

· THE "COSMIC CRYSTAL CUP" ·

The "Cosmic Crystal Cup" must flood the earth!
The Cosmic Light, o'erflowing, give rebirth!
The Cosmic Dawn upon Our Land descends
And man, thru Light, must make to God amends!

No longer do the Scales of Justice wait!
The Cosmic Light now changes man's estate!
For none can stop Its Onrush and descent
Nor change Its Action, Power or Intent!

The "Cosmic Crystal Cup" now comes to man!
The Cosmic Light—the Gift from Freedom's Hand,
The Cosmic Power releases and enfolds
And in Its Grasp, America now holds!

The "Cosmic Crystal Cup" comes, God, from Thee!
The Cosmic Light's Pure Substance all shall see!
The Cosmic Peace, to those who understand,
Holds in Itself Dominion—now at hand!

The "Cosmic Crystal Cup's" Authority,
The Cosmic Light's own Great Reality,
The Cosmic Law's True Action conquers all,
For only Thee—"I AM"—can man, recall!

The "Cosmic Crystal Cup" does now command!
The Cosmic Light appears! All in It stand!
The Cosmic Moment strikes, for you and me!
In Light's Full Glory is Our Victory!

The "Cosmic Crystal Cup" knows naught of time!
The Cosmic Light in Love, so Great—Sublime,
The Cosmic Day of God, now ushers in—
Perfection's Plan for earth, o'er all does win!

The "Cosmic Crystal Cup's" Eternal Might,
The Cosmic Light draws forth to mankind's sight,
The Cosmic Voice of Life in all speaks now:
" 'I AM' the Word! Ye shall be Free! I vow"!
