· WONDEROUS DAPHNE'S DISCOURSE ·
Washington, D. C. Musical
June 5, 1939

GREET you beloved ones in the Name of Light, sound and color. Oh, that you might witness and observe the full Power of all that music does for mankind, the atmosphere and the earth; for as some of you know in all sound is color, in all color is sound. The outer hearing does not recognize it, because its vibratory action is not rapid enough for you to observe its activity through the hearing.

There are those of the "I AM" students in America to-day who are nearing the point that when they sing songs such as these, they will see the color of their vibratory action; and then as you produce certain colors, you will hear them sing to you.

Someone has told you that the Light within your heart will sing. Nature in its harmonious action sings to you, but few ever hear It. We often go deep into the forest and there the trees sing to Us. Mankind in the outer world have not known this, have not experienced it; but by complete Harmony within the feeling world, they would soon come to hear, see and know these finer more beautiful things.

I congratulate our beloved artists, to-night, and had they witnessed the Mighty Radiance which went forth, they would rejoice forever. Now mankind is just touching the periphery of the Glory of these Great Harmonies of Life which will become a part of them and which it will be their Joy to experience. You will find, Oh, many, many times, when you reach a certain stillness of the human form and its feeling activity, you

will begin to hear the Harmonies about you. We have seen many who lived years in the stillness of the forest, and became sensitized to the Harmonies of the trees, of the birds and the conditions which most of mankind do not believe are there; but I say to you to-night, beloved students, unless you will remove from your feeling world the questioning, doubts and fears as to this Part of Life with which you have not yet become acquainted, how *can* you become acquainted with it?

If you doubt a thing, you cannot experience it and that is why many do not have the Glory of the immediate fulness of their application—because there is questioning either in the intellect or sometimes, unknown, in the feeling. That must be removed before you have powerful results. Just so in your listening to that which is not ordinarily sound to the human ear.

Oh, my dear ones, will you believe Me when I tell you that even for you who have lived almost your span of Life, ordinarily speaking, it is possible to still yourselves and begin to know these things first hand? What a pity that mankind continue to limit themselves! Do you quite understand what a sudden firm determination would do? For instance, suppose you wanted to hear the finer tones not ordinarily audible within your hearing. If you would start your momentum and say: “‘Mighty I AM Presence’ I insist on being able to hear these finer things of Life! I insist on hearing clearly my Presence of Life, the ‘Mighty I AM’! I insist on Your Instantaneous Invincible Protection! I insist on Your Invincible Directing Intelligence!” Then you would quickly have it. That is not commanding

the Presence. It is commanding substance and vibration.

May I not be thought unkind when I say most of the student body are really not insistent enough. You know in the lower vibratory action of mankind, they give up so easily. We never know what that means! We start for a Goal and keep on until We reach it! You should do the same, but you allow yourselves to be pulled hither and thither by *human vibrations about you*.

Precious people, once you become aware of how you are affected by the vibratory actions about you, you would call your Tube of Light into action in a hurry! It seems so difficult for mankind to come into the full realization that they can shut off anything they do not want on the spot, but it does take determination. It does take firmness against the outer vibratory action. You must repel it, until you gain the Invincible Protection of the Light about you so powerful that you need give it very little consideration. I assure you no one at first, ever gains that without firm determination against the surrounding vibratory action.

My dear ones, We have watched how earnest, blessed, blessed students are set upon by the vibratory action which they contact in their association with others. It often makes them say and do things they would give their right arms not to have spoken or done; but because they enter into the vibratory action of their associates, they say and do these things which endanger their entire Freedom. That is why the Messengers have prompted you and prompted you so often, to stand guard over your world so you do not

accept the vibratory action of your associates.

You can move in the atmosphere of a vicious gossip and that one may not speak one word in your presence; but if you are not on guard in your feeling, you will accept his or her vibratory action and begin to voice the thing which is in that one's feeling world and you then pay the penalty for it, because you have spoken it. It is one thing to feel a thing, beloved ones, but another thing to voice it!

You know you have heard the expression so often: "It is sometimes better to get it out of your system." I do not quite agree with that. *You* might suffer a little more by not getting it out of your system but you will not be affecting others if you hold it within. You alone pay the penalty then; but for Myself, I would rather pay the penalty for my own creation by holding it to Myself, than to spread it out and affect many others and then pay the penalty for the whole circle which I affected.

My dear ones, how We do want the students to really get this point. This is not said unkindly, but why is it in the social world of earth there is such endless gossip and many times the most vicious type that destroys homes and the characters of each other? Because people have nothing to do! Mankind are most unfortunate beings, when they will not keep themselves occupied with some constructive thing. I say to you, beloved ones, that the habit which has grown in the social world where there is nothing sought but pleasure of a very depraved kind, is most destructive—because idle minds are the devil's workshop, make no mistake about it.

When men and women have, may I use your expression, grown blaa and as you say: "all fed

up” on all kinds of entertainment, they are worn out because they go, go, go and finally the constant going has no pleasure for them. Beautiful things, concerts, opera and activities of that kind which should bring them great uplift no longer hold happiness for them; but they become so jaded that they know no pleasure or happiness any longer. Then, they seek that which will give them thrills, and Oh, what thrills!

Oh, my dear ones, as a student body it matters not where you are from, whether you come from the social world or where you happen to be, you are living the Law of Life in this Light. You cannot go back to the things that you once did. Oh, the pity of those who have turned aside from This Light! They must go back into the outer world and meet not only the vibratory action there, but that of their own accumulation, ever intensifying the unkindness which they must meet. Oh, make no mistake, beloved ones! We have watched them in the silence of the night weeping their hearts out but the intellect is too stubborn to return to the Light.

I am trying so earnestly to make clear and plain to you the Great Law, for some have been so endangered recently by allowing themselves to take on the vibratory action of very vicious untruth and voicing it again—the most dangerous thing in the world. My dear ones, do you think that each one of Us would keep saying to you: “The Messengers are honest and sincere! This Light is Real! These Dictations are Real!” if it were not true? Do you think if they were not Real, We would continue to give them when the doubt of mankind is so great? We could let mankind run along, the Messengers could let

them run along, but do they? They stand before all that imbecilical human ridicule, going on and giving out only Good!

A man left this audience last night in the Magnificence of the Mighty Tabor's Dictation and said: "that man is crazy." Can you imagine a human being so depraved, as to fail to appreciate even the Radiance that was going forth, let alone the Spoken Word—too dead to the beautiful vibrations to know and to feel them? That poor old creature has come to these classes about every time the Messengers have come here and he goes away filled with hatred and anger. Why doesn't he stay away in the first place? Now that is quite interesting. Why doesn't he stay away? Because the Light in him won't let him! It makes him come, even if he goes away to ridicule; because he never forgets it between classes. He fights and fights and fights with himself all those six months between, then he comes back and tries it again. Isn't the human a strange creature?

My dear beloved precious ones, if the Messengers listened to foolish human beings, you would not be having the Blessing of the Light; and recently one has been paying his expenses to go around among the students, saying: "Have you noticed the Great Ones no longer mention the Messengers"? My dear ones, what next! It is only the insane attempt to interfere with the Messengers. It is so ridiculous that not even a vicious individual would believe it; but see what extremities mankind go to to try to cloud the Light and the Light dissolves the clouds the moment It touches them.

You are fortunate, my blessed friends of America, in having the strength of your beloved Mes-

sengers. You are fortunate indeed. You love the Messengers, but what do you think We do? Since we are capable of so much greater Love—pardon Me—than you have, then We love them many times greater than you, and Our love is very Powerful. You have experienced It in every class of the Messengers on the closing day and usually throughout the classes.

Therefore, beloved ones, in your acceptance of this Great Light of your Presence observe the chart for a moment, while I speak concerning this. I am referring to Light, sound and color. Notice your accumulation of all the ages, the countless embodiments in which you have lived, accumulating the Good that belongs to you and It is there in color around your Electronic Body. It is the most glorious color you ever observed; but your present physical eyes are not able to see the true Inner Beauty and Perfection of It. The nearest you have in the outer world is the rock crystal, but still that is not like what we see. While the music has been going on and while I am talking to you, I am calling This Light forth and It has been so brilliant before the eyes of the Messenger that he scarcely sees you sometimes; for I want you to begin to feel these Mighty Activities within the substance around you which is now being gathered into Great Power.

My dear ones, you do not realize how you are gaining this momentum in the Perfection of Life. Even though you still make mistakes in the outer, your momentum of calling forth constantly in methodical action the Greater Power from your Presence, must one day dissolve all that is human within you. One may accomplish it quickly, another may take longer, another still longer.

Only your Life Stream knows that, but according to the intensity and determination with which you continue to call, will you be Free.

Much has been said about it, but I say to you, once you realize fully what it means to charge your body with the Energy, Intelligence and Power of the "I AM Presence," you will be able to do amazing things. Charge It into your body—just draw It down and charge It into your body—and my dear ones, you can do what you would not believe possible, if you will only try it. If you are where it is not well to speak out loud, you can just in a low firm voice call your "I AM Presence" to charge Its Energy, Intelligence and Power into you and feel the charge come into your body. Then you will soon see and feel the momentum which you are gaining; and you will find yourself much firmer toward the things that previously disturbed you.

You are gaining the true Victory and Power of Life! Stand so firm and unyielding in your application, knowing that every call is like a great charge released into your body and feeling world; for remember, you are talking to the "I AM Presence" of Life and that charge of substance from the Presence is the Purity and Perfection of Life. Therefore It must replace that which has been disturbing in your body previously.

Now try to see this. You take a pail of dirty water and begin to pour clear water into it, finally the other is thrown out. Why? Because Purity is stronger than that which is contaminated. Now, please notice this carefully! Your Presence of Life being the Power, the Intelligence and Perfection of Life and that which you have accu-

mulated about you being but humanly charged qualities, how could anyone feel that the human accumulation has any strong force or opposition against the Powers of the Light of your Presence?

You see that is why in healing, in the adjustment of conditions, affairs and all such activities when you call the Power of Light into action, there is no opposition; because It goes into persons, places and conditions and harmonizes them so Divine Order and Divine Justice can be established. Did you ever see Divine Justice established where there was a fighting attitude? You know that Divine Justice never did come out of any situation until harmony was established, because then only can Divine Justice come.

Why do you think the Messengers and the Great Ones kept urging and urging and urging the students to pay attention to the need of Harmony within their feelings? Because the call was to be made for the Goddess of Purity and the Goddess of Justice to come forth. The Great Ones knew that and They knew before certain other things could be accomplished, it must be done. Through the call of mankind, the change within the mental and feeling world of the people had to be sufficient to enable it to be done. These things are not done by chance. In everything of this kind, the way is prepared and as you are preparing now for your Ascension, so is everything of Perfection which is coming forth in the world, preparing the way before it.

Now, you are preparing the way for the Great Release of the Cosmic Light. If it be necessary to render that Service which it might be imperative for the Cosmic Light alone to render for you, mankind and the earth, then your call will have been

of great service. If that should be, then you in that one act alone, have rendered a tremendous service, have you not? Oh, weary not, beloved ones, in your calls to Life in the service which you are rendering to Life, to Light, to America; and remember everything you do is service to Life for your Freedom!

Many times the students have thought they were serving the Messengers of your Beloved Saint Germain. Well you are assisting wonderfully, but you are serving Life for your Freedom. Please do not let that idea get away from you. If you begin to feel you are serving the Messengers or that you are serving your Beloved Saint Germain, you will lose many points which would take you forward to Victory. There is only One Great Intelligence which you can serve and that is your own Life.

In the long period of drawing yourselves down into these limitations, you used the energy of Life. Then in order to get out, you must come back by your own call to Life and to Light and by serving Life. Since you have misused the energy of Life in all these centuries through wasting the energy, you are now gaining in one life time what would otherwise take many. That is what you are doing this time.

My dear ones, do you know what this service means to you? Many of you are living many embodiments, so to speak, in five years. Do you quite understand how Life can speed up an activity? You can live through so much in such a short time, that you gain an Almighty Power and Victory over outer conditions by your Power of Life! I mean you are gaining in the control of the energy which you are using out here. See what magnificent things occur as soon as you stop re-qualify-

ing the Great Purity of Life as It flows forth. See what has come to the Messengers! It is a very wonderful thing, dear ones. Their Freedom has come because they refuse to allow their feeling to take on any discord. Even with all that is done and said about them, still they must maintain their Harmony! Otherwise they would find themselves catapulted here there and from all directions, by the forces which have been viciously qualified by mankind. As long as they remain harmonious, it cannot touch them, it cannot reach their world; but the moment you enter into some discordant thing in thought, feeling or speech, you open yourselves wide to all that destructive quality to flood your world. Then do not blame anyone but yourself if disaster occurs.

Life is so beneficent, but the Law of Life is unerring. It is no respecter of persons, places or conditions. It just acts. Energy acts, dear ones, but it does not have within it, the Discriminating Intelligence. You, the Real You in your Higher Mental Body, are the discriminating Intelligence. If you call forth energy and you re-qualify it, energy will act and produce Perfection or imperfection for you, according to the quality you give it.

Therefore, I say to you beloved ones to-night, hold this Harmony as you go forth from this Magnificent Radiance released by this wondrous music. The Glory of Life and Light is wonderful, marvelous! (I think our friend was just here and left). In receiving the Glory of Its Radiance hold It sustained in Its full Glory forever. Do not struggle, beloved ones, any longer. Just be happy and Free!

Saint Germain wishes Me to take up one point

or perhaps two, because there is so much demand for it these days. Suppose you have a loved one, whether it be husband, wife, child or friend and that one is needing assistance very greatly. Your first impulse is to make a tremendous physical effort to give the assistance, isn't it? You want to get right out and wrestle around to do something physically, to prevent what you think might be disaster. That really is not the Law. I say to you parents, friends or sweethearts, if you will call the "I AM Presence" into action to take full command of that person, produce Its Perfection and hold Its Dominion there; then take your human thought, attention and feeling away from the individual and the "I AM Presence" will do the thing which you cannot possibly do physically. That is the great need of our beloved student body to-day.

You know when children are grown to full stature and they do mature quite young these days—many at seventeen are almost at full maturity—you cannot use the former methods of discipline. Since obedience has become so absent in children, young people and the older people too, then there must be a greater means than father's slipper to govern things. You know you cannot take one that is larger than you are across your knee. You surely would not be comfortable doing it. Then there must be a means of governing and giving that Assistance in a way which is much more valuable and much more powerful. That is through the "I AM Presence" of the individual.

Of course, you cannot see and know all of this which transpires, but I just make the statement, because it is constantly going on every day. The Messenger just opened a letter after dinner and

there was the report of a magnificent so-called miracle performed. A mother wired him a few days ago. Her son was to be operated on and a bone graft made in order to save his limb. At the same time congestion set in on the lungs and he was about finished, when she wired the Messenger. He made one powerful call and within the hour the congestion was gone and in one-fourth the time, the bone graft had healed. The doctor stands in amazement, not having witnessed anything like it before.

Oh, my dear ones, how can mankind scoff and doubt, when these magnificent things are done every day through the calls of the Messengers—hundreds and hundreds and hundreds of these things? Then, do you not think We love these Messengers? Do you not think, We shall always stand by these Messengers for their great Love, Loyalty, Unselfishness and Honesty? (That was our friend, because he is going down the street having a tremendous battle again. Poor fellow! Isn't it too bad?) So, dear ones, in the great magnificent Law which it is your great blessing to apply, if you will only do it and just be so happy, you will be so free from the distressing conditions. I smile sometimes really, because mankind have so long been giving the full force of their attention to the appearance world in observing all these conditions about you.

When you are advised to take your attention off disturbing conditions, I sometimes notice that with some individuals the greater struggle they make to take their attention off, the closer it sticks; but that is because they are trying to do it with the outer effort. Please remember in all your requirements to say and feel: " 'Mighty I

AM Presence' you do it." Oh isn't that vastly different than you saying "Now I am going to do this"? and the first thing you know you are in a battle. Avoid those battles! Say " 'Mighty I AM Presence' now you do this," then you be quiet; and see how easily and quickly it would be done.

Now for instance, in the most—shall we say drastic or even tragic circumstance that confronts you, the first thing to do, my beloved ones, is to be still. The moment you become agitated in your feelings, you will not release the power to govern the conditions; but if you become perfectly still and say: " 'Mighty I AM Presence' take command of that person, place or condition, whatever it is; Sweep your Mighty Current of Light and Energy in there! Produce Your Perfection and hold Your Dominion"!, then be still again and wait the outpicturing, your results would be absolutely infallible, but so many either through hurry or through tension in the feeling do not do this.

Ladies, may I say something to you? When it is about dinner time and you want to make some application you say: "I have just a few minutes. I will make this application now and then I will have to hurry to get dinner." Did you ever notice that? Gentlemen, when you have after dinner appointments and you are delayed at the office, you make a wild rush home and dash into the house, are you sure that you had your dinner? Could you be sure of it, after you left the house?

Those are conditions so important, ladies and gentlemen; but mankind follow that hurrying impulse of the human and feel they have got to make a wild rush, when if they would say: " 'Mighty I AM Presence' you take charge of me!

Stop this human nonsense! You take charge of me and do this perfectly," you would be rested and you would get there before you would, if you were in a hurry; so you would have time to eat your dinner properly and you would be on time at your appointment because the "I AM Presence" will do what the human cannot and the more you hurry the more you obstruct the way most of the time.

The Messengers have proven that and the Staff has seen them do it. Recently, when they were leaving Chicago, there was business that was to be attended to that ordinarily would require three or four days. It was all done and completed in one. Everything was there ready when they arrived, because they had called the Presence into action to prepare the way and it was done. When things begin to pile up on the Messenger, he says, "'Mighty I AM Presence,' take command of this body! Stop all human nonsense and You see this is done," and just like that things are done. That is what you, beloved students, need to practice more.

Practice refusing acceptance the moment the attempt comes to hurry, say "Stop now! hold on! 'Mighty I AM Presence' take command! You do this." Then you will find that stillness take place.

Thank you, beloved ones, for this opportunity to pour forth My Radiance to you. I wish We might have days to go into this which We have justly barely touched upon to-night for mankind are soon going to understand the full Glory, Power and Blessings of Life, as they enter into these greater and Higher Vibratory Actions of Life. You cannot help it, as you call to your

Presence daily and hourly, you must arise in the greater and more powerful vibratory Action of your Presence of Life. It is a natural thing. You cannot avoid it, if you continue to make the call. So remember that.

I know, dear ones, because of habit, it is so easy to feel—"now I think I had better have a little help"—and you go to some student or Group Leader or you write the Messengers when if you would just be a little more firm and say: " 'Mighty I AM Presence' now you see that this is done here! *Give* me the Evidence of Thy Power! Make me *feel* that my call to you is sufficient," then you will allow the Presence to sweep into action and do it; but the minute you begin to feel: "Now I think I am going to have to have help," you change the vibratory action and then you actually do need help; where if you would say to the human: "Now, no more of that! My Presence is just as powerful as anyone's else; and all I have to do is make the call and be still, for my Presence to do this which the Presence of the Messenger or anyone else can do," you would see what a magnificent change that would bring in your feeling.

Oh, gain the full confidence in your "I AM Presence"! That is the Great Victory of Life, beloved ones. Oh, it is beautiful to have assistance, of course, but if you begin to lean too much on outside assistance you will not gain your Victory!

I congratulate the little lady in _____ how wonderfully she has stood in the Radiance of her "I AM Presence" handling tremendous conditions; but determined that she will not call to the Messengers and every time out comes the magnificent victory; and now she is gaining such

confidence that it is beautiful to watch. When something suddenly appears, she turns to the "I AM Presence" without another thought and Its Power flows forth to regulate the condition. That is what all the beloved students are soon going to do. They will stand so very firm in the Light of the "I AM Presence," drawing from the Glory of the Light their own in Its Infinite Perfection.

Dear ones, from the Light everything that is, came forth into being. Everything must return into that Light and you think perhaps until you touched this Light that there were no spheres of action other than this, because you only knew this one; but my dear ones, in the Octaves of Light above, is the Substance of Life just as tangible there and Forms as tangible as yours are here. Only when mankind begin to feel the release from human concepts and limitations, will they begin to go forward and observe, first hand, the Glory of those Octaves of Great Light Substance, Intelligence and Power which are the Blessing to this earth.

Oh, Power of Light, of Love Divine,
Almighty Power of Harmony,
Let Thy Light shine within the heart
Of all mankind in the Glory of this day
To fill each one with Victory
Through Life's Great Perfect Way!
Stand in the Light, Its Power so great,
Looking in the face of Victory, Open His Gate
And enter into the Freedom there —
Forever released from earth's binding care.
I thank you and bless you forever.

Mr. Ballard:

“Mighty I AM Presence” speak Your Fiat for America:

· THE “I AM” PRESENCE SPEAKS ·

“I AM” the Power of Light!

“I AM” the Mighty Protection for America, thru my children of earth!

“I AM” the Presence of Directing Intelligence which changes the destructive will of mankind!

“I AM” the Presence within man that dissolves forever, and quickly, all communistic ideas and refusal of the Presence of God, which “I AM”!

“I AM” the Presence taking command of the bodies of mankind and their feeling worlds; and as the Great Cosmic Light has done My bidding, so shall I take command of My people and bring My Laws into action within the earth and in all nations! America is My Heart, and My Heart is the Presence and Power through which I speak to mankind!

No longer shall God, My Presence, reign without mankind; but instead My Presence shall reign in the hearts of mankind bringing that dominion and obedience from the human which will allow My Dominion to take place in America and the world!

In the fulness of all that mankind has expressed, “I AM” the Light, the Energy, the Intelligence which allows them to express. May everyone feel the Currents of Light, to-night, throughout America, touch each human heart

to bring all into the consciousness of God, the one "Mighty I AM Presence" Who is the Governor of the world.

Therefore, My Fiat goes forth to reach the hearts of mankind and quickly so all hearts will turn to that up-reaching Power and Source of their Being, and there find Me waiting in the fulness of the Power which I wield.

Great Host of Ascended Masters, Who are My Messengers! Great Legion of Light, Who are My Messengers! Great Cosmic Beings, Who are My Messengers! I call Thee into action in America and the world! Take command of the earth and her people! Command obedience from the human and no longer allow it to express its destructive ideas and action thru the world of your human kingdom.

In that Power of Light, which "I AM," and in My obedient Servants, which are My Light Rays, I call the Host of Light, the Commanding Presence of the Universe, to project those Light Rays into earth, take Dominion there and hold that Mighty Action until all human creation is dissolved forever, mankind released from the bondage of their own creation and the Glory of God, My Presence, the only Commanding Presence in the Universe and America, which is My Heart!

Stand, Oh My People, in the Light of My Presence, which is your heart, and let the Power of that Light dissolve every discordant limiting thing which exists in the world; and you stand forth My Glorified Beings of Light in the fulness and activity of My Presence, in the Glory of that Presence in the Victory of the Light in America and the world!

My Word has gone forth, and so shall it be forever!

· GEMS OF LIGHT ·

K-17

I say to you again, for goodness sake do not worry about your financial supply. If you make the call to Life with earnest sincere determination, then Life is compelled to answer; but you will have to be patient, until Life finds its Fullness of action to produce the results.

K-17

Take your positive, permanent, Eternal Stand that: "There are no other gods before Me," reminding yourselves the "Me" referred to is your "Mighty I AM Presence," whose Rays of Light and Energy beat your hearts. Now spiritually and physically there cannot be anything between you and your "Mighty I AM Presence." Then how could something come between you and your Presence by a mental activity? You are physical, feeling and mental beings! Therefore, your mental power has authority, so far as you are individually concerned, to do certain things; and that is where the prevention has always been intruded into your feeling world by your mentality; because the feeling world has been shorn of its Authority.

K-17

For months We have been urging you to keep charging your bodies with the Pure Light-Substance of the Ascended Masters — Their Self-Luminous Intelligent Substance—that which cannot be requalified by the human! As you keep pouring that Light and Energy thru, sweeping out the imperfection and re-charging your body with the Perfection of Life, soon that requalification of this Pure Energy of Life will cease.

· GEMS OF LIGHT ·

K-17

You see you cannot command the Wisdom of Life, but you can command the Energy and Substance of Life to produce Its Perfection for you. That is why I think you should remind yourselves more often of that which is your rightful Authority in order to compel the substance of your bodies and conditions about you to obey your command. Then you are not wanting to command something that is out of place, but in your command it is the Authority of Life which is acting in overcoming and changing the human quality.

K-17

If you were to attempt to command one another to do certain things then you would probably be largely using human qualities, which you would not have a right to do; but when you command Perfection to manifest in your bodies or in your activities—that is Your Authority of Life because Perfection contains no human release! The “I AM Presence” is always the full Authority of Life. Please try to grasp this, because then you are using the full Authority and Power of Life to produce Perfection!

K-17

I think if you would still yourself before you start your application and say to yourself: “Now this is the Law. There is no interference with It. I am calling to the Wisdom of Life, the Power of Life, the Authority of Life! Therefore, this call has to be answered, because I am in accord with the fulness of all Life, the Power of Life will flow into action to produce this exact result.

· NEW MUSIC ·

IT is our privilege and joy to announce the release of a new Song by Godfré Ray King (Mr. G. W. Ballard)—Mighty Victory. Both lyrics and music were written by our Beloved Messenger, Mr. G. W. Ballard and are charged with tremendous Power of Light and Blessing to all who sing, play or hear it.

“MIGHTY VICTORY” is dedicated in Eternal Love, Gratitude and Blessing to the **“Mighty I AM Presence”** and the Beloved Cosmic Being, Victory. Mankind must have His Victory of the Cosmic Light as of a Thousand Suns to hold control of the forces of Life on this earth, if humanity are to survive here and act constructively in the future.

Every time this song is sung, played, heard or the picture contemplated the individual or group will receive from this Mighty Cosmic Being, Victory, His Mighty Light Rays enfolding them, provided they make the call to Him and hold harmony in the feelings. His Light Rays are Substance, Light, Energy and Perfection from his Sphere of Activity. The moment one's attention is turned to Him that one is definitely in connection with His Great Perfection, Victory and Power of Life for His Light Rays carry His feeling of Victory and the Power of Light over all destructive forces and qualities.

Send your Love, gratitude and Blessings to **Mighty Victory** and call for His Out-pouring to be sustained until all are as Perfect and Victorious as He is.

This song is dedicated to the City of Cleveland where it was first sung—to release a mighty Out-pouring of Victory's Mighty Miracles and Victories of Freedom, Divine Justice and Perfection, until Cleveland becomes an Alabaster City of Light as the Ascended Masters have commanded. May the Ascended Masters' Marvelous **“I AM”** Temple of Light come forth in that city quickly, within which the Unfed Flame blazes forth the full Cosmic Power of Eternal Victory which raises all who enter there into the Ascension as soon as possible.
