

DISCOURSE VIII

April 2, 1959

SANTA FE, NEW MEXICO

Beloved Ones of My Heart, as the Angelic Host are drawing greater and greater Power of the Sacred Fire into outer, physical conditions for the correction of the affairs of mankind, I wish to offer Assistance to you all—if you care to accept that which We want to bring into physical conditions for your Protection and Victory, and for the relief of mankind from distress. The masses of the people intuitively feel there is such a thing as a Guardian Angel because they feel the necessity of Protection against destructive forces. But individuals know so little about the Angelic Host, and they could have so much more Help if they understood what they could do to cooperate with the Great Cosmic Law in the way It releases that Help through the Angelic Host.

So therefore, tonight I'm going to give you a Secret of Power, a Power that can never bring you discord of any kind, that you may use without limit, and is always at hand—for this reason: When you individualized from the Great Central Sun, the Cosmic Law provided an Angel to guard your Life Stream until either you were Ascended or met the second death. The Angel of the “Presence” that guards each embodiment, that has guarded your Life Stream since you left the Great Central Sun, is ever ready to pour you the Power of Its Love. It has poured you that Power and Love or you would not be in the Light today.

It is the Being that comes with you into individualization that keeps drawing the Magnetic Power of the Great Central Sun Magnet around you for the Fulfillment of the Great Divine Plan. And since that is your Divine Birthright and Original Heritage, you have the right to use this Decree which I shall give you now, to draw more power into the outer, physical world for your greater Protection, Freedom, and Assistance to others. There is no excuse for being set up about this Acknowledgement; so try to remain very humble in your love and gratitude to the Angel of the “Presence” for all

the good you have received, and pour that love and gratitude to the Great Ascended Host who have been your Guarding Presence also—until you have come thus far in the Light.

But tonight, because of the need that you're going to face in the outer world, I think you will be very much delighted and very happy if you will use this Decree: “‘I AM’ the Power Flame of the Great Angelic Host!” Now Our Power Flame is the Power of Our Love. It also contains the Wisdom of that Love and Power. And remember this: anything that comes from the Angelic Host is always held in Perfect Balance. There is never at any time anything can flow or come through any of the Angelic Host but the Perfect Balance of Love, Wisdom, and Power. Therefore It always produces Perfection.

Now you might say to the outer self, “Well, I don't look much like the Power Flame of the Angelic Host.” Perhaps you don't from the outer, but you don't know what you look like from the Inner. Otherwise I wouldn't be here. If you hadn't looked very wonderful tonight, I would not have been able to give you this at this particular time. I'm telling you this not to feed your ego for any reason at all, but to give

you the encouragement and the use of a greater Power of Our Love which the world needs—not just you individually.

The ground you tread upon needs Our Power Flame of Love. Weary mankind, in its struggle against human creation, needs the Power of Our Love. And you, the more you reach up to draw forth the Powers of your “Presence” into your outer use, will need the Power of Our Love also. For Our Love is always a Protecting Power, and the Wisdom of that Power brings much Illumination that all can use with very great benefit. So Blessed Ones, I’m going to watch with very great interest your feeling world when you begin to use this Decree: “ ‘I AM’ the Power Flame of the Angelic Host!”

Now I wouldn’t go out and brag about this—discuss it. If you are wise, you will keep it locked within the Silence of your own Heart, and talk not about it to people of the outer world. Just let the Power be drawn in and around you, and reveal Itself and Its Blessings to life wherever you abide by the deeds you do, by the works you perform, by the Blessings you give, and by the Perfection you express. And therefore, if you keep it in the Silence of your own Heart’s Love,

you will find it act very much more quickly. Your concentration of the Power will be more rapid, more powerful, and bring you Its Blessings in a very, very delightful way.

You see, if mankind understood the Sacredness of the Great, Divine Trusts which Life gives to each one, as you might call It, a Confidence from God to you—the Confidence of your “Presence” or the Ascended Host to you as a Sacred Trust—and love It in the Silence, you would find Its Powers releasing through you very much more rapidly. And your Mastery would come very much more easily. And you would find an Invincible Protection that you do not have unless those Powers and Trusts from your “Presence” and from Us are considered a Sacred, Wondrous Gift of Love upon which no impudent force of the outer world should be allowed to intrude.

And if I were you, and people who are brazen try to question you about some of these Sacred Trusts from the “Presence,” I would not hesitate an instant in saying, “What my God has given me is God’s Trust and Love to me, and is none of your business.” I would settle that thing, because the impudence of the sinister force is unbridled; and you’re not obligated at any time to answer

impudent questions. I would not give quarter for an instant to that sinister thing that wants to either cast dishonor and discredit upon that which is of God that is helping you, or to try to make you refuse to acknowledge the great Miracles and Blessings that Love so wondrously bestows upon the people of Earth.

You are coming to a time, Beloved “I AM” Students of Beloved Saint Germain’s Family of Freedom, you are coming to a time when your Power will be increased; and the Angelic Host will be the Outpouring of that Sacred Fire Love which increases your Power. But it will take your Acknowledgement also—from within—as your desire to be this Power Flame. It takes your action from within, and Ours from around you and through you, to bring this Power into your outer use in a much more tangible way than you’ve ever had It thus far. And as you do this you will be able to teach mankind more about the Angelic Host—which individuals need to learn, that they may have Freedom more quickly.

Now there are Infinite Legions of the Angelic Host. You have Angels of the Violet Flame whose Purifying Love consumes mankind’s frightful creations. You have the Angels of Protection. You

have the Angels of Healing. You have Legions of Angels of Illumination. You have Angels of Music, Angels of Inspiration, Angels of such Love as no words can ever convey—Angels of Light whose Light is so bright, that which is of the sinister force can never even look in Its Direction.

These are the Magnificent Realms of the God Power of Perfection of Life, the Great “God Presence” of the “Mighty I AM.” Mankind needs to learn about the Angelic Host, needs to know the Reality and Power which the Angelic Host wield. And it would be well if more individuals understood the Reality and the Purpose of the Angelic Host’s Existence throughout Infinity. Part of the Illumination which is to come to the masses of the people can come through you if you begin to give Us this Acknowledgment: “‘I AM’ the Power Flame of the Great Angelic Host.” That carries Illumination within It, carries Wisdom, carries Love and Power, carries many, many Gifts that the Angelic Host bestow. Your Power Flame can become the Healing of the nations. Or your Acknowledgement of the Power Flame of the Angelic Host can become the Healing Presence wherever you abide to help life be free from distress.

So this one Acknowledgment will open a vast vista to you of the Powers of Life, the Powers of the Angelic Host, and the great Opportunities that lie before you to exert your Mastery, and become the “Presence” that controls conditions wherever you abide, and raises all you contact into greater and greater Perfection by a Love that mankind needs to understand; but as yet of which it is totally ignorant.

So from tonight, Blessed Ones, in the midst of the chaos of the outer world’s frightful impurity, We would deeply appreciate your Acknowledgment of the Power Flame of the Angelic Host, because the Angelic Host are Invincible, Eternal Purity. And as you ask this Flame, or acknowledge Its Presence, It will grow and grow and grow in and around you, and shed Its Blessing and Its Raising Activity to all you contact. And you become a Sun Presence in the darkness of mankind’s hate, and that hate will be consumed by the Light of the Sacred Fire Power of Our Love. So Blessed Ones, the hour is approaching when mankind is going to have to be awakened. It is going to have to be purified. It is going to have to give Obedience if it is to be Free. But you who have come this far in the Light

can have many Powers to use from now on as you acknowledge the Power of the Angelic Host.

And now one more thing—I will not keep you very long. There is another Activity you may have, and I'm sure will be very easy for you to use and will bring some amazing results. The Messenger has constantly reminded you of the Power of holding a Picture, the visualizing of that which you desire. Now since the Great Creative Word of the Universe, "I AM," contains such Power of the Energy of Life, God in Action, God Energy in Action, every time you speak It, if you will hold the Picture of It as Living Flame—Gold and Violet and Blue and Pink—ever enfolding whatever you wish to see controlled. The habit set in the consciousness as you hold this Picture will draw to you very much more rapid Fulfillment of your Calls. And the more you see It in Living Flame, the more you will learn what the Sacred Fire is—and the Power of Life that it is your privilege to use.

So I trust you may go forward. Just experiment with this in the greatest joy and happiness and relaxation of quietly contemplating It; and let It do Its Perfect Work for you in yourselves—and in and around all where you call It forth—until

one day that Living, Flaming Presence of the Word “I AM” stands in the atmosphere of Earth. And Its Sacred Fire Power, revealed to the sight of mankind, will burn within the memory of Life Its Eternal Privilege of attaining Perfection, manifesting Freedom, and revealing the Mastery that Love has designed from the beginning of manifestation, and will continue unto Infinity, unto Eternity, unto all.

“Great Presence,” the “Beloved Mighty I AM,” shed Thy Radiance to these, the Beloved of the Light. Reveal that Word “I AM” in Living Flame; and let the Power Flame of the Love of the Angelic Host clothe these, the Beloved of the Light, and all under this Radiation, with the Power of Our Realm of Life—with Its Great Revealing Presence; and raise and raise and raise all into that greater Perfection that forever brings Joy everywhere for Eternity. Thank you.

May the Angelic Host attend you; and you remember you are One with us, and Our Realm of Life forever pours to you Its Boundless Blessings. May you forever and forever and forever be the Mastery of Our Love to Life and the Victory of Our Freedom from the Realms of Eternal Perfection. Thank you with all My Heart.
