· BELOVED JESUS' DISCOURSE ·

*Washington Class—November 30, 1939*

**B**ELOVED Children of the Light, I greet you in the Name and the Perfection of your Life! and on this day, which is the beginning of the greater attention that is given to Me, let us utilize this time to the utmost of its Power because of the attention of mankind.

You perhaps do not know this, but from to-day mankind become more at peace, are less irritable and also less unkind to each other. This time, We are going to utilize a Power never before used upon this earth. Your Beloved Saint Germain is urging by all the Forces of the Cosmic Light, the achievement of which He has told you. This is one part of the reason for it.

Can you expand your imagination just a little and contemplate what is made possible in this achievement, thru the attention given Me during the remainder of this time? We have always utilized this opportunity to some degree, but two years ago, We determined to make this the outstanding action of the attention of the people to Me for hundreds of years upon this earth, thousands in fact.

I was serving even before My Ministry, though I was expected thru prophecy. Yet only now has the apex been reached of that Service which I expect to render. Of course you as Students of the Light, will receive the full Benefit of that. Will you be kind enough to accept It?

I am sure you all believe in My Reality! Many of you were there and knew Me in person, so you ought to. I sometimes smile at the doubts about Saint Germain, when many of the people who doubt Him lived at one time and knew Him per-

sonally. It is a curious thing, isn't it that mankind would doubt a thing they once knew? Yet people do it in this embodiment. People declare a thing one day and months later deny it. So is it any wonder they deny things in a past embodiment, the memory of which they do not recall?

Really human beings are strange indeed, and yet think! Out of those human forms comes the Glory of Eternity; because only by the Life which is anchored within those forms, may they arise into the Glory which is Ours. You cannot do it except from bodies like those. Then, dear people, while the substance and the structure is composed of perhaps ninety-eight cents worth of chemicals, yet it is still important—how very important dear people! You cannot and no one ever did or ever will make the Ascension except from the purified substance of physical bodies.

There has been lurking in many the idea that one may make the Ascension after so-called death; but that cannot be accomplished because the call for the Ascension must be made to the "I AM Presence" and the Ascended Masters from within the physical side of Life. You cannot do it otherwise, no one ever did in the world. When the Life-stream is severed, withdrawn from your heart and body, it finishes that form. The substance disintegrates and goes back into the Universal from which it came.

Dear people you do not see it from the atmosphere here, but the electrical substance and force in the atmosphere is the same as that of which your bodies are composed before they are charged with human qualification. It is not anything unusual, but I want to carry you in thought and feeling into that Purity which is yours to-day.

Why cannot people think of Me as practical? Why did they not record of Me the Joy I expressed so often? Why did they try to make Me long faced without a smile? The joy and knowledge of Life is happiness, dear people, and you cannot be happy without smiling. Oh, what a smile will do, as one of the beloved students sitting here has recently had proof, in contacting individuals who had read these unkind articles. By that smile and kindness she won a great Victory, the beginning of which will be in and cover these United States.

I wish to add one Word to what Saint Germain said to you and in answer to what you asked this morning, Lotus. With the consuming of the astral and psychic world and the removal of the entities from America, it will include the thought forms of vicious forces by which mankind have created and built the conditions that have sometimes been far worse than even discarnates.

Intense anger, intense hatred, intense sex depravity will create thought forms more powerful than the ordinary discarnate because they are charged with the constant energy of the individual and when they reach the form as large, or nearly as large as the form of the individual who has been their creator, they become very powerful. This Consuming Action that is going on is one of the conditions which will bring such release to mankind after this week.

Dear ones, you think very kindly of My Ministry and all that I brought to mankind, most of which you do not know. However, your Beloved Saint Germain is completing that Ministry in a magnificent manner which is indescribable. Why? Because He is the Law, the Authority for the Violet Consuming Flame, which I was not; and

that is why My Ministry did not reach further than it did and why much of the Reality which I gave was covered up, in order to prevent mankind having the Freedom which was theirs, or could have been, thru It. To-day, there is being given this Great Great Assistance.

Why is it that during My Ministry all these things could not come about? For instance, the dissolving and removing of the astral or psychic world; the destructive substance and the destruction of all thought forms, not only the destructive, but all less than Perfect thought forms? Because your Beloved Saint Germain is the Law that brought the Activity, Law and Power of the Violet Consuming Flame into action upon this earth—the only means by which these things could be done.

That accounts for why these great tremendous activities are taking place to-day. All of this is permanent, dear people. What the Great Cosmic Law removes never returns. So you have no need to question or fear having to repeat the calls which make for this Great Achievement.

I want you to feel how much you owe to your Beloved Saint Germain. How We all Love Him! How much you owe to the Goddess of Light and how We all Love Her! Do you quite understand that the vow She made centuries ago She is fulfilling to-day; and She is fulfilling it, if you will pardon the term, with a vengeance. While there is no vengeance in Her as you use the term, it will convey something of what it means to you with a power.

That is why you who live now, even in the face of the conditions that stand before you, are the most fortunate individuals that have lived

upon this earth in two and a half million years.

I wish to call your attention to two things. Your Beloved Sanat Kumara came and took up His Residence upon earth in the beginning upon what is now the Gobi Desert. I came and took up My Residence in Judea, Saint Germain came, and while I cannot quite say He took up His Residence in America, yet He found within America the Altar, the only Altar of safety left to the people of earth.

Do you not see again the Trinity of Action in four and a half million years? That is a very long period of time. Mankind have come and gone, but those Great Ones have gone on forever. Sanat Kumara living in His Eternal Youth; I living in My Eternal Youth; your Beloved Saint Germain living in His Eternal Youth; the Goddess of Light and all Those Great Ones living in Their Eternal Youth.

You, to-day, have the opportunity to draw from these bodies enough of the purified substance to carry you into your Body of Eternal Youth. Do you understand my precious people what this means? Perhaps one day, if you have permission and if you care to, you may look down the Stream of Life from which you have come; and observe what has been there. Then, will you understand these Words to-day. Of course Life is gracious, beneficent in usually closing the door from one embodiment to another; for in some of the conditions mankind have gone thru, they could never look upon them and be sane.

To-day, in the Glory of the Power of the Violet Consuming Flame, all that may be erased if you will use It. Then, if you were to look down your Life Stream, you would only see the good which

is there. I ask you to think it over and see if it is not worth while to have consumed all the undesirable conditions of the activities of your Life Stream and have the beauty and Perfection of looking upon and carrying its memory into your Eternal Body of Light.

When I was in Judea and passing thru the persecution which was Mine, My own Inner Sight was very clear; for I was seeing and knowing cause and effect of conditions. I wondered then, would there come a time when those conditions might be removed from the earth. To-day, I see it is being done and I am grateful to have a part in it.

Only as mankind see from the Higher standpoint, could they possibly observe the interference imposed upon every human being that has been in embodiment, when returning again and again. Then, would you see the forces that try to prevent their Freedom in the Light. So, to-day, in this last great opportunity, remember when someone tries to instill doubt within you that your opportunity is here. If you let them do it, the opportunity may not come again.

These poor unfortunates who have turned aside and become vicious, better had they not lived in any embodiment, than to fail now during the apex of the Assistance offered by the conditions of the Cosmic Light. Saint Germain told them two years ago, and I believe said in the classes, that such people would become out-casts from humanity. Such they will be. If you want to be one of those the privilege is yours; but it is no idle thing, it is no imagination, dear people, it is an actual condition.

The Glorious Ones who have joined this Great Host of Light in carrying the purified substance of earth into their use, will one day find the Glories of Eternity enfolding them. It is said that Moses was caught up in a Chariot of Fire and several of the Others were caught up in a Chariot of Fire, because that was the concept of those days. Every one is caught up in that Fire of Purification which brings the Glory and Perfection of Life—which makes of your purified body, a Body of Eternal Light.

So in your opportunity, beloved Children of Light, to-day, stand firmer than you ever did against the forces of darkness. Be silent and go forward in the Glory of your adoration and call to your Presence of Light. Let It pour into your mental and feeling world and your physical body like a mighty river, Its Glory and Purifying Perfecting Energy. That Energy of course is Light. Light dissolves all darkness and as you have the opportunity, utilize It in Its fulness by your sincere devotion to It.

The Messengers and We appreciate your Love to them beyond all expression, but remember you serve Life for your Freedom; and in this greatest of all opportunities to serve now, stand unyielding and become one day not long hence a White Fire Being in command of all substance and energy. I thank you.

· MIGHTY HARMONY'S DISCOURSE ·  
*Washington, D. C. Class—December 3, 1939*

**A**T LAST, I too may join the Great Ones in telling you how much I rejoice in the great change that has taken place within a few weeks within each one of you.

I represent the Law of Harmony to this earth and do you know the scope which that covers? It is a great deal, the harmony of mind and body, the harmony of music, the harmony of industry; and this you will enjoy, the coming harmony of your industrial machinery. There will not be the heavy roaring machinery which you have to-day.

You possibly would not believe that I am a very good mechanic Myself. In the progress of Life in gaining Our Freedom, one becomes a rounded out Being, as it were, and you become aware of all things that are necessary for mankind to-day. If you were to see My delicate Hands, you would never believe that once I wielded heavy hammers. That of course was a long time ago but, nevertheless, We gain no victory of any great consequence, beloved ones, without winning it.

Now then, the matter of winning it is so comparatively easy, if only you would not have that frightful resistance or feeling and desire that you must battle things out humanly. Of course, once in awhile, if something rushes upon you, you have a right to defend yourself physically; but after all in your continued application you will build such a powerful defense that shortly, it will have gained its power so nothing would rush in upon you. That is the Power of Harmony maintained within your mind, body and feeling world.

Oh, my dear people, we have looked within you. We have watched the change as certain

things were called to your attention. Sometimes the Light expanded, sometimes it did not, showing by that of course how much you understood. We can always tell the degree of your comprehension by the expansion of your Light. Nevertheless, your progress in the past six weeks has surpassed the entire year.

Do you understand why, my beloved ones? Because of the constant removing of this pressure from mankind. Your call releases more and more of that Great Light and it takes action more and more within your mind, body and feeling world. I do think it is well worth repeating again to-night, to remind you my dear ones, that everything in your understanding of Life, the "Mighty I AM," is perfected from within out. Your mental and feeling world has got to be perfected. Your body is the last object, then harmony reigns forever.

Won't you allow Me to enter into your world to-night? Victory has offered you His Garden. To-night, I offer you My Field of Paradise from which you may gather every Force that is Mine; from which you may gain the patterns of Perfection and have the Instruction of how to apply these Laws as I have applied Them, in gaining Victory of holding and sustaining this Complete Harmony within you.

My dear ones, it is not difficult. Because you have tried to do things with the human, you have made things very difficult for yourselves many times—of course not intentionally. I love the expression of our Blessed Frank—instead of getting in a hurry, just "take it easy," and that is what every human being needs to-day.

When you begin to see the Goal and to feel Its approach, I tell you it is no easy thing not to get anxious. I would not blame you if you did. However, it does not help any.

I did not have such a great part in this recent Great Achievement, but My Part comes now. After the Great Ones have cleansed and purified that great belt of the earth's atmosphere, then I must charge the whole of it and re-establish it by the Substance of Harmony. Then, Harmony will be the pressure upon mankind instead of humanity's own discordant creation, a vastly different thing, I assure you. If you saw two objects before you and the pressure of either harmony or discord upon the two, you would soon decide with Me that the pressure of Harmony is much more desirable.

You would scarcely believe that as I have been compelled to look upon some of the conditions which have accrued thru the Messengers' endeavor to carry this Light, what I have seen. Looking within the two dividing lines on the one individual and I saw the forces acting there within that one human form. I tell you, it is about the most incredible thing you ever witnessed. Life trying to assert Its Dominion, because you have been calling for It; and the forces of human creation acting thru the intellect wanting to stop it. Now the only way is to keep right on with your call to Life and your Decrees and all of a sudden, you will find all these things subsiding. The intellect will stop trying to talk back to you because if it cannot speak directly to you, it will try its best to reach you thru the feeling, making you doubt, fear or anything it can do to get your attention off the Victory of the Light.

Oh, my dear ones, another thing I want to say to you to-night is, remember it will be sometime before I speak to you again. Do not think I am saying this to you commercially, but, Oh, if you would only take this firm determined stand. I am not concerned at all with what your position is, whether you are a clerk or whether you are the head of a great establishment, it makes no difference in that respect, but take the stand: "Mighty I AM Presence," You are the Director of my affairs! You are the Director of the Currents of Light, Wisdom and Energy which make me successful. Now aside from following Your Promptings and making my call, I take my hands off." Then, be sure you do and put things in the Hands of your Presence as the Directing Intelligence, Power and Force of action that govern your affairs and business. If you are a salesman, you can go out and sell anything that is right if you will take that stand and maintain it, until you get sufficient momentum. Some can start right out from the beginning.

Did you ever notice, dear people, every person likes to be independent and it is quite right. You were born conquerors by the Power of Light. It is no wonder that people of peculiar natures do not want to bow before the influence of that which they must sometimes do commercially. In this great Understanding, do you not see all would be governed by harmony and naturally your association, your contacts, would be governed by the same thing?

You see dear ones, it is not a matter of your influence or compelling somebody else to do something; but if your force pouring forth is suffi-

cient, when your radiance touches those individuals they naturally will have the same desire you do. If your dominant power is harmony, then they will feel that and they actually will want to do what you want to do, because it will be right. Many times with individuals who are a little stubborn, call them by name and if it is important say: "Now, you want to do what is right. 'Mighty I AM Presence' speak to their Higher Mental Bodies and see they do it." There is nothing wrong about that, asking them to do the right thing. It would save you so much, but watch that you do not continue to feel humanly you are doing these things. If you do, you will put yourself in the same condition because the Presence, the "Mighty I AM" must be the Doer if you are to be free from distress, limitations and the conditions which beset the human, when the human is trying to be the Doer.

To-night, when you retire, determine to come to Me in My Field of Paradise and see what is there waiting for you. The perfect thing that each one requires for the moment is there waiting for you.

You know the Messengers have sometimes thought they were gathering a rather large family—but Ours is still larger.

Did you notice how the storm clouds lowered on Saturday (Dec. 2, 1939)? Much of that pressure was battling with all fierceness to reach the people and gain something that would hold them within its dominion. If you had seen within it, you would have seen strange things. To-day, that belt which was so terrible, will be one of iridescent colors, shedding Its Glorious Radiance upon mankind forever.

You in America who are the vanguard of the Children of Light for this earth, should appreciate it with all your being; and may I thru the Power of My Words of Harmony convey to you the Great Great Love of the Messengers for your great graciousness in this class. It has been far the most transcendent yet in the experience of the Messengers; and yet this class to-day is only the beginning of what can be. One day, I trust the harmony will be sufficient that when you go forth from these classes, your garments will be scintillating for hours with points of Light.

Accept the great Perfection which is yours, the opportunity for having this. We do not mention things which are not within your grasp, but We mention them for your encouragement, strength and power to reach out for them, to have them, to utilize them and to give them forth to your fellow-man.

Great is the Power of Light and Harmony. Great is the Power of the Cosmic Activity; and perhaps Lotus you and the students would like to have just a word about the Dispensation for which Jesus has asked. The Great Beings from the Great Central Sun feel it wiser to withhold the Dispensation just a little yet, until certain other things are accomplished in America for in that there will enter then the full Glory of Eternal Freedom.

May I explain to you something which is not explained in the Goddess of Liberty's Vision to Washington? She did not see or expect at that time that these magnificent things which have been done were possible of achievement because at that time, Dispensations for this earth were

unknown—at least such as have been given since. Therefore, it was expected that a certain destructive force would have to be released before this could come forth. Now this achievement will govern perhaps two-thirds of that requirement which a destructive force would have had to release for it to be done.

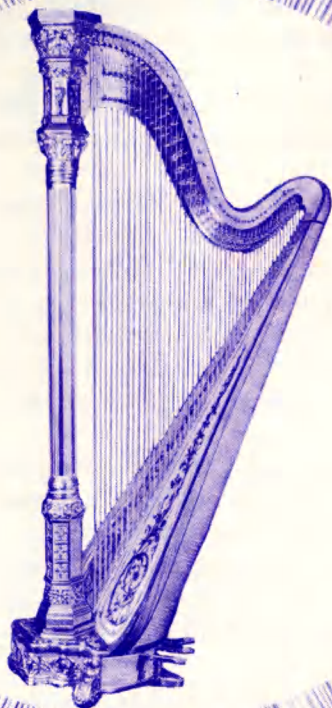

There are a few other things that are to be done which I believe will compensate for the whole thing. If such be the case, you will see such changes about this earth as will delight you; and no human being seeing them will ever doubt this Law.

You will observe that these great arrogant dictators are in great confusion to-day. They do not know what to do or which way to turn and that is well. When the feeders of destructive things are withdrawn, it is just as if you had attached to your physical body, a bag of limitless energy and someone came along with a sword and cut it loose.

Why cannot mankind see and replace all that destructive activity by holding their attention to the Presence of Life, the "Mighty I AM," which is the Eternal Fountain of limitless energy for all that is upon this earth or anywhere else? But the desires within mankind must change first. That will come about.

Remember, We shall have many good times in My Field of Paradise. I thank you.

· GODDESS OF MUSIC'S DISCOURSE ·

*Washington, D. C. Musical—December 4, 1939*

**S** WE have watched the progress of the student body and have seen the magnificent changes in their voices and bodies take place, it is a great great encouragement, strength and power that We are able to release through the attention of individuals which brings results the human could not possibly attain.

Within the human voice are possibilities that no one un-ascended has touched, in both speech and song. Now I would offer this suggestion, if there are those of you who care to try it out. Take it deliberately and firmly at least three times a day: "Mighty I AM Presence,' speak and sing with Your Perfect Voice thru me." You would be surprised, dear people, how in times of need and advice, how the Presence would speak thru your voice by that invitation.

The little child must first learn to speak, then Life gives expression thru the sound and speech. You to-day, and there are more than two-thirds of this audience who could change their voices so much in thirty days with definite practice—Oh not long, but just maybe fifteen or twenty minutes feel the Presence speaking or singing. However, the student body of America are singing far beyond the ordinary. It is so admitted by some of the greatest authorities in the land. One of the greatest authorities in Boston declares that the "I AM" Students sing so far beyond the trained singers whom they have tried to get to do certain things. Yet the "I AM" Students do them with perfect ease.

Therefore, you see something of what you can do. Won't you take advantage of it? Individually

and when you are in Groups like this, just let go, just sing to your heart's content. You might be surprised. You will find you are striking certain intonations that have before been uncomfortable.

The Messenger saw Saint Germain do this at the opera one night and of course He would not make the experiment had He not known He would be able to sustain it. He poured forth to the tenor and soprano at a certain point, His Current of Light and their voices changed so definitely and perceptibly that all in the audience rose to their feet right in the midst of it; and the singers were as astonished as the audience, yet knew not what had done it. They just took it for granted they were in better attunement that night than ordinary. Such is the possibility.

You see, dear ones, so far in the outer world there are no musical instruments that take the place of the human voice. They do have them in the Retreats, but you should understand that your human voice is all instruments. You all know how perfectly the voice can imitate the flute, until you cannot tell which is which.

Mankind's tremendous struggle for a livelihood has discouraged them and made them believe that the things that they knew in their hearts and felt were true did not seem possible of attainment.

I ask you to observe just one thing concerning the Messenger. When he was a lad and attended lectures and someone would speak with more enthusiasm and fire than another, he would be so lifted and his feeling was, Oh, to be able to speak like that in public—and it has all come about. May I use one of your slang phrases? "You haven't seen anything yet." Does that sound quite right? I trust you won't go out and say the Goddess of

Music was using slang. However, that is quite your privilege.

Now, to-night in this magnificent attunement, dear people, I want you to feel how much has been gained; because in the achievement of this music the Messenger has brought forth, remember the way is being prepared for the musical art of the America of the future. I am going to perhaps stretch your credulity a great deal, but I expect to see comparatively soon, thru the calls of the student body in America, that when you approach Christmas time, you will find over some of your cities where the student body is so devoted, the Voice of the Presence of the Angelic Host who will sing to you from the Octave of Light. They will focus the Outpouring from the Octave of Light like a great megaphone, the Bell of which will rest over the city concentrating the sound, until it is known and heard by the physical ears.

I have watched with great interest this terrific achievement (removal of entities and psychic world) and if you think, beloved students, that you are in earnest, you should see those Great Ones of Light who have rendered this stupendous service and your earnestness is that which will one day lift you to Them.

This music and your Radiance going forth to-night has rendered a mighty service of which I may not tell you to-night but you will hear of it later—and one very great service to your City of Washington.

I ask you to silently look within yourselves. Do you feel all these possibilities at hand? Are you really accepting that the human, after all, is Divine? It is all a matter of changing your attention

from here to there. Is that not an easy thing to make you a Divine Being from a human being—the change of your attention from here (human) to there (Higher Octaves)? but that means firm determination to keep it away from here (human octave).

Now beloved ones, I ordinarily would not touch upon this point, but I feel it so keenly in the audience to-night. Most of you have gained a very beautiful momentum. Do not be concerned about your problems as you call them but more concerned on seeing the completion and the solution. Make your dynamic calls, take your attention off here (human octave) and put it back there (Higher Octaves) and when the thought of your problem re-occurs again, give another charge and go on with your attention on the Perfection of the completed thing and you will find the problems will disappear from your world.

Oh, it has been worse in other embodiments, but We are speaking of this one just now. My dear ones, when We have seen the struggle of musicians in this embodiment, it has been the most pitiful thing We have ever witnessed. There are thousands of people with voices like angels; but they have not had the encouragement or been given the opportunity to sing. Not knowing these great Laws, they did not compel the opportunity. Did you quite get those words? “Did not compel the opportunity.” In the understanding of these Great Laws, you can compel the opportunity for the things you want to do.

The music, when it came thru the great Masters in the earlier part of the century, came under still greater difficulty. Saint Germain says I may tell you about the Musical Library that is in the

Royal Teton, already written and imperishable. How would you like to have that come forth and be used among the students? It would save you a lot of exertion, would it not? That was kept a secret from this Messenger until just now, altho he passed the entrance many times.

In My closing Words, I want to say something that I know must touch your hearts as few things can. You love your America and the representation of your Flag, to-night, calls this to My attention. Do you know there is the completed Flag of your America in the Royal Teton in Jewels of perfect color, brought down long, long, long centuries before America was ever conceived? Then, do you not understand how great was Saint Germain's Wisdom and how He watched very carefully, allowing those to assert their authority and their feelings in connection with it? Yet one day when you see that Flag in the New Age come forth and the fulness and completeness of it, you will drop to your knees in such gratitude as you have never felt in the world and there will be not one single person in America who is loyal to America that will not feel it.

America was conceived in the Light a long long time ago. Once when a great civilization had reached its apex upon this land, that Flag was used. It was preserved and this is the first time, it has ever been mentioned to the outer world. Please consider it a Mighty Sacred trust to you and cherish the thought, the memory until the day that you see it in its physical form wave before your eyes. That will be the completed America when Peace on Earth, good will to man will be a Reality.

I thank you.

· BACHRACH 1939 ·

· OUR MESSENGER'S ASCENSION ·

**OUR Precious Beloved Messenger, Mr. Guy W. Ballard, made his Ascension at the Royal Teton at midnight December 31, 1939. He was given His Ascension under the New Dispensation. He is now our Beloved Ascended Master of Light who can give Limitless Help to all who will accept and apply the Ascended Masters' Instruction of the "I AM" which**

He gave, under the Direction of our Beloved Ascended Master, Saint Germain. He is glorious, beyond words to describe! His Love and Light are Limitless and He pours them to all for the Freedom of America and all mankind.

May the whole world accept and use the Truth He brought and the Victory He can now give to all who will apply this Mighty Law of the "I AM" and be free forever.

The attention of the world now will turn to the entire student body and because of Daddy's Ascension there will be the desire in many to know more about the Ascension. We ask the "Mighty I AM" of each one to illumine him or her with the full Ascended Masters' Consciousness and Illumination of this Mighty Victory and make everyone know the full Truth of this Law.

A year ago, the Great Divine Director said a Dispensation had been given from the Great Central Sun, to accomplish something on this earth that had never been done before. It was to withdraw all purified essence from the physical structure and raise It into the Higher Mental Body and the Higher Mental Body raise again into the Electronic Body. Thru this Dispensation, it will permit hundreds of thousands at this time to make the Ascension who otherwise would have to come back for another embodiment.

That Dispensation was given to step up the vibratory action of this planet and to release into the Ascended Masters' Octave a certain group of the humanity from our earth who are the designers of the civilization which is to come forth here in the future. You, the "I AM" Students are that group! All who are intensely sincere, call to the "Mighty I AM Presence" for their Ascension,

make their application and call to the Ascended Masters for Their Assistance, will be given that Assistance as you give obedience to the Light and hold your feelings harmonious.

Under the old Dispensation, the individual had to purify and illumine the atomic structure of the physical body and raise it out of the atmosphere of earth. Because of the onrushing Action of the Cosmic Light, many are at the stage where they understand the Law of the "I AM" enough to make the call and the Ascended Masters are ready to give the Assistance. Yet, they have not had time enough to draw the intensity Light required into the flesh body, because the Power of Light in their calls had to be given and used for the protection of America. Therefore they have not had time enough to concentrate their attention upon the purifying and perfecting of the physical body beyond a certain point. However, because they have rendered service to the many in America and the world, the Great Law has given the Dispensation by which they could still attain the Ascension in this embodiment.

Now, the outer world needs to understand this Law of the "I AM" and distinguish the difference between one passing out of the body who does not call this Law into action and the one who does call for his Ascension. An individual who simply passes out of the body without understanding this Law, without knowing there is the Ascension to be attained, without knowing of his "I AM Presence" and without calling for the Assistance of the Ascended Masters, does not make the Ascension when he passes out of the body. That individual has to come back again in another physical body. The one who *will* do those things calls

forth the Greater Intelligence and Power of Life to open the way for the Ascended Masters to give Their Assistance as the individual gives obedience to the Law.

The students who have been under this Radiation for the past five years, have sent forth these Mighty Decrees by which the world has been cleared of so many viciously destructive forces. They have rendered a tremendous service to Life and have enabled Life to free the humanity of this earth from destructive forces which acted here for more than two million years. Because they have rendered service to the many, Life has opened the way and has provided for their own Freedom, for they have given Freedom to others.

Even the "I AM" Students who do not intensely desire the Ascension and make definite application for it, call to their own "Mighty I AM Presence" and the Ascended Masters and use the Violet Consuming Flame will not attain it. If your intent is not sincere, serious and determined enough, you would not make it just because you are an "I AM" Student. It has to be a thing you definitely choose to do in this embodiment by your own free will.

You definitely call the Action of the Great Law of Life into the physical octave to dissolve your limitations and let you go forward free to expand the Greater Powers of creation; but if that decision is not determined and inflexible within you, the Greater Intelligence and Power would not act. You must want your Ascension and want It more than anything in the physical world if you are to accomplish your Eternal Victory. The cravings and attachments to the physical world of things are what have kept mankind from the Victory of the Ascension for centuries. That is why

it is absolutely imperative, if people are to have the Ascension, that they understand the use of the Great Creative Word, "I AM," and call forth the Assistance of the Ascended Masters, for no one can ever gain the Ascension, until after they have done that.

Even the Saints of the churches, many of which have made the Ascension, had the understanding of the "I AM" privately or secretly and they had to know the Ascended Beings in order to reach the Ascension and become a Sainted Being. That is an Inner Law which none can break.

So, when people of the outer world are discussing what has happened to Mr. Ballard, please make it clear that *Mr. Ballard has made the Ascension!* He definitely withdrew all the purified essence from that physical form and raised it into his Higher Mental Body, then blended with the Body at the Royal Teton which has become wholly pure substance thru the centuries. He is a wholly Ascended Being and He can wield Power in that Body which America needs right now; and He is doing It with no uncertainty.

In order to have drawn forth that Same Greater Power and use It thru his physical body, he would have had to take months in the Retreat under the direction of Saint Germain and the Other Ascended Ones to pour the Light into his flesh structure; to illumine it and hold the Power within it, in order to release the intensity of the Light Rays which is needed at this time. He can do a Service now in His Ascended Master Body for the dissolving of vicious conditions in America, that will be very definitely evident in the near future.

In the Ascension which has taken place, He can direct those Mighty Light Rays quickly and Amer-

ica needs that with greater speed than you know. This is why it has been released. There are many vicious plans still trying to focus and control the activity of our people. That tide has to be stemmed. We have to maintain Our country's protection thru the Light which has been given us! The Ascended Ones have given the Gifts of Light and Freedom for us to use, but We are the ones who must maintain the protection of those gifts, if we are to keep them in the future.

In His Unlimited State, our Blessed Daddy can wield infinitely more Power of the Light Rays, than he could thru the physical body or than I can wield in this body. I want you to understand this clearly, so when the outer world has anything to say about it, make your statement with positive force; for I assure you I am telling you the Truth and will never tell you anything but the Truth.

The Law is Real, True and All-powerful, Perfect! You never need to use anything but Its Great Light and Truth of the Law. We have nothing to cover up. This Ascended Master Truth of the "I AM" is a Mighty Law, a Law mankind should have known over two and a half million years. It has been no easy thing over a period of seven years, to try to get people to understand this and help them to make the application which is the Lever of Light that penetrates into the mental and feeling world of mankind, so they understand the Ideal which will raise them out of their grief and limitations of the centuries. It has been the greatest accomplishment of the ages. There has only been One Power which did it and that was our own "Mighty I AM Presence" and the Great Light Rays from the Ascended Masters. Theirs is the Only Power that ever did anything

constructive in this world. It is the Power which is greater than human consciousness. We stand in and by that Mighty Presence and Victory to draw forth Greater Power that more of mankind's concepts may be cleared.

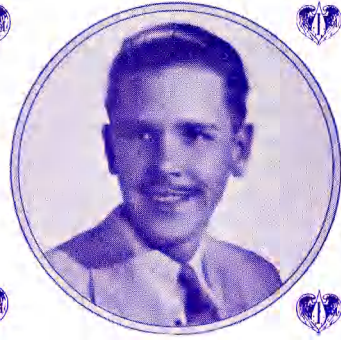

After all, the Supreme Objective and Goal of the Ascended Masters' Instruction of the "I AM," has been to make clear to the people that the purpose of human embodiment was the Victory of the Ascension in which Perfection is attained and maintained eternally. There has to be something in this Universe greater than the misery of mankind.

The Ascension is the most gloriously practical, sane, sound, balanced Activity of Light. It is the greatest Ideal, Purpose and Activity of Life that mankind has or ever comprehended on this earth or ever will. It is the Great Law and none can avoid it. It is only a matter of time. In the East one of the Ascended Masters said: "You are not going to have limitless time in which to decide whether you will have your Ascension or not. You are going to decide within the next few months." Everyone on this planet will make that Supreme Decision before many months.

All who really with sincere determination want that Great Eternal Victory of Life, *can have the Assistance of the Ascended Masters*, which will enable them to attain It at the close of this embodiment.

We are trying to help every human being on earth free himself from all limitation and distress of the centuries; but he must want that Freedom with enough positive force and determination to open the way for the Help to be given.

· GEMS OF LIGHT ·

*Any individual who is wholly, wilfully vicious ere many years will absolutely be withdrawn from the body by the Cosmic Law. The viciousness within the outer activity of mankind has got to know its master. It has got to know that the Power of Light, of good, is taking Its Supreme Dominion in the world. (K-17)*

*Take your positive, permanent, eternal stand that there are no other gods before Me, reminding yourselves It is your "Mighty I AM Presence," Whose Rays of Light and Energy beat your heart. (K-17)*

· GEMS OF LIGHT ·

*Do you realize the difference in your thought and feeling between a general Universal Substance and a Focus of Power which you can draw right into your own hand? Do you not see there is a diffusion of substance in the thought and feeling as a Universal thing; while when you think of your Individualized "I AM Presence," you as Its out-picturing here in the human form, bring that whole Focus just like a vast funnel into action here in the body. (K-17)*

*I wish you to understand definitely that in much that We do you will not always hear of any outer report; but We will often allow enough of a report to come into the outer to make you aware of that to which We have referred. (K-17)*

*I say to you again, for goodness sake don't worry about your financial supply. If you make the call to Life with earnest sincere determination, then Life is compelled to answer. Life is compelled to, but you have to be patient, until Life finds Its fulness of action to produce these results. (K-17)*

*Oh, beloved ones, put away all childish human qualities, all doubts, fears and unbelief and just let Us help you more quickly into this Great Freedom. (K-17)*

*Remember every Word We give to you is Law, and if the full power of your feeling world responded to it, you would express exactly everything which We say to you, which is Law, the Law of Life. (K-17)*

· GEMS OF LIGHT ·

*“Right here in your physical octave are billions of dollars of wealth ready to be used, which only await the sufficient harmony within certain individuals to have it released without limit. I mean by that in sustained activity. If We could be sure that you would be master of your feeling world, We could release into your hands, to-night, all that you could use, or show you where it was.”*  
(Saint Germain)

*“Do you not see that all experience is just to train you to depend wholly upon the ‘I AM Presence,’ the Giver of all that is good? It will give you everything in the world, thru that Life, if you will but stand by It firmly with great determination and call It into action. Every desire that holds the picture of the thing you wish to use, will require this Mighty Energy to take command and produce the thing you require.”* (Saint Germain)

*As you keep calling forth this Ascended Masters’ Substance and knowing how impossible it is for It to be requalified, then you are giving the Power of the Life directed from the Higher Mental Body Its full Dominion to act. (K-17)*

*When you command Perfection to manifest in your bodies or in your activities, It is the Authority of Life commanding, because Perfection contains no human quality for It is the full Authority of Life. Now just please try to grasp this, because then you are using the full Authority and Power of Life to produce the Perfection for which you call. (K-17)*

· NEW MUSIC ·

It is our great privilege and joy to announce the release of two new songs by Godfré Ray King (Mr. G. W. Ballard) "Nada Our Love" and "I AM" Come, the lyrics of the latter by Chanera. They are charged with tremendous Power of Light and bring dynamic Blessings and Power from Nada and Jesus direct.

During the Seven Sacred Weeks beginning with November 30th—Thanksgiving Day—until January 18th, we ask the "I AM" Students to use these two songs as much as possible because of Jesus' more intensified Out-pouring during this time, when the attention of most of mankind is upon Him; also because of the Dispensation from the Great Central Sun for which He has been calling.

If the students will call to the Great Central Sun to give Jesus this Dispensation and use these songs, as a means of attunement and release of His Power and Victory of Light, they will render a tremendous service to America, themselves and the world.

· NADA OUR LOVE ·

NADA OUR LOVE is dedicated in Eternal Love, Gratitude and Blessing to the "Mighty I AM Presence" and the Beloved Ascended Lady Master Nada, whose Blessing to the earth is so transcendent, Real and magnificent beyond description.

May the Great Cosmic Light expand Her Power thru this song, until It brings the Victory of the Light everywhere on earth forever.

It was first sung in Chicago and is dedicated to that City because it is the permanent atom in the heart of the world and America is that heart.

May our Beloved Nada bless the City of Chicago, until it becomes an Alabaster City of Light, within which stands the "I AM" Temple of Light with the Glorious Unfed Flame blazing forth Its Perfecting Balancing Power to raise every human being into the Ascension.

May all the Ascended Masters' Power of Light, Love and Wisdom fill Chicago with the Victory of Light so dazzling, as to bring forth Its full Perfection quickly.

May this song be sung thruout the world and everyone who uses it receive his own individual Freedom and Victory of the Light instantly.

· "I AM" COME! ·

"I AM" COME has been brought forth as a Magnet of Jesus' Power of Light. It is a Focus of our acceptance of Jesus' return in His Visible, Tangible, Ascended Master Body.

Every time it is sung, played, heard or the picture contemplated, each individual's energy gathers into a Focus of Light, Love and Power that becomes the Magnet of attraction which draws Him again into close personal association with those who accept His Tangible Presence here on earth with us NOW!

Jesus has come many times in the last two thousand years in His Tangible Ascended Master Body to individuals who called to Him for help. He will always come even now to those who will purify themselves and make the condition necessary for Him to come! He said: "Lo 'I AM' with you al-

ways"! He told the Truth! He can and will come to everyone who will provide the right condition to attract Him.

Jesus the Christ has stood in our own home many times in His Visible Tangible Ascended Master Body. He has held us in His Arms. We have kissed His Hands. He is Real! No power nor human being on earth can ever change that Truth and Reality which we know to be from actual personal physical experience. We stand by It for all Eternity, because IT IS TRUE.

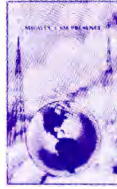

His Voice spoke the Words of this song. They are His Answer to our hearts' call for His Presence. They describe His Activity of coming thru the atmosphere of earth and that which He is doing NOW, for the Freedom of mankind.

May everyone feel the Truth of these Words and have the full Blessing which they bring.

"I AM" Come was first sung in Los Angeles and is dedicated to that city where once again the Power and Victory of the "Light of God that never fails" shall come forth in Its Fulness and make it an Alabaster City of Light, to which the Ascended Masters and the Angelic Host will once again come forth tangible to the physical senses of mankind. Unto that end, do we use this song for the Freedom of all.

"I AM" Come has been made in a Victor Record by the trio of Voice, Harp and Novachord.
