· SAINT GERMAIN'S DISCOURSE ·

*Dallas Reading Room Dedication—June 12, 1939*

**B**ELOVED ones of the Light, how My Heart thrills and rejoices with you in the Victory you are winning, not only within yourselves, but in your ability to shut out the appearance world which has been distressing mankind, until that time when they see that by giving their attention to the limitations and conditions of human creation, they but invite more of the same kind.

You are realizing, I am sure, that to keep pouring forth your mighty calls to the Presence of Life, the "Mighty I AM" that the momentum steadily gains until one day, perhaps most unexpectedly, the human seeming opposition will disappear before you. Then comes the great expansion of the Light which every heart knows, which every heart wants, but which the intellect so often shoves aside; and only after more serious experiences of human conditions, will the intellect subside to the Dominion of the heart.

My dear ones, I congratulate you with all My Heart. I thought when first I brought the Messengers to your lovely city that We could establish a Great Pillar of Light here. I had ceased to believe that, and now I wish you to feel My Heart in saying to you: "I feel sure of it." (applause)

I wish to say to you beloved students here and those who might be visiting, I have not as I recall once even suggested it but since I observed your great Victory here, I think I should call your attention to it; the difference between having your own place where no other element enters and holding your meetings in a place where other elements may intrude, is as different as daylight and darkness. You cannot gain a steady Infallible Momentum where other forces intrude.

That is why I say to you, beloved ones, and I do ask every student here to, with all the loving kindness of your heart, co-operate with the dear ones who have stood so loyal to the Light, struggling and calling and calling, until now you have this lovely place here. You who stood so loyal out of the early chaos that reigned here, should rejoice and feel your great Victory. There is no human pride in that, but a rejoicing in the Victory of the Light which is within you; for, understand beloved ones, the Light in you is the only means of Victory that there is; whether It be in your commercial world, your spiritual advancement, the expansion of your Light, your health or any achievement.

You do not realize it yet, my dear ones, but let Me suggest to you that only as the Light in your heart expands and illumines the mind, do you become victorious in anything, even in your commercial pursuits. Wherever there is Victory there is the Power of the Light in action. Then you might say to Me: "Well how is it that many successful individuals do things which do not seem to be right"? Observe dear ones, mankind not understanding this Law, is constantly open to the suggestions of the outside world and the intrusions of feeling. Now, you as students have found some difficulty, may I say, in holding from your own world discordant things. Then think how much more the individual who does not understand the Presence is subject to those conditions than you are.

Dear ones, no one in the world—notice carefully—no one in the world is free from intrusion of the feeling of others; from the conditions in which they move which are discordant, unless they will take absolute control of themselves thru outer effort as well as their call to the Presence. What I mean by outer effort, is your determination to have sufficient Self-control that the Power of your Presence called forth, may find no

qualification of discord to clothe the energy which goes forth. That is the Law of every human being's Life. Energy must go forth from you, dear ones, it cannot help it. You cannot move about and energy not go forth. It is the energy of Life, the energy of your Presence, that would produce such great Perfection for you, if untouched by human qualification.

You have established this lovely place now—and may I say something quite unusual for Me? These Messengers have never hesitated to do whatever physical work was required at any time. You blessed students who have rolled up your sleeves, taken your paint brushes and have rendered tremendous physical service in beautifying your lovely place, I congratulate you with all My Heart. You have real metal within you.

My dear ones, every person, every student in the land, will one day be called upon in some manner to render physical service in connection with the Power of Light. Those who are happy, glad and willing will be the first to be released from that. Your Messenger learned a great lesson early in Life. He rebelled like fury at doing certain physical work, and then suddenly, he discovered that if he loved to do it, soon he did not have to. It is a great great Law of Life. If you love to do whatever is at hand, calling the Perfection of the Presence forth at all times just like a gentle breath, you will float, as it were, from one thing into another until you arrive at your own Perfect Avenue of Service in the Light.

No two human beings on this earth ever labored harder in physical work than these two Messengers; and even today, if it were necessary, they would roll up their sleeves and do whatever physical work was required to accomplish the purpose. That is a great great thing, a glorious thing; and those who are not afraid of physical work, will find their Light blazing to the

skies. That is why I congratulate you beloved students who have been so willing here to take hold and do the physical things necessary to make you a beautiful home in which to worship the greatest Presence in the Universe, God your "Mighty I AM."

My dear ones, Oh, that you might feel with Me just now all that this means to you! Oh, my dear ones, as you have so often heard from almost every angle of Life: "Seek ye first the Kingdom and all else is added." Never was a truer thing said in the world, but mankind in reading, repeating or relating that statement, knew not where It was. Now, today, you know that Kingdom is your own "Mighty I AM Presence." You know exactly where It is. You know your connection with It, and dear ones, how can you fail to have Its Perfection with Love and kindness in your feelings and your call to the Presence which compels that Almighty Perfection which is there to come forth?

Do you not see it is not a matter of coaxing, but it is a matter of harmony and kindness in your feeling toward all things, no matter what the appearance world is holding before you? Then that Presence of Life, your Higher Mental Body which is the great and powerful Intelligence that knows all that is required and only has waited thruout these centuries for you to come into sufficient harmony and kindness maintained in your feeling to stop the discord of the great energy released which It pours forth into you and your world of action; to bring you into the happiness and Perfection of Life.

It has been sometime since I have felt quite this rejoicing. (applause) You blessed people of Texas I have not dared say yet just why I have a very deep Love for you. Some day, I may forget Myself and tell you, (applause) but in this state entering the Union of these United States, something happened that not one in the

outer world knows today; and when the Great Wisdom of Life sees fit to have Us reveal It, you will all stand in amazement. Your Lone Star State represents a great Power and anchorage of the Light in these United States. (applause—rising)

While you are standing may I say this: “As your riders of those early days cleared out the vicious destructive forces from your state, so shall the Riders of the Light clear out of your state all political graft and destructive power. (applause) Underneath the surface of your land in Texas alone, would be enough to carry the national expenses, if governed by Wisdom. Then, think of Oklahoma and those Western states, whose mountains are filled with gold. With the Wisdom of the Ascended Masters, as the Directing Powers of your government, think how all that could be utilized and mankind be free from the excess taxation which has driven magnificent people from their homes; a sinister activity that has tried to break the morale of the American people and break up their homes; so there could not be a focus of Light wherein could come the Power that would be the Governing Power in America. It has failed and always shall! The home life of America shall be restored, if I have to go in every home in America! (applause)

I say to you beloved students of the Light: Guard your world as you never guarded anything before from all destructive forces, every thought, every feeling, your speech. When people come to you with destructive tales, silence them on the spot, if you want to be happy and be Free and have the Full Power of your Presence pour Its magnificent Majesty of Light forth and bring the limitless Perfection of Life into your use and into your world.

My dear ones, the Messengers have told the people this so long, and I urge you again and again, you can

do this only as you pour out Love and kindness; but that does not mean that you do not need to be firm under and before physical conditions. You can be ever so firm and in control of things without being unkind. That is the Victory of the Light.

I say to you beloved ones, your feeling is the Powerhouse of America; and until the feeling world of mankind is controlled and governed and will allow no discordant thing to go forth, they will be subject to human mistakes and human conditions; because mankind is the decreer of his world and the people of America, if they really understood would be the governor of America because they would pour forth from their feeling, the command of Light which would fill every official place in our land with the people of the Light, with Ascended Master Friends everywhere, in which there could not be political graft.

You might think I was a politician. I am not! but I have dealt so long with the political intrigue of the world, and I learned My lesson in France, when I witnessed the political intrigue in the nations of Europe and am still witnessing it, in more and more drastic condition all the time.

Oh, you precious people of America! God your "Mighty I AM Presence" alone knows how fortunate you are to be in this land today, instead of Europe. You cannot possibly conceive by anything I might say, the conditions that are growing daily worse there. Great masses of people living on but a handful of crude food a day; and because of the fear that is over them, they dare not utter a word to bring anything to their assistance. They must be silent and perish.

Stalin of Russia has again committed wholesale slaughter of magnificent men. You might say to Me: "Why don't the Powers of Light intercede"? Mankind, dear people, have Free will. For four hundred years,

I tried to instill into the people of the nations of Europe the Power of this Light, and I could not get enough together to even hold a Focus of the Light. They are paying the penalty of the discarding of that Light today! I had one German Prince who listened to Me with all his heart; but when I came to the point where I said: "Now you must assert this Power of the Light," he said: "Oh Saint Germain, I cannot do it. I dare not." I said: "You with the understanding of the Powers of Light dare not trust the Power of Light to carry you forward"! He said: "I am sorry, but I have not the courage," and I was compelled to withdraw. I could have changed, through him, all of Germany and Austria and these conditions that exist today would have been unknown.

That is where many are standing today and some among our students who have turned aside from this Light with human arrogance, feeling that they would defy the Light and Me. They too will meet that same fate. They will meet the downward pull of the human senses, which will drag them into privation and agony beyond words.

My dear people, allow Me to inform you that, today, mankind stands at the cross-roads of Life. You must go one way or the other. If you go to the right, you will follow the Light. No one but you can decide, but if you call to your Presence with great determination and earnestness, your Presence will cause you, even though unknown in your outer feelings to follow the right way. It is not a matter of Me, it is not a matter of the Messengers, it is a matter of the Cosmic Action of the Law of Life that is—it might sound sacriligious if I use your terminology just at this point. No I shall not do it, but Life has waited long enough.

Remember—not in other parts of the world, but in your America, the free will of vicious human beings

can be and is being withdrawn; and that would be one of the principal hopes for the people of America. Since the feeders of destructive forces are no more, then when mankind or the students of the Light, will turn to their Presence, refuse to give power to the appearance world; refuse to allow their eyes to longer accept into their feeling world, the appearance there of distress and limitations; turning their eyes to the Presence, beholding Its Splendor, Its Treasurehouse of all perfect and good things that will flow into their world, as water flows in its course in the river. The water does not consider where it is going, but flows. The energy of Life does not discriminate, It flows; and if it carries your qualification of discord forth, distress and limitation, then it will fill your world with that.

When We have placed this before the students so long, how can any misunderstand? It is not a matter of persons, places or conditions, but whatever fills your world in qualities will out-picture and you are in its center. If you allow discord to flow forth through your feelings, you will have that in your world. Nothing can prevent it and the human arrogance that says: "Oh I will go forward anyhow!"—how far will you go?

Observe those who have turned aside from this Light. If you knew the agony that was in their heart and their world—and it will increase—you would pray and call to the Light for their deliverance. I am watching every one of these individuals who have turned vicious toward the Messengers and the agony that fills their world is pitiful to behold, but they are still too stubborn to admit their mistake.

There is only one activity of Life. It might be toward any person or condition, it is quite the same. Only to turn from the Light when once you have known It, is a tragedy of human experience. Some will not believe that, but still they will reap it in spite of all I could do

unless they turn and face deliberately about, calling on the Law of Forgiveness, then righting the mistakes they had made.

I cite to you one instance, because you need it blessed precious people. That man Bryan in Los Angeles who spread such vicious falsehoods and doubts among the people of the world, all over the world, what do you think his penalty will be? One of the greatest agonies ever known outside of a black magician. He could not right this wrong he has done in a dozen life times because he would have to take individual by individual and undo the thing, the seed that he has planted in their mind.

Every one who turns against the Light is in the same condition, only his is to a far greater extent. These are conditions of Law my dear people! They are not a matter of anyone's human opinion, but it is Law that is acting! What mankind send out they must reap.

I know you feel the Love in My Heart in prompting you once again. Then It will lift you so quickly, if you care to follow the prompting, into the full glory and activity of your Presence of Life. There are so many of the beloved students throughout America just now at this point where I could do so much for them, if they would only let Me. Some who are so near being turned aside from the Great Light that I could help so much, if they would allow Me.

So dear ones, when foolish human gossip comes into your midst *kill it* with one blow and then all will be happy. A gossip in your midst can turn everything upside down. Don't permit it, dear people, if you want to be happy and bring the Light into your city, as I could bring it to you. When you have gone thru one period of chaos that will never have to be repeated, as you grow stronger in your call to the Light; but individuals do not yet all understand that their motive is

known; and many cannot control their tongues from saying unkind untruthful things. What a pity! They alone must reap what they sow.

So dear students of Dallas, won't you with all the Love of your hearts, join as one in the call to Light and in the obedience to Life; and let the fulness of that power of Divine Love, Divine Order and the Goddess of Justice, reign in your midst to bring Divine Order and Perfection of Life, to fill every one of your bodies, your world of action and your temple, your Sanctuary of Light, here with the Glory of Its Eternal Light, Perfection, Happiness, health, strength and courage sustained forever. I thank you.

### GODDESS OF LIGHT

*We have seen this within the atmosphere of quite a number of individuals. They have made certain application—let Me call it “frail” application and have called for the Circle of Blue Flame and the projection of the Tube of Light and all that; but they are not cognizant of the fact that they must release enough intense feeling which releases the Substance from their bodies by which the Great Ones amplify, intensify, impel and compel the Tube of Light into action about them which would one day become Invincible.*

· CHART OF THE “MIGHTY I AM PRESENCE” ·

The Chart of the “Mighty I AM Presence” is the Open Door thru which every human being on earth can see God Face to Face; because the Chart represents the form of each one’s own Individualized Presence of God.

The Ascended Masters have said: “When you are in touch with the form of a thing—you are in touch with the Presence of that thing,” because the form contains the consciousness of Its Creator. When we hold our attention upon

that Chart, the consciousness of our own “Mighty I AM Presence” pours thru that form into us, whatever we call forth at that time.

Remember again, the Great Divine Director said: “Your attention is your Power of Concentration! Your feeling is your Power of Qualification! Your mental picture is your Power of Visualization!” Then, whenever we contemplate that Chart, our very first obligation is to pour out our most intense Love to that Blessed “I AM Presence” which gives us and has always given us all good and nothing but good.

We should offer everything we are and have into Its Heart; and call forth Its Limitless Light to flood us and all we do, with Its Authority, Victory, Freedom, Protection, Perfection, Obedience, Divine Justice and Lavish Supply of every good thing, to compel Its Divine Plan to control unconditionally all we do each day.

Try to feel—that just as the wave of Light, pouring out thru the Heart of the Electronic Body (the Upper Figure in the Chart) travels on and on, in Cosmic Blessing to the whole Universe, thru Its every Heart-beat—just so, should every wave of energy from our physical hearts, carry only the Blessing of Light, Harmony, Joy and Perfection into all physical activities of this world.

In that way, every time we look at the Chart, It helps us to remember what we owe to this physical world for what we use of Its Substance and Energy; and why it is so absolutely necessary to maintain uninterrupted Harmony in all we do each day—especially in all we feel each day—until all the Presence wants us to do and have, floods forth thru us in full accomplishment.

Then, Its Divine Plan of Perfection stands forth revealed in physical fulfilment. It is only when we do this in all our activities that our happiness becomes permanent and we enter into the Eternal Perfection which is our Birthright.

The Out-pouring of Life, Light and Perfection from the Great Central Sun thru each one's Electronic Body is Eternal and ever-expanding; because discord cannot reach the Electronic Body to interrupt Its Perfection, for It is the Eternal Authority over all manifestation. Then Its Out-pouring of all Good thru us would be Eternal and ever-expanding too, if we give It all authority over all in the physical octave of our experiences here.

That Blessed Wonderful Chart of the "Mighty I AM Presence" is the constant reminder to each one of us, of all Life wants to give us thru Its Mighty Light Rays; for thru those Light Rays, the Supreme Life of the Universe is constantly surging and trying to press more of Its Perfection thru every human being, who will look unto It and let all It wants to give come thru to bless all.

Then in all our attention and calls to the "Mighty I AM Presence" for Its Perfection and Protection to come thru to bless all on earth, we ourselves become more and more filled with the Perfection all require to bring balance everywhere on earth, until all are the Victory of the Ascension.

Blessed Ones of the Light, Love! Love! Love! your own "Mighty I AM Presence" at all times, in the midst of all conditions, with all your heart, with all your mind, with all your feeling, with all your strength, until all in you and your world becomes Its Perfection; and you become one with your Electronic Body in the Fullness of Your Ascension.

*There are so many things said which are the Great Truth; and yet mankind have just taken them as a matter of fact, giving them no power of qualification which would be the constructive thing. Just like the statement: "There shall be no other gods before Me." Who knew anything about what that meant? Most of the time, the reason they did not obey it was because they did not know what "Me" meant. They thought It referred to a Universal God. Well that qualification of Life is so widely distributed in Its attempt to focus within the substance that It really has no powerful individual effect.*

· GODFRE OUR LOVED ONE, ASCENDED ·

IT is our great privilege to announce the release of a new song — “GODFRE OUR LOVED ONE, ASCENDED,” by the Messenger, Lotus Ray King.

This new song is a tribute of Love and Adoration to our Beloved Messenger, Mr. Guy W. Ballard, and is an Out-pouring of our heart’s gratitude to Him, for the Blessings He is constantly releasing to all under this Radiation, from the Ascended Masters’ Octave of Light.

This song is dedicated in Eternal Love and Blessing to the “Mighty I AM Presence,” and our Beloved Mes-

senger. May all who sing, play or hear the lyrics and music or contemplate His Picture, feel His Enfolding Love pour back to them, bringing them Eternal Freedom in the "Light of God that never fails."

This song, both lyrics and music, is the answer to an intense call for some way in which to express the deep Love and Gratitude of the "I AM" Student Body to our Beloved Messenger for all He has done for them; and for being the Open Door to bring to them the Understanding of the Law of Life, which will lead them into their Ascension.

The Cover design is an actual photograph hand colored by May DeCamara to whom we are deeply grateful and extend to her our Love and Blessings.

May this song be sung by everyone who seeks Freedom from the distress of the outer world; and thru It receive their Freedom and release.

No greater privilege could be given one than to be the channel thru whom this song could come; and our hearts sing with gratitude and praise for this opportunity and Blessing.

*If individuals make mistakes, do not begin to gossip and find fault; but just call the "I AM Presence" into action to see that the mistakes never occur again. Do not let yourself build upon conditions that make such disturbance for you. You are acting in the capacity and Presence of Life, and I am sure no one willingly wants to interfere with It.*

· ANNOUNCEMENT ·

**BELIEVED PRECIOUS "I AM" STUDENTS  
EVERYWHERE:**

Because of the recent vicious attempt to interfere with Saint Germain's "I AM" Activity in our beloved United States of America, by denying us the use of the mails, in bringing This Ascended Master Light and Freedom to mankind, we are standing a million times more firm and unyielding than ever before, because this "I AM" Activity goes on regardless of any human being or all on earth.

It is the Activity of the Ascended Masters and They will carry It forward until all are free. Therefore, you can always reach us thru Saint Germain Press, Chicago, Illinois, only by Western Union Telegraph or American Railway Express Company. Until further notice, do not use the mails or P. O. Box numbers. I will come to as many of the Reading Rooms and Sanctuaries as my time will permit and greet you all personally as soon as possible.

We ask you to get your magazines at the Reading Rooms until such time as this unwarranted persecution of us and This Light is annihilated and the Victory of this Glorious "Mighty I AM Presence" stands revealed for all Eternity.

Donald and I are NOT GUILTY of the things of which we have been accused—never were and never will be. That is the Eternal Truth before God, man and the Universe and time will prove that Truth to all. We have given only Good, Truth and all that is

constructive and God-Like. We have given infinitely more than we have ever received; and never have at any time anywhere for any reason defrauded anybody of anything; and time will prove the Truth of that statement to the world also.

We have defended America and her people and all America means to the world and we always shall. We ask all to call to your own "Mighty I AM Presence" and the Ascended Masters to show you what you should do in regard to your outer world activities, then follow your own feelings and direction to the best of your ability.

We never have and do not now advise anyone what to do as we always leave each one free to follow the promptings of his or her own "I AM Presence," so only Perfection can come to all. We shall at all times continue to call for your Invincible Protection, Perfection and Limitless Supply to bless you until the moment of your Ascension.

We enfold you in all the Love of our hearts. We call the Ascended Masters and Angelic Host to stand guard over you forever and clothe you in Their Overwhelming Victory of the "Light of God that never, never, never fails."

and  
DONALD BALLARD

### HERCULES

*Be very careful in your interpretation of the things We say. Notice carefully and please all come to the same conclusion. Now notice this carefully. When We dissolved or destroyed that which has been the accumulation in the Life Stream of an individual, We can only dissolve that which could be balanced back to the Universal. We cannot take from individuals the responsibility of that which the Cosmic Law says they must balance themselves. Make no mistake about that, and let nothing which is said before or in the future change that point. We take it for granted you understand that when We draw or cite the Law to a certain point that remains and what We may say before or after does not change that point.*

### HERCULES

*If you give those destructive things too much attention, you begin to release a binding power thru your attention. I tell you, you are all at the point now where you can take, not a less positive attitude, but with an ease. Say: " 'Mighty I AM Presence' dissolve that! Powers of Light! dissolve that! Great Ascended Masters or Cosmic Beings! dissolve that, cause, effect, record and memory." Then take your mind off and if it goes back say: "Come back here, stay where you belong! I have called for the dissolving of that and it is done." That gives you the acceptance in your dynamic call once to dissolve it and finish it, so you don't have to feel it has to be constantly repeated.*

· BLESSED BELOVED ONES OF THE LIGHT ·

We are discontinuing the Decree Groups at the Shrine Auditorium in Los Angeles, and there will be no further Shrine Classes at this time. The final decision was not reached until Tuesday morning, therefore, it was not possible to make the announcement last Sunday.

The regular Group Activities at the Sindelar Studios, the Reading Room and elsewhere will continue the same as usual, so far as I am advised. Many of the students have already left the city, others are leaving soon. All are free to do as their hearts direct. Coming changes will take place as set forth in the books, just when we cannot say; but when destructive forces unleash such hatred against this Light, it will hasten such activities.

We are leaving Los Angeles to make further arrangements for a suitable place to hold the Decree Groups together—possibly at several points in the middle west, where the greatest safety lies. We have not deserted Los Angeles and will return here on or about the 15th and will at that time, be able to give you more definite information regarding our future activities. If war is held out of America and conditions are such as warrant our returning here from time to time, you may rest assured we will do so; but the future remains in the hands of the Great Ones, as only They know what is in store for America in the coming days.

My Love and Blessings enfold each and every one; and we call the Infinite Blessings of Eternity upon all. We ask all to remain calm, poised, balanced and sane. Make your calls to your own "Mighty I AM Presence" to direct you as to what you should do, then be governed by that decision, knowing the Light of God never fails.

We command Invincible Protection and Perfection for you all, and with Eternal Gratitude for your loyalty to the Light and Our Own Beloved America, Until we meet again we are with you always in the Light,

MRS. G. W. BALLARD.

## · SPECIAL NOTICE ·

### DECREE GROUPS

Decree Groups may be added to your other Group Activities, but these should not replace the Regular Group Activities or Fundamental Groups.

All Decree Groups should open with Invocation—either Victrola Record or Invocation on No. 1 Outline.

Six Cosmic Light Calls.

Close with Regular Benediction.

Periods of quiet for using Violet Flame or playing one of the Music Records are permissible.

These Decree Groups may be carried on for 24-hours if so desired, using Decrees in the Loose-leaf form. A new Group of Decrees will soon be released, containing those used in our recent Shrine Class.

It is permissible to take one subject and stay on it for the entire period, even 24-hours. Those desiring supply will find the use of the Supply Pamphlet for as many hours as is possible most beneficial. The momentum gained thru issuing those Decrees, must release the needed supply when it reaches a certain point. So it is with any other condition needing attention.

### FUNDAMENTAL GROUPS

In the Sixth Lesson (Pages 16-17) of the FUNDAMENTAL OUTLINE No. 11—please omit the following:
