· SANAT KUMARA'S DISCOURSE ·

Los Angeles, Calif.—July 30, 1939

GREET you in the Name, Power and Victory of your Life to-night, for into and thru your own Life Stream, there will go into action to-night, a charge for which you have called these five years.

Beloved ones, before I begin to talk to you, will you close your eyes and accept with the greatest intensity of your feeling, the Perfection and the Glory of your "Mighty I AM Presence" in full command thru your mind, body, feeling world and outer world activity so you may do the most possible in co-operating with Us in the great changes which are near at hand.

Beloved ones, you have thought some of earthly cataclysmic activity, but much more has gone on within mankind. The battle going on between the human and the Divine in mankind is quite cataclysmic in its action, as you may have observed. Therefore, be alert, be aware and Oh, that you may not experience it!

Let each one arise in the Dominion of his or her "I AM Presence" and into the Great Limitless Assistance which is being given! Then, go forward in Its Great Serenity with the fulness of the Light in command. Thank you so much.

Thank you, beloved ones of the Light, that your hearts respond, and may the fulness of the Great Memory of to-night be your great courage, strength and power to go forward into your complete Victory of the Light. Thank you, and won't you be seated?

Be not dismayed at what I shall say to you to-night, but understand that I am calling to your attention the Great Laws of Life which no human being can change—which not even the Ascended Masters attempt to change. The Great Cosmos having come forth, has changed not the Laws but Their Activity for the people of earth. Mankind, unless they understand this, will not understand many things which will take place in the future.

You remember right here in this spot, I asked you, to call for the return of all who had gone forth from this Light. To-night, Life compels the recall of that request. Mankind in the future, must stand upon their own two feet and, by their call to the "I AM Presence" of Life, win the Victory or fall.

When individuals have been trained under your Beloved Saint Germain and then, have willingly with great determina-

tion turned aside with great viciousness, they may no longer have Our Assistance. Only those who turn vicious toward This Light are on the edge of a precipice in the student body. Therefore, remember! For the vast student body, whose loyalty and Love is so great for the Light, for America, for the Messengers and the Ascended Masters, your Victory is very great!

We are dealing with Life, beloved ones, not with individuals, not with human forms. Will you not understand, beloved students to-night, that whatever human form is expressing viciousness is doing it willfully of his or her own volition? Therefore, it is not entitled to your respect or association. If you choose to associate with viciousness, you will become that, unless your Light is very strong.

I assert again, beloved children of earth, you are dealing with the Most Magnificent Law in this Universe—the Law of your own Life. That Law is not a respecter of persons but when mankind have been taught this great and Mighty Law for a number of years, then refuse It, the fault is within them wholly. Therefore, they forfeit their right to Our Assistance and must rise or fall by their own call to the Presence of Life and cease to express viciousness of any kind.

This is the Law! Since the Great Cosmos has come forth, many of mankind have lost a great opportunity. When the Messengers, your Beloved Saint Germain and the Ascended Masters pled, and pled, and pled, with mankind to see, to understand and to live the Great Law, It was not idle talk, beloved ones, but the Greatest Truth ever known to man and the Greatest you will ever know on this earth. There is no greater Law, than your "Mighty I AM Presence."

Remember! the Assistance from the Central Source of all Intelligence and Energy to this system of planets, never was known on this earth before. When I came forth from Venus four and a half million years ago, I came of My Own Volition to assist people of earth; but even with all the Power I had, how much did I succeed? I leave it to you. Now beloved people, knowing that I am a Being of Limitless Power, I came here of My Own Volition to assist mankind, and then it was not accomplished—do you comprehend why?

I am going to show you, to-night, more than you ever saw in your Life, what your Beloved Saint Germain means to you. Those who came with Me and I Myself, owing to the free will of mankind, even with the Almighty Out-pouring and charge which We poured forth to this earth, still did not bring about the change that mankind required; because during

those ages, age after age, after age, mankind's free will was supreme and We dared not interfere with it. Only a few came out Victorious from the great mass of mankind, and your Beloved Saint Germain was One. (applause—audience rising)

Would you mind remaining standing, just a few moments while I speak these few words? Your Beloved Saint Germain who started in Europe—endeavoring to awaken mankind with but little success, sought out His Children of seventy thousand years ago and looking down those two Life Streams, saw that which He believed was enough Strength and Power of Light, to carry This Light in America and to the people of the earth. He and the Beloved Nada stood alone in that belief or Reality, whichever you may choose to call it, which has proven to be a Reality. They said: "We shall try it out." I leave it to you whether it has succeeded or not. (applause) Won't you be seated?

Because of the vibratory action in the room, no matter what I may say, will you for the rest of the evening, just remain quiet and seated; that this Great Energy may do Its Perfect Work for you.

With all My Efforts and My Assistance, I did not accomplish this. Yet to-day, He has come forth and has brought This Light which is Freedom. It has been the Freedom of every human being whoever gained his or her Freedom on this earth. The Law of the "Mighty I AM" has existed forever, but mankind have forgotten It! He has returned the Memory to mankind of the Greatest Presence and Light in this Universe, the Law of your own Life! It is not something far off not something questionable as to an opinion but a Law which governs every heart-beat that sustains your physical body! It is a Law and the Power which gives you Intelligence and achievement in the outer world or in the Octaves of Light.

It does not matter upon what octave you are operating. Life is the Authority! Life is still the same in Its Greater Power of vibratory action. Everything in your physical structure to-day contains a certain vibratory action of the atomic structure of earth. In the Octaves of Light, the same power operates in Its finer, higher rate of vibration, which brings and holds mankind within Its Mighty embrace as they go forward with their attention held to that which lifts them.

I say to you, to-night, beloved students, some of you I observe do realize It, but still some do not. Every moment you give attention to your Great Presence of Life, you are lifting, lifting, lifting yourselves into that Freedom of the Light. Oh, It

is not an idle thoughtless thing! It is not time or energy wasted; but every time you give that impulse to the Presence of Life, you are lifting yourself out of the limitations of earth, into the Glory and Freedom of the limitless supply which Life is ready to pour forth into your world at any and all times, provided sufficient Harmony is there.

The Messengers have drawn to your attention, a few things in their own personal experience, of how discord removed from their Heart Center released from the Treasure-house of the Presence—immediately—double what had been before. Oh, I could tell you some things to-night, which the Messengers have not chosen to tell you, which would fire you into action, let Me tell you, but I shall leave that to them.

Beloved people, the Glory and Victory of these beloved Messengers, is the most magnificent thing on the face of this earth. We know, in spite of all mankind and their vicious falsehoods about them, never have any two human beings on the face of this earth poured forth in the face of such viciousness, such great Power of Divine Love, Forgiveness and Blessings to mankind. This, I know to be Real; and when those about them would have torn them to pieces, still they poured out their Love and Blessings upon them. Thus shall it ever be; but that does not mean they must not remain positive against such viciousness. I prompt every one of you again to-night because you have known this Presence, because you are calling It forth into action, because you need to be humble and kindly and pour forth Divine Love and Blessings, yet you will have to be extremely positive against all viciousness from human beings.

Is it not a pitiful thing to know that from nowhere else in the world, comes viciousness except thru human forms? While it has been told you, few really comprehend it, that even the animals and the birds have taken their viciousness from human beings. The discord generated by mankind has been imposed upon the earth. This is the Truth of Life! Can anyone of you tell Me where any kind of viciousness is generated except thru the human form, thru the human intellect? Of course you cannot, because there is no other place in the Universe for it to come from. Then is it not time to silence it, to dissolve it from the face of the earth and especially from your world of action, if you want to be free? You cannot be free without dissolving it!

Mankind has been told now these past three years, that they could never be Free, as long as discord and viciousness

act within their feeling world. Mankind is coming to see it now.

Your Beloved Saint Germain was so gentle, so kindly, so patient, allowing most vicious discord to go on in the midst of this Activity; yet going on trying, trying, trying again, again and again to dissolve it; imposing upon the Messengers that discord, hoping that at last it might be dissolved—but to no avail—and then the end came. You see beloved ones, Your Precious Saint Germain makes good His Words. One day you will see that, with a Power and Authority which will satisfy every human being on this earth.

Therefore, to-night, in the release which is coming to you, It will remain forever active and you who are so sincere, remember the Goal of your Victory is assured! Never question it for a second! Your Ascension is as assured as if It was done to-night, as long as you remain honest, earnest and sincere to This Great Light and to these beloved Messengers. Remember, you cannot be loyal to the Light and not these Beloved Messengers. Unfortunate individuals have believed that such could be done, but I say to you, that is a falsehood. It cannot. The Messengers have been the wedges of Light which have driven this Great Understanding into mankind and when mankind lose their respect for them, they have lost the Light, and don't forget it!

We know that they have never in thought or feeling poured out anything but the Greatest Power of Divine Love and kindness! I want this great beloved student body, here in Los Angeles and vicinity, to understand this Mighty Law and in the glory, happiness, Freedom and generosity which you have expressed in carrying on This Great Light, remember—your Treasure-house I say, shall be opened! and pour Its Blessings to you! Be patient, beloved ones! Who of you can say to Me: "Sanat Kumara, since You have this great Authority, why do You not release It to me to-night?" Because I am not the Authority of your Life Stream; but you were given a magnificent Tip, if I may use your expression, and I call your attention to It to-night, because some of you missed it. When the Mighty Cosmos talked to you, He said: "I represent to you, exactly what your own Life Stream represents to you!"

Did not your Beloved Saint Germain assure you long months ago, that the Greatest Assistance ever given to mankind was being given and would intensify up to a certain point? Many of you have forgotten It, but He did say it! He told you that, and He has told you many things which have been fulfilled.

As your attention was called to-night, to these activities in the government and in the world of industry, in which these Mighty Decrees are doing their Mighty Work, is it not sufficient for mankind to see and understand that they are not dealing with idle things but with the Power of Life and Light in Its Great Commanding Presence, sent forth in their call to the "Mighty I AM," to render this Service to mankind?

What do you think I could have done, had the Great Cosmic Law permitted the Intercessions from the Great Central Source of Intelligence and Power to this System of Worlds, to be given then as to-day? Do you realize, my beloved students, that this did not come from the Great Source of Light and Intelligence of Its own volition? Do you not realize, that this came thru the Intercession of These Great Ones, who are pouring forth Their Blessings to you? I wish you to understand this to-night! This came about by the call and the intercession of Those Great Ones, going to the Great Central Source of Power and Intelligence to this earth! Their Requests were granted!

I say something very important to you; unless you see and understand this, you cannot release the GRATITUDE required to bring about the speed of action of the Inner Powers of your own Being, which bring you the release, the supply and the conditions that you require for your Freedom.

I assert, to-night, with very great vehemence, you have the Assistance in this call to Light, to lift yourselves so quickly out of limitations into the conditions of Freedom and your Ascension. The laws of earth are no longer governing you! The magnetic pull of earth—I mean so far as your spiritual progress is concerned! I am not speaking of the outer laws, because you must always obey them, when they are constructive; but I am talking about your Freedom in the Light!

Remember! Take one million students, of those whose attention has been brought to This Great Light in America to-day. As they make their calls to the "I AM Presence" of Life, each call is lifting more and more and drawing up the great mass of mankind in America. Now why do they do this? Please see and understand. America is surrounded by a Wall of Light. Then everything within that Wall of Light, responds to the call of the vast body of the "I AM" Students of Light and all are being lifted, and lifted, and lifted. Oh, even if they never heard of This Great Light, that does not change the Great Inner Action of the entire feeling world of mankind for they are being raised out of it, into a higher rate of vibra-

tory action, which makes their comprehension clearer, makes their courage greater, makes their determination more firm! All is a steady magnificent process in the Action of Life, my dear ones!

You are not acting on superstition of any kind! You are acting on the Law of Life—the greatest in the Universe—which We must obey! Which everything thruout the entire Universe, every human being, must obey!

Why do you think the Great Cosmos came forth? Because in the culmination of the ages in releasing mankind from the apex of human discord and viciousness, mankind had to have Assistance direct from the Source of Its Intelligence and Energy acting here upon this earth—but without your calls, without your determination, without your loyalty and firmness, He would never have come.

I wish all your Great Groups here to realize what a part you played in this during the past eight months. You began this great determination—many of you were not aware of it—two months before the Messengers were here at Christmas time; but since that time, the determination, the loyalty, the staunchness which has gone forth from a majority of the students has been magnificent. We witnessed it with Heart-throbs and with Joy; for when you realize the hundreds of thousands of years in which We have waited for this, you should know what it means to Us, and what it should mean to you.

You who have thought that your capacity of service was so small, my dear ones, I say in your Great Groups here, as you enter into these Decrees in a great body of a thousand, three thousand or five thousand people, then you are rendering that Service five thousand times your own capacity. Will you not see that? It is a thousand times your own capacity when you are joyful, ready, and willing to join, in the great student body and issue these Decrees. This is not idle talk. When you join with a group of people, according to the number there are, are you acting to that number beyond your own individual capacity, for each one lifts the other.

This is why I cannot yet understand, how any human being who is sane, could come into the magnificent sincerity of these Great Groups, with treachery and deceit in his or her feeling world. I fail utterly to understand it. How can any human being come into this Great Body of Students here, and not see the loyalty of those hearts when they hear them sing these songs, and issue those Decrees with the Power and

Authority of Life? I do not see how they remain to feel treachery and deceit within their hearts.

You are dealing with the Greatest Law in the Universe, dear ones, and please don't fail to see it! I rejoice with you to-night, in all these magnificent achievements of the past two months. It is so far beyond anything, that has been drawn to your attention. It is so far beyond what the average human being could comprehend. You do not fully grasp all that is being done in the dissolving of these conditions and forces which have been the great pressure upon mankind.

If anyone of you sat down in a chair and let someone step behind you and every time you wanted to get up, that one would put his or her hands on your shoulders and hold you down, you would get just a little bit of an idea of what I mean to-night, in the pressure of mankind's own creation being removed from them. It is so much less, so much less.

To-night, I want to correct the wonderment in a great many minds, when the statement was made in San Diego, that the entities from Southern California had been removed! We mean just that! Where do you consider your Southern California begins? I do not think you quite realize what your Tehachapi mountains mean to you. Why do you suppose some months ago, a few individuals saw out upon your desert a Great Pillar of Light and within It, a Great Being? That was Real, and It came very close to the dividing line between Southern and Northern California. This city could more quickly than you believe to-night, become the out-picturing of its name.

If I seem to speak just a little in riddles, read between the lines. I want you to think! I want you to feel thru your Great Presence! Beloved students, let Me prompt you on one thing, please. If there is something, you do not quite understand, please do not begin to revolve it in your thought. Simply say: " 'Mighty I AM Presence' put that on the shelf, and when my vibratory action comes to a certain point, I will understand it clearly." It would save you from going into all kinds of feelings and questionings about some point of the Great Law.

Dear ones, if you did but one thing and held to it with great firmness and intensity and just said to your "Mighty I AM Presence": "Fill me with Your Perfection! Make me Yourself in action at all times," you could not help but attain Perfection! You could not forget that, but I tell you, beloved ones, when some point of the Law comes up, you begin to

revolve and question it; and the first thing you know, you get fluttering away somewhere and you have lost your centralized focus of Power. Don't do it, please!

If you will all take the determination: " 'Mighty I AM Presence' reveal that which you wish Me to do," and be unyielding in it, how could you fail to have it? I wish you to understand, to-night, you cannot fail to have the answer to your every call; but It is Life acting and Life will not withhold one single thing from you as soon as you become harmonious enough, so that you are not revolving doubt of the Great Power of Life, as It flows forth to bring you Its Blessing.

But I say to you again with all My Heart: If there be deceit and treachery in your being, pluck it out, as if it were a poisonous serpent. You cannot attain your Freedom with those qualities! You cannot do it! You would say to Me perhaps: "must I always tell the Truth to all mankind?" Not if it is concerning your personal affairs. Just be frank and say: "I do not choose to answer your question."

My dear ones, what does the social world mean? What does the friendship of an individual mean, if that one is being treacherous and deceitful? There is no such thing as that in friendship. You must be strong enough, to say to one making inquiry regarding that which is not any of that one's affairs, in order to silence it: "I won't inform you."

How mankind have bound themselves by the false social thing of the outer world because of such treachery and deceit! They smile in your face and stab you in the back as soon as your back is turned. That is the treachery and deceit in the social world which is now considered an art. It is a very darkly colored art.

You have never seen the Messengers pretend to be what they are not and you never will! They are just as humble to-day, as when they started to carry This Light; but they are dynamic to human viciousness and discord. Well it is and so should you be.

I say to you, beloved ones, you are living under a Law that was unknown to this earth ten years ago. You are being given Assistance, you could not estimate. That is why the greatest blessings in the world are being prepared for those beloved ones who have been and remain so loyal to the Light. Now only will you have your Victory in every way; but you will leave when your Ascension is attained—that Almighty Raising, Cleansing, Purifying Power which is indescribable.

I say to you, for your satisfaction and comfort, beloved

students: it does not matter in the slightest, how your so-called passing might come about, for your Ascension under the New Dispensation. All that preparation is going on hourly now. As long as you remain loyal and harmonious to the Great Light, the Great Law and these beloved Messengers, that Speed and Power of Action will go on; and there is no human being nor all on this earth, who can interfere with that preparation for your Ascension which is every hour going on, waking or sleeping for while you are quiet many times, the greatest work goes on in the achievement of your Freedom. Then, you are not revolving human opinions in your mind or brain and its structure is quiet. The feeling world is quiet. Then, the Higher Mental Body will go on, with Its Mighty preparation.

I say to you, please still yourselves and listen while I repeat these Words. Every hour, to every sincere individual, is the Activity of the Higher Mental Body going on raising, raising, raising the vibratory action, drawing into the etheric body the Light Substance, as the Great Wisdom of that Life Stream may require. The great preparation is going on.

Oh, my dear ones, if you were to entertain a great Royal Guest—if one of the Ascended Masters were to come forth in the Tangible Body to sit at a Banquet Table with you—would you not do the utmost in cleansing and purifying yourselves in preparation for that event? Oh, my dear ones, is this not a thousand times more wonderful, than to be the guests of an Ascended Masters in the Tangible Body because this is your Freedom forever? Oh my dear ones, FEEL It as never before! This is your Freedom forever! Free from the wheel of birth and rebirth!

Of course many of them do not understand, but if the people of this earth would use the word "re-embodiment" instead of re-incarnation, it would be a very great blessing. That word "re-incarnation" does not quite fulfill the need but re-embodiment is the Truth of Life! for you come again, again, and again, in bodies similar to these, but this time, you can be Free forever. If you think I am not telling you the Truth, then you are missing a great great opportunity. We have never told you anything else, but the Truth and never shall; but you must decide, for It is the Truth to every one who accepts Our Words as the Truth. You are the authority in your world, except where great viciousness is expressed; then you are no longer authority in your world—that time has passed!

When you see the vast changes taking place everywhere and that most frightful of conditions—the communistic element—about to be removed from your earth, from your America, what a magnificent thing! That has brought in its train such grief, such heart-aches to the motherhood and fatherhood of America; brought such devastating forces into your schools and universities. It is soon to be forever removed! How grateful mankind on earth and you who understand should be; and what an encouragement it should be, that you see this thing being done before your very eyes can mankind ask for greater proof of the Ascended Masters and the Cosmic Beings of Light and Life than that? No miracle performed for an individual, no matter how great, would be more magnificent than that evidence which you see taking place and now the Light MUST come in your government and world of industry today.

Have you not been calling for Ascended Master Friends to be raised up everywhere? Do you think that call can go on unanswered? Not at all. Can any one of your calls go unanswered? Never! but sometimes in receiving the answer to your call, you forget to consider the Wisdom of your Life, which is acting to bring the answer of that call to you.

I remind you once again of the reason why every human being, who understands This Law, should know that his or her calls hold within them the Power of the answer. Since it is the lesser Life in you calling to the Greater, how could anything stand between your call and the answer? Impossible! If you see that, you will never fail to have the answer to your calls and quickly.

Therefore, as you see and understand these vital points, you will see and feel with the fulness of the Power of that Light which makes the call, the fulfilling of the answer. These very simple things are so vital to all; and remember, the farther you go in this Great Law and Its application, the more simplified It becomes.

In talking with your Beloved Saint Germain a few days ago, I said to Him: "Saint Germain, why did You give such a vast scope of application"? He said instantly: "Because of the very very great variation in the vibratory action of individuals upon earth. One will comprehend one presentation, and one another," and in the vast number of Decrees which have been given you, It was an attempt to fit all cases. After awhile, soon perhaps, you will find that those Decrees will come down to a few vital ones.

Did you ever notice, that for a time, you will use a certain Decree with great enthusiasm? Then that wanes and you take up another and you get the same enthusiasm! Then, was the Wisdom not great in giving you an abundant supply? Some struggle greatly, trying to utilize all. That might be a simile to Jonah trying to swallow the whale and yet beloved ones, how magnificent it has been. How wonderful it has been to watch your progress and the Expansion of your Light.

Oh, my dear ones, did your Life Stream permit Me to draw the Cosmic Screen here to-night, and show you just a few of your activities, you would all readily see what a magnificent thing it has been. This Law is Real, my dear ones. The Expansion of your Light is Real. Oh, just because all the problems in the outer world have not vanished, what has that to do with your progress and the Expansion of your Light? This is what will happen. One day, when the Expansion of that Light is great enough, all these problems will have disappeared and you will look around to see where they have gone. I would not look the second time. You will notice that once will be sufficient.

How many times, Oh beloved ones, how many times—mankind have looked around and hunted up something they did not want. It is only too true, and do you know that the *most* subtle way, you begin to search for what you do not want, is the revolving of discordant thoughts and feelings, in your mind and in your feeling world? When you do that, you have just started on your search for further limitations.

We are trying to put all of this in its great simplicity to-night, so you may more fully comprehend all that this means to you, and the Great Reality of this Great Light. Remember your precious, precious Messengers are no longer permitted to battle for the students. They will continue to make their calls for you and your Victory of the Light but you must take the reins, make your dynamic calls and you will find more and more of the results coming forth.

I say to all these people who within the past, thought they were endangering This Great Light or Its progress by turning aside from It, how foolish! As if this Great Light depended upon a few human beings! Anyone who wants to turn aside from This Great Light is quite free to do it. If human beings want to go on and build the tragedies of Life for themselves, they are free to do so and now they must choose!

May I endeavor to try to have you feel to-night, that one who has not contacted This Great and Mighty Law of the

"I AM," is in a wholly different position from one who has contacted It? Shall I bring to your attention two reasons tonight, why some individuals find it a struggle, when they come into this Great Light?

In the first place, their own human creation wants to hold them bound and it will try to throw every obstruction in their way unless they are very positive and firm. Then, it will have no power to do it.

Now the second reason is, that individuals who have not known This Great Law, and many who have, have great accumulation of discord in their Life Streams; and when they touch This Light, it is for the purpose of bringing that forth to be dissolved and consumed from their Life Streams, which gives them their Freedom. If they will not do as your Beloved Saint Germain and the Messengers have asked and call the Presence to use the Violet Consuming Flame with great intensity, they will have a struggle to keep the past creation from coming into the outer expression and releasing the discord which has been generated within their Life Streams. Would it be any wonder, if they met difficulties?

My dear people, you have got to do this purifying some day, somewhere. It is no longer a matter of choice! If you want to be Free, you have got to apply This Law, you have got to call the Violet Consuming Flame into action to keep dissolved every discordant thing which comes forth, because come forth it will! It has got to come forth to be dissolved and consumed! Do not be frightened about it! Rejoice that it *is* coming forth to be dissolved and consumed. If you will use the Violet Consuming Flame, as directed, it will never find outer expression in a single instance.

I say to you, my dear ones, steadily and surely, there is coming the clearness in your comprehension—the definite assurance within your feeling, of your Victory, of the Power and Authority of your application. Hold fast to It.

May I offer this suggestion in behalf of these beloved Messengers? Please do not write long letters! One page is quite sufficient. If you ask for assistance, please do not enumerate your troubles by the page! You are making a written record of that from which, you are asking them to release you. How can you expect it, if you are going to make a record of what your distress is? Just say to the Messengers, you need assistance! The Higher Mental Body of yourself, as well as theirs, knows quite well what is required. You would hardly be able to advise that; but mankind so love to talk about their

difficulties and to write about them little realizing what that is doing and how more and more, it is binding the problem upon them tighter.

May I offer another suggestion, beloved students? To your friends who do not know much yet about This Great Light, I would suggest that you not ask them to write the Messengers for assistance. Call their attention to the books. Tell them the first requirement is for them to study and learn to apply This Law, before they ask for assistance. Then, when the Messengers give the assistance, they are not wasting time and energy. If a person asks for healing and is not interested in This Great Law, that one really does not want the healing.

Now remember, beloved ones, if one wants to be healed that one must love This Light! They cannot be healed and then go out and spread discord concerning This Law. Many have done that! It is not permitted in the future! People must study these books, because they want to grasp This Law and apply It because they want their Freedom! Then they will have It with great results.

The Messenger has had many letters from those who know nothing about This Great Light, whose attention has been called to It thru the radio or otherwise; but those individuals must understand that they must comply with the Great Law of Life, their own Life, if they wish to be healed. To ask the Messenger to perform some miracle for them, just to let them go on and have no interest in the Great Light which produces their Freedom, would be tragic indeed.

Again I say, beloved mankind is dealing with a Mighty Definite Law of Life and no one escapes! That is why, to-night, I trust that I have made clearer to you the simplicity of This Great Light and Its imperative demands upon mankind! Oh, no one is an exception! If someone wishes to ridicule This Great Light, well that one will just impose upon himself or herself great limitations and privation. If they want to do that, should you interfere?

Don't think, my dear ones, that it is up to you to drag somebody back who wants to go away from This Light. Make the call earnestly and sincerely to their Higher Mental Body, then leave them in the hands of that, but don't try to argue with people. Do you know what it does when you try too much? It is well to make one trial to plead with individuals to have them see; but if you go beyond that, dear ones, they take that as an encouragement and it makes them more fierce and vicious than ever because they think they are getting

you irritated and perhaps they will change you too. These are Great Laws which are your Freedom. Can you afford to fail, to allow them to act, to give you Their Blessing?

Dear ones, if you saw within the Activity of the gathering Power which the Messengers are continually calling about them, you would see that which would astound you! Your precious Lotus, hour after hour, after hour, serves and serves, and serves to provide for you and bring to your attention these great and vital points of these Great Laws—thru the Transcriptions and in all the ways in which It is coming forth to mankind. Think of it, beloved ones, the magnificent service which she is rendering. Then, to think that anyone should feel unkind to her for a single instant!

I thank you, beloved ones here to-night, for this Almighty Response to My Call and the vibratory action which I have sent out to bless you. It will remain forever, beloved ones! No matter what you may do in the future, still will that remain, to one day wrap you in Its Blessing and bring you home again!

In the outer world, when you have travelled abroad in other nations, where conditions are different than yours, then after a month or two or three, you start to return home, is it not a happy time? You travellers of the world, I ask you, is it not a moment of rejoicing? Even with all the beauty and Perfection which you have seen, still the thought of home brings rejoicing. Yet the Home here in the Octave of Light to which you are going now, is the Greatest in the entire Universe! It is the Home of Eternal Freedom in a form of Eternal Light, Beauty and Perfection, where all substance obeys your command instantly. Such is your Goal, beloved ones! Oh, the foolishness of mankind who do not believe that! Let them go on in their chains and you go on in your Freedom of that Great Light.

Once again I say to you, remember that your call to Life, is the lesser part of Itself calling to the Greater and there is naught stands between your call and its Answer here. It would be impossible. See that! Then go forward in the Almighty Victory, Power and Freedom of your Application of Life—the Eternal Blessing of Life enfolding you to-night in Its Infinite almighty Power and Glory, in Its Courage, Strength, Happiness and Joy which will stand forever a Beacon Light to you; drawing you on as the Mightiest Magnet in the Universe—the End of that Glory, that Goal, your Freedom and Ascension in this embodiment! I thank you.

I AM STUDY GROUPS

It is vitally necessary at this time to call the Group Leaders' attention once more, to the Request of the Ascended Masters from the beginning of This Activity, to remember that you are not teachers! The Ascended Masters are the Teachers in This "I AM" Activity of Saint Germain and the Students must study the Words of the Ascended Masters in the Saint Germain Series and the "Voice of the 'I AM'!"

When the Mighty Astrea said in His Discourse published in the Ascended Master Light—page 151-152 that the Words of the Ascended Masters and Cosmic Beings were just as tangible as the "Crystal Cup" in the Messenger's Hand and carried Their Qualities into the Student's world for action, I say to you—can any unascended being teach you anything more than what is already in the Ascended Masters' Words? They do not need anyone's interpretation nor explanation because each individual's own Higher Mental Body must do that for each one.

Please, in this hour of world crisis, when the protection of America is needed so much, do not take time to talk about human beings, whether it is about yourself or others when all the energy of each one's Life Stream is needed now in the Decrees for the protection of Our Land and to save the sanity of mankind. Let us all forget the personal self of everyone and remember only God which the "Mighty I AM Presence" and the Ascended Masters are.

The Group Leaders' Responsibility at this time is to call forth Protection for the Student Group, the "I AM" Activity, the "I AM" Students and America and to be such an Out-pouring of Purity, Harmony, Kindness, Forgiveness and Ascended Master Loving co-operation, that it will enable all in each Group to give their greatest assistance and most powerful Decrees for the Victory of Light to protect and supply all.

All under This Radiation need to call forth all the time—more Ascended Master Purity, Self-control, Obedience and kindly consideration for all others who are trying sincerely

to help carry This Light the best they can. At no time are personal familiarities to be allowed in any Group with those of the opposite sex. The Ascended Masters' standard of conduct is the request and regulation for all under This Radiation and there just are *no* exceptions.

Call in every Group Meeting to the Mighty Harmony, to charge all with His Indestructible Harmony, Loving unselfish Co-operation and Kindly Consideration for all. Call to the Goddess of Purity, to charge Her Flaming Substance of Eternal Purity to fill every meeting place, person, condition and thing for all under This Radiation and to compel Her Eternal Purity in all forever.

Call to the Goddess of Peace for Her Flaming Substance of Ever-lasting Peace, to charge into all and hold Eternal Control.

Call the Mighty Victory to compel His Victory with His Power of the "Crystal Cup," to fill every Group Meeting and all under This Radiation until the Ascension. Then, remember often to charge every person, place, condition and thing in every Group Meeting with the Ascended Masters' Power, Force and Action of the Cosmic Light of a Thousand Suns to govern all forever and Miracles, Victories, Blessings Supply and Joy without limit to come forth to make every Group Meeting the greatest Joy and Accomplishment in each one's experience forever.

The students in every Study Groups should call forth daily for the annihilation of all problems for all Group Leaders thruout the world, so all may give the best they have, until America and the world are Free!

Because of all the Good, we have all received thru Saint Germain's Activity of the "I AM"—at least once a day let us all remember to pour out all the Love of our hearts—in deepest gratitude and qualify every Book, Magazine, Chart, Flame and Chart in Action, Picture, every piece of Music, every Phonograph Record, Radio Broadcast and Electrical Transcription, every "Crystal Cup," Study Group Outline, Booklet, letter and announcement, which goes out under This Radiation, as an Imperishable Force of the Unfed Flame, which raises everyone into the Ascension in this embodiment, whom they contact and may they be Legion in number!

DEAR, Blessed, Precious, Young America, in all the activities of your Life, form the habit now of analyzing the result of everything you do before you do it and try to see, if the results from any use of your energy of Life, is going to bring you a problem of unhappiness or a momentum of Harmony and Joy, which will make you more powerful for good in the future than you are now.

Measure everything you do, by the Ascended Masters' Standard of Permanent Happiness and Victory, over all problems! Compare what you call happiness now in your recreation, with the Activities of the Ascended Masters in which They can wield the Authority of Life to control the Forces of the Elements; to create what They desire instantly; to go anywhere They please without limitations of any kind; to release Blessings without limit and anything Their Hearts desire to give to those whom They Love and to raise them to full Freedom and Perfection also.

All Their Marvelous Powers of Mastery were not just flooded to Them, the moment They were completely Ascended. Like everything else in the Universe, Their Powers are the Results of momentum gained thru constant practice in the use of the Great Divine Law thru which They drew forth the full amount of Electronic Substance and Power required to accomplish a manifestation of some definite thing or plan.

Let us all do the same and the more constructively qualified energy and substance, we can draw forth now thru our application of these Mighty Decrees to solve our problems and those of America and the world, the more Power we will have both here and now, in this physical appearance world, and also in the Ascended State after we attain our Ascension.

If our Beloved Daddy had not drawn forth a Great Momentum of Energy here, in his calls to the Presence for help to the "I AM" Students and mankind, would He have a momentum great enough to answer all the demands that are made upon Him now?

Let us love Him enough and be grateful enough to Him, for all He gave us, to call forth His Greater Ascended Master Purity, Kindness, Obedience and Refinement here and now—each day—so more of His Ascended Master Power, which He now wields, may pour thru us whatever He wants to release to protect America and save all mankind.

His Greater Power cannot pour thru our energy, unless it is Pure and Harmonious. So our greatest desire should be, to call forth Divine Justice thru ourselves first, to Life—our own “Mighty I AM Presence,” for if we are just to our Source, which has given us all, we will have to be harmonious and just to our fellow students and all mankind.

Everyone wants and usually demands Divine Justice for himself or herself but how many people are concerned at all about giving Divine Justice and being Divinely Just to our own “Mighty I AM Presence”—Life? That is the Source by which we do all we desire to do; and yet almost no one is concerned about being just to that Being from which we receive all. Let us set ourselves right with our Presence and then It can set us right with the whole world and compel the whole world to be just to us.

When all the energy which you use each day is qualified harmoniously, you will have happiness without limit because you cannot be happy when you qualify energy with discord!

Temporary emotional excitement and sensation is *not* happiness, because energy out of balance is not harmoniously qualified; and if you release energy thru uncontrolled sensation and some sudden impulse or influence outside yourself can make you use your energy one way, some other impulse and influence can also rule you, when it is qualified with that which you do not want.

Some day, sometime, somewhere, you must master the energy in your mind, body, feeling and world. Only the Ascended Masters’ Qualities and Power will ever enable you to do it and only then will you know permanent Happiness and Real Freedom.

· PRESENTATION OF THE "CRYSTAL CUP" ·
· AT THE SHRINE CLASS ·

Sunday Evening—July 27, 1941

SAINT GERMAIN has brought to us the "Crystal Cup" of His Great Light! He is that "Crystal Cup" and He has given us the privilege of carrying His Love and Light to the people—His "Crystal Cup" of Cosmic Light!

The large Cup you saw presented here last Sunday, is a Focus for that Out-pouring into the outer world. Sanctuaries and Reading Rooms and those who really choose to accept It, can have a "Crystal Cup" from our Heart Center here. Each sincere "I AM" Student can have one for the home. There is nothing obligatory about this, as each one has free will.

There can be drawn forth the "Crystal Cup," for the sustaining and harmonizing Power in the home, for the expansion of the Light there, if you care to give It recognition; but this Activity is one which is a very very Sacred Power and It is not to be treated lightly nor is It something to be shown to everybody. It is to be held in deep devotion in the silence and is a Sacred Power-house in the home, the Sanctuary and Reading Room, if given daily attention.

Three times a day, give attention to the Light Ray or Flame for which you are calling to the Ascended Ones and ask It to descend into your "Crystal Cup." As your attention, your Love and call continues to a certain point, will the manifestation come forth to free the people. This Power of Light can come into every home, every Sanctuary and Reading Room, if you choose to draw forth the Activity of the "Crystal Cup" and charge It daily with the Love from your heart and the Light and Substance from your "I AM" Presence!

Remember, when Saint Germain gave Our Beloved Messenger the "Crystal Cup," all human limitations were stilled, dissolved and He ascended!

When Our Beloved Messenger gave David Lloyd the "Crystal Cup," all his human limitations were dissolved and He ascended!

Now let us all call forth this same Activity of the "Crystal Cup" in Saint Germain's Marvelous Release of the Light of the "I AM" to the people.

Let us call forth the Cosmic Power of the "Crystal Cup" in America, that all human limitation and destructive force in Our Beloved Land may be dissolved and the United States of America, as a Nation, ascend into that Octave of Light's Activity which brings in the full Perfection of the Golden Age. Then, Saint Germain's Freedom and the Justice of the Goddess of Justice shall reign on earth and provide the conditions

for the return of Jesus, Our Beloved Messenger and other Ascended Masters to move among mankind as in the Golden Ages of the past to teach the people and help raise them into their Eternal Freedom of the Ascension.

Since the "Crystal Cup" has come forth to us here, we can call into It, Victory's Full Power of His Crystal Cup from His Life Stream. We can ask Him to fill the "Crystal Cups" of all under This Radiation with His Victory. Let us call to our Life Streams to release their Action of the Cosmic Light thru us to fill the "Crystal Cup" of America. We are the doors thru which the Streams of Light pour into America's "Crystal Cup" from our Cups. Then, may America's Cup become so full, she too, can pour the "Crystal Cup's" Light, Blessings and Gifts to the rest of the world and fill the "Crystal Cup" of the world with the Ascended Masters' Liquid Light forever!

This Activity can be drawn forth by those who give their attention to It and attend the "Crystal Cup," giving It full acceptance—making the call and holding steady in the Purity and Power which are required to bring those manifestations forth, which will be Eternal on this earth.

For those who choose to do that, "Crystal Cups" will be obtainable. They will be uniform and We will bless every one personally and make the call. We trust they can come forth very shortly, so you may get into action.

Three times a day, stand before the "Crystal Cup" with hands up-raised. In that position you too become a "Crystal Cup" and the Flame of Life in your heart should be called forth and expanded like a Sun, forming a "Crystal Cup" of Light, into which the Great Beings can pour Their Light into you. Thru your calls to These Great Beings, They can focus Their Power

of the Unfed Flame, the Liquid Light, Their Perfection, Supply and every Activity of the Cosmic Light Substance from the Ascended Masters' Octave and charge those "Crystal Cups" to become a Power-house of Electronic Force. As you gain a momentum, the Perfection and Supply of all good things can come forth to all who give their Light and Love and attention to It.

Each day, it is our obligation to make the call for that Light to be poured into America's "Crystal Cup." As we draw the Light into our own "Crystal Cups," we ask the Cosmic Light to over-flow and fill the "Crystal Cups" of all under this Radiation! All under this Radiation should draw the Light and ask their "Cups" to over-flow and fill the "Crystal Cup" of America! Then call that America's Cup may over-flow and fill the earth with the Cosmic Light that stills every destructive force forever!

Do not discuss this Activity with anyone. It is a Sacred, Silent Mighty Activity of Life and Light because the "Cup" has always been a symbol of God's Supply and Freedom to man. We ask you to regard It as a Silent, Sacred Privilege, second to none except your Ascension. If you will do this, the Great Ones can pour an added Charge of the Power of the Cosmic Light into America. It is to call forth greater devotion to God—the "Mighty I AM Presence" and release greater gratitude in the sacred sincere Love and silence of our hearts, for all America means to us and all mankind in the Freedom of the Light!

There will come forth Instructions and Decrees to be used with these "Cups," but if you are to have this Blessing, the "Cups" must be uniform. Do not go out and get just any kind of a Cup and expect that Out-pouring to be held uniform. Let us be in attendance upon the Plan of the Great Ones and co-operate with

Them perfectly, to produce the Perfection we all desire.

Each day, call forth the Ascended Masters' Flaming Substance of the Cosmic Light, to enfold your "Crystal Cup" in Their Radiance which illumines the atmosphere around It. Call forth and accept Their Power of Precipitation released into It until you gather enough of Their Electronic Force, to draw forth all that you require for your complete Freedom and for the protection of others who are constructive and to whom you may need to give assistance.

May we all stand so true and obedient to Saint Germain, Our Beloved Messenger and Blessed Jesus, that we can call forth this Greater Power of Light and may we be obedient enough to hold the protection which will enable Them to release enough of the Substance of the Cosmic Light into America for her Freedom. There are no other people in the United States of America thru whom that can come but thru you, the "I AM" Students. That is why, we have thanked each one daily for being the Open Door and for all you have done; because thru you, the Ascended Masters can pour Their Light with the intensity which America needs. It cannot be done thru people who do not know this Law.

Call your Higher Mental Bodies to remind you each day, to call your "I AM" Presence and the Ascended Ones into action to enfold your physical bodies, all "Crystal Cups," every person, place, condition and thing under This Radiation and our every Decree, in the Ascended Masters' Cosmic Light Substance and Luminous Atmosphere.

Every time we give a Decree, we should call to the Great Ascended Masters and Cosmic Beings to release the Cosmic Light of a Thousand Suns in, thru and around our flesh bodies; to condense, concentrate and solidify It within and around all under This Radiation

with such Power and Intensity that It illumines the atmosphere around each one and encloses every Decree in a Light Ray of Its Substance. Then as It goes to Its destination, It is clothed in the Power of the Sacred Fire and that is held sustained until the manifestation is complete.

Give daily recognition in your calls for supply to the Ascended Masters' Power of Precipitation. Call your own "I AM" Presence and the Ascended Ones to concentrate the Flaming Substance of the Cosmic Light around you, illumining the atmosphere about you with such Pressure and Power of the Substance from Their Octave that It compels Eternal Purity to be maintained within and around your physical body. There is a reason for this. It may be necessary under the outer world conditions of to-day for that Power of Precipitation to be released into the use of the "I AM" Students, or to a certain number of them, for assistance to others who are constructive, as well as those under This Radiation.

In using the Power of Precipitation, the Law of Purity must be complied with first of all! The substance and energy within and around your physical body, where the precipitating power would act, must be kept purified by the Ascended Masters and charged with Their Qualities and Authority because in the use of precipitation, it does take considerable Electronic Force to draw forth at least the first manifestation. In doing that, the atmosphere about you must be Pure and Harmony maintained permanently.

Let us keep calling that all our young people be sealed in the "Crystal Cup's" Flaming Substance of the Cosmic Light, which is intense enough to illumine the atmosphere about them, so destructive suggestions of the outer world cannot reach thru to destroy, injure or draw them from their Victory in This Light.

MRS. G. W. BALLARD AND DONALD

SAINT GERMAIN

How often the outer mind wonders and longs to know something of its achievement or something of the Inner working of the Law. I say to you, beloved ones, you CAN know every Activity of the Inner Law. It only means a continuous harmonizing of your feelings, a refusal to accept or listen to false human gossip or to allow your thought and feeling to revolve on disturbances that have passed.

SAINT GERMAIN

When individuals are sufficiently interested to pour forth their Love, their Power, their Life, their Energy for the Protection of America, it is one of the means of bringing the greatest and most speedy release to the individuals themselves.

· BLESSING OF THE CHARTS AND ·
· FLAMES-IN-ACTION ·

BELOVED "I AM" Students, the Ascended Masters have asked that you use the Charts and Flames-in-Action, to charge the atmosphere of your homes and places of business wherever you can, with the Power of the "Mighty I AM Presence" and the Radiation of the Ascended Masters.

When you realize that the very vibratory action of the Light and energy from the Charts and Flames-in-Action, pours out the Ascended Masters' Qualities into the air of the room wherever they are illumined and in action, you can each day make the call for them to be amplified a thousand times more powerfully than they were the day before.

If you once begin to realize what a limitless Focus of Ascended Master Consciousness, Light, Energy and Power, you can call forth thru these blessed Charts and Flames-in-Action which Saint Germain has brought forth for your Assistance,

you would not miss one day in dynamically calling forth such concentrated Ascended Master Power and Perfection thru these continued activities of Light, Energy and Vibration, as would charge everything around them with the most amazing miracles and Victories of the Light.

You have not the slightest comprehension yet of what a tremendous momentum of energy you could draw forth in one month, and have it qualified with the special Quality of one or more of the Ascended Masters whose definite Activity you needed to do what you desire in producing Perfection.

Stand in front of your Chart or Flame-in-Action and call first to your "Mighty I AM Presence" and then to one or more of the Ascended Masters to pour thru it an intensified action of Their Power, Miracles and Victories of the Light—with Their eternally sustained Divine Justice, Divine Love, Ease, Comfort and Peace from the Heart of the Great Silence and each day increase that a thousand times more than the day before, until your room, home or place of business is so filled with that Substance and Power from the Ascended Masters Octave, as to produce the most amazing Blessings in you and your world.

The Ascended Masters ask all of you who have Charts and Flames-in-Action to begin doing this regularly each day; and see what a great difference it will make in your world and activities.

We call every day for the "Mighty I AM Presence" and the Ascended Masters to bring these into the use of all who really desire them and make their sincere call to the Presence to provide them with these Blessings to bring forth more instantaneous Perfection to all.

· GREAT DIVINE DIRECTOR ·

IT IS our very great privilege to announce the release of a new song—"GREAT DIVINE DIRECTOR" by our Beloved Ascended Messenger, Godfré Ray King.

This Great Presence, the Great Divine Director, is the Authority over the Life Streams of the humanity of this earth and can issue the Great Command for such individual Help from the Ascended Masters to be given any individual whom He sees is ready to go forward to Eternal Freedom in the Ascension.

Thru these Light Rays, this Great Being can pour forth His Cosmic Power to assist all who will give Him their attention and hold their feelings harmonious

long enough, for Him to cut away the accumulation of discord which binds them to their problems and limitations of mind and body.

The Great Divine Director is very definitely guarding the Youth of America whenever the call for their protection goes forth from the parents or guardians who will make that call.

The Light Rays which He projects are actual Light, Substance, Energy and Perfection from His Ascended Master Body. That is the way He enfolds the body and affairs of those who are calling for help. When anyone sends his or her Love to the Great Divine Director, He feels that Love instantly and answers at once with His own Enfolding Light Ray. He is a Mighty Real, tangible, living, breathing Being of such Cosmic Power and Glory as mankind can scarcely comprehend.

The cover design is the likeness of our Beloved Great Divine Director, and is a Gift of Love from our beloved May DaCamera whom we thank and bless without limit for her blessed service.

This song was dedicated to the City of Los Angeles, where it was first sung, to call forth all the Assistance of the Great Divine Director for the people of the three Americas who are determined to hold to the Constructive Way of Life and maintain Freedom and Divine Justice for mankind.

May every human being on earth hear, sing, play and use this song, contemplate this Picture of the Great Divine Director, receive His Almighty Directing Intelligence, Light and Power and be released from all that causes distress in any way. May it release all mankind from every limitation and flood the earth with His full Glory, Perfection and Love to set all free, until they are Ascended into the "Light of God that never fails."
