established the Guardianship of the Angelic Host and the Sacred Fire of Their Love—to hold Protection until the accomplishment is completed, and then still further, to protect if that Blessing is to be maintained through long periods of time.

When unusual Power is drawn into outer physical conditions to render certain Assistance to mankind, that Power is guarded always by the Angelic Host. And that is why, when the Mighty Saint Germain first drew the Ray into their home—the home of the Messengers in Chicago—the Angel Deva of the Jade Temple prepared the condition, and has guarded ever since. Now you may just as well have that same Assistance if you will give It recognition and accept It and love It and be grateful for It and serve It.

I am bringing this Knowledge to you tonight because your city here, since it is called the “City

of the Angels,” I assure you, it is not by accident. This was long ago a Focus for the Angelic Host in Their Service of the centuries past. During the time of Atlantis there was a Temple to the Angels located on the ground that is now your city of Los Angeles, and it seems to Me the mass of the people ought to know something more about the Angels. It would enable them to behave more like Angels too! The more you associate with the Angelic Host, the more you love Them and want to become like Them; and the more you love Them, the more They can do for you. The more you keep your attention upon Them, the more you would draw Their Perfection into the physical world.

So since you who are blessed by living here understand something of these Great Divine Beings who are certain Authority in this locality, if you will call the Authority of the Angelic Host to come into physical conditions in this city and force the Purification of this whole locality—that mankind may be compelled to see the Angelic Host face to face—I am quite sure you would see some Manifestations here that might even get into the newspapers. (*applause*) Thank you so much, Precious Ones.

Sometimes, you know, it takes a great deal of Patience for Us to wait upon wayward humanity year after year—after they’ve been given the Pearls of Existence on a golden platter—just wait until they get through following their own experiment with misery. I am speaking of this tonight because the Conscious Understanding of what the Angelic Host do to assist mankind must come to the intellect of human beings who are intelligent enough to understand It. If I were you who abide within this city, I certainly would not let the day go by that I did not give love and gratitude and recognition to all of the Angelic Host who have ministered here in the past, who guard your Destiny of the future, and who abide with you in the present. These are Friends to Life! The Angelic Host are Guardians of Good. They are the Masters and the Victorious Presence of Love—Love that mankind understands as yet very little of Its Blessings to Life.

And all of that is waiting, waiting, waiting for recognition, for acceptance, for use, and for your Call, that It may come into physical conditions and manifest Its Control and Transmuting Love to raise those conditions into the Perfection of Our Octave. Beloved Ones, when you realize

how wonderful these Great Beings are, and how many Ascended Masters and Cosmic Beings—and those of the Angelic Host—are ever ministering to the people of this world, and ever awaiting an opening and an opportunity to give only the Blessings that bring Happiness to all; yet mankind go on oblivious of Their Divine Presence simply because their attention is occupied with their own desire.

I am drawing forth from within you the latent memory of the Reality of the Angelic Host and of some of Their Blessings that you have received in the centuries past. There isn't a one in this room tonight who hasn't in the past had some conscious contact with the Angelic Host through which was received Divine Assistance of Transcendent Power. Now I would be very grateful if you would call for the Authority of the Angelic Host, in the Miracle Love which They send to this Earth, to charge forth into the desires of the feeling world of mankind, and see if We cannot awaken the Eternal, Divine Desire within the feeling world to become like the Angels.

Mankind! O Mankind! awaken tonight to the Divine Beings who hold Their Hands out to you for Assistance, who have poured Love

through the ages, who stand awaiting the opportunity to consume like a scroll in the Heavens the unfortunate creation that selfishness has imposed upon God's Universe. We would appreciate a Decree that would compel mankind to awaken to the Reality of the Angelic Host, to the understanding of Their Service, and to some gratitude to that Divine Life that has blessed them—and always blesses them so greatly from the Octaves above.

There are uncountable Legions of Angels whose Love would make you weep with Joy were you to see Their Approach at your Call. So often mankind have thought the Guardian Angels were only for children, and it just happens that all mankind are children. So since it is My Privilege to wield certain Authority in the awakening of mankind to that which the Angelic Host are about to do, I am pleading for My Friends. I trust you will accept Them as your Friends! (*applause—audience rising*) Thank you, Precious Ones. Won't you be seated, please, and just remain so.

I will not take much more of your time; but I wish to remind you that only recently I brought to the attention of the "I AM" Youth at the Conclave, My Desire to have you call the

Miracle Authority—which “I AM” to the Earth—of the Angelic Host, to come into your outer use. Call It into physical conditions, that We may set aside the human authority that has usurped that which belongs to God. I offered, at the Conclave, the use of My Miracle Authority; and I say to you tonight, It’s My Miracle Authority of the Angelic Host in Cosmic Action which I ask you to charge into physical conditions, that that which the human has usurped may be set aside, and that which is Eternal in the Victory of God’s Love may take Its Divinely Appointed Place in physical conditions, and bring about the Divine Order that brings Happiness to all.

I might just as well tell you tonight—you might just as well be prepared for it; all of Us who will come to give these Dictations in the future will consciously and continuously and all-powerfully keep returning your attention to the use of the Victory of the Miracle Love from your “Presence” and from Us. We are all concentrating on this at this time, and We want you to recognize It as the Sacred Fire from Our Octave that enters into the atmosphere of your world to be the Authority over the human discord that tries to envelop the Nation in its shadows.

Therefore when you use the Miracle Authority which “I AM” to the Angelic Host, and Their Miracle Love to the Earth, and ask It to be the Law in physical action that controls conditions in which you move, it will be very much easier to handle many conditions in the physical world that heretofore have seemed to oppose you when you wanted to go forward to your Freedom. You must understand that except you use the Authority of your “Mighty I AM Presence,” and the Authority of Our Octave, and the Authority of the Angelic Host, and demand the Descent of the Sacred Fire of Our Love—unless you use that, My Dear Ones, the power of that which has been the accumulated discord of the centuries is heavily charged with energy; and the Sacred Fire has to pass through that with the Authority and Command from your “Mighty I AM Presence” and Our Octave.

It is more than a Cosmic Release. It is your individual choice and use of the Divine Prerogative which is yours, the Divine Authority with which you were endowed when you came forth from the Great Central Sun. And you’ve got to use It in the physical world if you are to set aside the hypnotic control by destructive forces of the conditions in which you move. So if you want to

use the Miracle Authority of My Command for that Sacred Fire and Miracle Love of the Angelic Host to surge into physical conditions, and the Angels hold Command where mankind has seemed to in the past, you will find much Assistance coming to those who will give recognition and acceptance and love to the Divine Beings who are awaiting an opportunity to help.

So feel yourselves tonight clothed in the Love from Our Octave—whose Victory is as certain over conditions in this physical world as you make the Call. Just know when I move into action with My Sword of Blue Flame to issue the Command that certain destructive forces shall cease existence, then there comes the Descent of the Sacred Fire and those Legions who use the Sword of Blue Flame. Those Angels of that Blue Flame, as They pass through, consume in a flash what it has taken centuries of human creation to accumulate. And since certain localities and conditions in the outer world have been charged continuously with that discord, then if you will begin to use the Miracle Authority of My Love to the Earth, the Miracle Authority of My Command to the Angelic Host, you will find the Law of Love, which My Command to Life is, manifesting

as a Flame—many times in one Flash. And the resistance that has opposed you, you will find stand aside and be consumed.

We are ever ready to pour the Love that sets you Free if you will use the Authority of your “Mighty I AM Presence,” and the Miracle Authority of the Angelic Host to come into conditions of the physical world that must be held in God’s Service if mankind are to be helped. Things in the outer world that are constructive must be held in God’s Service if mankind are to be Free. Therefore, when you call the Miracle Authority which “I AM,” and the Victory of the Angelic Host into those conditions, you will set aside that which has sought to oppose the constructive way of Life and the Attainment and Fulfillment of the Divine Plan that gives greater Blessing to all wherever you abide.

So I shall, may I say, establish a Guard by which the Angelic Host may come at any moment as you send your love and gratitude to Them. And They will, wherever you allow Them to come through—through your recognition, They will leave in your world the Flame of Love which is My Authority of the Angelic Host to take Its Dominion in and around you, to assist you, to set

you Free, to protect you, and to help you serve the Beloved Saint Germain in a very much more powerful, tangible, wonderful way.

Just feel that while the Archangels are very busy with Cosmic conditions, Cosmic Assistance to the Earth, the Angelic Host are ever-present, ever-ready, and all-powerfully able to release Their Love and hold Its Victory in and around you in the Fulfillment of your Call. When you learn to love Them as I do, when you understand what Their Love can do for you, you will never forget Them again, not for one day!

You will never forget Their Presence with you. And if you don't forget Them, They cannot forget you. May you feel the Power of the Love from Their Hearts; and know that when that clothes you in Its Sacred Fire, that Authority is in Command, and will take you to Victory without reservation. I want you to feel It tonight. I want you to feel the Victory of the Love of the Angelic Host, and ask that It forever abide with you in that Miracle Authority which forever sets life free wherever you call It forth.

May you feel It. May Its Flame become visible. May you be protected by Its Power. May you use It without limit until your cooperation with

the Angelic Host will draw in and around you always all you will ever require, and give Them a chance to act in the physical world to fulfill the Great Divine Plan as We intend. May you feel Their Closeness with you after tonight, and ask Their Boundless Legions to purify and guard your city; and once again, may the Glorifying Temple to the Angels pour forth Its Music in Praise and Adoration and Gratitude for Their Assistance to Life. I commend you to the enjoyment of the Association of New Friends that will be with you forever. Thank you.
