

· CHART OF THE “MIGHTY I AM PRESENCE” ·

The Chart of the “Mighty I AM Presence” is the Open Door thru which every human being on earth can see God Face to Face; because the Chart represents the form of each one’s own Individualized Presence of God.

The Ascended Masters have said: “When you are in touch with the form of a thing—you are in touch with the Presence of that thing,” because the form contains the consciousness of Its Creator. When we hold our attention upon that Chart, the consciousness of our own “Mighty I AM Presence” pours thru that form into us, whatever we call forth at that time.

Remember again, the Great Divine Director said: “Your attention is your Power of Concentration! Your feeling is your Power of Qualification! Your mental picture is your Power of Visualization!” Then, whenever we contemplate that Chart, our very first obligation is to pour out our most intense Love to that Blessed “I AM Presence” which gives us and has always given us all good and nothing but good.

We should offer everything we are and have into Its Heart; and call forth Its Limitless Light to flood us and all we do, with Its Authority, Victory, Freedom, Protection, Perfection, Obedience, Divine Justice and Lavish Supply of every good thing, to compel Its Divine Plan to control unconditionally all we do each day.

Try to feel—that just as the wave of Light, pouring out thru the Heart of the Electronic Body (the Upper Figure in the Chart) travels on and on, in Cosmic Blessing to the whole Universe, thru Its every Heart-beat—just so, should every wave of energy from our physical hearts, carry only the Blessing of Light, Harmony, Joy and Perfection into all physical activities of this world.

In that way, every time we look at the Chart, It helps us to remember what we owe to this physical world for what we use of Its Substance and Energy; and why it is so absolutely necessary to maintain uninterrupted Harmony in all we do each day—especially in all we feel each day—until all the Presence wants us to do and have, floods forth thru us in full accomplishment.

Then, Its Divine Plan of Perfection stands forth revealed in physical fulfilment. It is only when we do this in all our activities that our happiness becomes permanent and we enter into the Eternal Perfection which is our Birthright.

The Out-pouring of Life, Light and Perfection from the Great Central Sun thru each one's Electronic Body is Eternal and ever-expanding; because discord cannot reach the Electronic Body to interrupt Its Perfection, for It is the Eternal Authority over all manifestation. Then Its Out-pouring of all Good thru us would be Eternal and ever-expanding too, if we give It all authority over all in the physical octave of our experiences here.

That Blessed Wonderful Chart of the "Mighty I AM Presence" is the constant reminder to each one of us, of all Life wants to give us thru Its Mighty Light Rays; for thru those Light Rays, the Supreme Life of the Universe is constantly surging and trying to press more of Its Perfection thru every human being, who will look unto It and let all It wants to give come thru to bless all.

Then in all our attention and calls to the "Mighty I AM Presence" for Its Perfection and Protection to come thru to bless all on earth, we ourselves become more and more filled with the Perfection all require to bring balance everywhere on earth, until all are the Victory of the Ascension.

Blessed Ones of the Light, Love! Love! Love! your own "Mighty I AM Presence" at all times, in the midst of all conditions, with all your heart, with all your mind, with all your feeling, with all your strength, until all in you and your world becomes Its Perfection; and you become one with your Electronic Body in the Fullness of Your Ascension.

*There are so many things said which are the Great Truth; and yet mankind have just taken them as a matter of fact, giving them no power of qualification which would be the constructive thing. Just like the statement: "There shall be no other gods before Me." Who knew anything about what that meant? Most of the time, the reason they did not obey it was because they did not know what "Me" meant. They thought It referred to a Universal God. Well that qualification of Life is so widely distributed in Its attempt to focus within the substance that It really has no powerful individual effect.*
