· BELOVED LEONORA'S DISCOURSE ·
"I AM" Reading Room—Chicago, Illinois
September 17, 1939

HANK you beloved ones. Won't you be seated and will you make yourselves as comfortable as possible, for that service which I hope to render you this evening? Please—no matter what I say, just remain seated and keep the atmosphere as quiet as possible. I trust I shall bring you some information, to-night, that will delight you.

You will remember in reading of the experiences in the Cave of Symbols, it was My Pleasure to be the Inventor of a radio, which is not yet known in the outer world. Well, since that time, some very wonderful things have happened. I had not even conceived it at the time, but seeing the need, I began to reach out and in connection with the Retreat in Arabia, I added to this physical machine some Powers which even We did not know existed, until We began to reach out for them.

Now, will you understand by this, beloved students, that even We, as Ascended Beings, unless Our Attention has been drawn to a thing, do not necessarily know all about it? Now notice carefully what I am saying, because it means everything to you—even We, as Ascended Beings, if Our Attention has not been drawn to the necessity of a thing which We have not reached out to, We do not always know about it. We do not know everything that exists in the Universe; but We CAN know anything that requires Our Assistance, by the action of Our Attention upon it.

I had invented this Radio for a Certain Power of Connection. Then when I had that perfected, I saw under the accumulating conditions what it might be used for provided I could draw from within the Great Silence that which I felt within

Me was there. Out of it, came some of the most remarkable things. Some of you have read of the Reflector, as the Messenger called It, in the Retreat in Arabia and Its powerful use in connection with the use of a Light Ray. Fortunately, this is not known and never shall be, because We shall guard It, in the outer world.

In your beloved Lotus' reference to the use of Light Rays to disconnect or cut off the ignition within an airplane, to compel it to come to earth where it could be captured and the people in it; thru this Radio, I have been able to draw into action, a Power which will counteract anything of that kind. So, if the world of mankind wishes to see evidence before them, that there are those who know more than they do, they are going to find it.

I quite understand in the feeling of some people how, at first, they think it is very peculiar that We as Ascended Beings should take an interest in earthly affairs and become Warriors of the Light. Why should We not, when enough of humanity are calling to Us for Assistance and Protection? Why should We not give that Assistance? Do you not see, beloved ones, that the CALL of mankind is what compels the release of that which is greater than what they have had up to the present time? It is a magnificent thing. It is wonderful indeed to see how necessity, as you have always understood it, is the mother of invention. Well it is really more than that because, let us put it this way, it is the compelling force in all that mankind requires.

In a crisis of this kind, you must have more than human assistance. Not all humanity put together, to-day, could even attempt to quell this which has released itself in Europe. Mind you, this has been accumulating for a long time. We hoped that in the previous world war, it had spent its energy and when the war entity of Europe was consumed, with these various channels of Assistance which had already begun, it would quell that; but you have no idea, my dear people, what hate a stirred up human feeling can become. You have seen it among some of your own people, how vicious those who had been loving and kind, can become.

When a nation has an insane fiend at its head, and I say frankly to you that is all Hitler is, an insane fiend! and he stirs up a nation into a false belief of what he can lead them into, with no regard at all for their responsibilities, then such a person is indeed insane. Mankind have a responsibility to

each other. Nations have a responsibility to each other and when they forget that, they have forgotten the Source of their being.

In connection with this which has been brought forth to counteract these conditions, I want to say something, to-night, which I am sure will quickly spread to the entire student body, America and the world. There were secret submarines built! The most powerful of them have been destroyed; but seeing the necessity, We have secret air-planes.

You remember that your Beloved Saint Germain said, I believe more than two years ago, that when the time was ready, He would bring forth a plane without wings which would anchor in mid air. Those are in action to-day! Therefore, beloved ones, remember mankind is not at the mercy of vicious fiends in the forms of human beings in spite of all the appearance world seems to indicate to-day.

In addition to this discovery, which was My Joy and Privilege, I found a Mighty Addition to the Radio activity, which I had never even thought of or contemplated could be brought into use. This shows you that the Great Wisdom of Life, knows what is needed when even We, as Ascended Beings, whose attention might not have been drawn to it, have not even attempted to draw It forth.

Could you draw anything forth in the human octave upon which your attention was not fixed? Even in ordinary school work, could you gain the solution of a problem or the memory of something in your school work, if your attention were not upon it? You know well enough you could not! Then, since your attention is the powerful activity, try to understand what it can do for you.

Remember, dear, blessed people, the importance of these Almighty Decrees which have gone forth—I think for four years, isn't it? Any how whatever time it is, since they began to go forth, the accumulation of the momentum of these Mighty Decrees in the mental and feeling world of mankind, has made things possible which never were even suspected upon this earth. It has permitted Dispensations to come forth. It has enabled the Substance of Light in various activities to be released, weakening and weakening constantly the destructive forces within the most destructive individuals, as well as within nations.

Do not misunderstand Me when I make this remark, when I say, I think the duration of the war in Europe will be very

short. May I be correct! You will remember that when your Beloved Mighty Cosmos came forth with the Two Secret Rays —you have not had any explanation about that have you? Those Secret Rays were brought forth by Him for protection against the very condition which has just gone into action in Europe. So let all make the call that He utilizes those Two Secret Rays to Their utmost in defense of the world, in defense of the people of the Light of this earth.

Make no mistake, my dear people, when We speak the Truth about an individual or a few individuals of the world, We are not speaking of all the people of that nation. There are hundreds of thousands of magnificent people, men, women and children, in Germany; hundreds and thousands of magnificent people in Russia, but they dare not disobey in a single thing. They must submit or lose their physical lives, for the disobedience of one single solitary thing. They must even lend their bodies to debauch, because they dare not refuse!

Then, do you not think that We love those people, the same as We love the people in America, who want the Light and who want the right? Remember! As your beloved Lotus drew to your attention, my dear people, do you not see that it is not the mass of the people who want these destructive things? Only as agitators get groups of individuals wrought up to the point of lack of discrimination, do they sometimes yield to destructive forces, but that is not the fault of the people. The people in the distress of the time, are reaching out and they want help, some kind of assistance. When some agitator comes along with his swaue deceitfulness, with a pretense of bringing release and relief, he is but deceiving those people; and only when they discover that they are being deceived, will they turn and face about again.

To-day, in your long search for the Light and Freedom, my dear people, you have found it. You will never find anything greater in this world or any other. Remember that! The poor unfortunate individuals who in their vicious ignorance turn aside from This Light, how they will cry out one day, when they find their great mistake!

My dear people, when the Great Ones have told you time and again, that this is the Identical Law which They applied, to attain Their Freedom and Ascension, why cannot mankind believe It? It is the identical application, even to the worded expression which you have before you to-day! IF YOU WERE DETERMINED AND EARNEST ENOUGH, you could have your Freedom in one year! There is not a thing of human

quality which could stand before that Power of Light, which you might draw forth at your will! You could have It dissolve everything which was ever generated in your Life Stream which could deprive or limit or detain you!

Therefore, I say to you, to-night, that when this Beloved Messenger came to the Cave of Symbols and I saw him for the first time, Saint Germain had told Me what He hoped to do—at least something of it—but He asked me to make no intimation of It to the Messenger. Then, looking into the Activity which was to come, no one could have believed that on this earth, there were two individuals who could have stood against what these two have stood against in five years. I tell you, beloved people, only We alone know that! The Messengers themselves do not know, but a fractional part of what they have faced and conquered!

Now then, It should be an example to the entire world, dear people, of the Efficiency, the Authority and the Power of this Great Law set into action. They can do no more than you. You can call the Law into action! They HAD to call It into action, to produce these results because the human cannot do it. Then, will not every one of you feel, you too can call that Law into action to produce the same great results? Since you are not the focus, individually, for the destructive forces which are focused at them, which they must ward off; then would you not be able to draw and hold in action a Greater Power for your Freedom, for the happiness, health, supply and all you require in your service to Life?

I wish to call your attention, to-night, to one point. Since it was first mentioned, I want to show you, the transformation which can come about when people have a correct understanding of one single point. When the Great Ones began to call your attention to the fact that every student in the land was serving Life, each one's own Life, for his or her own Freedom—the transformation which took place in the feeling world of the student body all over America was most remarkable to behold because the students seemingly had not understood It before. They thought they were serving Saint Germain or the Messengers. It is true they are assisting, but they are serving their own Life for their Freedom and that is such a vital point to keep before the individual's mind. Unless you do see that, you will find time and again things interrupting and interfering with your progress.

Now remember, my dear ones, your Higher Mental Body which the Great Wisdom of Life has provided, is the Director

of the Currents of Light and Energy, which you may call forth at will. That Presence is Wise, All-powerful and Strong. Then, mankind would say: "Well, if that be the case, why in the world haven't I had more of It manifest thru this body?" In the first place, because you did not know It was there. In the next place, after you did know, you still believed that the power of outside things, was greater than your own Higher Mental Body, which is the Real Authority over your Life Stream; for It has Power to dissolve anything in the world which touches the Life Stream of anyone of you. Oh, don't you see that, precious people?

Do you not see that your Higher Mental Body stands there with the Sword of Blue Flame ready at your command to cut you free from everything which would harm or disturb you? That is the Authority of your Life Stream, dear people! It is the Commanding Presence, and when you give the Power into Its Hands, instead of to something outside, then you will receive the Garment of Light of Invincible Protection! You will draw forth from the Power-house of your Presence, the Supply of everything, for It governs everything in all human channels which there are!

That is why this Application is the most powerful thing ever known in the world, to produce exact mathematical results if the human does not unknowingly still continue to give Authority and Power to outside things.

Oh won't you analyze your feelings just a little and see wherein you still give power to persons, places and conditions to disturb, harm or limit you? Now do not go to the other extreme and begin to feel arrogant or that your call to the Presence will produce astounding miraculous results without your giving obedience and holding Self-control within your outer self. The effort of Self-control in your outer self in addition to your call to the Presence is imperative! Otherwise, you are constantly requalifying this energy, which you are calling forth and you only get into greater difficulty.

When the Messengers have pled for these five years for Self-control and Harmony within the feelings of mankind, Oh, why can they not see it and then give that simple obedience which is required to let Life pour Its Great Streams of Energy forth into your world of action, to harmonize and produce the results you require? It is a very simple but powerful and majestic thing.

How I long to see, the entire student body give the confidence, the trust, the strength and the assurance to the Higher

Mental Body which they should be giving. My dear ones, there is not one thing in all human creation or one limitation which could stand before you if you would have full confidence in your Great and Mighty Presence, your Higher Mental Body.

I say to you in all sincerity, with sufficient confidence, trust and with determined calls, Your Higher Mental Body could transform your world almost over night! Somehow, We must do something to fire the feeling within you, of greater confidence in your own "I AM Presence." Remembering that your Higher Mental Body is the Activity of that Presence, the Authority, the Power and the Director of those Mighty Currents of Energy, then you will find your results All-powerful. You will have the confidence then, by the quick answers to your call. Many are having very marvelous answers to their calls, marvelous results but We want the entire student body thruout America and the world, to have that same result, because you CAN have it!

Now, in going back for a moment, to the calling forth of these discoveries which are important to you to-day, remember that in the Power of the release of the Cosmic Light, these more marvelous things must come forth! In Minneapolis, there began the first Release of this particular Activity of the Directed Individual Currents of Light and Energy, thru this Cosmic Light, for certain Service which must be rendered.

Some of these things, We call to your attention for certain reasons and others We withhold until the thing is achieved just as you, as individuals, if you have concentrated upon a certain objective for achievement, and then you tell many others, you find that it fails to carry out. You will know, that your mistake in divulging your secret activity, was the reason. Therefore, Wisdom has provided that We only mention that in which you can be helpful and leave undisclosed the other things which must be carried out by Our Greater Force and Powers.

Since, I have not heretofore often been present during the classes, I was very much delighted, to-night, to hear your beloved Lotus mention a number of things; because dear ones, unless you understand the vast amount of information which has been given for your use, in the concentrated Rays of Great Wisdom, you will pass by a great many things. Since the demand was so great, the vast amount of information has been given but never before in the history of the earth, was such a thing known!

Besides the books which are before you and the Magazine, my dear ones, do you not see how vast is this preparation for the day and the future? These Dictations like I am giving, to-night, will probably not always continue. I cannot tell you that; but the Information being given is the Greatest Blessing ever known to mankind. Since We are Those who have applied this Identical Law which you are asked to apply, to produce certain results for you; since It did produce those Results and Our Freedom, would it not be considerate and Wisdom to take Our Word for It, that It will do the same thing for you?

Now, that is important! When you go to school, as children, you believe in your teacher. You believe that your teacher gives you the right assistance and you accept it without question. Well since, We are the Greater Teachers of mankind, why not believe Us and take Our Word for It and go ahead and prove It?

You see there is not one single thing inconsistent in this Great Light which your Beloved Saint Germain and Others have brought forth; but when mankind, listen to foolish gossip, get their feeling stirred up and cannot think straight, they think they see discrepancies, but those discrepancies are in their own minds. That is where mankind destroy themselves and sometimes act quite foolish because you do not have to listen to disturbing things, if you do not want to.

That is the condition which has existed thruout these five years, dear people. The Messengers, of course, have become so wholly indifferent. If people want to turn aside, it is quite all right; but those who turn aside thru viciousness, will never return to This Light in this embodiment. Be sure of that! Therefore, the people who do not believe Our Words, are not seeing this Truth after all.

Why do We plead for mankind? Why do We draw your attention to these things? In order that others may be prevented from falling into the same trap. Why do I say "trap"? Because it is a trap of vicious human force, which is generated by those of mankind who want to bind everyone of mankind they can, into limitations greater than they have to-day.

I have observed much, my dear friends, in various points of the United States within a few weeks, and do you know, that it is the most incredible thing? Oh, not just in This Activity, but in various activities of mankind! An individual will become irritated and vicious toward a person, place or

thing; and thru that viciousness, draw himself or herself into absolute failure, deprivation and distress after the Messengers have said this to the students, so long and so many times.

Remember, dear ones, what We told you of this Inner Activity of the Great Cosmic Law. We speak the Truth to you about It. You must accept or reject It, as you like but owing to the constant increase and intensification of the Cosmic Light you can have and are having such Great Assistance. Oh, not the thing the outer world knows as the Cosmic Light, but that which is being directed from the Great Central Sun—the Source of all Light, Power, Intelligence and Energy to this system of worlds, is what I refer to.

If mankind would even believe and do their best to co-operate with that Mighty God Power, they would have such Assistance as you could not comprehend because your motives would be right; but the individual who viciously turns against the Messengers, your Beloved Saint Germain or This Activity, turns against the Light; because It represents the Light which beats the heart of every human being on the face of this earth, every being that exists who is not an Ascended Being.

When one becomes an Ascended Being, of course that One becomes the Presence, carrying with him or her the quality of the substance from this earth, which makes such a person the Authority upon this earth. Then, you become the Law as an Ascended Being and you require no further assistance from any Source whatsoever because you have become the Law.

Your Beloved Saint Germain and Others have gone to such Great Effort to get these Dispensations, and you will never know what it meant. Words are absolutely inadequate to try to explain. Therefore, We make very little attempt to explain what it means to acquire a Dispensation from the Source that governs this system of worlds; for not one thing can be allowed to go contrary on this earth which would be out of harmony with any other one of the planets.

Therefore, in consideration of your earth and your requirements, remember that it must always harmonize with every element in the other planets of this system. Do you see the vastness of the Wisdom required, in the attempt to bring this Freedom to the people of earth? The vastness of it is tremendous! You are informed only of a small part of It because of the need of the moment; because of the requirement of keeping the destructive forces out of America.

I remind you again, to-night. In the six Mighty Decrees which you give in the opening of your Groups, the same as

the Messengers use in the opening of the Large Classes—Oh, my dear ones, do you really understand what that means? That one Almighty Decree—"The Legions of Light move across the face of the earth," think of it, my dear ones! Do you realize that It brings into actuality, the very thing for which you have called and decreed? It compels the action to take place! If you really understood, that It was a Real Activity and lent your feeling to It, which would mean the release of certain substance from the human octave thru your feeling, do you not see how powerful that would become? You would give the Legions of Light, the Authority and Power to render this Service and give the Protection which America and her people need.

Remember, my dear ones, in all that We are attempting to do, with all that exists in other nations; remember here in your nation, beloved America, are those individuals just as vicious as any in Europe, and don't forget it! They are just as ready to sell your America out and murder her people!

May I remind you at this point, that one day not so far distant, it will become an outer law that no individual can be forced to war against his or her will. A government is not the Authority over the Life Streams of individuals, as long as an individual acts harmonious to the nation! Since some of your people who have preached for your salvation, are those who have interest in the ammunition plants and sell them back to the world, then where is your foundation? When Bishops and other people will be a part of selling ammunition to destroy their fellow man, in the Name of God, the Light of Life, why can those people longer remain in those positions?

My dear people, there is no authority given to any nation of the world which can send its people to war against their will. I ask anybody who challenges that statement to go and look up the laws of their nation. Some nations have provided a means to cover up the original laws governing their nations; but in those original laws, no such law existed and there is no one in the world who can deny it or will ever be able to erase it.

Remember, dear people of this earth, the Ascended Masters and the Cosmic Beings, are the Rulers and will become the Rulers of this earth—We hope without the frightful devastation which has been indicated.

Another point, I trust you will be intensely interested in, are the secret air-planes. I was so grateful that your beloved Lotus mentioned this, to-night, for it reminded Me, to bring it to your attention! We have and have had for about eighty-

six years, a counter-acting force to the most destructive of poisonous gases. I do not believe that this most destructive one referred to will ever be permitted to be used upon this earth. It has been used three times before! I ask you to observe, its effect if you care to look it up in some of the history of forgotten civilizations. In the discoveries of cities where everything was found intact, just as if the people had walked out, that gas was used and the people's entire physical structure destroyed in a few minutes. Yet that did not affect the physical structure of buildings.

This shows you, how vicious and destructive the human qualities can become and why your Beloved Saint Germain said to the Messengers, when He asked them to go forth: "Remember, the human ungoverned, is more vicious than the animal in the jungle." Have you not seen it to be true? Human beings' feelings stirred up enough, will compel a most loving being, to be ready to tear others apart to try to justify their own viciousness. That is everywhere among mankind.

As the people were told in Minneapolis, Hitler has become one of those things who cares nothing for himself; but only to destroy all he can as long as he lasts. That is surely a depraved condition. Such becomes the feeling of thousands of people driven into a devastating war! Yet the great majority of those people, those soldiers, would be ready to cast aside their arms and shake hands with those against whom they were turned.

Is it not time, beloved ones, now since you know how to call this Great, Almighty Law into action, to make your intense, determined, Almighty Call which will one day gain the momentum and cause the release of that Force, Light, and Intelligence which will cause all human selfishness, discord and depravity to be dissolved from this earth?

You do not, I am quite sure, realize how great and wise is your Goddess of Liberty. My dear people of America, Oh that I might find words to convey what She means to you. Her Great Wisdom, brought before your attention that which has already been fulfilled. Now your Beloved Saint Germain is attempting to prevent the fulfillment of the third mighty action, which is in its throws now. It may still be done!

Remember, what was told the students that from Africa where She saw the dark cloud arise and move toward America, that dark cloud has been dissolved! That dark cloud will not move toward America because of the call of the student body

of America and the world. Those Great Ones who dissolved the cause, effect and record of that, have caused it to cease to act.

Now, in these various Activities and Blessings for mankind, beloved students, let it be of the greatest joy and encouragement to you, which could possibly come. Oh, do not let your personal problems discourage you—when they have to let go and be dissolved, before your call to your Presence of Life. Oh, never be discouraged, beloved ones, when you know the Goal now! You know there is nothing existing in your Life Stream, although you be the cause of it, which cannot be dissolved by the Greater Power of this Light released.

Remember, you are the lesser Power of the Light calling to the Greater and your call has to be answered! It is not possible for it to be refused or fail. If you see, feel and understand that, you will know it positively; but if you allow your attention to be governed by conditions of the outer world and hold you away from the Presence, in making these calls which would set you free, you will fail.

I say to the beloved Staff of the Messengers to-night: Do not allow yourselves to become so busy, that you forget to make your application. It is important and there is not anything in this world so important, my dear people, as your certain definite application each day. Then, you build that mighty momentum which will one day sweep everything that you do not want out of action in your Life Stream.

I thank you because you are feeling it to-night. I thank you for your attention and that feeling which is giving you strength and power. You blessed students of Chicago, what a magnificent marvelous change has taken place in six months—thanks to these beloved ones, who have been the Guardians of the Light.

Oh, my dear ones, do you not everyone see that it only means your constant mighty determined application, until everything in your Life Stream must disappear, which would limit, disturb or deprive you in any way?

Oh, I want to say another word, because you never knew, that I came from France to the Cave of Symbols. I knew LaFayette in France. Therefore, dear people, do you not see, it is friends meeting once again, in this Great Light?

Remember, the Light is your Goal! The Light is your Freedom! If you are not determined enough to stand in that Light and let your own Mighty Life draw to yourself your own, how can you expect anyone else to do it for you?

Now observe once again. You as one in the great body of students in America and you who attend these classes, these Groups, are the recipients of the concentrated activity and call of the entire student body of America. Then you are not alone! You are having assistance every hour which was incomprehensible before the Explanation of This Light came forth. That is why if you do not fail to observe and take notice of these points, they will give you the Strength, Courage and Power you require to sustain you in any time of crisis when something suddenly confronts you. This Understanding will make you the Victory of the Light, but you must use It yourself.

You see, dear ones, I call your attention again to this point, as your beloved Lotus stated. Since the Great Ones of Light, only ask of you one-third of the energy required to set you Free, and They will furnish two-thirds, can you not do that? Did you ever have a friend in your Life who would do that—I ask you earnestly? Then, why not make every effort upon your part? No earnest student's effort can ever be lost! Why not make the necessary effort so you may receive that two-thirds of Their Blessings to set you Free?

Now, remember, beloved ones, among you who remain earnest, sincere and loyal to This Light, I venture to say, there is not one of you who will not receive your Ascension at the close of this embodiment. My dear ones! My dear ones! to be Free in the Goal of Life, after hundreds of thousands of centuries and life after life in these limitations! My dear people, is there anything that should bind you or hold you to the limited conditions of earth, when you once really know that this is the Truth?

Oh, it is not enough for just the intellect to grasp that, you must know and grasp it in your feelings! Then, you make it a part of yourself. Then you will see, feel and know that which you cannot possibly know just thru the intellect alone; because your feeling is the Power-house. It is the Determiner of how much is going to be released for your Blessing, Supply and Freedom! These are Mighty Laws.

Since I am talking, to-night, to you—the majority of whom are sincere, I am taking up these points to give you Strength, Courage and Power and charge into your world by Direct Currents of Light and Energy, that which will be a Joyful Sustaining Power because We do not take your time and Ours, unless We render a Service worth while.

Remember, when the student body understands what an

hour or more of these Dictations and that Substance, Energy, Intelligence and Power released into the world of the individual really means, I am sure they would not require more than three experiences to be Free!

I marvel at it, when the Mighty Victory, the Beloved Saint Germain, the Goddess of Light, the Goddess of Purity and many Others have offered Their Mighty Charge of Their Almighty Qualities, of which They are the Governing Power to this earth that the students do not yet see. Oh my dear ones, do you not see what It means to you? Those who have been called forth from within the Great Silence, do you know what that means? Do you know, dear ones, why Those Blessed Individuals withdrew from the earth into the Great Silence? May I cite the reason? Yes, I must say it! They did not withdraw, they were driven into the Great Silence, by the destructive forces released by mankind. That is why your calls to-day, beloved students, the Great Activities of the Ascended Beings and the Cosmic Masters have made it possible for Them to return.

Now do you see, what you have done, in joining these great bodies of students in the Groups in issuing these Decrees? Now, I say frankly to you, beloved ones, suppose all the Groups in Chicago—just take this student body here; if We who are here were scattered and just individuals giving these same Decrees in their own homes individually, do you think for one moment, that it would do the same thing which you do in the great Groups together? It would not be more than one-fifth of the power of the concentrated energy and substance, which is released from the body of students when they are together!

That is why, where there are a thousand, two thousand, three thousand, and in the Shrine Class where there are six thousand people issuing those Decrees and Power is tremendous—think what it means! Oh, it is the same for you individually, as well as a nation and the conditions which must be remedied. Since This Great Light is the only known thing in the world which can remedy permanently, the conditions that exist about mankind, then why not realize all the Power which is at hand? Then one understands that he or she can free each one's world; and while the students are doing that, they give the assistance which is required for America, and rest of the world and their fellow-students also.

You see you are not living alone in the world. You are living for its great Victory, for the Victory of the student

body. You are living for the Freedom, Protection and Blessing of America. Therefore, try to feel, try to see and try to realize this for your encouragement. I know some of you in this room, to-night, have sometimes felt discouraged; and after giving Decrees and Decrees and Decrees you felt just a little weary. Oh, my dear ones, if you saw what was accomplished sometimes in one evening of your Decrees—released in this room, your enthusiasm would go to its height and stay there and never wane again. It is wonderful! very wonderful!

We see and know what that means and I call it to your attention, for your encouragement and strength which you should have. It is right. So, to-night, in this Preparation for the coming Class won't you all feel Our Joy, Our Happiness and Our Gratitude to you for the honorable, beautiful, magnificent service which you have rendered in your calls to Life and Light! In your calls to Those Great Ones, Who are able to render the Service.

To-night, My Great Love enfolds you every one, and may the Power of Light, Intelligence, Happiness, Strength, Courage and Supply from My World, flow into yours to give you Its Assistance in the Victory and Glory of reaching your Goal of Life in this embodiment, your Freedom forever. I thank you.

GODDESS OF LIGHT

We have seen this within the atmosphere of quite a number of individuals. They have made certain application—let Me call it “frail” application and have called for the Circle of Blue Flame and the projection of the Tube of Light and all that; but they are not cognizant of the fact that they must release enough intense feeling which releases the Substance from their bodies by which the Great Ones amplify, intensify, impel and compel the Tube of Light into action about them which would one day become Invincible.

· LIGHT IN THE BODY ·

ONLY twenty-eight thousand years ago, in what is now India, China, Arabia, South America and one place in North America, there were Groups of Beings whose Natural Radiance illumined everything, wherever they went.

“Dear people, there are hundreds of the ‘I AM’ Students, today, who are reaching a point where they would be able, if they only realized it, to release this Power of Light, so It would shine thru their garments visible to the outer world!

“What do you suppose caused the disintegration of your bodies? The refusal of the Light Pattern within to tolerate any more discord! When you keep on imposing upon that Light thru your discord, that Light says: ‘No longer shall I permit this discord!’”

SAINT GERMAIN

All should be a great happy, joyous, harmonious action of the Law. One can be happy and joyous without getting too personal That starts a feeling within another. Some of these things sound very simple and unimportant but they are far more important than you realize in gaining the Great Victory and Complete Harmony within the feeling world Don't blame anyone for anything, but just rise in firmness and say: “Now here is another opportunity for my Self-control and Mastery.” It makes no difference what the condition might have been or what was intended; but your Self-control and Mastery is of importance.

· OUR BELOVED MESSENGER ·

Chicago Class—Oct. 10, 1938

(Excerpts from talk given during the Chicago Class)

WHATEVER intense desire you have been holding during the day, will act during sleep thru your etheric body, which is the next in density to the physical. That is why people sometimes experience things in sleep which are not pleasant.

All intense feeling and desire is an impelling force which acts thru your Life Stream and, if it is discordant, it will qualify your energy as it goes forth; and remember you hold the larger percent of that in your world, as it goes forth.

AIR CURRENTS—HIMALAYA

For the first time in the history of the earth, the Great Himalaya has established for action, Insulated Air Currents. This Activity has been completed and to-day is connected into this room. The same as these loud speakers carry the sound, so will this Activity which He has established here, carry the words of the future classes to the outer world, and to India.

These Air Currents will be subject to His Direction, beloved ones, instantly; for there are certain places in India where He wishes to convey This Work. The Great Masters of India and the Ascended Masters quite understand how and why the great need of India to-day must be supplied. In the teachings of India there are those who lack understanding and because of the many castes, they have confused the people in their understanding and distorted their bodies. People have been taught to sit down, cross their legs and go into Samadhi. Of course, they are having a wonderful time, while they are out of the body; but they are not doing one solitary thing for the land in which they live.

The God Himalaya has completed this Arrangement, and notice it is an Insulated Air Current! No one can tune in to that! That means He has protected It so no one can tune in and distort it.

Now hold on to your chairs! Two powerful black magicians, forty-two of their claws or emissaries and one hundred eighty-six thousand entities have been taken out of your city, since last Wednesday.

Rejoice with me! I have not asked whether it was yesterday or the day before but the hate entity created by a group of individuals in the city here against Mrs. Ballard and myself, was dissolved and consumed at the same time. I rejoice and give thanks for the release which will be for those people. My Love pours out to them with Infinite power that that hate entity has been consumed—for no longer will there be anything to feed their feelings and they can have help.

I call to the Great Presence of Life, the Archangel Michael and the Divine Director, to cut them free from every entity that has ever been drawn about them; to set them—every one—free in the Full Understanding of Life!

Thank you Great Presence of Life! and all who have been responsible for this, which will bring Freedom to those blessed ones who have not understood and have hated for no reason at all. Therefore, I give praise and thanks for their release.

May the Mighty Light Currents go out from this room to-day to each one and hold Their Radiance about them until they are filled with happiness and the limitless supply is released into their hands, if they remain harmonious and give It an opportunity. We call for their blessings forever.

SIGHT AND HEARING

What sees thru your eyes? What hears thru your ears? It is that Current of Light and Energy from your Presence. Your optic nerve does not see in itself! Then It is Life within Its Current of Energy thru your optic nerve which sees.

Oct. 15, 1938

Saint Germain has just informed me that one hundred twenty thousand people have been added to the "I AM," since we came to Chicago. If that is not the Victory of the Light, I would like to know what is.

· PURIFYING YOUR BODY ·

HE liver is the organ in the physical body where the destructively qualified energy and substance released thru discordant thought and feeling, accumulates.

All that discordantly qualified energy and substance goes to the liver first! That is where human desires begin. The sustaining of those destructive desires by the accumulation of the energy and substance drawn there, is what makes destructive habits!

All the blood of the body passes thru the liver. Any accumulation of destructive habits from former embodiments also will express itself there. The moment there is a feeling of discord, the liver is the first organ that tightens, and that means congestion.

There is another reason why the liver holds discordantly qualified substance. If you are under a tension, it interferes with the free flow of the blood thru the liver. When worry, fear, irritation, anger or any discordant feeling is acting, the liver tightens and holds whatever substance and quality is there at the time. If that tension continues the substance is not thrown off. It begins to solidify and soon the body disintegrates. All fear and discordant feelings, with the exception perhaps of depression, tighten the nerves and muscles and holds the substance there. Because of this, there should be definite attention paid to purifying the liver.

The whole world is under a tension at the present time. There is a great accumulation of destructive thought, feeling and substance in the liver of most people at this time. I mean a mass feeling as well as the individual's own feeling because the mental and feeling world of all mankind is One.

The opposite of tension is relaxation. That is why we ask you to call to Saint Germain and Nada and to visualize the Violet Consuming Flame blazing thru your liver and a soft pink and gold filmy substance coating the nerves, because of the relaxation It brings. That Light Substance looks almost like changeable satin. The moment you relax the nerves, the circulation is improved and the Light from your own "I AM" Presence can flow thru the nerves and the unnecessary or discordantly qualified substance be taken out and consumed in the Violet Consuming Flame.

It is well to do special work on your liver and make the call each day for an intensified action of the Violet Consuming

Flame, consciously directed by Saint German, to give you this help. Every time you call to Him for this Assistance for yourself, call for It to go forth and act in the intensified activity of the Violet Consuming Flame thru the liver of everyone under This Radiation. Ask the Goddess of Purity, as soon as the discordant substance is removed from the body, to replace it with Her Substance of Eternal Purity and keep that sustained until every bit of substance in your body is as PURE as Hers.

Expand the Violet Consuming Flame out thru your flesh and visualize It passing thru the force field in every Point of Light! See It ignite everything there and the tiny Point of Light at the center expand until It becomes the whole force-field. You will then have greater Harmony, ease, peace, comfort and happiness; and you will feel lighter and more harmonious in your mental and feeling world as well as in the physical structure of your body!

More than three years ago, the Great Divine Director placed a Disc of Light in the emotional body of every "I AM" Student, to help consume the discord which had been generated thru past human creation.

Let us all visualize that Disc of Light in the liver, drawing out all substance which is not absolutely pure and consuming the substance instantly. Everyone can do this with great benefit and cleanse the body of much substance which sustains the imperfection still manifesting as discord or limitation.

· GEMS OF LIGHT ·

GODDESS OF LIGHT

You cannot command the Ascended Masters. You cannot command Life. You can qualify and direct the Mighty Energy of Life to produce magnificent, even spectacular results; but Life, your Higher Mental Body which is the Governor of the Universe that flows to and thru you cannot be commanded to produce results at your human desire. It is only by loving and kindly obedience to Life in Its Purity and Perfection that you may call forth any demand.

I AM STUDY GROUPS

WE ask all "I AM" Study Groups to retain and expand the momentum which has been built thruout the world, among all Saint Germain's "I AM" Study Groups, of closing each Group Meeting after the Group Leader has given the Benediction, by speaking and pouring out your Love, Gratitude and Blessing to your Group Leader, as is done by the entire student body thru the Large Classes at the Shrine Auditorium in Los Angeles.

Let no student try to shut off the expansion of the Light, thru the hearts and feelings of the "I AM" Students, by trying to stop them giving a Blessing of Love and Gratitude from their own "I AM Presence" to their own Group Leaders, the Ascended Master, the Messengers and all "I AM" Students and Group Leaders thruout the world!

That is an inexcusable deliberate interference with what Saint Germain and the Other Ascended Masters have said for more than four years, in regard to letting the "I AM" Students express their Love and Gratitude to whoever has brought them Light and Blessing, and especially thru the Group Meeting.

It does not mean that the students should jump up and down every few moments, and clap their hands when something pleases them but it does mean that the "I AM" Students shall have their Freedom to release their Love, Gratitude and Appreciation when some intensely sincere effort and blessing of the Great Light has been poured out to assist them from their Group Leaders or from the Ascended Masters, the Messengers or the Staff.

Saint Germain, Jesus, Daddy and many of the Other Ascended Masters have said repeatedly for over four years that in a sudden Out-pouring of Love, Gratitude and Appreciation from the Students, thru suddenly rising to their feet and clapping their hands, many times the Ascended Masters can pour thru their minds and bodies, Their Greater Love and Blessings to the Students to heal and bless them beyond anything they

can comprehend at the present time; which is not given when the body is in a sitting position!

No student's desire nor that of any Group is going to overrule nor limit the release of Light and Blessings to the Students from the Ascended Masters; and no old custom of stereotyped repression is going to govern the conduct of the Study Groups of the "I AM" Activities of Saint Germain!

The behaviour of the "I AM" Students and their conduct in a Group Meeting and everywhere else is at all times to be dignified, gracious, kindly and natural, sincere and intensely devotional but when human beings refuse to outwardly acknowledge and be grateful to the "Mighty I AM Presence," the Ascended Host, the Cosmic Beings and the channels thru whom Life gives us Light, Love and Blessings, then they lock the door on their own minds, bodies and worlds to the acceptance of the good they desire.

Kindness, forgiveness, gratitude, Loving co-operation, consideration and outward acknowledgement of the good we receive, is absolutely necessary and is required by the Law of Life if we are to open the flood-gates to all good, which we are all trying to bring forth for all "I AM" Students and all constructive people of the world. It is just as necessary to acknowledge and thank the channel as it is Our God-Source, Who is the Giver of all good. Our Source and Giver of our Life and all good is the "Mighty I AM Presence," the Great Host of Ascended Masters and the Angelic Host.

The channel who brings us that good is selected by Life, the "Mighty I AM Presence" or the Ascended Masters! The channel is the "Cup" which carries the Blessing to us and the Law of Life requires, that we bless every channel as well as the Giver and the Gift.

Therefore, at the close of all Study Group Meetings, let all the "I AM" Students stand and say to their Group Leader:

God bless you! God bless you! God bless you! We love you! We love you! We love you! We thank you! We thank you! We thank you! Saint Germain, Jesus, Daddy, Nada and the Great Divine Director—all the Ascended Masters, the Angelic Host, Cosmic Beings and Forces of the Elements, Mama, Don, the Staff, all other Group Leaders and "I AM" Students thruout the world and our own Beloved America too!

Forever! Forever! and Forever!

The Group Leader should stand in sincere humility and gratitude with head bowed and silently offer the Out-pouring

from the students, up to the "I AM Presence" and the Ascended Masters' Octave of Light.

There is no reason on earth, why any human being should not want to speak that Blessing aloud with the other students or to clap their hands and release that energy charged with Joy, Love and Gratitude for the good they have received!

In the outer world, the audiences at symphony concerts express their appreciation audibly. Is there anyone under This Radiation who should want to do less than that—for the Group Leaders or for the Great Beings who have given us so much of good thru this Glorious "I AM" Activity of Saint Germain or to any of those who are trying to hold this Light of the Ascended Masters, to help mankind out of the distress of the outer world this hour?

Remember we cannot possibly lose by giving! It is not possible! and there is no person on earth so poor, that he or she cannot give the Blessing of Love and Gratitude from Life for the Mighty Gifts and Activity of Light, whether that Light be mental, physical or spiritual, which after all are one—for there is **ONLY ONE** Light!

Our Beloved Sanat Kumara said regarding gratitude in His Dictation of July 30, 1939 in Los Angeles:

"What do you think I could have done, had the Great Cosmic Law permitted the Intercessions from the Great Central Source of Intelligence and Power to this System of worlds, to be given then as to-day? Do you realize, my beloved students, that this did not come from the Great Source of Light and Intelligence of Its own volition? Do you not realize, that this came thru the Intercession of These Great Ones, Who are pouring forth Their Blessings to you? I wish you to understand this to-night! This came about by the call and the Intercession of Those Great Ones, going to the Great Central Source of Power and Intelligence to this earth! Their Requests were granted!

"I say something very important to you: Unless you see and understand this, you cannot release the **GRATITUDE** required—to bring about the speed of action of the Inner Powers of your own Being, which bring you the release, the supply and the conditions that you require for your Freedom.

"This I assert, to-night, with very great vehemence! You have the Assistance in this call to Light, to lift yourselves so quickly out of limitations, into the conditions of Freedom and your Ascension. The laws of earth are no longer governing you! The magnetic pull of earth—I mean so far as your

spiritual progress is concerned! I am not speaking of the outer laws, because you must always obey them when they are constructive but I am talking about your Freedom in the Light!"

Our Beloved Saint Germain said in His Dictation of December 25, 1937, as follows:

"I have known the human activity of individuals who have projected the idea of personality worship at the students during the classes; and at the Messengers and especially the students in various parts of the country. That is wholly a projected thing and I want all of you near the Heart Center to know such a thing is impossible. Do not ever, beloved ones, withhold from the students the opportunity of expressing their Love in whatever manner they wish. You are depriving the people when you try to be the regulator of it; so let the people be Free to do exactly what they feel to do. Their Love won't harm the Messengers. On the other hand, every ounce of Love that is poured out to the Messengers, is that much Freedom to the students everywhere!"

The Ascended Masters want the "I AM" Students of Saint Germain, to be Pure, Refined, Happy, Intelligent, Natural and Gloriously, Divinely Free; but They are also determined that the old shell of human regulation and interference with the Full Release of God's Blessings is going to be shattered and the Victory and Power of Light pour out their Perfection, until no human quality remains to any longer try to keep the Light from having Its Full Expansion thru everyone's Heart!

There are places in every outline and Group Meeting, where the students can pour their Love and Gratitude in Silence to the Presence and the Great Host of Light but that does not take the place of audible expression of those qualities nor the release of the Joyously Gratiified Energy.

MRS. G. W. BALLARD AND DONALD.

EAR, Blessed, Precious, Young America! as "I AM" Students, the Ascended Masters are asking that all of you now enter into the responsibility of some very definite activity which you enjoy but which you can bring forth in creative lines of daily endeavor and lay the pattern actively for those who are a little younger than yourselves to enjoy. They must be taught how to help build permanent Perfection, in the Life of the Young People of Our Blessed America!

Your responsibility is very great to help guide those who are younger than yourselves so when they are your age, they will understand how to best help Saint Germain, Daddy, Jesus and the Other Ascended Masters build the things the people of the next generation will need to release more Light for their Ascension and for those who are to follow.

In your own recreation and leisure time, try to realize how what you do, affects those just younger than yourselves.

Instead of seeking relaxation in the present outer world channels, which contain so much downright destructive and communistic suggestion to the people to lower their Ideals from Perfection, why not all get together and call to Saint Germain, Daddy, Bob, Rex, Nada and Pearl to show you many new ways, by which you can have more Real Joy than all the other young people put together and yet at the same time, use that energy to help your country, and protect and illumine those just younger than yourselves?

No one knows better than you what the younger ones like and can do, to build Perfection which is a Permanent Blessing to themselves and the world as long as it is in the Universe.

The Ascended Masters can show you ways and means of relaxation which are a constant release of Light and Blessing to all and thru which at the same time, your energy is going forth to bless you, your younger playmates, your country and the world.

Relaxation from regular routine duties is absolutely necessary for everyone but Happiness in the Ascended Masters' Activity, is the greatest relaxation you can get. It is at the same time, a permanent accumulation of good to you, as long as you live in the Universe.

We shall call this forth to help you—will you call with us and help build permanent Joy, for all to come as well as yourselves?

We shall help you to become the happiest, finest, cleanest, most wonderful young people on earth. I so decree it forever!

MRS. G. W. BALLARD AND DONALD.

· GEMS OF LIGHT ·

GREAT DIVINE DIRECTOR

We want every one to be free, if they are willing to be; but they must really want it. One cannot want the Light half the time and human experiences the other half and gain real achievement. Desire for the Light must be continuous and then there is no height that may not be attained, but if the human desires are governed only half the time, then individuals must wait, but that does not mean they can hold or bind another, for they cannot.

GREAT DIVINE DIRECTOR

Oh, that one day, you will realize what your calls to those Great Beings for the protection of America and her people mean and how They always give instantaneous recognition to that call knowing of course that the call has to be made from the human octave to give Them the opportunity to release that which is required for any given service. Then you can readily understand why We pour forth Gratitude, as well as yourselves—you for the achievement, We for the opportunity.

DIVINE DIRECTOR—BOSTON CLASS

Every human being who puts forth viciousness of any kind, will soon come to the point in the release of the Great Cosmic Light wherein the Law of Life, their own Life, will turn back upon them that viciousness sent out!

BELOVED PEARL—CHILDREN'S GROUP BOSTON

Twice or three times a day, stand and call to the "Mighty I AM Presence" to charge you and your world with the supply and use of the money you require in the Service of the Light. Make it a methodical activity and in a short time, a momentum will be gained and not one will find himself or herself deprived of the money in hand that one needs.

The older ones can use this also. The mass fear among mankind, to-day, of the shortage of money, is the thing which is affecting many people.

SAINT GERMAIN

No one has any power to oppose you, so long as you are in accord and in full Harmony with your Life; but discord, irritation and disturbance in your feeling world, are not in full harmony with your Life Stream, which is Harmony, Happiness and Perfection. So the moment something starts, just annihilate it cause, effect, record and memory right then.

SAINT GERMAIN

Remember that you have Authority and Power in the use of the Cross of Blue Flame, which issued in one of your Decrees is greater than all the physical activities of mankind put together. It cannot fail to produce the results you require, but It is the Greatest Blessing against vicious individuals that can possibly be used.

· OUR NEW MUSIC ·
The Song of the Violet Flame
"I AM", Here, and
Godfré, Our Loved One, Ascended

IT IS our great joy and privilege to announce the release of three new songs, "The Song of the Violet Flame," "I AM' Here" and "Godfré, Our Loved One, Ascended," by Our Messenger, Lotus Ray King.

Thru the "Song of the Violet Flame," our Beloved Saint Germain will pour forth His Tremendous Activity of the Violet Consuming Flame in His intense Cosmic Power, which is released thru the Music of the Spheres for the Purification, Freedom and Blessing of all under this Radiation, America and all mankind.

This Adoration to the Violet Consuming Flame brings a Tremendous Release of His Mighty Cleansing Activity to the individual and the earth; and we call for the most Dynamic Ascended Master Puriyfing and Healing Power, to release thru it and bring such Perfection and Joy as will set all Free quickly.

There are four full size illustrations of the Violet Consuming Flame in Its Different Activities, which the Students can use to visualize Its Activity within and around themselves; or anywhere they desire to call It forth. This will be of tremendous assistance in holding the eye picture of Its Action and in calling forth the feeling of Its Power within the Individual.

We trust this will make the use and visualizing of the Violet Consuming Flame a great Joy and Blessing for all and we send It forth to bring very great happiness to you and everyone.

"I AM' Here is a companion piece to "I AM" Come and is Saint Germain announcing His Presence and offering His Love and Help to those who desire Him to come and assist them.

It brings a tremendous feeling of His Reality, His Nearness and His Love, the moment we send Him our Love and accept His Presence which draws near thru this music.

May this song bring His Presence so close to all who love and accept Him that He will be able to step thru and be with the "I AM" Students often in His Visible, Tangible Body, as we have called for so long.

"Godfré Our Beloved One, Ascended" is the Out-pouring of our Love and Gratitude to our Beloved Messenger, and the acknowledgment of all the Blessings He constantly pours back to us, ever since His Ascension. It brings Him very near and releases a tremendous feeling into us all, thru that Great Power of Music, which is energy harmoniously qualified. Therefore, it is the way and means by which They can most easily reach us all to fulfill our Decrees.

We offer these Songs with all the Love, Joy and Gratitude of our "Mighty I AM Presence," and may they make you as happy as they have us and pour out Oceans of Miracles, Blessings and Perfection to all mankind forever.

May the Angelic Host and Celestial Choirs sing them with us at all times until They come thru Visible and Tangible to all mankind.

We offer our Eternal Love, Gratitude, Blessings and give all credit to our own "Mighty I AM Presence," Saint Germain, Our Beloved Messenger, Mighty Harmony, the Goddess of Music and the Other Ascended Masters who gave us help; and also to our beloved Frederick Landwehr, May DaCamara and Charles Sindelar for all their assistance in preparing them to release in published form.

May they be an Eternal Out-pouring of Miracles, Beauty, Joy and Perfection to all mankind forever.

GODFRE RAY KING
LOTUS RAY KING
DONALD RAY KING

BLESSED "I AM" Students, will you try with us to make each Study Group of Saint Germain's Activity of the "I AM," a great Joyous Out-pouring of Perfection from the Ascended Masters' Octave of Light? Let us all begin to draw closer and closer into the Radiant Self-luminous atmosphere of Light Substance from Their Octave, which They are pouring out constantly; for It will increase, as the Cosmic Light intensifies in Its Out-pouring to the earth.

Remember the more discordant conditions of the outer world become, the quicker mankind are going to be compelled to come into This Light for nothing else at this time is offering anyone, a way and means to protect themselves.

Whatever else is in the outer world to-day, has been tried for century after century; and if it were possible for mankind to help themselves, and if they knew what was the Real God Protection of themselves, they would not go down under the outer world destruction.

If they really understood what they are facing thruout the world this hour, they would arouse themselves and stop every destructive force on earth from any further action.

Until every individual understands how and why he should drive and bind all destructive forces back into the brains and bodies of the individuals who send them out, he does not awaken and do that which must be done to allow him to live and continue any constructive activity in this world in the future.

When people are in despair in the outer world and come to you for help, tell them the Truth about This Mighty Ascended Master Power and Knowledge of the "I AM"; for without It, they cannot protect themselves, nor survive into the future, in the face of what the beasts of war have already generated on this earth and what they have already planned to impose on the people further.

This Mighty Ascended Master Law is the Power of the Universe; and if used until you build a momentum, It can and must be called forth to overwhelm all unlike Itself.

Remember this Understanding of the Great Creative Word of Life—"I AM," is the Great God Power which built this planet. It is the Eternal Law of Life! It is the True Worship of God because when you understand where God is, what the Power of God is, how you can use It, and what you are supposed to do with It, you will worship the Great Creator of the Universe, with far deeper feeling and adoration than if you do not know what or whom you are worshipping; or if you have only a hazy idea of what the Great God Presence of the Universe is.

That is why this entire Ascended Master Activity of the "I AM" is the True Education of Life and the Spiritual Culture of the people. That is why It is brought forth in the interest of the public good. The True worship of God is the Spiritual Culture of the people, for without It, sooner or later, everything becomes more and more destructive, until there is only depravity and destruction left and culture is gone.

Look at the nations of the world to-day who have taken the acknowledgment and worship of God away from the people. Have they any culture left? No! because they are sinking lower and lower into the animal qualities of destruction.

When the people truly worship God, all destructive forces will fail and fail completely forever. They must first be driven back into their own cause and bound there to keep them from expanding. Then they must be consumed in order to cleanse the world and set mankind Free.

This "I AM" Activity is the balance between religion and education—therefore, it is the Best Part of all that is constructive in both and when one is educated in the Ascended Masters Truth of the "I AM," he knows that to worship Perfection is the highest education of Life. Since Perfection can only come from the "Mighty I AM Presence" and the Ascended Masters Octave of Life, which is God's Realm of Light, he attains Spiritual Culture by his True worship of God—and It can never come any other way.

· "I AM" MUSIC OF THE SPHERES ·

THIS is the request of Saint Germain, Our Beloved Messenger and the Ascended Masters who are releasing the Music of the Spheres thru the Messengers, that the "I AM" Students do not allow any of the Music brought forth in This "I AM" Activity, to be changed in rhythm; and under no circumstances is to be played in jazz or swing time.

Blessed precious ones, please do not do that if you love the Light, the Ascended Masters, ourselves or Perfection. Please play the Divine Gifts which our Beloved Messenger gave us, in the Purity and Perfection in which He received them. The least we can do to show Him our Love and gratitude to them is to keep true to that which He gave by not changing its original plan.

Every piece of music which the Messengers have or will bring forth has a definite special form, created by its own melody and rhythm. That form is for a definite service and contains certain Light Rays and Substance. If you change the way it was meant to be played, it is no longer of service to the Great Ones.

We ask every Group Leader to watch your music carefully; and if anyone playing for your Groups, tries to change the Music as originally brought out especially for this Activity, please ask them to play in strict tempo and rhythm, according to our request or stop playing.

We ask this in all the Love of our Hearts and shall watch it very closely in the future and ask all to do the same.

MRS. G. W. BALLARD AND DONALD

SAINT GERMAIN

You must hold a strong firm guard over your feelings. At the least disturbance, it does not make any difference what you are doing, stop! still yourself! and realize that it is a destructive force trying to reach you. The cause has not a thing to do with it—or what you think is the cause. The cause is wholly within yourself, if you let it in. So stand guard and at the slightest intimation of any disturbance in your feeling world or about you stop! and clear it out!

SAINT GERMAIN

Just because you make the call for protection is no assurance you are going to have it, unless you give the obedience and comply with the Law of Life to get it! Do not feel that just because you make the call that you are forever Invincible. Mankind are moving among the destructive forces generated by the mass of mankind. You are constantly contacting these things and you cannot have a cut and dried rule, that just because you make the call, you are then protected.

SAINT GERMAIN

I do not wish you to feel unnecessarily responsible, but still I do wish you to feel your great blessing, power and authority, to silence the human thought and feeling of each one; and make it obedient to the Law of your Life. The Law of your Life is naturally harmonious; it is only thru human accumulation, that it has become otherwise.

SAINT GERMAIN

No matter what the provocation is, just laugh it off! Don't mind what people say or do, that is not important; but it is important that Harmony is maintained by which We can give you the protection necessary.

• BLESSING OF THE CHARTS AND •
• FLAMES-IN-ACTION •

BELOVED "I AM" Students, the Ascended Masters have asked that you use the Charts and Flames-in-Action, to charge the atmosphere of your homes and places of business wherever you can, with the Power of the "Mighty I AM Presence" and the Radiation of the Ascended Masters.

When you realize that the very vibratory action of the Light and energy from the Charts and Flames-in-Action, pours out the Ascended Masters' Qualities into the air of the room wherever they are illumined and in action, you can each day make the call for them to be amplified a thousand times more powerfully than they were the day before.

If you once begin to realize what a limitless Focus of Ascended Master Consciousness, Light, Energy and Power, you can call forth thru these blessed Charts and Flames-in-Action which Saint Germain has brought forth for your Assistance,

you would not miss one day in dynamically calling forth such concentrated Ascended Master Power and Perfection thru these continued activities of Light, Energy and Vibration, as would charge everything around them with the most amazing miracles and Victories of the Light.

You have not the slightest comprehension yet of what a tremendous momentum of energy you could draw forth in one month, and have it qualified with the special Quality of one or more of the Ascended Masters whose definite Activity you needed to do what you desire in producing Perfection.

Stand in front of your Chart or Flame-in-Action and call first to your "Mighty I AM Presence" and then to one or more of the Ascended Masters to pour thru it an intensified action of Their Power, Miracles and Victories of the Light—with Their eternally sustained Divine Justice, Divine Love, Ease, Comfort and Peace from the Heart of the Great Silence and each day increase that a thousand times more than the day before, until your room, home or place of business is so filled with that Substance and Power from the Ascended Masters Octave, as to produce the most amazing Blessings in you and your world.

The Ascended Masters ask all of you who have Charts and Flames-in-Action to begin doing this regularly each day; and see what a great difference it will make in your world and activities.

We call every day for the "Mighty I AM Presence" and the Ascended Masters to bring these into the use of all who really desire them and make their sincere call to the Presence to provide them with these Blessings to bring forth more instantaneous Perfection to all.

· SPECIAL NOTICE ·

DECREE GROUPS

Decree Groups may be added to your other Group Activities, but these should not replace the Regular Group Activities or Fundamental Groups.

All Decree Groups should open with Invocation—either Victrola Record or Invocation on No. 1 Outline.

Six Cosmic Light Calls.

Close with Regular Benediction.

Periods of quiet for using Violet Flame or playing one of the Music Records are permissible.

These Decree Groups may be carried on for 24-hours if so desired, using Decrees in the Loose-leaf form. A new Group of Decrees will soon be released, containing those used in our recent Shrine Class.

It is permissible to take one subject and stay on it for the entire period, even 24-hours. Those desiring supply will find the use of the Supply Pamphlet for as many hours as is possible most beneficial. The momentum gained thru issuing those Decrees, must release the needed supply when it reaches a certain point. So it is with any other condition needing attention.

· GREAT DIVINE DIRECTOR ·

IT IS our very great privilege to announce the release of a new song—"GREAT DIVINE DIRECTOR" by our Beloved Ascended Messenger, Godfré Ray King.

This Great Presence, the Great Divine Director, is the Authority over the Life Streams of the humanity of this earth and can issue the Great Command for such individual Help from the Ascended Masters to be given any individual whom He sees is ready to go forward to Eternal Freedom in the Ascension.

Thru these Light Rays, this Great Being can pour forth His Cosmic Power to assist all who will give Him their attention and hold their feelings harmonious

long enough, for Him to cut away the accumulation of discord which binds them to their problems and limitations of mind and body.

The Great Divine Director is very definitely guarding the Youth of America whenever the call for their protection goes forth from the parents or guardians who will make that call.

The Light Rays which He projects are actual Light, Substance, Energy and Perfection from His Ascended Master Body. That is the way He enfolds the body and affairs of those who are calling for help. When anyone sends his or her Love to the Great Divine Director, He feels that Love instantly and answers at once with His own Enfolding Light Ray. He is a Mighty Real, tangible, living, breathing Being of such Cosmic Power and Glory as mankind can scarcely comprehend.

The cover design is the likeness of our Beloved Great Divine Director, and is a Gift of Love from our beloved May DaCamera whom we thank and bless without limit for her blessed service.

This song was dedicated to the City of Los Angeles, where it was first sung, to call forth all the Assistance of the Great Divine Director for the people of the three Americas who are determined to hold to the Constructive Way of Life and maintain Freedom and Divine Justice for mankind.

May every human being on earth hear, sing, play and use this song, contemplate this Picture of the Great Divine Director, receive His Almighty Directing Intelligence, Light and Power and be released from all that causes distress in any way. May it release all mankind from every limitation and flood the earth with His full Glory, Perfection and Love to set all free, until they are Ascended into the "Light of God that never fails."
