· "I AM" "I AM" "I AM"—LOVING THE GREAT ·
· ARCHANGEL MICHAEL ·

HE Cosmic Moment has struck beloved ones when the Ascended Masters call you to Victory and Freedom in the Light.

Oh, beloved ones, if you know the Power that is yours, or that you could have, consciously and at will, here and now in this physical appearance world, by sending your intense Love to that Great Blessed Being, the Archangel Michael, you would not let a day go by, that you did not offer to Him all the intense Love of your heart; that the Fulness of His Power might come back to you on the Love that you send to Him, and on this return current pour forth thru you His Almighty Power, His Freedom, His Victory, His Dominion, His Great Dissolving Activity of Divine Love of which He is Master and the Director.

As that vibratory action of His Energy flows thru you, and into your affairs, you would see and experience physically what Power is within your own Life and call forth from the Greater Perfection of Life, which the Great Archangel Michael is, all that you can use, here and now, as practical in this physical appearance world as your airplanes.

Remember, every Power that we call forth from the Ascended Masters' Octave of Life thru the use of the Great Creative Word, "I AM," is very practical. It is very real! It is very tangible! It is Almighty and All-powerful, and It is always victorious!

Who is there that should not want this greater good? Has humanity been out-picturing so much good they can afford to be so conceited, they cannot look to that which is greater than themselves, and call forth more of good?

Has the human way of living Life been so satisfactory? Is it so successful—when you look at the world to-day and see the on-rushing destruction of human beings' feelings? Do you think their way of living and their intellectual concepts are so satisfactory that human beings should not want something better? If you do, we do not!

I pour the Love of my heart to the Great Archangel Michael, with every breath I breathe and He answers me as instantly as I can answer you on the telephone, if you were to call me. Why? Because consciousness is everywhere. Light is everywhere. Life is everywhere, and the moment we place our attention upon Him, and send Him the Love of our Life Stream, so does His Life Stream answer us with those Qualities which are His, and do we not need more Divine Qualities in the outer world to-day?

Surely we do! There is none who can honestly deny that; and Divine Qualities do not come from the destruction of human beings. Therefore, we must lift our attention to the Great Host of Ascended Masters and Their Octave of Life.

The Great Archangel Michael is a Mighty, Real, All-powerful Cosmic Being! He is spoken of as Lord of the Sun; our great Physical Sun, which is such a Mighty Focus of Electronic Force and Life to this earth.

Calling forth to the Great Archangel Michael for His release of Perfection into our feeling world, and those currents of Energy from the Great Central Sun, to go forth qualified with His Perfection, His Intelligence, His Dominion over all discord is releasing a Mighty Power! It is a Mighty Assistance! It is Mighty Real, and any human being who has the determination to sincerely try, will be answered by the fulfilment of his call.

That is why we have said repeatedly: "Do not believe us, prove us." But if you want to prove the Truth which we say, you, yourself, must use the Law and operate It. Then the Greater Good in your own world should be all the proof you need, that we have told you the Truth; but if you will not acknowledge that which is the fulfilment of your application of the Law and give credit to that which is greater than yourself after you have received the proof, then you will not receive greater proof. Would you give someone greater good, if you had given once and the individual would not acknowledge it, and claimed that it came from somewhere else? How would you feel?

Every time human beings doubt these Great Ascended Masters, you turn the tables on them! Ask them if they were to give tremendous Good to other human beings and were ignored or doubted, how would they feel? If other human beings did to them as they have done to the Ascended Masters, how much do they think they would respond? Once the Ascended Ones have offered Good, and that Good has been denied or doubted, or the credit for it given to someone else, how much greater Good do you think the individual would deserve in the future?

Then do you understand that you must be honest, fair and square with Life—Life everywhere, not only your own Life, but the Life of the Ascended Masters, the Life of Infinite Space, the Life of your own fellowman, the Life of the planet, the Life in the atmosphere about you—because Life is everywhere?

Life is the only Power anybody ever had, has now or ever will have with which to do anything; and if you want the full Power and Perfection of Life, It can come only from the Ascended Masters' Octave of Life.

I call to any human being who cares to prove this Law, to turn your attention, many times a day, to that Great Cosmic Being, the Archangel Michael. Send Him your Love, and ask Him to charge you with His Consciousness, with His Love, His Power, His Dissolving Action of the Great Cosmic Light, to pour that into you and your problems; to pour that into your affairs and to keep it pouring until every discord is dissolved. If you will maintain Harmony in your feelings, send your Love to Him and make the call for His Power to come forth thru you to bless your affairs, and your fellowmen. As surely as you make that call, will He answer you—and why wouldn't He?

What reason would He have to refuse you? He is the Greater Power of Life. He is part of yourself, because all Life is One. When that which is greater than we, so willingly and lovingly offers Greater Good, then can we not open our hearts, and be an open door thru which Their Good can flow to others?

If we are not willing to pass on that Good to others, we are not worthy to be answered again. After all, you cannot get away from the action of the Great Law of Life. You cannot escape experiencing the results of causes which you yourself have sent forth—because Law is Law! It is inexorable! It is immutable, but the Law of Life is Beneficent because It is Energy in Perfect Balance, held qualified forever with Perfection.

When you have called to the Great Archangel Michael for His Mighty Assistance, many times to give assistance to your loved ones, to give protection, you can call to Him to send Legions of Angels if need be; because Angels are Real Beings, and They are Legion in number. Any number can be sent to envelope any locality, or to hold the Radiance of His Power around an individual or condition until the protection is given which the individual or condition needs.

Do you understand what Power we can send forth to these Blessed Ones who might be drawn into the draft, by calling to the Archangel Michael for His Legions of Angels to hold Invincible Protection around all who are the defenders of our country?

That is an Electronic Force of Light, which He draws from the Physical Sun. He qualifies It with His Power of Divine Love, with His vibratory Action and that rate of vibration can be a charge of Light around the physical bodies of those who give Him their attention! It can be held so concentrated that It becomes a repelling force to any destructive thing.

Try it out! If you have the courage to send Him your Love sincerely, honestly, determinedly and hold your feelings harmonized, He will answer you soon enough. However, do not doubt that which is greater than yourself, and then expect to be answered by It. How could you? If you doubt, stay in the midst of your own doubt, if it is of your own creation. There is no Law in this Universe that compels you to doubt something greater than yourself, unless you so choose; and doubt, after all, is but rebellion against a Law of greater Good than that of which your intellect knows.

Is the intellect of mankind such a supreme authority over the Law of Perfection? Can it tell so much about what is in the rest of the Universe beside itself, when it is so full of mistakes, so full of limitations, so full of misconcepts that it does not even understand how to use its own energy, so that it can maintain permanent good?

Please get away from the idea that the human intellect, or the human beings of this world are the authority for what happens in the rest of this Universe. That Intelligence which is greater than man, must be called into action with Ascended Master Humility, with Love, with Gratitude. When an individual will control his feelings and send up the call to his "I AM Presence," and the Ascended Masters with that attitude of mind, there is not a thing in this Universe you can ask of the Powers of Light, of the Ascended Masters, of your own

“Mighty I AM Presence,” or the Great Archangel Michael, that cannot be released to you, even as you speak. Any human being on the face of this earth can prove it—not only once, but millions of times; because Law is Law, and It acts whenever you set It into action.

Therefore, call with all the Power of your heart to this Great Archangel Michael. Ask that His full Illumination be charged into every human being in our government, into every human being on this earth, with His Directing Intelligence, His ideas of Balance and of Perfection, of Divine Justice and that Great Love which gives Freedom, Perfection, Happiness, Beauty and the Victory of Life to every human being on this earth.

Call and call and call for His Mighty Intelligence to be charged thru all mankind; because they need that greater Intelligence. They are not so smart that they could not use more Intelligence! Please understand that, but if you are entitled to anything greater, you must send up your Love to that which is Greater. That is the Golden Key which unlocks the line of connection in the energy of your world and allows It to connect with the Octave of the Ascended Masters.

Therefore, learn the Power of the Ascended Masters’ Love and learn the Great Victory of Humility—not a grovelling surveillance, never that, but a Great Humble Adoration to that which is greater than yourself with a great willing cooperation and acceptance of Its Mighty Power to flow thru you, so you in turn may have more Power to bless your fellowman, to perfect the earth and to raise all mankind up into permanently sustained Perfection and the Victory over all destructive forces of this earth.

The Great Archangel Michael is a Mighty Real, Tangible Being! I love Him with all my heart, with all my mind, with all my feelings, with all my strength and I give Him public acknowledgment. May every human being do likewise and have the Victory and Love which He can give you for that Light of His Mighty Dominion is Supreme and worthy of all our adoration, for He is the Power of the Cosmic Light, and “The Light of God never fails”!

“The Light of God never fails”!

“The Light of God never fails”! and the

“Mighty I AM Presence” is that Light!
