· FLAMES-IN-ACTION ·

BELOVED "I AM" Students, the Ascended Masters have asked that you use the Charts and Flames-in-Action, to charge the atmosphere of your homes and places of business wherever you can, with the Power of the "Mighty I AM Presence" and the Radiation of the Ascended Masters.

When you realize that the very vibratory action of the Light and energy from the Charts and Flames-in-Action, pours out the Ascended Masters' Qualities into the air of the room wherever they are illumined and in action, you can each day make the call for them to be amplified a thousand times more powerfully than they were the day before.

If you once begin to realize what a limitless Focus of Ascended Master Consciousness, Light, Energy and Power, you can call forth thru these blessed Charts and Flames-in-Action which Saint Germain has brought forth for your Assistance,

you would not miss one day in dynamically calling forth such concentrated Ascended Master Power and Perfection thru these continued activities of Light, Energy and Vibration, as would charge everything around them with the most amazing miracles and Victories of the Light.

You have not the slightest comprehension yet of what a tremendous momentum of energy you could draw forth in one month, and have it qualified with the special Quality of one or more of the Ascended Masters whose definite Activity you needed to do what you desire in producing Perfection.

Stand in front of your Chart or Flame-in-Action and call first to your "Mighty I AM Presence" and then to one or more of the Ascended Masters to pour thru it an intensified action of Their Power, Miracles and Victories of the Light—with Their eternally sustained Divine Justice, Divine Love, Ease, Comfort and Peace from the Heart of the Great Silence and each day increase that a thousand times more than the day before, until your room, home or place of business is so filled with that Substance and Power from the Ascended Masters Octave, as to produce the most amazing Blessings in you and your world.

The Ascended Masters ask all of you who have Charts and Flames-in-Action to begin doing this regularly each day; and see what a great difference it will make in your world and activities.

We call every day for the "Mighty I AM Presence" and the Ascended Masters to bring these into the use of all who really desire them and make their sincere call to the Presence to provide them with these Blessings to bring forth more instantaneous Perfection to all.
