

IT IS the Request of the Ascended Masters that sometime in every Study Group, the "Song of the Violet Flame" is sung, so as to intensify Its Action for the Students, America and the world now as powerfully as possible.

Our Beloved Saint Germain is the Lord of the Violet Ray and an Angel Deva of the Violet Flame, and every time we use that song or the Decrees of the Violet Flame, or play the Records containing it, we give Him more opportunity to increase Its Activity to consume all destructive qualities and activities. Thus in singing this song, we are giving Him energy already harmoniously qualified and charged with that quality which is especially His Service and Gift to mankind.
