· PAYING BILLS ·

It has been our Beloved Ascended Master, Saint Germain's request from the beginning of this "I AM" Instruction that all who represent this Ascended Master Activity remember the Ideals of the Ascended Masters in all personal and business requirements.

He insisted that we pay all our just and honorable debts and obligations, keep our bills paid on time and do everything we knew how to be Divinely Just, honest, and honorable in all our dealings with all men.

Every sincere, loyal, determined "I AM" Student should do likewise in order to be a Real "I AM" Student.

The Divine Law of this Activity is to face Life's responsibilities, call the "Mighty I AM Presence" and the Ascended Masters' Power into action to release whatever is necessary to do that. If you will keep yourselves harmonious and make your regular dynamic application, you will positively have released into your use whatever you require to do these things.

We are making the call for every one under this Radiation every day, for ten times more than you require of every good thing including money; and all used in the Service of the Light directed by Ascended Master Wisdom. Will you do the same for all and help hold the Honor of the Ascended Masters in all you do?
