· MIGHTY VICTORY'S DISCOURSE ·
Minneapolis Class – September 10, 1939

THANK you, beloved students and friends, and I do congratulate you on all that has been achieved for your state and for you; and to-night I shall once again invite you into My Garden.

Won't you be seated, and no matter what I say that might arouse your enthusiasm, will you remain as quiet as possible and remain seated so We can do for you all that is intended?

You who may not know it, remember that in thousands of centuries I have never known anything but Victory in My slightest effort. Therefore, it is My Intent to convey some part of My Victory into your feeling world and world of action, to help sustain and possibly govern some conditions which you will meet in the coming months. You do not imagine to-night what you may meet before one year is over your heads.

Therefore, this visit of the Messengers to your city has been very delightful, as you will observe in time to come. If you comprehend a small part of what My Words mean, you will see how there is established, to-night, in your feeling world the Confidence, Courage, Power and Strength which is the Power of Victory in your call to the Presence of Light, which is the dominating Power of the future in the world of America and all that is. I say, "the world of America," for without America, there would shortly be no world of the human octave.

In all that has been said by the Messengers and the Great Ones, mankind go serenely on believing that naught could happen to this beloved land of America, but don't be too sure. Let not one opportunity pass you, to call these Powers of Light into action to do for you what humanity cannot do for itself. This is imperative. We know well enough, much We may not even intimate to you, but the Power of Light is the Victory of Freedom held sustained in your America, if you will continue to make the call.

We are trying, your Beloved Saint Germain is trying, to prevent the third episode in that marvelous Vision which the Goddess of Liberty gave Washington. When We are successful, then We shall tell you some things which you will remember thruout eternity, but We may not until then.

In the Garden of My Heart, is the Victory of Light. In the Radiance of My Garden, is the Illumining Power which shall one day take Its Dominion thru mankind in this beloved America.

Let us now be so alert and so sure of our calls to the Presence of Life, that we hold sustained the Perfection which you have thus far attained here; and let the remodeling process be done at the discrimination of the wisdom acting thru human forms, instead of thru cataclysmic action.

Birds are messengers and when you see them suddenly and shall we use the term, drastically, change their course of action after one hundred and fifty years, you may be sure those messengers are being directed to draw mankind's attention, for those who will see.

Why do you think that again there is being revealed in Siberia, the condition which any intelligent person can see must have occurred at once? How do you think that which was once a semi-tropical land could become suddenly a field of ice? Those things have been done and they stand before the outer scientific world to-day, but the scientists will not explain them, because they know not the cause. We do know the cause, and in time will reveal it all.

There is so much, beloved ones, that it is not wise for mankind to become aware of at this time, since they have so much fear within them from various causes. Analyze your own feelings, your own experience of the past five years — every one of you, and see if I do not speak the Truth. Has not some very great fear beset you from some cause? Then, it is fear which must be removed from the mental and feeling world of mankind, and your Great Friend, the Cosmic Being, Ray-O-Light, who visited you to-day, shall render a Service to the student body, incomparable in helping to remove that fear. I ask you who are here to-night to follow your feelings for thirty days and then silently tell Me, whether you have not had less fear in your being than ever before.

Many people are asking for evidence. If you are alert and will observe, you will have all the evidence of Our Reality and Our Promises to you, that you can ask for. We do not believe in phenomenon — just producing a manifestation which takes your interest for a moment and to-morrow is forgotten — which in many instances produces greater doubts and fears within mankind. When We produce something, We will produce something that is permanent which you can look upon and not forget it. Then, the human which would doubt would be very unwise, but that is your condition to-day, children of earth. Your doubts are depriving you hourly of the great Perfection of Life.

Oh, I am not speaking just of this Light, but I am speaking of the conditions which you face daily. You doubt this, you doubt that, you doubt your ability, you doubt the very Life that beats in your heart. How can you do it, when there is flowing thru your being endless, Limitless Energy which you might have so qualified to have brought Perfection into your world long ago, but you did not know that? Since you have been advised of it now by your Great Friend, Saint Germain, why not utilize it? Why idly think of these things and then let your human feelings question and doubt whether this might be true or not. Why don't you take hold and try It out? Then if It does not produce Perfection for you, forget It. That is the only way. Do you go into your office or business and say: "I wonder if I am going to have any customers to-day," "I wonder if I will succeed"? If you went into your business with that feeling, your business or the thing would fail in thirty days, you all know that. You have to have confidence in something. Have confidence in your Life which is the Power and Strength of the Universe that brings you here and takes you into your Ascension one day, by the Power of this Light which is beating your heart every moment of the day.

That is why, dear people, you cannot afford to allow doubts and fears to deprive you of the power which is here, brought as a great Gift of Love, Light and Life to bring you into the Glory of your Freedom and Ascension. That is why I say to you beloved ones, he who doubts in these days is indeed lost.

Think of it! I ask you to review for a moment the homes of America. How many in a home of five people trust each other, have confidence in each other and who do not doubt some one or all of each other? Think of the poisonous breath that has entered homes by vicious gossip and started the feeling of doubt in one mind or the other or all; and then one begins to suspect and question the integrity or morality of the other. Then, the first thing you know a conflagration has started and the greater each one doubts the other, the quicker is their home which was once beautiful, shattered.

So it is with you and Life. When Life has brought to you Its Magnificent Glory and Power, Its Almighty Understanding in Its simplicity and the application which is dynamic and powerful to produce results, then you doubt It and will not use it, or will not apply it, can you expect Life to longer give you opportunities, after more than two and a half million years in which Life has said: "children, run along, you have a

long time before you to make up your mind"? Then Life did not prompt you after long, long periods of disobedience; but now the Great Cosmic Light from the Central Focus of all Life to this system of planets has said: "No longer children of earth may you play with Life. No longer may you misuse and wrongly qualify Life, since you have now become intelligent beings."

I wish to say something perhaps very strange to you, and may sound to some unpardonable; but do you know the only intelligence that is Real Intelligence, is when you have come to know your Great Presence of Life, Its whereabouts, and you are sure of It? Then True Intelligence begins to act thru your being. Observe and see if I am not right! Every student in this land will bear Me out in saying, that he or she never had begun to live, until that one touched this Real Understanding of the "Mighty I AM," and had the full confidence in Its Presence which beats each heart.

In the Light of My Garden, to-night, is not the trickling rivulet, but the River of Life flowing to you from My Garden of Light in releasing this Mighty Victory into your world of action — take notice, "into your world of action!" Too long has Life within you been dormant because you did not know how to give assistance to allow It to become dynamic and to call a Power which is within each one of you to release like that (motion of the hand) the Force of Light and Power which will go forth, shatter and dissolve the discordant things, the limiting conditions which have obstructed your way.

That is why We came to you, beloved children of the earth, because you are not able to give the assistance to yourselves which you need. You feel quite efficient when you have plenty of money and everything is going well; but do you *feel* as efficient, when things have all gone from you, and you feel that you are forsaken in the world of chaos?

Shall I become rather mathematical for a moment? How many do you suppose are living in your America to-night who are in the despair of failure; who have gone from one thing to another finding false promises, sack cloth and ashes, then after a rest try again a repetition of it?

Saint Germain has brought to you this Eternal Fountain of Life, the "Mighty I AM Presence," and thru It you have Beauty and Perfection and the Limitless Out-pouring of supply of everything you require to live happily and serve Life abundantly. That is why, beloved ones, We have come forth; for do you think all We who are assisting your Beloved Saint

Germain, would have come forth without His having opened the way?

You might be interested in knowing, the Great One Leonora, who invented the radio which is in the Cave of Symbols—the only one existing in which They talk to Us on Venus as readily as you talk from Minneapolis to Chicago — is how My first contact with Saint Germain came about. I thought when the first contact was made — “Is it possible on that darkened planet, that there is such great Wisdom as has been able to call forth in mechanism that which will annihilate space”? No sooner had I thought those words, than back came the answer: “Yes, Our Friends upon Venus, the earth is not all so dull as you think. Great Wisdom is here on this earth. It needs encouragement and strength. Would you like to give Assistance”? Without a moment’s hesitation I said: “With great Joy,” for feeling His Mighty Vibratory action and that Positive Voice, I knew He was One who would win His way, even among the jungles of human creation.

Precious people, you think of the jungles of your unexplored land as dangerous, do you not? Yet there are those who venture there continuously and return. I say to you, that which is human creation, which you know as the astral and psychic world, is so much more dangerous than the jungles in your unexplored land that there is no comparison. We are protecting mankind from that, and when the last discarnate entity has been taken from your state, I hope every one of you in Minneapolis who hear these Words, will in the fulness of your heart appreciate all that it means to you all.

Remember thru your great Friend, means have been provided to insulate each state from which the discarnates have been removed, that they may not re-enter. (applause) To some this sounds like childish prattle, but let Me tell you, one day you will find out that it is no childish thing. Is it not strange? Can you not think with Me for a moment and see that in spite of all the doubts, criticism and condemnation of the Great Powers of Light by the ignorance of human beings, how We still go on offering them protection and release from the conditions of their own creation? Have you any friends among you who would do that? Have you any friends who if you perform a depraved act, would not condemn you and shun you? Show Me any of your friends who would not do that. Then We, Pure Beings, come and offer you, who have made these mistakes, Our Assistance; and then sometimes, with a great smirking smile people tolerate us for a few minutes. If you invited a

very Great Being into your home would you go behind the door and smile in ridicule of your guest? If so, you would indeed be a very depraved host or hostess.

When We offer to mankind these Great Blessings, which are Real beyond their fondest imagination, would it not be well for them to consider kindly at least Our Offer, since they do not know what We can do? They do not know or believe the extent of Our Powers. The critical individual would say: "Why don't you show Your Powers'?" and I could say to you: "None of your business! When Our Wisdom directs Us to use Powers, We use Them and not until then. We are quite as independent as you are! Therefore, don't try to advise Us," and We have learned that from you!

You know, dear ones, that once We offered Help so kindly and so gently; and friends will remember that in New York, when I invited the beloved ones into My Garden, it was as gentle as the summer evening breeze; but My Garden has become more dynamic because, here and there in the gentle offer of My Presence, there were those who thought I was an imaginary Being or that the Messenger had had a happy flight. Well, It is a very happy Flight, but It is Mine, not his!

Therefore, beloved ones, it is well, very well if you would be able to accept the blessings offered and then see their out-picturing in your world. It would change your joy into one of Eternal Ecstasy, when you have before you these Great Laws. Beloved ones, the Messengers' return to your city will depend upon your stabilizing and application of the Law which has been given!

Remember, and I say this to America; the people of America henceforth are going to want these Messengers, if they have them. In your city, not so long ago, there was a great repelling force, working deliberately to prevent their coming, but they came! Do you know that their five years is almost up? Beloved students, do you know that? In October, they will be given another opportunity. What if they should take it! What would you think? Would you think, that they should go on struggling and taking the ridicule of mankind in offering the greatest thing that Life has ever offered to the world of mankind? Now what would you think about it? How would you feel? Would you want to go on doing that? Think of it a few moments. It would be difficult for you to decide, wouldn't it? But since they were the only ones at the time who had the courage to give obedience to Saint Germain, in all He required to win the Victory for the people of America, thus far,

then it is some worthy record to have served for five years.
(applause)

Do not be frightened at what I am going to say, but I sometimes think, it would be a wonderful thing for the people of America to think they had gone for a while and then see the difference which there would be in the vibratory action of the people of America. You may think I am talking in riddles, but I am leaving you to read between the lines.

Oh no, no, no, dear students, don't be dismayed, they are still here, yet; but I want you for a few moments to think seriously what their absence would mean. I want you to feel it. You may have encouragement, for I think I know them quite well. (applause) Remember Saint Germain, your Great Friend, has used very great Wisdom and will you observe that the cycle of five years is ending, just after the conflagration in Europe has begun? Do you understand the significance? Do you know what that means? You will pardon Me, won't you, but I am trying to put you in a certain train of thinking and feeling to-night; for I must do it in order to accomplish what I wish for you. That is why I want you to be so alert, in the alertness of your "Mighty I AM Presence" of Life.

My dear ones, I congratulate you faithful beloved students of Minneapolis and St. Paul and those who are visiting here. Oh, I congratulate you, you cannot know how much, for your staunchness, your stability to the Truth in all that you have faced, in all the doubts which those opposing the Light have endeavored to instill in your minds. Yet you have warded them off and you have gone on, in your great service to the Light.

Think what the State of Minnesota owes to you, beloved students. They probably would not pay you in so much money, but nevertheless Life is very generous and Life will compensate you in ways that your state could not do. Be assured of that; and remember! Go on, and on, and on, beloved ones of the Light, and let the Glory of your Light become so Almighty, so Powerful that Its Radiance, as you call It forth, will spread and dissolve and annihilate every particle of discord that attempts to touch your world.

Remember, there are those in this audience who have a great desire for certain achievements. Why not have them? Have you not the understanding of your Presence of Life and Its whereabouts? You know, you are connected with that Presence and that Its Wisdom and Intelligence are All-powerful

to flow instantaneously thru your body and your activity for successful achievement. Well, why not let it flow? Why look around for other human beings, when It is the governing Power of your achievement? If you allow It to have Dominion in your achievement, Its Wisdom and Discriminating Intelligence will bring into your association the people who will be Ascended Master Friends to bless you.

I marvel to-day, that individuals sometimes having very marvelous ideas and some things which are very Real – when if they would call the Powers of their “Mighty I AM Presence” into action to make the things a successful activity, still they hesitate!

My dear ones, please turn to your Presence for advice! Stand determined, unyielding, unwavering until Its clear Direction comes forth; and then you can move in Its Great Intelligence and human mistakes will cease; achievements will be at hand and without limit.

Therefore, remember in the Glory of that Light which beats your heart, is the fulness, the means by which Life will pour every good thing into your physical hands and use, by your call to that Great, Great Wisdom and Light.

Will you understand, if I repeat again to-night, and make it an anchored Power in your Life and consciousness forever – that the Greatest Wisdom, the Greatest Light, the Greatest Power in the Universe is beating your heart and giving you Intelligence with which to act? Then why not let the Fulness of It go forth? Why not be willing to give the obedience, and that means to harmonize yourselves, until there is no longer re-qualification of the energy? Then Life will pour it forth!

Everything from your Life Stream which has limited and obstructed you will be quickly dissolved, but you must stand by until this is done. You cannot tell whether it takes a day, a week, a year or ten years; but suppose it took ten years – since you have lived in mistakes for two and a half million years, wouldn't it be quite a speedy achievement?

I am trying to have you see so clearly, to-night, that the Greatest Jewel ever known to man is placed in your hands in this great and glorious Understanding, which your Beloved Saint Germain has brought to you. Cherish that Jewel, for It is within your heart! Let It expand Its Radiance, until Its Great Powers become a magnet of Life to draw from the Great Treasure-house of your Presence for all Eternity, the Glory of your Freedom and Blessing to earth and your Ascension. I thank you.

YOUNG AMERICA

· BELOVED BOB'S DISCOURSE ·

Chicago Breakfast — September 24, 1939.

ELOVED ONES, Sons and Daughters of the Light! while you are standing, I wish to say that after this, just remain seated in the great Substance which is drawn here to bless you.

Saint Germain wishes Me to convey this first: During yesterday and the day before, I am sure you all noticed the Great Power which was released thru the Messengers. Sixty-five percent of the entities of Chicago and vicinity within a radius of one hundred miles, have been removed. (applause)

You also have been informed by the newspapers of just a little of what has been going on in Russia; yet it is enough to give you an idea of the very good people in Russia and Germany, who have been shot down without provocation, because the dictators feared them. Never in the history of the world has such a thing been known as what Stalin has done in regard to the number of people he has killed because he feared them.

I cannot give you the details — it would not be Wisdom, but I say enough, so you may know that a certain group of those who were shot down by Stalin, were given their Ascension. There were some sixty-five in all. (applause) Those individuals after adjustment to these Great Forces into which they have entered, will turn the whole force of Their Power from the Octave of Light upon Russia. (applause) They will hold this Power absolutely steady and unwavering, until all that They wish is achieved.

In Poland and in Germany, those very fine men who have been shot down without provocation, have been given the same great Blessing; (applause) and if I mistake not you will see some changes.

I tell you, beloved Ones of the Light, mankind little dream the Power of the Cosmic Light and the Determination of These Great Ones of Light to stop this destructive thing upon this earth. There are so many people who are in the authority in

the octave of earth who are now calling forth these Mighty Powers and if you did realize fully, My Beloved Ones, you would not hesitate to give your last ounce of energy in your call to the Presence of Life to call forth this greater, greater and greater Power into the octave of earth.

You could not even imagine what the conditions are. I would no more attempt to explain to you what has happened in Europe within four months than anything in the world. It is too terrible. The outer world so far knows nothing about it; but I warn the whole world that those fiends incarnate, when they see that they are failing, will whine like rats to get the other nations to lay off. I tell you, if they do, they will make the greatest mistake of their lives. France and England should wade in now with all the Power at their command since they have started it, (applause) and if they will, they can clean this thing up from the world.

I tell you, beloved ones, do you see now why your Beloved Saint Germain in His very Great Wisdom, did all that was required to gain this Dispensation from the Great Central Source of all Wisdom and Power to this system of planets? Mankind for the first time on this earth, is having compensation for high ideals and right motives. The ones who stood for the Light heretofore have been martyred and destroyed. In the future, the people who stand for the Light will remain, and the destructive forces will be destroyed by their own destruction. (applause)

The Goddess of Light, the Goddess of Purity and the Goddess of Justice, Mighty Harmony and Mighty Victory are pouring Their Radiance into this room while I am talking to you. So will you, no matter what is said, remain as quiet as possible so that you may have Their Great Blessing? Oh, my precious people, if you only understood what the Qualities are which these Great Ones offer. I just want to mention one. For instance, take the Mighty Victory who has not known anything else for thousands and thousands of centuries but Victory in every slightest effort!

Now then, when He offers to charge His Victory into your feeling world for action, that cannot be touched! It cannot be contaminated by your power of qualification! Could there be anything greater offered in the world than His Victory to give you His Blessing? That is a Quality which your qualification cannot touch or change. Then you do have HIS Quality if you accept It into your world to give you the strength and power to go on and win your Victory more quickly.

Oh, do you not see, beloved ones, that these Great Ones are offering everything possible that you can accept, for your speedy release from the conditions of earth; for your successful achievement and for your health? I say to you, my dear ones, there is not one person in this room who could not call into his or her body – INSTANTLY – the quality of that Light and Its Purifying Power, which would take pain, distress and everything from your body on the spot, but you do not quite have confidence in that as yet. The Light is there! The substance and the power are there, waiting to release themselves, when you give your “I AM Presence” full confidence from the outer part of you.

You know, dear ones, since My Freedom, I have learned such a lot. As a lad, a mining engineer, just out of school, Mr. Rayborn took me under His wing, and how do you suppose I got there? You know things don't just happen. Saint Germain was the One who drew Me to Mr. Rayborn, and thru that came My Freedom.

Blessed people of earth, won't you try to feel with all the Power of your being what your Ascension and your Freedom means? It means you are *forever* Free from the limitations, turmoil and distress of this earth. The earth is not to blame, but mankind, because of the release of vicious discord from their feelings, are to blame for all the conditions that exist.

It is so easy for people whose Life Stream has not been cleansed of the viciousness generated there in past centuries, to yield to discord and the vicious forces which would even try to destroy this Light. You see many of these individuals before have destroyed those who stood for the Light. Now since they have allowed those vicious forces to release again this time, they still have the same feeling; but they do not seem to be aware that everything has changed since those days, for now they will destroy themselves instead of destroying the blessed ones of the Light.

You will remember only and up to about sixty, possibly sixty-five years ago, the Student of the Light had to win his or her victory thru the struggle of privation – Oh, not because it was the Law of Life; but because of the manner in which the black magicians had clothed that which was supposed to be Wisdom – making even the most powerful occult students believe that it was the Law. Many still believe in those teachings which have nothing in those occult laws but the force of the black magicians.

That is why, dear people, I urge you with all the Love and Kindness of My Heart, to never allow your attention to go back again to anything in the world you have ever studied in occultism or metaphysics. You connect yourself, as sure as you do, with those old conditions which just deprive you of good and hold you longer from your Freedom. Turn your attention to the "Mighty I AM Presence," the Greatest Thing in the Universe! Hold it there and you will have your Freedom very quickly!

Just think such a few years ago, I was in the mine, never dreaming such a thing existed in the world, for my attention had never been brought to These Things, these Great Laws. I did have certain ideals and held to them, but I did not have any idea where they came from. Now then, will you read again, where Saint Germain sent for Me and brought Me to the Cave of Symbols? It was the first time I was consciously released from my body, when I still knew nothing about these Laws. When I stood there in Their midst, for the first time, I found that My Blessed Mother, My God-Mother, Mrs. Rayborn, had Ascended. Do you know what that means? Then Saint Germain revealed the relationship and I saw how great had been the Wisdom acting. Remember, at those times, My Consciousness was perfectly clear, because in Their Radiance, not one thing could remain to be confusing to My Comprehension.

Now, one of the reasons I am speaking of this is, to try to make you alert and realize, that in the Radiance of this room and in the Radiance of the classes at the Civic Opera House, the same thing, identically, is occurring. I ask you to observe, and I think you all have, that never in the classes of the Messengers has there been such clearness of comprehension and firm attention. Now that means the power of momentum already gained and the greater expansion of the Radiance thru the sincerity and determination of the students.

Take this for an illustration: Beloved students, do you quite realize that you who have been so loyal here in Chicago and who want to see this Light expand, are the absolute controlling power of the feeling, acting in that Civic Opera House, if you will so determine it half an hour before you go? Command that not one thing act in that room but the Glory of the "Mighty I AM." Then every individual coming in with wrong intent would be absolutely unable to feel that wrong desire. I am prompting you on this to-day, because We must build

this now. We must begin to build this so wherever your Groups are that Radiance is powerful enough to absolutely dissolve any discord which attempts to touch your Groups or your world; and will you do the same thing individually?

Think! dear people, your Higher Mental Body, the Infinite Power of the Universe can wield the Sword of Blue Flame — I cannot stop to explain just all that Sword of Blue Flame means to you, but please accept It in your use. You CAN wield That to absolutely dissolve everything of discord which touches you or your world; and It will reveal to you the treachery or motive of any individual whatsoever. Then, is it not a Scepter of Power?

Now, there are vicious individuals who still believe they can use this same Power against the students and the Messengers. Well, such a thing is ridiculous, as if the "Mighty I AM Presence" would act to produce destruction of any kind! It is only humanly qualified energy which is destructive and the Higher Mental Body in these days will not release an ounce of energy for a person who wants to act destructively. The only thing those people can use, is the accumulated energy which has been drawn already and when that is exhausted, they will find themselves collapse like a punctured balloon. Watch them! Vicious individuals can only go on so long, because these days every ounce of energy is being shut off for them to use destructively.

You might say to Me, then, how is it these dictators of Europe seem to have such power and influence? I would not soil your hearing by telling you how they do it, but that is of short duration. The depravity which is rampant in the world, is the most terrible thing ever known in the history of the earth; and the fiendishness of the dope which is still being used in every city of America, is being cunningly used to try to get the attention and hold power and influence over the young people of America. It has taken another impulse, so people of America guard, guard, guard! The student body should redouble the strength of your Decrees to wipe out the dope from America forever! If you knew what was being done in the City of Chicago, you would be aghast. It is trying to get its clutches upon the young people; and God help the young people who have turned aside from this Light in this city. They will be an easy prey to that very thing.

I say to you blessed young people and Daughters of Light, stand guard as you never did before over the young people of

America! They are the guardians of the future! There must always be those whose faces turn to the Light, by which you, when you have Ascended, you may direct Mighty Currents of Light and Energy for the blessing of America.

This is only the beginning of the Great Dispensations for the Freedom of America and her people. This Light will go on, and on and on; but let us be so strong in all the Great Ones are offering to prevent the last episode which the Goddess of Liberty showed Washington, that it can still be prevented.

Now, I do not mean, blessed students and Group Leaders, that one should become frantic in the feeling; and I know some of you feel such great intensity in your desire to render a greater and greater service; but please do not feel desperate. Take a great calm, determination and know that your call to the Higher Mental Body of every person in America is that which does render this Service to America.

My dear people, do you not see that human beings are actually mental and feeling beings? The body is but the garment which they are wearing, but everything comes first thru their mental and feeling world; then these Decrees going forth as they are in the dynamic power with which they are sent forth, must act in the mental and feeling world of mankind, because there is no resistance there. They will go in, take hold of mankind, change the desire of mankind and make them more Pure and Perfect.

My dear people, I warn you, the students and especially our young people – every effort under heaven will be made to wreck you morally. You must be strong enough, beloved students of the Light, to stand against immoral suggestions. If you can be caused to waste your energy, then the sinister force has you in its clutches. This man who just passed on (Freud) – and I assure you beloved Lotus, that he is in the compound – was the most diabolical immoral being that was ever in human form; spreading thruout the world the most diabolical suggestions ever offered. That was where a lot of our blessed doctors in America took up those vile suggestions to get them to believe that it was right, when if they had stopped to think, they would have known better.

In this day, when the Great Ones are offering you such Assistance, there is not one desire which is undesirable within you that the Presence would not remove quickly, if you would just be calm and determined in your call to have it

done. Therefore, you are the Guardians of the Light, precious people, and you must be the example before the rest of mankind.

I congratulate you and your beloved Leaders here. The transformation which has taken place since the Messengers were here before is wonderful — never was such a miracle performed. You can be grateful. Think of it, beloved students — there are only the few who are really vicious and, on the other hand, great numbers who are loyal and are calling, knowing the conditions which have existed. Every Group in America, pour to your Groups here their Blessings of strength, courage and power to hold and win the Victory of the Light here and so it is!

Do you not see it is the first time in the history of the earth, when mankind have jumped to the defense of each other? Suppose something happened in Los Angeles which required drastic action, every student in the land would jump to the assistance of that student body there — the same as here, the same as in New York, the same as anywhere else.

Won't you see then how great is your blessing and how great is the assistance? I have thought, and thought, and thought, how to convey to the student body how grateful you should be for this limitless Assistance which is being given from the physical octave, from the student body and from the Octave of Light.

It is quite true, you really are only asked to give one-third of the assistance and the Octave of Light produces two-thirds of all that is required for your release, for your happiness, for your Ascension, for your Perfection.

Now, while We are in the quiet atmosphere this morning, dear people, I plead with you because of your Freedom, let no person, place or condition ever speak one word to you derogatory, concerning the absolute certainty of your Ascension, but do not talk of it to people. Please do not. Do not say to people that you are going to make your Ascension this time, not even to the students. Go on and cherish It in your heart. Talk to the "Mighty I AM" if you like, but do not talk about your Ascension to people in the outer world. You will gain It much more quickly.

There are a few individuals whose delight would know no bounds, if they could turn every student from this Light. We have been watching these individuals.

The Power of the Cosmic Light will turn back upon and

bind to human forms the viciousness they send out. It is the Law of Life, nothing can change it.

Therefore, beloved ones, I am saying this to you that you be not deceived, and I trust when this class has closed in Chicago that that viciousness will have ceased forever. Do you not understand, blessed people, that if this Messenger had ever done any wrong, could he stand, look you in the face and carry this Great Light and Blessing which he carries? Should he be harassed just because some beasts put forth falsehoods? He has never done a wrong to any human being on this earth in many embodiments, let alone this one; and he has stood for this Light ever since the time of Jesus, (applause)

Let us hold the atmosphere as quiet as we can, because tremendous things are being done for you, blessed ones, and I want you to feel it, if you will. There is something peculiar about it, that I do not just for the moment see the explanation, but something is done at these breakfasts which is rare indeed. Perhaps some day, Saint Germain may explain it to you, but it is very wonderful, and may you feel all that it has meant to you.

One thing more I want to call to your attention, concerning those vicious individuals who sent the newspapers to the Radio Station and called up and wrote letters, refusing to sign their names, besmirching the character of the Messengers, some foolish individual believed it and the broadcasts were shut off. Ten times the calls came into the Civic Opera House asking why they had been shut off and why the broadcasts were not on the air. Those in charge do not listen to that, but they accepted the lying vicious reports.

I want you to see what individuals will do and how ready they are to accept falsehoods instead of the Truth; but all these things have absolutely no power, and as the Messenger issued the Fiat in the Civic Opera, every Radio Station in this land will welcome these Messengers with open arms. Watch it! We can well afford to abide Our time, so can they because you are going to live a long time.

Can you not understand, my dear ones, how I long to see you there with Us? It is a very different thing, than if We had made Our Ascension many centuries ago. It is only a few years, dear people, and now look: I had absolutely no outer preparation until a very short time after meeting Saint Germain, and then in such a short time, We went to Chananda's Home in India where it was completed.

You at one time were asked to read, read and re-read the last chapter of the Magic Presence. Few have yet but a slight idea of what that conveys to you — “bodies such as were never given to man,” which give Us greater Power to act in the human octave. I wish you had been with Us and had seen some of the things which We have been able to do, in the dissolving of steel and iron construction to send forth the death rays to destroy mankind. We are constantly guarding every place on the face of this earth and wherever attempts to bring forth a death ray to destroy mankind are made those individuals and their mechanics will be destroyed. It is just the same as with the secret submarines which have been planned for a long time, to go forth in their wholesale destruction.

May I call to your attention the renegade individuals who cannot remain in any nation? They go to another nation or to the islands and spread their poisonous breath everywhere. Well, such is the condition with the submarine activity. There were those individuals who failing in the world war, immediately set into action to build these secret submarines by which they would send forth their wholesale destruction because they believed that there would be a time, when there would really be a world war, which this has come so near producing.

If the people of America will send forth these powerful Light Rays into your Capital, to prevent the things that are intended to be done to drag you into war, you will stand free. Remember, you are the Authority of Life in your call to the Presence of Life, the “Mighty I AM.” If the people of America and the mothers of America will say to the government: “You shall not send our men to war again,” you will find the action would be the most powerful thing you ever witnessed. Remember, the mothers represent the feeling world of America and they have the authority. Since they are connected with the Life Streams of their children, they have a right to say whether they shall go to war or not. There is not one loyal person in America who would not instantly arise to the defense of America; but to go to another nation to be destroyed is another thing.

Therefore, beloved people, remember that those individuals in your land who want to sell ammunition and destructive war materials to other governments by the very act draw themselves into that in spite of anything. You cannot become a part of a thing in action and then stand free from it. Therefore, the people of America are in a position, to-day, to abso-

lutely annihilate everything and every intent which is secretly acting to draw our people into war.

If you knew, blessed people, how Saint Germain has watched your Capital, with Others, almost every moment recently, you would know He is doing all He can to prevent these things occurring – many times acting thru His Tangible Body.

Dear people, why should it seem so strange to you, to-day? At the signing of the Declaration of Independence, He stood forth in His Tangible Body so everyone saw Him. When He came to Washington at Valley Forge, He appeared in His Tangible Body to Washington; because Washington, LaFayette, Franklin and Von Steuben knew Him personally. Therefore, dear people, He is just as Real to-day as He was then.

Now then, when you have these Great Friends of Light why not accept the Power of your "Mighty I AM Presence" to render this service? I repeat again, beloved students, and do not let go of this idea: You have the right, the authority and the power to call to the Higher Mental Body of every person in America and the world to render this service, because everybody's Higher Mental Body wants the same thing you do in the way of Perfection.

You would render a great service if you issued the Fiat the Messenger issued yesterday, calling to the Higher Mental Body of every vicious individual to withdraw the Life Stream from that body. You would render a service incomparable, not only to America, but to those individuals as well; for you would stop the building of the destructive forces which one day they must meet. Just because they do not believe It, does not alter the Truth any, but these are Mighty Activities, dear ones; and do you not see there is not one thing We ask you to do that is not a blessing to every human being and every one concerned? It is the Law of Life and you cannot use the Law of Life for destructive purposes. The Law of Life only dissolves the destructively qualified energy already generated.

Therefore, you have the energy of Life at your call to render the Service you require. It is Invincible! It is Infallible if you only realize It and see It; but remember in your Trinity of Action – your attention, your physical sight and your feeling are the Trinity of Action at one point which gives you the Authority and the Power of instantaneous action. That is why you are not at the mercy of anything, dear people! You are the authority and Power of Life acting thru your call to God, the "Mighty I AM." I thank you.

HERCULES

I tell you you cannot do too much work or make too much application on your Invincible Protection from suggestion. The whole physical world is some phase of human suggestion, either thru vicious spoken word or the invisible power of radiation. Then, do you not see how important it is for you to continue the constant use of the Violet Consuming Flame — that in case you have unknowingly accepted into your feeling world suggestion, then the Violet Consuming Flame will destroy it?

HERCULES

Now notice this. Since these Dispensations have been acquired for the people of America, which eventually will encompass the earth, can you not understand how it has changed the plans of many, many things? You would say to Us: "Well, if You cannot make mistakes and if You are Perfect, then why these changes, why changes in the Plans?" Simply because the Activity from the Central Source of all Intelligence and Energy to this planet being wholly the Authority, when once called into action, may change the whole Plan of the conditions for the earth and hasten its Perfection, even beyond anything We had planned.

HERCULES

You see, if you realize what the power of your attention means, it means your Life Stream feeding into that, and if you do not want to give a destructive thing power, you cannot afford to let your Life Stream feed into it by your attention. It is the most tragic thing in the world. You cannot have your attention upon a thing without your Life energy going into it. You cannot do it.

HERCULES

For instance, in making your call to the Presence, if you don't assert Self-control, how is the call to the Presence going to do it? Your effort at Self-control forms the connection for the completion of your call and you cannot call the Presence to do something then not give co-operation by Self-control in yourself. That is how the emotion within an individual does seem to gain control over such an one, unless he or she asserts Self-control in your call to the Presence to govern it; because if no Self-control is asserted, the momentum you have gained goes on acting — it might be indefinitely.

HERCULES

Remember dear ones, while functioning in physical bodies, you have got to make physical effort for a thing which you are calling for, even for Perfection in the physical body. If you don't make physical effort, you have lost a part of it. Mankind's determination to powerfully assert authority was the first intimation of the beginning of the release of destructive forces. Of course that was thru long aeons of time gaining a momentum, even a perceptible change; but as it gained more and more attention and more and more energy, well then it gained more and more power and speed of action. That was with no assistance from any source except the desire within individuals, and out of that came the black magicians. Human desire to move alone in the outer, to be free from its source, which of course could never be, was the beginning of all discord.

· LETO, BLESSED LETO ·

It is our very great privilege to announce the release of a new song—"LETO, BLESSED LETO" by our Beloved Ascended Messenger, Godfré Ray King.

Thru this music and lyrics the Glorious Ascended Lady Master Leto will pour to those who direct their attention to Her, Her special Service to all who seek the Constructive Way of Life; and teach them how to go forth from the physical waking consciousness into the Octaves of Light

and return to the body consciously and at will; just as one goes thru the door of a room retaining full comprehension of all he or she is doing each moment. This service will never be rendered any one who is selfish or would misuse the information given.

Her Assistance will be given only to those who are obedient to the Highest Ideals and Honor of Life. Thru the use of the Violet Consuming Flame one can purify one's self to the point where thru the call to Blessed Leto, She will come and escort that individual to the Inner Octaves of Light; and help that one to the complete use of many of the faculties we all possess but know not how to use in their fulness. All can have that Assistance at all times, if they will understand this Ascended Master Instruction of the "I AM" and give obedience to Her Requests.

The cover design is the likeness of our Beloved Leto and a Gift of Love from our beloved May DaCamara whom we thank and bless without limit for her blessed service.

This song was first sung in the Philadelphia Class—which was held in Washington, D. C., and is dedicated to the city of Philadelphia. May it release the Mighty Cosmic Victory of Eternal Freedom and Divine Justice everywhere thruout that city and make of it an Eternal Alabaster City of Light for Freedom and Divine Justice to all mankind.

May everyone on earth use this song and call forth all Beloved Leto's Power to set all free as quickly as possible in the Eternal Victory of the Light of God that never fails.
