

· "BELOVED MIGHTY I AM PRESENCE" ·

Y own "I AM Presence," God's Flame from  
the Sun,

All Authority now and Victory won,  
O'er all on the earth, Light's Perfection on

High!

Control me! Enfold me! Make all else pass by.  
Thy Heart's Mighty Life, I use daily with joy,  
I now give It back in all Love—no alloy!  
May It raise to Your Realm all those whom I meet,  
In Victory Eternal and none know defeat!

Make Thy Light so great that no one can fail!  
Make Thy Love the Power to ever prevail!  
Make My Strength now as millions to save and to hold!  
Make Thy Power reveal all Life's Gifts untold!  
Make Thy Purity release the Light thru each Heart!  
Make Thy Peace in Full Glory never depart!  
Make Thy Wisdom control in all that we do!  
Beloved "I AM Presence" come instantly thru!

Now keep us eternally worthy of Light!  
Make the sky all ablaze—consume all earth's night!  
The Light of Thy Presence shall blaze as the Sun!  
Now mankind and God shall forever be One!  
Victorious at last, all who call unto Thee,  
Shall arise and be Master, Blessed and Free!  
Beloved "I AM Presence," we love Thee and call!  
Give Thy Final Command! Sweep the world! and  
save all!
