· "I AM" "I AM" "I AM"—THE ARCHANGEL ·
· MICHAEL'S REALITY ·

HE Cosmic Moment has struck, beloved ones, when the Ascended Masters call you to Victory and Freedom in the Light.

The Archangel Michael, who has sometimes been referred to as the "Lord of the Sun," is a Great Cosmic Being of tremendous Power Whose Authority over mankind is Real and Eternal. He wields a definite Action of the Sword of Blue Flame from the Great Central Sun and is many times portrayed holding His Sword of Blue Flame in His Hands.

Our direct call to Him is as definitely answered as the Sun exists in the Heavens. Understanding that and turning our attention, first to our own "I AM Presence," then to the Great Host of Ascended Masters and the Archangel Michael, we can make a daily call for the release of His Cosmic Activity of the Sword of Blue Flame into every destructive condition in the United States of America and into all war throuth the world.

Before His Mighty Command all on earth bow, for no human being, nor all together, can resist His Release of the Blue Flame from the Great Central Sun. Since He serves only the Constructive Way of Life—of God—calls sent directly to Him, will draw forth only that which can and does produce Perfection for the individual and in the handling of destructive forces, His Use of the Sword of Blue Flame is the Release of a tremendous, dynamic, Electronic Force which stops destructive conditions and compels them to recoil into their own cause, holding that destruction bound within itself, until it is consumed.

In the name of the humanity of this earth, we call to the "Mighty I AM Presence" and Higher Mental Body of every

human being in the world, and directly to the Archangel Michael, for the release of the Cosmic Action of His Sword of Blue Flame into every destructive condition in the United States of America, this very instant with the full Cosmic Power which He wields! He can and will release It for the protection of all who are constructive as the people themselves make the call to the "I AM Presence," for the greater release of God's Freedom for all.

Thousands of centuries ago, the Archangel Michael ruled in what is now America; and because of that former connection, He is very definitely interested in the protecting of our Nation from all destruction now, as He was then.

Because of that, those who live in America should give Him conscious recognition and call daily for every Power at His Command, to flood into our people and give them His Strength and Power to stand against every destructive force that would wreck our America, or destroy God's Divine Rights to man, which are held in guard here. In the following Decree, we issue in the Authority of Life, the command to cut our America free and call to the Archangel Michael for the release of whatever Manifestation and Power are required to guard our Freedom forever.

We send the Flame of Love from our hearts directly to the Great Archangel Michael; we ask His Instantaneous Response to this call and may the full Cosmic Power which He commands flood over our United States of America this instant, like an Ocean of Living Flame, annihilate every destructive condition and all that would rob our people of Freedom, Divine Justice and the Right to worship God as we please.

I send the Flame of Love from my heart directly to Him, and ask for His instantaneous answer, and the descent of His Legions of Angels to come forth on this Decree and see that it is fulfilled, even as we speak!

Blaze Thy Great Victory!

Great Beloved Being, Thou Archangel Michael, take up our call! Keep it charged with the "Power of a Thousand Suns," and make it so blazing everywhere in our Beloved America that it forever annihilates all that would dim the Light or delay the Victory of the Perfection of our people.

Turning our attention to the Great Cosmic Being, VICTORY, we call forth His Mighty Power in conjunction with that of the Archangel Michael, to take command of the United States of America and release such an intense concentration and pressure of the Flaming Substance of the Cosmic Light everywhere in our land, that it compels protection of all that is constructive, and the dissolving of all that is destructive.

We pour the Flame of Love from our hearts directly to Mighty Victory, and in the following Decree, issue it with the call to the "Mighty I AM," and Higher Mental Body of every human being in our country to issue this Decree also and keep issuing it from the Higher Mental Body into the physical consciousness of every human being in our land, until Its Blazing, Physical Fulfillment is made manifest for all.

Hold America in Thy Hand!**

Those who have heard these broadcasts, know that we have always closed them by saying—"The Light of God never fails"—three times at the end of the broadcast. Let us use that same Decree with such an intense call to the "Mighty I AM Presence," which is God-in-action, that the most intense concentration possible of the Power of the Cosmic Light flows forth and holds Invincible Ascended Master Protection for America and Freedom for her people forever.

Remember, we have been told that "man's extremity is God's Opportunity." Since the extremity of our people is so great this very hour, God's Opportunity to take the place of our human problems is very great also; but that can come about ONLY as the individual keeps his attention on the God-Power and Consciousness of Life, the God-Victory of Life, the God-Freedom of Life, and the God-Protection of our land, with a definite, determined call that this God-Power be charged into every physical condition of our people and change the human conditions of destruction into God's conditions of Perfection.

What man cannot do—God can do! Since your "Mighty I AM Presence" is God-in-action thru you, give It your time and attention and your direct call to It to release more of Its Full Perfection, Authority and Power into the world around you. Call that forth so constantly that it becomes like a Niagara Falls, an ever on-rushing torrent of that Substance and Energy from the Ascended Masters' Octave of Life which is qualified with the permanent Victory, Perfection and Happiness which mankind are really craving, and which should be the only condition in our Blessed America.

This God-given Land of Light, holding the Freedom and Ideals which America's Constitution represents to the world, is the "CUP" of Life's Perfection and Freedom which God, the "Mighty I AM Presence," has placed in America for the Blessing of all mankind.

It is the responsibility and duty of those who have enjoyed that Blessing in the past, to value It enough to guard It for the generations yet to come; because unless those who are living in America to-day make their Ascension in this embodiment, they will have to return into physical embodiment again and if they should return into America, they would want Freedom

then just as much as you and I want it now. Therefore, whatever we do for the protection of the generations who are to come in the future, we are doing in reality for our own Life Streams because Life compels the individual to return into physical embodiment again, again and again, until Life's Divine Plan has been fulfilled and each Life Stream expands only Perfection into the Substance and Energy of this physical world.

Understanding that those who are in embodiment to-day, may—a century or two hence—be in physical embodiment again right here, each one's main concern should be to guard every constructive activity now and perfect it so it may serve Life in its greatest blessing power in the future, so all who come back here in the future may know only that Greater Perfection of Life which will enable all to be free permanently from the limitations of physical existence.

Beloved fellow Americans, the only Permanent Protection that anyone has on this earth is by the use of the God-power of Life. That God-power is the Activity of the Cosmic Light. The Cosmic Light's Activity is God-in-action—Perfection flowing thru from the Infinite into the finite, at the call of the individual who uses the Great Creative Word of Life—"I AM."

Realizing that the Power of the Cosmic Light is the only thing that can permanently control mankind's destruction, then our main business in Life should be calling it forth so constantly that It completely over-whelms all that would destroy mankind's opportunity to express Perfection.

However, you have no comprehension what the words,—“The Power of the Cosmic Light,” mean to the earth. The scientific world has in a very fragmentary way contacted what they call the Cosmic Light Rays. When you realize that the Ascended Masters can concentrate those Light Rays into whatever intensity is required to protect mankind and raise them into Perfection, you will realize that your call to the “Mighty I AM Presence,” and the Ascended Masters, is a very Real, Tangible Thing; and the Power of the Cosmic Light which They release, is a very Real, Tangible Power.

You have heard us say repeatedly that last Easter morning the interference with the radio was the release of this concentrated Electronic Force from the physical Sun. The Ascended Masters can draw and concentrate that into any intensity whatsoever for the protection and perfection of all conditions on this earth to bless mankind, if humanity wants that Blessing and Perfection. The mass of mankind do. Within the heart

of every individual, there is a desire for that Greater Perfection of Life, for the heart of each individual knows that ultimately Perfection must rule Supreme; but the long accumulation of vicious, unkind feeling of rebellion by the people against not getting their own way in the gratification of their physical desires, is what has built a momentum that is now returning upon humanity as a mass pressure of the almost wholesale destruction of war.

A few individuals who have had more viciousness in them than the rest of mankind, are unfortunately the open door thru which the mass energy acts; but that is no reason for the individual who understands the Law feeling that the God-life of the Universe cannot or will not stop mankind's destruction; if enough of those who do not want to be destroyed will make the call to Life in time, with the intensity of feeling required to release the Power that stops all destruction.

If you are going to have protection you have got to use Power and that means the Power of Light because the power of physical destructive conditions is not protection to anybody or anything permanently.

In the following Decree, I make the call in the name of the humanity of this earth, directly to the Heart Center of God Almighty—the Supreme Life of this Universe—which the Ascended Masters refer to as the Great Central Sun. I call to the "Mighty I AM Presence," and to the Higher Mental Body of every human being on this earth, to issue this Decree with me, for the Protection of all that is Constructive in mankind, the earth and its atmosphere:

**POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!**
Descend! Descend! Descend!

**POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!**
Our America now defend!

**POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!**
Take Your Full Command!

POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
Hold Thy Victory—Great "I AM"!

POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
Control! Control! Control!

POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
Take hold! Take hold! Take hold!

POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
Expand! Expand! Expand!

POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
POWER OF LIGHT OF A THOUSAND SUNS!
Hold now Thy Full Command!

If you love your America, you will give these Decrees daily with all the intensity of your being for what man cannot do, God can and since the "Power of Light of a Thousand Suns" is the Power of God Almighty, man needs more of God and less of human war.

We stand in, with, by and for God Almighty, the "Mighty I AM Presence," and the Great Host of Ascended Masters, who are the Supreme Power, Activity and Perfection of this Universe, and of Life everywhere. That is the only Power of Life worth serving, and It is the only thing that will ever bring anybody Permanent Happiness, Freedom or the Perfection which each one really craves. He who uses the Great Creative Word of Life, "I AM," and in Its Full Authority calls for the "Power of Light of a Thousand Suns" to flood forth to free his fellowman, and continues to call, will as surely be answered by Life as the sun exists in the Universe. That is the Power of

"The Light of God that never fails"!

"The Light of God that never fails"!

"The Light of God that never fails"! and the

"Mighty I AM Presence" is that Light!
