MR. BALLARD:

I will repeat the God of Nature's Words to you. He is speaking directly to the Group Leaders of America!

GOD OF NATURE

Beloved Group Leaders of America! If you will observe These Words: "refuse to listen to any word of gossip which is brought to you by students or otherwise," I can make you the Victory of Light in your Group Activity!

I wield the Power of the Forces of Nature! If you will give obedience in harmony to that requirement, I can assure you definite action. To all who will give exact obedience to this I will prove what it means!

GOD OF GOLD

Beloved Group Leaders and students, you who have been so uncertain of your supply, having sometimes a trembling questioning in your Decrees for your supply, I ask you to remove that!

Since I govern the Standard of the world—and remember that Gold **SHALL ALWAYS REMAIN THE STANDARD OF THE WORLD**, whether It is the exchange of mankind or not—then "I AM" the Standard and Balance of this earth, and Gold is My Scepter!

Those who will give obedience to Life in that which the God of Nature has requested will find no difficulty in their supply coming forth, but this obedience is imperative! It does not make any difference who or what you are, *if* you are a Representative of the Light and We are the Servants of the Light, then you **WILL** find answers to your calls!
