

DISCOURSE V

October 26, 1956

CHICAGO, ILLINOIS

Beloved Ones of the Sacred Fire, I wish to bring you Assistance tonight—and encouragement that will forever abide with you. And I wish to assure you that We are far closer in association with you than you sometimes feel or understand. I wish you to know at all times the Angelic Host are ever watching every opportunity to come as close to you all as possible. And the attention that you give to the Angelic Host, and the Calls that you give are the action that opens the Door by which We can all come closer to you in outer world conditions.

When you understand that the entire Angelic Host draw the Sacred Fire of Cosmic Love everywhere They abide—no matter what has to be corrected, the Sacred Fire of Cosmic Christ Love is that which They always pour forth to change conditions into that which ever glorifies

the “Mighty I AM Presence” and protects all that is constructive. Now in the accomplishment of purifying the Earth and releasing mankind from the hordes of evil of the centuries, the Angelic Host, I assure you, will perform a very definite part of the purifying and freeing of all in this world. And that is why mankind must understand the Reality of the Angelic Host, and must accept the closeness of Their Presence and Their constant answering of the Calls of weary mankind.

The Love and Mercy which the “Mighty I AM Presence” pours forth to Life is brought into outer, physical conditions and to individuals by the Angelic Host; for They must always guard any Focus of the Sacred Fire or the Cosmic Light Rays—within which constantly flows the concentrated Electronic Force from Heights of Perfection that must come into outer, physical conditions to purify and perfect them. So the more you can be aware of the Angelic Host, the more you call to Them, the more you love Them, the more you accept Them, the closer They will come to you; the greater will flow Their Sacred Fire into your affairs, and the greater Protection They can bring to you at all times. And in the midst of the

outer world's chaos, Legions of the Angelic Host clothed in White Fire—or any colored Flame from the Central Sun—can appear at any moment; and They can control conditions in the atmosphere or through the Powers of Nature.

So there are far more Powerful Friends than any of mankind yet understand. When you realize what Powerful Beings the Great Cosmic Law of Life provides to come to the Assistance of unascended mankind, you will realize how necessary it is to awaken the masses of the people to the Reality of the Presence of the Angelic Host with them in the atmosphere of Earth—many times when the outer self is not aware of the Power that is helping and protecting them. The outer selves of mankind are so held in the distressing conditions, through the attention of the intellect and the feeling, that they do not withdraw the attention often enough and place it upon the Ascended Masters or Angelic Host often enough to let in the very Power that fulfills their Calls, and would bring them the Protection and Perfection they desire.

The Angelic Host are the Messengers of the Cosmic Beings and the Ascended Masters—who are part of the Angelic Host—constantly offering help to mankind, and constantly dissolving and

consuming that which has been created of discord. Every Ascended Master is an Angel. Then there are Legions of Angels who have never been embodied, but who direct such concentration of the Sacred Fire into many activities of this world that mankind could scarcely believe how Great is that Power of the Sacred Fire unless individuals saw It with the physical sight. Power indescribable, Love that mankind yet does not comprehend, and Assistance without limit is constantly flowing forth, consciously directed, consciously concentrated, consciously sustained by the Angelic Host to help mankind to Freedom.

And it's time the masses of the people understood the Service that the Angelic Host has given to Life all down through the ages. Cycle after cycle has that Love poured forth; and Legions without number have drawn the concentration of the Sacred Fire to assist mankind every time an opening is given, or the attention will provide the way for the Help to be released. So We are far closer in association with you than you ever understand—or will understand until you come into the Ascended Masters' Octave, when you too become one of the Angels. (*applause*) Thank you, Precious Ones.

And now, since there are great Groups of the Angelic Host directed by Cosmic Beings abiding above every nation in the world, seeking always to bring forth Perfection wherever possible, mankind needs to understand the constant effort Life makes to bring Help that raises all Life out of mankind's frightful, human creation. So Blessed Ones, We are very grateful for the recognition you give Us. And while all mankind has within it, existing within Life naturally, some awareness of the Angelic Host, yet individuals are not taught to call to the Angelic Host, by which close association can take place in the daily Life of the people everywhere.

Of course, I have been portrayed in many ways, and I admit My Cosmic Sword of Blue Flame has been quite busy in answering the Calls that have come to Me. But there are Legions who wield the Sword of Blue Flame and draw other Activities of the Sacred Fire, and could come to help all mankind be released if the people would awaken and place the attention of the outer self—with Love in the feelings—upon the Angelic Host. I assure you, you have no concept of the Power of the Sacred Fire that the Angelic Host direct and by which They are surrounded.

So in coming to your assistance tonight, it is with the hope that I may charge in and around you the Angelic Host's World of the Sacred Fire. Love predominates as the Cosmic Christ Control, and I assure you, the World in which the Angelic Host abide is magnificent beyond description. Therefore, I want your world, your individual world, to now be filled with the Sacred Fire of the World of the Angelic Host. And if you will accept this and remember It often enough to love It, I assure you, the Action of the Great Central Sun Magnet will draw It into your outer use, will enfold you in Its Magnificent Perfection; and the veils between you and the Angelic Host will have disappeared. So let Us consume the veils tonight. (*applause*) Thank you, Precious Ones.

You know, many times, when you've been in a warm room where the air is not too fresh, and you step outdoors into the sunshine and the fresh air, you know how wonderful you feel; and you wonder why you didn't go out sooner. Well, We wonder too—why mankind doesn't come (*laughter*) into Our World sooner. And I assure you, as you begin to love the Angelic Host, ask for Their Presence with you, command that everything in you and your world dwell within the World—the

Sacred Fire World of the Angelic Host—you will have that same feeling of refreshing atmosphere and exhilaration that you have when you step out into a bright sunshine day with the clear atmosphere, with the breeze blowing; and you feel so good to get out and exercise in that fresh air.

I assure you, My Loved Ones, your mental and feeling world will feel that same refreshing exhilaration as you remember to demand everything in your being and world now be sealed within the Sacred Fire World of the Angelic Host, wherein at all times you may receive the Strength, the Refreshing Exhilaration that the Sacred Fire alone can give. And if you love to live in that World, you will not forget It. If you decide to live within It, and remember to call It in and around yourselves, you will find the Angelic Host abiding with you in that World. And I think that's very great Wisdom at this time. (*applause*) Thank you so much.

Now for the Protection of your Loved Ones, all that you hold near and dear, whether it be individuals or things or conditions or the Love and the Light that is your Power to become Free, charge always the World of the Sacred Fire in and around all that you want to bless. And then

ask Legions of the Angelic Host to hold Their Sacred Fire Protection about that which you wish to send as a Blessing, and around all that you hold near and dear to accomplish the Fulfillment of the Great Divine Plan.

Now if I were you, I would apply this to the Nation as well as to your own individual worlds. And if you call for the Cosmic Legions of Invincible Victory and Eternal Protection to protect the God Instruments of your Country that guarantee you Freedom—the God Blessings within your borders that give you always the Perfection of God—then Limitless Legions of the Angelic Host’s Invincible Power of the Sacred Fire and Cosmic Christ Illumination can come within the Land and within the people until they are aroused to the point where they turn Godward, and make conscious effort to reach up to the greater Perfection of Life, and receive the Blessing by which they may have Eternal Freedom.

My Dear Ones, when you see people throughout your Nation that are trying to hold to what is right, don’t just feel sorry for them and hope that maybe God will protect them. Call Legions of the Angelic Host and Invincible Power of the Sacred Fire to hold Protection about them so they render their

service for the Nation and attain their Victory. It's your privilege! You have the knowledge! The Power has been given to you, but you must use It for all as well as yourselves. So whenever you see constructive activities, constructive people trying to accomplish something worthwhile, just as a natural habit, make your Call for Legions of the Angelic Host to blaze all the Protection and all the Blessings of the Sacred Fire in and around those individuals and their constructive activities to fulfill the Great Divine Plan for the Perfection of all.

When it becomes necessary to shock mankind awake by certain conditions in the outer world, there must always be those who stand guard until the awakening takes place, and the removal of the hordes of evil moves into outer action to complete the final cleansing of the Earth. And I assure you, in all that is coming ahead of you, the Angelic Host have a very powerful, important part, and would love to have your Calls as much as possible. (*applause—audience rising*) Thank you, Precious Ones. Won't you be seated, please, and just remain so.

Why do you suppose I am here tonight? Because when you called for the Great Central

Sun's Legions of the Sacred Fire Victory to come and fulfill your Calls, or render the Service that consumes hatred, I have a very important part to play in that. So I am your Partner. I am the Partner of your Beloved Master Jesus. I am the Partner of your Blessed Master Saint Germain and the Beloved Godfré; and if you don't mind, I hope you will always remember Me as your Partner in everything you do! (*applause*) Thank you so much, Precious Ones.

You know, since I am the Senior Partner, you should yield to Me! (*laughter and applause*) Thank you, Precious Ones. You see, I have already passed the way of Earth—long centuries ago. I have been through the experiences of physical embodiment, but I didn't choose to be in distress. So since I have kept out of it and have the Desire to help you out of it, then My Senior Experience, which is Cosmic Power of the Sacred Fire that I have accumulated and drawn through the centuries, is now placed at your service to fulfill the Great Divine Plan. But I must have your request. And the Pathway on which the Help comes is the ever-expanding Love that draws back to you all that Love can give from the Greater Octaves of Life's experience.

So Blessed Ones, if you will use the Sacred Fire of Our Love—to send It forth into the shadows of the rest of the world, the sunshine may break in many places that will surprise all. And We are hoping to bring that as powerfully and as quickly as possible. And We can only bring It through those who want It, through those who call for It, through those who will use It. So We will come and knock at your door rather frequently in the immediate future, for We are needed very greatly in the outer world tonight. (*applause*) Thank you, Blessed Ones.

And I assure you, if you remember enough to demand everything in your beings and worlds be sealed now in the World of the Sacred Fire Love of the Angelic Host, you'll find It has a very definite effect upon your health, because you can absorb that Sacred Fire Love; and It heals all things; It supplies all things. And you will find much Assistance coming to you that will almost offer Itself to you with scarcely any effort on your own part, except your daily charging of the World of the Sacred Fire of the Angelic Host—to *be* your World of Experience every day, your World of Control, your World of Blessing, to give without limit to all Life everywhere.

And this is the expanding action and closer cooperation between the Angelic Host and mankind to which We have referred many times since this “I AM” Activity came forth. So Beloved Ones, from tonight, if you will love to live in My World of the Sacred Fire’s Love and Control of all things, you will find My Love in your world controlling your conditions. Then you, in turn, can use that around your loved ones and all to whom you wish to give help; and Love will go forth and consume the hatred that has created the shadows.

You become then Legions of Protection to all that is constructive. And Our Sacred Fire comes to Earth and reveals Its Mastery everywhere you draw It into outer action until mankind becomes aware of Its Almighty Dominion, and understands It is the Cosmic Law in Action that controls all Systems of Worlds. Therefore It will control your world, your individual world, and the world in which you abide. So My Loved Ones, My Heart’s Love is a very practical Assistance to you in your physical affairs, and the World of the Sacred Fire Love of the Angelic Host must one day fill all on this Earth for Eternity.

So if wherever you abide, you would draw It into action, that It may become an eternal part

of this world, I assure you, you will go forward from one gigantic accomplishment to another in the greatest Joy you've ever known. And Freedom will have become the Reality for you—of which you have dreamed, but you may yet experience while yet unascended.

So from tonight, I trust all of you will want your world individually—and the world itself—to now become the World of the Sacred Fire's Love of the Great Angelic Host, that They may come quickly and render that Service which They alone can give. And may I enfold you tonight in all the Victory which the Love of My Heart commands for you, and which now I hope becomes your world of manifestation from tonight. I enfold you in My World of Sacred Fire Love; and I command My Legions of the Angelic Host to blaze Their Sacred Fire about you, to guard you, to assist you, and wherever possible, take you forward to Victory without limit—and that you in turn, may lead others to Victory until only Its Perfection exists anywhere.

So I commend you to the New World, the New Order of this Cycle, as you call this into outer, physical conditions to move forward the Perfection that must manifest here, that is your

Destiny, and that is the Freedom of the world and Peace for Eternity. I hope that, from tonight, your world will be so flooded with the Sacred Fire Love of the Angelic Host—that becomes for you the Freedom and the Happiness that is yours for Eternity. Thank you with all My Heart.
