

DISCOURSE XV

August 13, 1964

SHASTA SPRINGS, CALIFORNIA

Beloved Ones of the Mighty Saint Germain's Family, We come to make you feel the nearness of the Sacred Fire's Mastery over the physical conditions of this world. The Presence of the Angelic Host, as They pour forth more of the Sacred Fire in and around each of you, will clear the atmosphere about you and make it more tangible, so far as you are concerned. It will make the Presence of the Angelic Host more tangible to you.

It is one thing to just see an Ascended Being or an Angel; and it's another thing to feel the Fullness of the Power of the Sacred Fire, not only which They direct, *but which They are*. Therefore, as We come nearer and nearer into the physical octave of Earth, it is to consume as much as possible of the human creation of individuals to whom We come, that they may

more readily see Us, feel Us, and cooperate with Us—so that the Sacred Fire that We bring produces the Miracles and the Victories in their worlds for which they call.

The Angelic Host has rendered tremendous Service down through the ages and always will. But mankind needs to know not only Their Reality, but must understand something of the way the Angelic Host serve Life by bringing into the physical conditions the Eternal Perfection from the Ascended Masters' Octave. Now let Me assure you that when the Cosmic Law permits one or more of the Angelic Host to come into your physical octave to render Service, it is because a certain amount of Sacred Fire is drawn there permanently. Whatever Gifts the Angelic Host bring into the physical octave, those Gifts are the Manifestations of the Sacred Fire; and They are established either in, through, and around the individual who is being helped, or the locality or the condition that is to be changed by Their Sacred Fire Love to Perfection.

It is sometimes almost unbelievable that mankind can sleep in the shadows and the suffering and the limitation of discord, and forget the Great Cosmic Beings that are waiting to help

them. Down through the ages all of mankind has been taught, "Call unto Me and I will answer thee!" The Angelic Host is the Way and Means that Life provides to bring that Answer into the physical octave of this world. Therefore those of you who accept the Reality of the Angelic Host, who hold the outer self purified and quiet, can have as much of the Power of Our Sacred Fire Love as you can possibly use from time to time.

When the Mighty Saint Germain and others of the Ascended Host have said to you: "Spread the Violet Consuming Flame over a condition, pour your love to it, and call for its Invincible Victory and Perfection to manifest," the Way that Victory and Perfection do manifest is because an Angel—one or more of the Violet Consuming Flame—comes immediately when you give recognition, and will draw whatever Sacred Fire is necessary to fulfill your Call, so long as it be constructive; so long as it is the Work of the Christ; so long as it is the Manifestation of the Christ; so long as it is the Fulfillment of the Great Divine Plan.

There is not one thing of mankind's human creation, or all put together, can stand against the Sacred Fire Power of the Angelic Host.

And I wish to assure you of that tonight so you will not only feel closer to Us, but you will feel the Power which We wield, projected into destructive conditions to force their annihilation from existence. *You must give recognition to the Love and the Service the Angelic Host are giving* if there is to come into your own being and world the Freedom which the Sacred Fire Love of the Angelic Host is to Life everywhere. When the Angels come, They come to bring Freedom. When They come and pour Their Love and Their Purity, it is that unascended beings may be free from problems and limitations.

When the Protecting Angels come and blaze the Sacred Fire around an individual or a condition, that Sacred Fire is established there for Eternity. I want you to accept tonight the Fulfillment of every Word I tell you, because it's the Truth; and only the Truth will ever set you Free—and when the Angelic Host project the Sacred Fire of Immortal Truth, you've got to have Freedom! *(applause—audience rising)* Thank you so much, Precious Ones. Won't you be seated, and please just remain so.

How would you feel if someone you loved and who needed your assistance, needed your love,

and you had the capacity to give it, and then the individual wouldn't turn around to receive it? How would you feel? Well, now you have a slight idea of what the Angelic Host have to wait to give, because mankind either does not accept the Presence of the Angelic Host, or does not make the Call, or does not believe We are Real and can give the Help.

Tonight I wish to bring Our Ascended Master Feeling and Assurance to you—of Our Presence with you, and of the Power of the Sacred Fire which is Our Realm of Existence, to come in and around you and render the Service which only the Angelic Host can give. We have Gifts unbelievable to unascended mankind. We have Invincible, Immortal Cosmic Power to wield; and I assure you, the Love of the Angelic Host is not understood by mankind in this world.

Very little comprehension is in the human intellect or in the feeling of how intense is the Sacred Fire Love of the Angelic Host. Therefore tonight We are taking away a certain vibratory action in the atmosphere about you and in your emotional bodies. We are taking it away because it is a veil between your physical sight and Our Visible, Tangible Presence. Now it becomes your

Privilege to call Our Visible, Tangible Presence and Our Miracle Manifestations of the Sacred Fire in and around yourselves, and into conditions in the physical world, to produce Ascended Master Victory, to produce the Angelic Host's Almighty Protection, and to hold the Divine Plan made manifest, fulfilled in the physical octave, and protected against any human creation.

If you wish to acknowledge Our Presence, if you wish to accept the Love and the Help We give, if you wish to have your world filled with Our Miracles, then say so! Were you to ask that everything in your being and world be kept forever filled full to overflowing with the Invincible Miracles and Manifestations of the Angelic Host's Control of physical conditions—and the Sacred Fire's Love that is the Fulfillment of the Divine Plan—you will have It manifest!

So now it's entirely a matter of your own choice as to how close We come. There are conditions in the atmosphere of Earth from which We wish to protect you. There are creations of mankind which are wholly confusing; and they are all but the sinister force's creation to affect the emotional bodies of the people, to confuse them and make them doubt the Reality, the Power, the

Magnificent Perfection of the Ascended Masters' Existence and Octave of Manifestation in the Universe.

Anything and everything that does not want to accept the Reality of the "Mighty I AM Presence" and the Ascended Host, the Angelic Host, or the Activities of the Sacred Fire and Cosmic Light, whatever opposes or refuses to accept that is nothing on Earth but the darkness of human discord. And it is generated by discord in the feeling. Discord in the feeling becomes a barrier to anything and everything that is from the Angelic Host's Great Octave of Life. There is no barrier in the Ascended Masters' Octave. All resistance and obstruction to the Visible, Tangible Presence of the Angelic Host is entirely in the emotional bodies of unascended beings, because when the emotional body is purified and the feeling is held quiet, it is no trouble at all—almost with a breath—to open your sight and let you see the Angelic Host.

But We're not going to open your sight to see anything but the Angelic Host and the Ascended Host—which are One. Mankind has seen many things, and continues to see many things in and out of the physical body, ninety percent of which

is not constructive. Beloved Ones, I am here to help you realize what the Power of the Angelic Host is to blaze the Sacred Fire Control of physical conditions in and around you to form the Protection that repels the discord of human creation.

Now the Angelic Host project the Sacred Fire Love in and around a condition to hold the Victory and Perfection there. And please do not forget, when We draw that Sacred Fire around an individual or a condition, the Powers of Nature cannot act any way except harmoniously to the Sacred Fire which We bring. This is Protection against the destructive activities of the Powers of Nature that mankind has imposed upon the Beings of the Elements to produce destruction.

When there is charged into the atmosphere of Earth mankind's continuous hatred and destruction and violence of war, surely you must understand that if you want the constructive way of life somewhere, you must have Protection. The sinister force won't give it to you. Human creation won't give it to you. Mankind's intellect can't give it to you. Then your Protection depends entirely upon the Sacred Fire's Love which the Ascended Masters and the Angelic Host direct.

Every Ascended Master is an Angel; but there are other Angels—Angels of the Sacred Fire that have never yet embodied. And They know only the concentration of the Power of Their Love. And let Me disabuse your minds tonight of the idea that there is any such thing as a fallen Angel. The Ascended Masters can't fall; and the Angels who have never embodied can't fall, because They haven't entered into the physical world of physical embodiment. The misunderstanding and misinterpretation of events that have happened down through the centuries is the thing that has confused mankind; and mankind has imposed upon the Divine Beings and the Divine Assistance provided by Life—God knows how much mankind has imposed distortion and untruth upon that which was only given and only produced Perfection.

I wish you to understand that from tonight, if you control your feeling and you command your feeling to be filled with Ascended Masters' Feeling that sees and accepts and cooperates with the Angelic Host, you will have it just as certain as you make the Call; for We are able to give it! We are able to come through the physical atmosphere of Earth and cut through mankind's human

creation, when the Light within the Heart of the individual reaches up, and wants Our Visible, Tangible Presence in the physical octave to fulfill the Divine Plan.

Whenever you want the Divine Plan fulfilled, call the Angelic Host to blaze whatever Sacred Fire Love fulfills the Divine Plan in and around you, or whatever you are trying to raise to Perfection. But call the Angelic Host to stand the Guard, so you have Protection to what you create—you have Protection to the help you give; and therefore destructive forces cannot reach in and undo the Service you've rendered. Much of the Angelic Host's Protection is by the Violet Consuming Flame and the Sword of Blue Flame. When that Sword of Blue Flame raises and flashes, human discord is consumed completely on the instant. This is a Conscious Concentration of the Blue Ray from the Great Central Sun which is drawn into destructive conditions to consume them.

I want you to feel that Our Desire to help you—and if We arouse the Expansion of the Light within you to reach up and accept the Help We offer, We can do many more things for your Nation. Now you can call forth the Cosmic Legions of the Angels of the Sacred Fire that are the Guarding

Presence of everything that is of the Christ within the Nation. They are the Guarding Presence of the Nation. There are Legions of the Angelic Host who are the Guarding Presence of the Freedom of this Nation; and this is why I am bringing it to your attention tonight, that you may accept Their Presence with you, call Their Presence into the physical conditions to help purify the Nation, and forbid what the sinister force intends.

There are the Forbidding Angels; and when They issue a Fiat, not all mankind's destruction put together can act! It is stiffened instantly and consumed. The Power of the Angelic Host is unbelievable to unascended beings. It is Invincible; It is Cosmic, and It is always Victorious. And you can just as well have the Cosmic Legions of the Angels of Immortal Purity to come in and around you as to put up with the impurity that mankind has generated in outer world conditions.

If I were you, I would not miss the day of making the Call to the "Beloved I AM Presence" and all the Angelic Host to keep you surrounded by whatever Immortal Purity of the Sacred Fire Angels that forever keeps you disconnected from human creation. This can be an Invincible Guard to your emotional body so the discord of other

people's feeling cannot come in and connect with your Life Stream. This can be a Protection to your mind to keep tramp thoughts, destructive thoughts, destructive pictures, from holding the attention of your intellect until the disturbance can reach into your feeling and take the energy of your emotional body and sustain destructive activities.

Please believe Me tonight, Precious Ones! Just believe Me long enough to try It, and let Me show you what the Angels of the Sacred Fire can do between two seconds when it comes to the controlling of human creation. There isn't one sitting in this room tonight who can't have the individual Protection and Power drawn about you by the Angelic Host that forbids human creation to connect with you. Therefore, as We unfold more of the Power and Perfection from the Ascended Masters' Octave, We ask you to use the Power until you become aware of just what It can do for you, until you understand how Great It is, and until you understand how you can direct It to assist others.

One of the mightiest avenues of Service you can give is to call the Cosmic Angels of Fiery Christ Blue Lightning Power and Immortal

Purity to strike in and around every one of your loved ones in the national defense. And issue the Fiat—regardless of what goes on in war—issue the Fiat that the sinister force shall not approach! The Beloved Saint Germain once told you that when you use the word, “STOP!” it is a Cosmic Command and can shatter into annihilation approaching destruction. And when you call for the Great Angelic Host’s Sacred Fire Power that “STOPS!” all human creation ever approaching you or your loved ones, you will find It fulfills your Call.

And I am offering It to you that you may have the Protection. You need not go through distressing conditions if you will remember this. And if I were you, I would call It forth for everybody and everything under this Radiation, to keep whatever human creation is generated in the physical octave from even looking in your direction. You can have just as much Protection as you want! You can have just as much health and supply as you want, because there are Legions of Angels whose Special Service is to give you each one of these Activities; and it all is concentrated and projected by the Sacred Fire Love from the Heart Flame of the Ascended Beings and the Angelic Host.

Those who are Ascended are automatically Angels. But there are those Limitless Legions of the Angels of the Sacred Fire whose Power is the most terrific thing—more than words can convey. And if you ask the Great Central Sun's Sacred Fire Angels of such terrific Force that They forever establish Immortal Purity to come into your Nation and enfold all that is constructive, you will find that which is constructive will survive, be protected and saved—to you.

If you ask It to enfold your loved ones, It will enfold your loved ones. And the Sacred Fire Love which the Angelic Host direct to the people of this Earth is the most magnificent Power you could possibly imagine. You can't realize what It means until you see It in action once—to see a Divine Being, an Angel, stand, and with the Flame from the Heart, the Flame from the Hands, and then the Flame from the whole Body pour forth Love that consumes everything of imperfection. When you see It once you will understand It for Eternity.

It is this I am offering you for your Protection, for the Protection of your Nation, the Protection of your loved ones, because human desire will not protect you. The intellect cannot protect you

except as you hold the Picture of that which is the Master Presence over all in this world to control manifestation. Unless you hold the Picture of that which comes from the Ascended Masters' Octave the human intellect cannot protect you.

The Protection We offer is Immortal. What the human intellect does is here today and gone tomorrow unless it is filled with the Immortal Pictures from the Ascended Masters' Octave, and from the "Mighty I AM Presence" of the Sacred Fire and the Cosmic Light, and the Love that is Master over all. So Blessed Ones, when you call forth the Legions—the Great Central Sun Legions of the Protecting Angels—to blaze all the Sacred Fire Protection necessary around all that is constructive, the Call from the Hearts of unascended beings will be heard to the Heart of Creation! And the Beings who direct the Sacred Fire Love will send forth those Angels to establish for Eternity the Protection that only Sacred Fire Love can give.

So I commend you to the use of this. And We can only wait and see if you experiment with It enough to let Us draw closer and closer into your physical conditions, until We can remove as much as the Cosmic Law will permit at this time—of

the limitations and the impurity that the sinister force has imposed upon you, imposed upon the Nation, and imposed upon the Powers of Nature and Forces of the Elements.

There are Legions of the Angelic Host whose Purifying Sacred Fire Love would make you worship the very air They breathe. That's the Love I am talking about. The human intellect doesn't understand. Only as the feeling in the Heart illumines the intellect—and allows the Sevenfold Flame of the Seven Mighty Elohim to fill the brain structure with the Pictures from the Angelic Host and the Ascended Masters' Octave—only then does the intellect know the Truth of Mastery.

When you call forth the Master Flame of the Great Angelic Host's Sacred Fire Love, experiment with It. Prove Me, if you will! Call It in and around yourselves to protect you wherever you abide; and use It, and use It, and use It. And you will find It is Master over everything in existence—the Master Flame of the Great Angelic Host's Sacred Fire Love. Call It in and around yourselves, and ask It to produce the Perfection you desire; and you cannot be refused under the Cosmic Law, for the Law of Love is the Master

Hand of Creation, and the Angelic Host are those who bear that Blessing to the people of this world.

If you care to clothe yourselves in the Miracle Mantle of the Angelic Host's Heart Flame of Immortal Perfection, try Me out and see whether your conditions reveal that which I can give, and all the Angels can give—and which We are waiting to give, which you need, which the Nation needs, and which must be given at this time.

So I leave you with the reminder that you have all Authority and Power to draw this into the physical octave to overcome these conditions that are seeking only to cause distress to Life. And We are the Immortal Authority to command Peace and Love of the Sacred Fire that is Eternal, and Perfection manifests to bless the Earth and all Life with the Victory of Eternity. Go forward, and see what it means to call My Heart Flame of the Sacred Fire Love of the Angelic Host and the Momentum of the Master Flame which I offer; and let Me fill your world with that which gives you the Power to help others as you pass this way until the Victory of your Ascension. Thank you with all My Heart.
