• THE GODDESS OF LIBERTY'S DISCOURSE •  
• *West Palm Beach Class—December 5, 1937* •

**B**ELOVED children of earth, in My endeavor to assist the Ascended Masters in preventing the third episode of Washington's Vision, which it was My Privilege to give him, in the defense of America, the Great Cosmic Beings have come forth—the Silent Watcher, the Great Cyclopea, Arcturus, Victory and His Associates from Venus. By this all who are sincere may understand the great effort that is being made to assist mankind to their Freedom; in other words, prevent their destruction.

The devastation that has been planned for your America, make no mistake, would have begun more than eighteen months ago, if it had not been for the tremendous Power released by Saint Germain through the Messengers. The ignorance of mankind, in individuals' refusal to understand the Law of Life, has brought about the conditions which exist in the world to-day. Unless the feeling of mankind goes higher than human consciousness, in nowise can it find any place to receive assistance. The only Beings, Who can give the needed Assistance mankind requires to-day, are Those Who have gone through the Life which mankind experiences and Who have gained Their Freedom through this identical Understanding of the "Mighty I AM Presence," as Saint Germain has brought It forth. There is no other means of Freedom nor protection to mankind, individually nor for the nation.

We have watched throughout the centuries. Mankind, in the individual's endeavor to right conditions, gets deeper all the time into human creation. There is no release—no relief for mankind—until individuals come to understand their Source of Being, which is the Giver of all Life. That is the focal point. That Intelligence is represented by your own God Presence, upon this Chart before you. This was brought forth to give mankind the eye picture so everyone might fully understand, comprehend the position and know his connection with his Presence. Hundreds of thousands of people in the world have called to know how to make their contact with their own God Presence.

Saint Germain has shown you here your real

connection. He has shown that you have never been disconnected. Therefore, if you profit by it, you will find your Freedom and quickly. Too long has mankind believed in human power. Human beings have gone on in their depravity and unbelief, grinning and smiling in their own ignorance. Therefore, they have been wondering what makes the conditions in which they exist. Their very ignorance!

To-day, when the opportunity is offered mankind to free itself by calling on the Law of Forgiveness for those mistakes; and having found a Power direct from the Godhead of Life, then individuals have found a means by which assistance can be given. Every human being who will not understand his "Mighty I AM Presence," his Source of Life, will continue on the wheel of birth and rebirth indefinitely. It will be a long time before mankind has the opportunity it has to-day, in the great Assistance which is offered. We cannot tell you how long this Opportunity will be offered! It all depends upon the Great Cosmic Light that is flooding the earth and upon the willing obedience of enough of mankind.

I say this for the comfort of the sincere "I AM" Students: "Beloved ones, have no fear of the coming changes! Your Presence is the Governing Power of your Life! Unless you become over-fearful, It will always see that you are in the place of safety. Remember! the Laws of this world, the Laws of Life are not by chance. A definite Light, Power and Wisdom is directing things."

Will you remember to-night, that in the beginning of your nation, there was given the out-picturing, the warning, of its future? The two first episodes of that Vision have been fulfilled. It

should give mankind confidence that Wisdom was directing the Vision. Therefore, the third episode has been the greatest danger confronting mankind to-day. If it swept into America, the whole world would be in a seething vortex of destruction! Now, you can understand, what it has meant for Us to come forth and offer this Assistance.

When We see what is in the Life Stream of many, if it were not for the Great Wisdom, even We might wonder at the out-come. We know the Infinite Power of Light and what the Great Cosmic Light can do. Having given two promptings to the world, that in the final crisis, the Light as of a thousand suns shall descend into the earth and dissolve and consume all human discord and selfishness from the planet, it would indicate limitless Assistance.

As a greater number of people come to understand this Presence, then Our Hope rises for the mankind of earth. To-day, you, who are needing this Assistance, will be very wise if your human creation is such that you can accept it. It is not We who need the Assistance, but humanity which is in the condition of limitation. To-day the opportunity is before you. It is the solution, not only of your own individual problems, but of the nation's as well. There is only one means anywhere by which the permanent solution of anything can come, and that is by sincerely, firmly, calling your own God Presence into action. Those who will not do that will see the mistake too late.

When mankind is being offered every assistance possible and then it is seen that individuals are not interested in their protection or freedom, the Light withdraws! The Light does not have to seek mankind. Mankind must seek the Light! That has

been the difficulty with humanity in its previous understanding. It believed the Light, God, would seek mankind. Not so! Mankind by the individual's own volition created the conditions in which human beings live to-day. They must now by their call un-create or dissolve and consume those conditions, or they will remain in them. Therefore, beloved ones, take advantage of the opportunity which is offered.

From My position in the Cosmic Octaves of Light, I have chosen to come forth into the rooms, the buildings where these Classes are held, and pour forth My Radiance to you, that you might awaken and have these Blessings; that you might come into your Freedom by the True Understanding of your own Life. Yet there are those who come into the room with just the outer world's fulness in their minds, when they are facing the most serious condition ever confronting humanity on the face of the earth; a condition that either means the Freedom or the annihilation of mankind. Which will you have?

You have heard the Messenger say, that this Understanding is no idle thing. It is the Power of Great Wisdom which is bringing to individuals This Understanding. It is bringing the Solution of all problems and explains everything that exists. It is the Understanding that corrects the mistakes of mankind. If the individual will not correct these mistakes, then the Light from that individual will withdraw and he will remain in the darkness of his own creation.

Follow Me for a moment in the picture! You think, when you turn out the lights in your room, there is darkness. I tell you, it is not a fragment

of the darkness of one's own human creation. In the psychic or astral world, which is one and the same thing, the darkness in which those, who were once human, are bound, is a darkness so much more dense—so much more frightful—that there is not the slightest comparison. Does mankind want to go into that darkness? When human beings enter into that darkness, having left the human form behind, they remain a long, long time in that darkness. There are those, by the hundreds to-day, who are living in a small world of that darkness and density of their own creation! and they are calling, calling, calling for Light!

There are human beings moving upon earth whose darkness is far greater than that outside at night. This is why I have come forth to try to shatter that darkness and ignorance of mankind by releasing the Light and Its powerful vibratory Action which interpenetrates and dissolves the darkness. It is quite similar to when you come into this room and turn on these Lights. The darkness disappears! So, when We turn on the Light through the Vibratory Action of Our Own Radiance, so do We dissolve the darkness of human creation.

Will you be kind enough to feel deeply within your own being that the choice is yours NOW? You will not have a hundred years in which to choose! It may be only a few years. The opportunity is offered to you. I am speaking now, not only to those present in the room, but through those Mighty Currents of Energy, established in the feeling and mental world of mankind, I am making this Call to-night into the heart of the people of America. Awaken NOW! or sleep for a long time!

When once this Understanding has been offered there is no longer excuse for any further delay. It is said, in one of your expressions, that "opportunity knocks but once." I say to you, that opportunity has knocked at your door many times in every Life-time you have lived! but mankind is so satisfied in its limitations, that only now, when these Words of the Ascended Masters have come forth carrying the Qualities of the Ascended Masters, has mankind begun to awaken to its own Reality, to its responsibility, and to the need of your beloved America!

You, Oh people of America, should be as interested as I! Your Beloved Saint Germain two hundred years ago, came to bless your America and established Washington as its President. In the crisis of gaining the Victory of Liberty, I came as described in that Vision and gave to him the future of America. Saint Germain gave Washington the Power of Victory! for when his soldiers' feet were bleeding in the snow and he knew not which way to turn, this Wondrous Being, Saint Germain, came to his assistance.

To-day, beloved ones, there is coming to your assistance again the Host of Ascended Masters—not only one, not only two, but the Great Host of Ascended Masters! the Legion of Light! and the Great Cosmic Beings Who have before poured forth Their Radiance only from a great distance to the earth! Now, They have come forth in person, to render a Service for mankind. Is it possible, that human beings will not awaken and accept the Beauty, the Glory, the Protection and the Freedom which We offer?

To-night, Oh beloved ones, you rest in the arms

of Light. Be not like some, who have come into this Understanding and by the foolishness of human gossip, have turned aside to the husks of Life again. The choice is yours! You may have your Freedom or not! The choice is yours! We are offering you everything as a free Gift of Life.

If it were not the Power of Light, which the Messengers are wielding, do you think it would be possible to go forth in the world of discord and chaos of mankind as it exists to-day and receive the support for their activity by the Love of mankind? If this were not the Power of Light, do you think they could carry on this Activity where no one is ever asked for a dime? The Light within the heart of mankind has begun to carry forth this Light. Never in the history of the earth was such a thing known! Mankind is coming to know the Presence, the Treasure-house of the Universe; and what it means to give as a glad free gift of Love, all good. Then it receives all good, from the Presence of all Life.

There are many who are understanding this clearly and I rejoice with them. Precious students of Saint Germain, I love you because you have responded so sincerely and so earnestly to His Call. I thank you and I pour forth from My Fountain of Limitless Youth, Power and Divine Love, My Blessings to sustain, enfold and assist you in your onward journey and Victory.

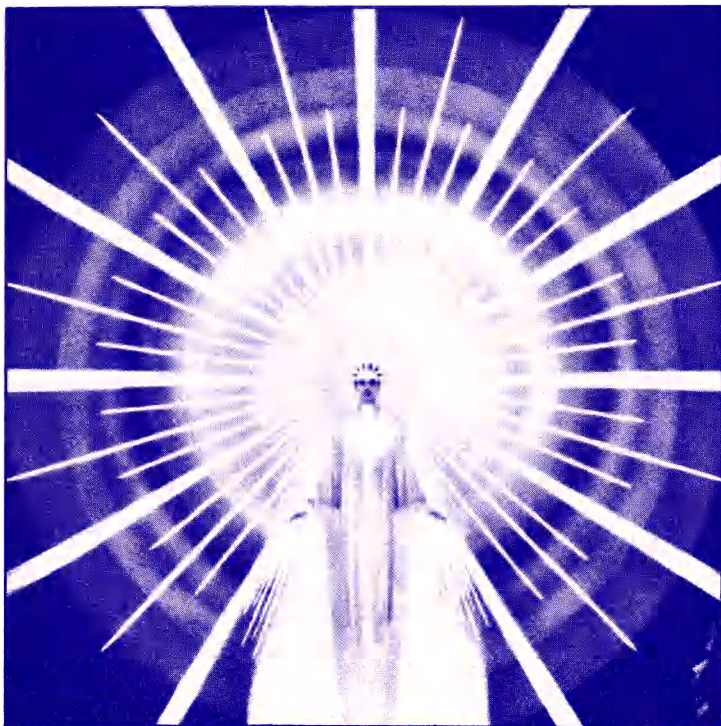

How great is the Love of one Cosmic Being!—the human intellect could not possibly comprehend It! but in your heart you can know what that means. Try to live in your heart! Try to be the Light anchored within your heart! Then, let the Great Wisdom contained within that Light

flood your being and world. Let It carry you forward like a babe in its mother's arms, safe, protected, free from all discord. The child in the mother's arms does not fear. It is safe while it is in its mother's arms. So you to-day, Oh My children, are safe within the Arms of the Light which enfold you to-night, if you will but remain there.

Do you know, beloved ones, that I am your Cosmic Mother? The Goddess of Liberty—the Cosmic Mother, of the children of America—and because you are here, again there is no mistake. Try to feel that in Life there are no mistakes of any kind. In following the human impulses in mankind is where mistakes begin and finish.

As I hold you now in this Great Embrace of Light, try to feel yourself held in the Arms of your Great Presence of Light, just a child willing to give all necessary obedience to that Great Parent of Life. You think your homes are many here, but I say your home is there in the heart of your own God Presence, and there is none other! In that Home there is Perfect Happiness, the presence of all that is required for the activity of Life. You had forgotten it! Now that you have been reminded! will you not enter in and have all the fulness of all Life holds for you?

I commend you to the fulness of Perfection, to the direction of your own Great God Presence, the "Mighty I AM," to be free. Open the doors of your Being wide, for not only the Inpouring and the Out-pouring, but to bless all with whom you come in contact. Will you carry forth from this room to-night My Love, My Light, My Blessings, and when distress besets you, will you feel yourself cuddled up in My Arms? I thank you.

**MR. BALLARD'S AFTERNOON INVOCATION**

• *West Palm Beach, Florida—December 5, 1937* •

**IGHTY** Infinite Power of Light Which is the Life of every form! "I AM" the Presence of Victory there! "I AM" the Strength, the Courage! "I AM" the Health! "I AM" the Mastery there! Let no human qualities longer try to obstruct My Way! "I AM" the Life beating each human heart! No longer shall I permit human qualities to obstruct My Way! Every human self give obedience to My

**Light Which has given you Life through the centuries!**

**"I AM" the Power of Light! "I AM" the points of Light within every cell of your body that has waited throughout the centuries to take My Dominion! I say this to the outer form of every human being! This goes forth on the currents throughout the earth, into the mental and feeling world of mankind to do Its Perfect Work! Ere long the Light shall compel every human being, every human form, to give the necessary obedience to Me, the "Mighty I AM," that I may release them from all limitations and discord of earth.**

**"I AM" the Presence of Nature which demands its release from the discord of mankind. The earth—Nature—is calling for its release from the quality which binds it in imperfection. When that call comes, the Cosmic Light which "I AM," answers in the fulness of Its Mighty Power. When It reaches a certain state of vibratory action, the human form who will not give obedience becomes dissolved. Then must that Stream of Life wait a long time before such another opportunity.**

**I speak in My Own Authority, children of earth! If you will not give Me obedience, then I shall not be enabled, even through that Stream of Life, to withhold the results of the human creation which belongs to you!**

**"I AM" the Presence that creates only harmony and Perfection. Let all the world know once and forever, that no human creation, no discord was ever created except by the misuse of the energy through the Intelligence loaned to the human form.**

**To-day, I speak to you in My Own Authority, calling for obedience! This reaches into the mental**

**and feeling world everywhere. Mankind listen! Mankind everywhere, LISTEN! Give obedience, if you wish to profit by this greatest of all Opportunities in more than one million years upon earth!**

**In this opportunity to speak My Will to mankind, reaching all mankind, so shall My Dominion come!**

**"I AM" the Infinite Power and Out-pouring of Divine Love to every form who will ask for It.**

**"I AM" the Open Door in every human form which no man can close, except the one who is Guardian and acting within that human form.**

**"I AM" the Light of your heart filled with health, strength, courage, happiness—such happiness as no one yet in the unascended state has ever experienced!**

**Do not blame anyone but yourself, if you are not willing to give this needed obedience. "I AM" offering this Opportunity in the greatest Love ever poured forth on earth.**

**"I AM" the only Presence of all Life! My Words, expressing Myself, have now found attention from the children of earth.**

**"I AM" the Presence which has given you those Qualities of My Own, by which to govern your Life, and you have forgotten them! No longer, beloved ones, forget My Presence, for "I AM" your Life! "I AM" your breath! "I AM" the fullness of everything of Perfection which you are willing to accept! Stand in My Presence, Which you have come to know, and every discord shall be swept from your world and pathway.**

**Be not impatient! After centuries of having forgotten My Presence, Yet still is My Love forever the governing Presence, when admitted into action!**

**My Wondrous Messenger of Light, Saint Germain, has given you the opportunity to be free! I speak these Words to you to-day! They are Life acting forever in your human forms!**

**The simple thing I ask you to do, to give Me Full Dominion in those forms is to maintain harmony in your feelings and joyous determined call for the greater, ever-intensifying release of Myself, into your human form and world. May you realize this in its fulness to-day. Rarely do I speak direct to mankind, except through their feeling. Thousands of times I prompt mankind through their feelings, but the attention held upon the human desires forgets My Prompting! May that cease forever! Henceforth to you may My Prompting be clear, definite, powerful, so it cannot be misunderstood!**

**“I AM” the Presence of all Light Which holds you close in My Wondrous Embrace of Light, of Divine Love, of Authority, of Victory! Will you accept It to-day and let It go into action to set you free quickly? It remains with *you*!**

**My Love shall enfold you forever, and I shall stand waiting, waiting—I hope not long! but still shall I wait until you come home to Me. My Presence, represented there on that Chart, waits the home-coming of every one in human form. I hold My Arms out to you! Will you come home and abide in Me, and know no more the struggle of earth?**

**This day, which represents to all mankind their Freedom, you have before you the Law of Application, which will enable you to call forth My Powers, to quickly assist you into My Being, when We shall become ONE forever!**

· WE THANK YOU ·

**I**N the Name of the Ascended Masters and our own "Mighty I AM Presence," we wish to thank every "I AM" Student and all under this Radiation for their Christmas cards, gifts and for all they have done in the past year for this Service of the Light!

We call the "Mighty I AM Presence" and the Limitless Hosts of Light, to pour back to you such a Mighty Outpouring of Their Glorious Blessings of every good thing, that there is not room in your world to receive all the Good released into your use.

We thank you for your own precious selves, the Love you have sent forth, all you have given, your courage, strength and willingness to help us carry the Light and to give these DECREES. To all that you have poured out, we add all of our own and offer It to the Ascended Masters, to be amplified without limit and charging It with Saint Germain's Ascended Master Consciousness, give It to Him to do with as He knows best; for the protection of America and the illumination of all mankind.

We call the Ascended Masters to clothe you in Their Crystal Armor of Light-Substance and see that no disturbance ever touches you, your world, atmosphere or environment again. We love you, we bless you and hold you forever in the full Perfection of the UNFED FLAME,

Lovingly in the Service of the Light,

THE BALLARDS

· ARMOR OF LIGHT ·

**BLESSED "I AM" Students everywhere learn, to call your own "Mighty I AM Presence" and the Great Host of Ascended Masters, to clothe you in the Ascended Masters' Armor of LIGHT-SUBSTANCE from Their Octave of Life.**

**This ARMOR OF LIGHT is just as REAL and tangible as your physical garments which you wear every day. It is a condensation around you of the Pure Electronic Substance of Light from the Heart of your own "Mighty I AM Presence," charged with the Ascended Masters' Consciousness of ETERNAL INVINCIBLE PROTECTION.**

**It is made out of the same Substance of Light which you can see floating in the atmosphere around you on a sunshiny day. Anyone can see these tiny points of Light flashing and darting everywhere in the atmosphere. That is what the Ascended Masters speak of as the Substance of Light, for It can be focused and condensed into Liquid Light, then condensed farther into a tangible substance which is crystal clear, harder and far more brilliant than the purest diamond.**

**This Armor of Crystal Light, which the Ascended Masters have asked the students to visualize clothing themselves, is a very REAL, ALMIGHTY GARMENT. It is the Garment which the Ascended Masters Themselves wear, when They go into the psychic plane to release those who have been caught in that unhappy realm. All forces of darkness are terrifically afraid of the Dazzling White Light, which this Garment radiates forth into the surrounding atmosphere; and they know instantly that their end has come.**

It is this **INNER GARMENT** of the **ASCENDED MASTERS** which was represented in the Armor used by the Knights, when going on the Crusades. The appearance of the Armor of Light is very very similar to that of steel or silver armor which the Knights of old wore in their quest for the Holy Sepulchre. Even the Helmet worn by the Knights, when drawn down over the face, hid the identity of the one wearing it.

In the same way, does the Ascended Master wear a Helmet of Light-Substance over His Face with only the Eyes visible, when blazing His Way into the psychic realm to answer the call of someone who is caught and bound by the vicious individuals there. When the Ascended Master approaches the one to be set free, He carries a Sword of **BLUE FLAME** and cuts the imprisoned individual free, from the octopus-like claws of the vicious forms which bind those unfortunate beings.

This is the **ALMIGHTY TRUTH** of those conditions of which humanity is almost wholly ignorant; but yet to which it is compelled to submit because of that ignorance. If human beings knew the **LAW** of the Ascended Masters concerning Light and understood the conditions in the psychic realm which bind humanity and create all vicious activities human beings experience, people would realize how imperative it is to call to the Ascended Masters for Help and to give obedience to Their slightest request.

Then, all vicious conditions in the earth and its atmosphere could be removed. Mankind could help release itself from its own miscreation and come through into the Victory of the Great Cos-

**mic Light, which is the Eternal Freedom of the Ascended Masters.**

**Every morning when you arise, as you put on the garments of the physical world, never fail to Call your "Mighty I AM Presence" and the Ascended Masters, to clothe you in your Ascended Master Armor of Light-Substance; charged with Their Protecting, Harmonizing, Governing Power! and to keep you, your atmosphere and environment free forever from disturbance of every kind.**

**Blessed ones, who are moving in the outer activity of the world hours each day, this Mighty Armor of Light is one of the most Powerful Perfect Activities you can ever use; not only to protect and harmonize yourself, but to give assistance everywhere you move, for the purifying illuminating and Perfecting of all conditions you contact.**

**Let no one be unfortunate enough to doubt or question the REALITY of this Mighty Ascended Master Activity! which we have just described above! Better had you never been born in this embodiment, than to doubt or ridicule an activity of the Great Law of Light, which means the Great Law of Life—YOUR OWN LIFE!**

**Just because individuals do not know of these Mighty Activities of the Law of Light does not take them out of the Universe nor exempt you from their action. When you stop to think, how very few hours you ever spent out of a whole lifetime even wondering about Light, much less actually trying to find out anything about the action of Its Law, you will realize how great is your own ignorance and that of all mankind, in regard to Light's Activity anywhere in the Universe.**

Since the Ascended Masters are the living Fulfilment of the Great Perfection of Life and are the Directors of the Limitless Power of Light, through the projection of the Light Rays, then it is about time every individual listened to and applied this MIGHTY LAW to prove It for himself and have the Eternal Freedom which It always brings.

Light is Substance and whoever can accept the TRUTH of that statement and apply this Ascended Master Instruction concerning It, can become first, MASTER OF HIMSELF then, Master of circumstance wherever he moves, for the blessing and Freedom of all he contacts.

The Armor of Light is REAL! The Helmet of Light is REAL! The Sword of Blue Flame is REAL! Not one destructive result can ever come from the use of any of these; because your own "Mighty I AM Presence" and the Ascended Masters are the only ones who can create, use and sustain them! Therefore, call your Presence to use them daily to set you free and to help your fellow man, who knows not where to look for Light.

Visualize the Ascended Masters' Armor of Light-Substance around all who sincerely seek the Light and serve It! Visualize a Wall of the Ascended Masters' Light-Substance around and above our beloved land of America, charged with the activity of Light that repels everything which seeks to enter the Americas, that does not have constructive intent to their people!

Then, the Ascended Masters will take up your focus of that Light-Substance and amplifying It by the Power of the Cosmic Light, condense It into an Activity which shall forever guard the

Americas from the discord in the rest of the world.

Remember! you are Sons and Daughters of Light! You are the Guardians of the Light in America! America is the "Cup of Light" for the whole world! So wear your armor of the Ascended Masters' Light-Substance, Blaze the Victory of the Light everywhere you move! and become the Fulfilment of the Law of the "Mighty I AM Presence" here and NOW—a MASTER OF LIGHT! Illuminating the Way for your fellow man, to win his Freedom in the Light also.

Then, you are truly an AMBASSADOR OF LIGHT FROM THE MOST HIGH, the Great Host of Ascended Masters, from the Octaves of Light, your Eternal Home!

"Mighty I AM Presence," Great Host of Ascended Masters, Mighty Legions of Light, Great Cosmic Beings and Great Cosmic Light! In the Name of the "Mighty I AM Presence," in the Name of the People of earth, in the Name of Life! blast all war, its cause, effect and record from mankind, the earth and its atmosphere forever! and replace it by the Ascended Masters' Directing Intelligence, Obedience and Perfection eternally sustained and ever-expanding.

*The hour has come to see the shining face of your "Mighty I AM Presence"! Its slender Hands point you every minute to Victory and every second is now filled with Mighty Ascended Master Miracles of Perfection forever!*

**P**ROTECTORS of America! Stand guard everywhere within our borders and hold the Ascended Masters' Victory of Light everywhere you move! Silence the tongue of every human being, who attempts to stir up discord among our people. Call to the "Mighty I AM Presence" for the release of such a blaze of Cosmic Light, that no human quality of viciousness nor discord can longer act to limit or distress our land.

You, the People of Light, in the business world can each do the work of ten thousand if you will

call the Great Cosmic Beings, to send Their Legions of Light into the physical octave of earth and bring forth the conditions of Perfection which must come into America NOW!

You, who spend many hours of each day in the business world, have a most glorious opportunity to apply this "Mighty Law of the 'I AM' " everywhere you go; calling It into action to produce Balance in all conditions you meet; and to wipe out all injustice in the industrial world.

The Ascended Masters WILL release Their limitless Power of the Cosmic Light; if you will make the call for It, in the Name of the "Mighty I AM Presence" and in the Name of the American People.

When enough people call for Light, with great sincerity to the Source of all Life, the "Mighty I AM Presence" and the Great Cosmic Beings, Life is compelled to answer! That answer is the expansion of the Light within every person, place, condition and thing, to the point where no discord can longer vibrate within nor attach itself to them. The vibratory action of Light is the same as the use of centrifugal force. When it reaches a certain frequency, it repels everything unlike itself. That intensity and Power of Light can only act in the physical experience of human beings, when It is called forth with determination; and directed to the accomplishment of a definite purpose.

Make your daily call to your own "Mighty I AM Presence" and the Ascended Masters to silence and wipe out every un-American activity within our borders; until the whole world realizes, that Americans love their country; and ARE able to release a Power of Light which compels the whole

world to respect us and give the justice that is our due.

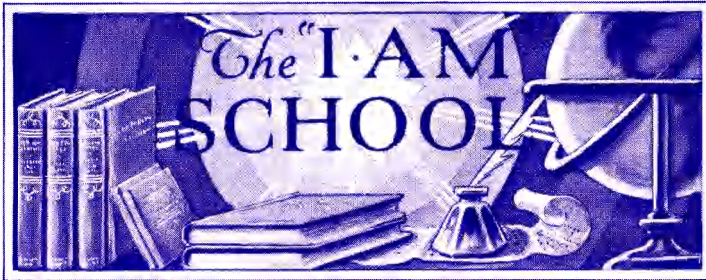

Light and Love are the two Activities, which sinister individuals and forces dare not use; because to do so would mean their own annihilation; but you, who stand for the highest Ideals in Life, CAN release the Power of Light and Love without any limit, through your call to the "Mighty I AM Presence" and the Ascended Masters. Your call opens the connection into Their Octave of Life, through which They direct Their Mighty Light Rays, into every condition less than the Perfection which is the TRUE WAY OF LIFE.

No matter what your business problems are, look at them squarely, and say: "Mighty I AM Presence" and Great Host of Ascended Masters! take complete control here! blaze into this condition Your Full Power of the Cosmic Light! turn it into a Mighty Ascended Master Miracle of Perfection, keep it eternally sustained and ever-expanding to bless all! Take your feeling and attention from it, keep yourself harmonious, especially your feeling, and see the marvels which will take place in your activities.

We wish to thank the student from Winter Park, Florida for that blessed one's help in the Radio Broadcasts. We bless you with all the Protection, Prosperity and Perfection of our "Mighty I AM Presence" forever.

—Mr. and Mrs. G. W. Ballard

**BLESSED ONES** in the "I AM" School, remind yourselves often, that your intellect which is in your head does not know the TRUTH about anything, unless it becomes illumined by the Light, which is the FEELING within your heart and reports Perfection to you.

All teaching of the past has failed to give mankind the Freedom of Life and the Victory of the Ascension; because the intellect was not made the servant of the Heart. The heart is where the individual's Stream of Life from his own "Mighty I AM Presence" is anchored; because the heart is the point of PERFECT BALANCE within the human body. The heart is a "CUP" of the physical substance of this world into which the UNFED FLAME descends to hold Its Balance and control of all outer activities of the human being.

This is why Jesus and all Ascended Masters have said: "As a man thinks in his heart so is he." As children of the "I AM" School, always notice how you FEEL about a thing before you start to do it. In every lesson you study, make yourselves become very still a few moments before you begin. Pour out Love, Peace, and Joy to your "Mighty I AM Presence," your teacher, to everyone in the

room and to the work you are to do. For a moment see all filled with blazing Golden Light. Ask your "Mighty I AM Presence" to show you the PERFECT THING to do, how to do it and make you do it perfectly. Then begin your work of doing it.

Everyone, who will obey this Request of the Ascended Masters, will become Master of himself. He will learn faster and with greater ease than in any other way, no matter what any human being tells you.

### · DECREES ·

"Mighty I AM Presence" and Great Cosmic Beings! send Your Legions of Light to dissolve and consume all excess taxation from mankind and the earth forever! see that Divine Justice is done in all governmental and industrial activities in our land forever! then expand that to cover the earth.

"Mighty I AM Presence," Great Host of Ascended Masters, Mighty Legions of Light, Great Cosmic Beings and Great Cosmic Light! In the Name of the "Mighty I AM Presence," in the Name of the People of earth, in the Name of Life! blast all war, its cause, effect and record from mankind, the earth and its atmosphere forever! and replace it by the Ascended Masters' Directing Intelligence, Obedience and Perfection eternally sustained and ever-expanding.

A decorative header featuring a row of books. The text "I AM" is written in a large, stylized font across the top of the books, and "STUDY GROUPS" is written in a similar font below it. The entire header is enclosed in a rectangular frame with ornate corner details.

## "I AM" STUDY GROUPS

**W**E ASK every person in the "I AM" Study Groups and under this Radiation, to become thoroughly familiar with the Flag of our Blessed Land—the United States of America!

Have Old Glory in your room or in your home and every morning upon arising, after giving recognition to your "Mighty I AM Presence," the Ascended Masters, the Legions of Light, the Angelic Host, the Great Cosmic Beings and the Great Cosmic Light; turn, salute Old Glory and charge It with the Ascended Masters' NEW GLORY and VICTORY of the Cosmic Light.

Learn thoroughly our national etiquette concerning the saluting, honoring and displaying of our Flag. Know perfectly the Rules and Regulations concerning everything connected with our blessed national Emblem. Give It the attention which is Its due! Pour out your Love and charge IT with the Ascended Masters' Invincible Protection forever. Let this be a daily service of your heart for your country, in gratitude for Its many blessings to you and to all.

Help us to develop in our people everywhere, such Love and Loyalty for our Flag and all It stands for that, it will enable the Ascended Master Saint Germain to do everything possible, through the feelings of our people, to hold America cemented into ONE BLAZING FOCUS OF LIGHT! for the Protection and Freedom of America and for the illumination of the rest of the world.

**BLESSED** Young America, a call has come to us from the Children of the South American Continent, to have all the Children of America unite, in an embrace of Love; to send forth a stirring call for PEACE—the Peace to which the Christ of the Andes calls all mankind!

So we ask you, in the Young People's Groups, to take up that request and issue those DECREES for the Peace of the Americas, to be made ETERNAL by the Power of the "Mighty I AM Presence," the Great Host of Ascended Masters and the Great Cosmic Beings!

We call the Mightiest Power of the Cosmic Light to come forth, in the Name of the "Mighty I AM Presence," in the Name of the American People, and in the Name of Life! to so charge the Statues of the Goddess of Liberty and the Christ of the Andes, with the Ascended Masters' Invincible Protection that PEACE shall be made ETERNAL in, AROUND AND ABOVE the Americas, for the Illumination and Freedom of all mankind!

Therefore, to you, YOUNG AMERICA, comes the privilege of making the Words of Jesus: "Peace on earth, good will to men," a MIGHTY LIVING REALITY in the Americas! Through your call to the "Mighty I AM Presence," you CAN do that! We stand with you and do it also and the ASCENDED MASTERS WILL MAKE IT A LIVING REALITY FOR ALL MANKIND!

· MUSIC OF THE SPHERES ·

It is our very great joy and privilege to announce the first musical composition of the "I AM" Activity, brought forth under the Saint Germain Copyright.

It is GODDESS OF LIBERTY, a song dedicated in adoration of the Great Cosmic Being, the Goddess of Liberty who has guarded the Destiny of America since our beginning. Her great Love and protecting Care are offered so graciously to all who give Her their attention, in Love and devotion to their own "Mighty I AM Presence"!

The music is by Virginia Laferrara and the lyrics are by Catherine Rogers, whose victrola record of it will be available shortly.

We bless this song as the central diamond in the heart of the musical compositions coming out under this Radiation, to serve Saint Germain and the other Ascended Masters in the Work They are doing through the channel of music.

We ask the Great Goddess of Liberty to charge it so powerfully with Her Protection and Freedom for the United States of America and all under this Radiation that its melody shall fill the land with Eternal Ascended Master Joy and limitless Blessings to all forever.

· OUR NEW BOOKS ·

*Ascended Master Light*

It is our very great joy and privilege to announce the coming release of ASCENDED MASTER LIGHT, Volume 7, of the Saint Germain Series, about January first by the Saint Germain Press.

It contains Dictations by the Ascended Masters and Great Cosmic Beings, which were given before thousands of "I AM" Students within the last few months.

There are no human concepts nor interpretations of any kind within them. Every Word is a "Cup of Light" carrying the Consciousness, Life, Energy, Feeling, Courage, Strength, Power and Light-substance direct from the Ascended Masters Who Dictated Them.

They are placed in printed form to release the Victory of the Cosmic Light to all who will accept the Freedom which They bring.

The Ascended Masters and Cosmic Beings are giving Their Assistance to every individual when the attention is upon Them while reading these books. At the same time They are pouring the most powerful Protection for our Beloved Land of America through the reader, while his attention is upon the Ascended Masters. America's Light and Freedom were established in the beginning, by the Help of these Great Ascended Beings and we, Their Messengers guard the Light in America with our very hearts.

Those who heard these Dictations felt and received the Light and Power released through Them and are the beneficiaries of the Blessings the Ascended Ones poured forth.

This volume contains three beautiful color charts for the contemplation of the student. Each book is charged by the Ascended Masters and Cosmic Beings with the greatest Power of Love,

**Light, Freedom, Protection and Perfection for the individual and America.**

**The Blessings flowing continually through them will bring joy without limit to all who sincerely accept, apply the Instruction given and feel the Mighty REALITY and Truth contained within them.**
