

· VIOLET TEMPLE OF LIGHT ·

GREAT FOCUS of Flame in the Octaves of
Light,
Stands the Violet Temple of Saint Ger-
main's Might;

In Its Great Cosmic Blessing to mankind of earth,
It is pouring His Great Cleansing Flame of Rebirth—
Consuming, illumining, perfecting us all,
His Great Cosmic Love answering every heart call,
To be Free from the clouds of distress—here and now!
Lo! a Torrent descends! See His Flame! Let all bow!

Like an Ocean of Flame, It drives over Our Land,
Sweeping on — on — forever — God's Cosmic Com-
mand.

See! His Great Cosmic Victory and Freedom release!
Now possessing the earth in God's Great Cosmic
Peace.

As Its Glory enfolds like a Mantle of Flame,
Everyone in the world sees Our Blest Saint Germain,
Hears His Voice! Feels His Love! Knows His Great
Cosmic Height!
Beholds all the Power from His Temple of Light!

As He pours to the earth, all the Love from His Heart,
From the Violet Flame's Temple, comes forth like a
dart,

Cosmic Lightning of Love, driving on everywhere —
Awakening mankind NOW, to arise and to dare
To stand all Victorious in the "Mighty I AM,"
To Be all Its Freedom by His own Great Command!
