

Then in all our attention and calls to the "Mighty I AM Presence" for Its Perfection and Protection to come thru to bless all on earth, we ourselves become more and more filled with the Perfection all require to bring balance everywhere on earth, until all are the Victory of the Ascension.

Blessed Ones of the Light, Love! Love! Love! your own "Mighty I AM Presence" at all times, in the midst of all conditions, with all your heart, with all your mind, with all your feeling, with all your strength, until all in you and your world becomes Its Perfection; and you become one with your Electronic Body in the Fullness of Your Ascension.

There are so many things said which are the Great Truth; and yet mankind have just taken them as a matter of fact, giving them no power of qualification which would be the constructive thing. Just like the statement: "There shall be no other gods before Me." Who knew anything about what that meant? Most of the time, the reason they did not obey it was because they did not know what "Me" meant. They thought It referred to a Universal God. Well that qualification of Life is so widely distributed in Its attempt to focus within the substance that It really has no powerful individual effect.

HERCULES

Be very careful in your interpretation of the things We say. Notice carefully and please all come to the same conclusion. Now notice this carefully. When We dissolved or destroyed that which has been the accumulation in the Life Stream of an individual, We can only dissolve that which could be balanced back to the Universal. We cannot take from individuals the responsibility of that which the Cosmic Law says they must balance themselves. Make no mistake about that, and let nothing which is said before or in the future change that point. We take it for granted you understand that when We draw or cite the Law to a certain point that remains and what We may say before or after does not change that point.

HERCULES

If you give those destructive things too much attention, you begin to release a binding power thru your attention. I tell you, you are all at the point now where you can take, not a less positive attitude, but with an ease. Say: " 'Mighty I AM Presence' dissolve that! Powers of Light! dissolve that! Great Ascended Masters or Cosmic Beings! dissolve that, cause, effect, record and memory." Then take your mind off and if it goes back say: "Come back here, stay where you belong! I have called for the dissolving of that and it is done." That gives you the acceptance in your dynamic call once to dissolve it and finish it, so you don't have to feel it has to be constantly repeated.

· GODFRE OUR LOVED ONE, ASCENDED ·

IT is our great privilege to announce the release of a new song — “GODFRE OUR LOVED ONE, ASCENDED,” by the Messenger, Lotus Ray King.

This new song is a tribute of Love and Adoration to our Beloved Messenger, Mr. Guy W. Ballard, and is an Out-pouring of our heart’s gratitude to Him, for the Blessings He is constantly releasing to all under this Radiation, from the Ascended Masters’ Octave of Light.

This song is dedicated in Eternal Love and Blessing to the “Mighty I AM Presence,” and our Beloved Mes-

senger. May all who sing, play or hear the lyrics and music or contemplate His Picture, feel His Enfolding Love pour back to them, bringing them Eternal Freedom in the "Light of God that never fails."

This song, both lyrics and music, is the answer to an intense call for some way in which to express the deep Love and Gratitude of the "I AM" Student Body to our Beloved Messenger for all He has done for them; and for being the Open Door to bring to them the Understanding of the Law of Life, which will lead them into their Ascension.

The Cover design is an actual photograph hand colored by May DeCamara to whom we are deeply grateful and extend to her our Love and Blessings.

May this song be sung by everyone who seeks Freedom from the distress of the outer world; and thru It receive their Freedom and release.

No greater privilege could be given one than to be the channel thru whom this song could come; and our hearts sing with gratitude and praise for this opportunity and Blessing.

If individuals make mistakes, do not begin to gossip and find fault; but just call the "I AM Presence" into action to see that the mistakes never occur again. Do not let yourself build upon conditions that make such disturbance for you. You are acting in the capacity and Presence of Life, and I am sure no one willingly wants to interfere with It.
