

· GREAT VICTORY'S SHIELD ·

REAT Victory's Shield of Blazing Gold,
We hold within our hands!
Charged now with His Great Cosmic Power,
Fulfilling our commands
For Victory, such as He bestows,
From His Great Realm of Light—
All Glorious Victory which He knows,
At His Great Cosmic Height!

Great Victory's Shield of Blazing Gold,
He offers mankind too,
And on It is His Cross of White,
To bring Perfection thru!
For century after century past,
Great Victory He has won—
Lo! now, He offers ALL of us,
To make our very own!

Great Victory's Shield of Blazing Gold,
Within Thy Holy Flame,
Abides the Victory mankind seek,
In Light and Victory's Name!
We worship Thee, Great Victory Dear,
Make us now all Thou art!
Reveal thru us with every breath,
The Victory in Thy Heart!

Great Victory's Shield of Blazing Gold,
With every heart-beat's Light,
Oh, carry forth our Love to all,
Swept thru by His Great Might!
Be Thou a Mirror too of Joy,
So Great the Heavens ring
And all the Victory, Victory gives
In every heart-beat sing!

Great Victory's Shield of Blazing Gold,
His Power which sets all Free—
Go forth! Release! Redeem! Oh, raise!
Make us His Victory!
Enfold us in His Flame of Gold!
So Great, It covers earth!
Oh, Victory Dear, we use Thy Shield,
Thy Flame of Cosmic Birth!

Great Victory's Shield of Blazing Gold,
Go forth and clear our way!
Oh, Victory Dear, walk by our side,
With Victory fill each day!
Be ALL OUR VICTORY, everywhere!
Thy Victory shall release!
Oh Victory Dear—Thou "I AM" Flame!
Thy Victories are God's Peace!

Great Victory's Shield of Blazing Gold!
"I AM"! His Great Love too!
Flood everywhere! His Blessings give!
His Miracles blaze thru!
Eternal Victory—"I AM,"
Sweep on now, conquering all!
The "Crystal Cup" of Victory's Power
"I AM"! Great Victory's Call!
