

## DISCOURSE IX

April 5, 1961

SANTA FE, NEW MEXICO

Beloved Ones of My Heart, tonight as We are drawing into the lower atmosphere of Earth more of the Sacred Fire Power from the Great Realm of the Angelic Host, We ask you to be aware more frequently, of not only the Service of the Angels to unascended mankind, but try to recognize that every Ascended Master is an Angel—and in that capacity is at all times a Revealing Sun Presence, to reveal to consciousness everywhere the Perfection that the Great Sacred Fire Love has created, that It gives into outer action, that It expects to manifest everywhere to fulfill the Great Divine Plan.

You are not always aware of the Service of the Angelic Host to unascended mankind to the degree that you open the way to let the Angelic Hosts' Power come into your outer

affairs—control conditions around you so that you prevent the discord occurring that otherwise whirls everywhere in outer world activities. If you could see—how by just the Radiation of one of the Angelic Host into a condition that is destructive, and sometimes just passing by the condition—the Radiation of the Sacred Fire Love goes forth from the Angel into the condition. And there may not be any great sensational change, but evil just is not able to focus into the destruction that otherwise would have taken place if the Angel's Love had not passed by.

Now We are moving constantly in the atmosphere of Earth, and there are Legions who bring Help to mankind; but if unascended beings are not aware of Our Presence, they do not cooperate with Us consciously enough to let Us release the greatest Power which otherwise they could have. Now the outer world might have some comments about this; but if you could understand what the Service of the Angels of the Blue Flame and Blue Lightning and Cosmic Illumination can do in the government of a nation—and in outer world conditions that are bringing greater Perfection and greater civilization into manifestation, you would be utterly amazed if

you could see at the Inner Level what can take place when a Call to the Angelic Host goes forth.

You have had instances through the centuries of nations and groups of individuals deadlocked in their own ideas, unable to agree with each other, and constantly creating more and more problems. And yet do you know, even some of your world conferences in which there seems to be no agreement—that lasts any length of time—I could walk simply through the atmosphere of the city and make it impossible for the evil in those conferences to function. Now that's the Power We are ready to give! That Power is in the Universe. It's part of Life. Life is One; Energy is One; Consciousness is One; Substance is One; Space is One. And since We are the Authority of Perfection, and more than that, We are the Manifestation of Protection, if you want Perfection manifest in this world, It's going to have to come by the Assistance of the Angelic Host.

Your “Beloved I AM Presence” has for centuries been pouring It through, and mankind has misused It and desecrated It. But the Angelic Host are the Guarding Presence of the Sacred Fire that are provided by the Cosmic Law, to protect

and sustain whatever constructive activity your “Mighty I AM Presence” wishes to manifest in the physical world to fulfill and outpicture the Divine Plan. While the “Presence” is creating and manifesting Its Perfection, there is always a Group of the Angelic Host that stand between the manifestation and the vibratory action of the energy around It, until It is complete. And even then, sometimes for centuries, Legions of Angels sustain the constructive activities that have been brought into existence in this world to bless mankind.

Now don’t let your intellect say: “Well, I thought the ‘Mighty I AM Presence’ was All-powerful!” Certainly It is! Otherwise It couldn’t create Perfection. But the Divine Plan is that the Angelic Host are in existence; and Their Service to Life is to keep the energy around a manifestation controlled until the creation is perfected and is moved into outer action to build a civilization, to build a nation, or to go forward and produce certain manifestation throughout the world.

And the Angelic Host are the Messengers, the Ambassadors, and the Carriers of the Great Central Sun’s Sacred Fire Love into any locality,

to surround any manifestation that is constructive, and to sustain it until it renders its service and its blessing to the Universe around it or to mankind. This is the Divine Plan of Life. And there are uncountable Legions of the Angelic Host who govern manifestation, who create manifestation, who sustain it, who use it, and through which the lesser life is raised into the Greater Realms of Life's Glorifying Perfection.

Therefore if you can remember what the Service of the Angelic Host is more frequently, and if you care for My Company, I shall be glad to call upon you on occasion. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please, and just remain so. I will not hold you long; but this is what I hope you will remember—and will bring the Angelic Host's Service to mankind into greater recognition as you move among the outer world and explain some of this Law. And this is the obligation you owe to the Angelic Host. When a Flame individualizes from the Great Central Sun, the Angel of the "Presence" accompanies that Life Stream in every embodiment—until either the Ascension is complete, or the individual meets the second death. There is no time when the

Angel of the “Presence” is not accompanying the Life Stream. So that’s what you owe to the Angelic Host.

How often you see a certain amount of awareness of this really is within some of mankind; for you often hear this expression when someone is protected, escapes danger or something, you often hear the expression, “Well, his Guardian Angel must have been around!” You know how often that is said—because that Guardian Angel *is* there. The Higher Mental Body, in cases of danger, often builds up instantly a body and catches the outer self and controls it so it is saved from destructive forces.

The Angelic Host accompanies the Life Stream from the time it leaves the Central Sun until it becomes an Ascended Being or otherwise. So children should be taught this from babyhood; and it certainly won’t hurt full-grown human beings to become aware of the Great Power that Life has used, and the Great Blessings that have been provided to help every Life Stream become an Ascended Being—and then a Cosmic Being, and then a Creator of a world or a system of worlds. Such is the Great Plan of Infinite Creation that ever goes on in infinite space,

of which you can become aware; and which someday, surely, you should become aware.

So the more you can ask—or charge yourselves with the Ascended Masters' Illumining Consciousness of all that the Angelic Host means to Life—the more the outer intellect would become aware of the Service of the Angelic Host. And your Love to the Angelic Host would automatically draw Them to you. They are Beings of Love alone. They never use any other force. It is the Sacred Fire; and if you want Victory over the manifestations of this world, you're going to have to use the Sacred Fire Love of the Angelic Host in order to manifest that Victory.

So They are quite necessary for your Freedom, for the Protection of all that is constructive, for the Creation of all that is constructive, and for the Management of manifestation. You didn't know you had some Partners, did you, in the invisible? And They are not so invisible! Excuse Me for saying this, but They are only invisible because mankind wears blinders, (*laughter*) that's all. They are visible to the other realms of Life. They are visible to each other. And so We would appreciate this Call: if you will make the demand upon the Cosmic Law that all mankind is forced to know of,

understand, feel, see, and experience the Reality of the Ascended Host—whether individuals want to or not. You demand the Cosmic Law's Action of that, and there can come many surprises in this world the sinister force never thought about. And We might be some of them—not only might be, We will be!

Now another Service that the Angelic Host renders: where there has been a focus of great destruction over—perhaps centuries in certain localities, there's always a Guard set up around those who are honest, sincere, and try to hold to the constructive way of Life, to either keep those people out of that destructive vortex; or if the individual is caught in it, the Angelic Host give the Protection to keep that which is constructive from being completely annihilated by the vortex of destructive activity of former creation.

Now you know I am represented a good deal of the time with a Sword of Blue Flame. The Legions of the Angels of the Sword of Blue Flame—to the destructive forces of mankind's creation—the Angelic Host are terrific in the Power of the Sacred Fire which They wield and the Manifestations which They draw into outer conditions when it is necessary to consume evil.

But when you see what the Love of the Angelic Host can do in transmuting conditions of distress into the Perfection and Joy of Eternity, your love for the Angelic Host will grow in leaps and bounds. And I want to bring to your attention tonight the fact that They many times accompany you, protect you, and bring to you things that bless you that you think just come through ordinary physical channels. Many, many, many Gifts are the Love and the Blessing of the Angelic Host that come to help mankind in everything that is constructive.

There will always be one or more of the Angelic Host in attendance upon that which is constructive until it becomes a thing manifested to fulfill the Divine Plan. And it is the Way and Means the Cosmic Law has established to create that which is constructive, sustain it, expand it, protect it, and let it act to glorify the Universe with Its Almighty Love and ever-expanding Perfection.

The Way and Means by which that Perfection is manifested is the Service and the Action and the Love and the Gift of the Angelic Host. So when you see a magnificent civilization built, you will never know until you are Ascended how limitless are the Legions of the Angelic Host that

were the Inspiring Ideas and Love and Beauty that enabled that civilization to come into existence. Don't think for one moment, Beloved Ones, that the Magnificent Blessings of a civilization are just the intellectual handiwork of mankind. That's ridiculous! Everything that is of greater Good is lowered into this Octave by the Assistance of the Angelic Host.

So it's just about time mankind is awakened and compelled to realize the Great Beings that have assisted Life in this world throughout the ages past and are here now to help dissolve and consume some of mankind's frightful generation of evil. What do you think the Healing Angels do? There isn't a Focus of Healing Power anywhere in existence, that at the Inner Level there is not some one or more of the Healing Angels that pour the Sacred Fire of Their Love, the Streams of Their Life Energy, Their Purifying Power of the Sacred Fire to bring about that Healing. Over every hospital there are Groups of the Healing Angels. And therefore, when mankind's sincere Call goes to God for help, that Help is given by the Angelic Host.

I could talk indefinitely upon the Activities of the Angelic Host; and We hope, with this

Messenger's cooperation, We may reveal some of this in your Pageants and the Productions that are to come. We hope to bring the Illumination to the rest of the world that is certainly needed. It is time the Door was opened by Conscious Understanding of the Law, that the Help might come, and some love and gratitude rise from mankind to those Great Legions who have assisted throughout the centuries the embodiments of those in this world.

So Dear Ones, now let us take this up concerning your loved ones and all that you hold near and dear. When you ask for that Protection, how do you think that is given? The Force sent forth, the Love sent forth, the Energy and the Protection are all, each one, a Flame of the Love from your "Mighty I AM Presence" own Heart, and the Love from the Heart Flame of some—one or more—of the Angelic Host, depending upon that which is needed.

While I am recognized in many channels of the outer world, yet people do not understand Me. They do not understand the Service I render. They are aware of so little of how the Great Blessings and Help of God come to the people of Earth. But now it is time for the education of

the world to be increased. And the Illumination of the intellect of man, and the Purification of the emotional bodies of the people must take place now by the Sacred Fire the Angelic Host wield; and the Fulfillment of the Divine Plan given a chance to manifest in this world Its Blessings that raise all—even the Earth itself into the Ascended Masters' Octave.

So Blessed Ones, at any time you are aware of Our Presence, or want to be aware of Our Presence, call to your “Beloved I AM Presence” and to Us to make you feel Ourselves and let you understand what Service We can render, what Blessings We can bestow, what Perfection We can manifest, and what Assistance We can give to all in the Attainment of the Ascension. May you, the “I AM” Student Body, come closer and closer into conscious recognition of the Angelic Host, and have the Blessings We are so ready to give—and which I assure you, you can easily use in the outer world. May My Love prove Itself to you and bear witness through the Fulfillment of My Words tonight by your own experiences, as you care to experiment with your Calls for closer cooperation between mankind and the Angelic Host. And may Our Love ever reveal to you the

greater Glories that the Angelic Host bring to  
this world and the Infinite Universe around you.  
Thank you with all My Heart.
