

· THE CRYSTAL CUP'S UNFED LIGHT ·

BELOVED Precious "I AM" Students thruout the world, let us each one make the call to our own Beloved "Mighty I AM Presence" and our Precious Ascended Master Saint Germain to focus into each "Crystal Cup" under this Radiation, a Mighty concentration of the Unfed Light from His Octave of Life, to be an intensified, sustained action of the Cosmic Light within the world of each one.

From this we many times a day accept and call forth the Streams of Light and Substance required to be the supply of whatever each one desires to use to expand the Victory, Light and Freedom of the Ascended Masters for America and all mankind; and from which the Ascended Masters can draw into each one's world all required to fulfill God's Divine Plan for each one in

physical manifestation, here and now in this physical world, until the Ascension is completed!

If you remember what Saint German said in a former Dictation, you will recall that He asked us all to make the call for our own "I AM" Temples, "I AM" Schools, "I AM" Homes of Light and that if the proper preparation was made He might give us "Globes of the Unfed Light," like those in the Temples of South American Civilization and like those in the Retreats of the Ascended Masters thruout the world!

It is to remind each one of that God-Power which *can* come forth to bless all under this Radiation and thru them America and the world, if those who understand this Ascended Master Instruction of the "I AM" which Saint Germain has given, will make the call daily—give some definite time, attention and devotion to the acceptance, deep in the feeling, to enable the manifestation to come forth, which all are craving and which at a certain time must come to be the fulfilment of the Law of Light that forever consumes all human ignorance, viciousness and limitation forever!

The following is the Decree to give:

"Mighty I AM Presence," Great Host of Ascended Masters, Mighty Legions of Light, Great Angelic Host, Great Cosmic Beings and Great Cosmic Light!

Powers of Light from the Great Central Sun! Beloved Saint Germain, Jesus, Daddy, Nada, Great Divine Director, Mary the Mother of Jesus and Archangel Michael! The Powers of Nature and the Great Beings who direct Them, the Seven Mighty Elohim, the Seven Mighty Kumaras, the Seven Mighty Chohans, the Gods of the Mountains, the Mighty Maha Chohan, Mighty Cyclopea, Silent Watcher and Lord Maitreya!

Draw a Mighty Focus of the Unfed Light of a Thousand Suns into the Crystal Cup of everyone under this Radiation! Concentrate, sustain and increase It each

day and make It visible to the physical sight of all mankind.

From It draw forth whatever I require to expand this Ascended Master "I AM" Activity, Victory, Light, Freedom, Divine Justice, Protection and Perfection thruout America and the world; and to fill my being and world and all under this Radiation with every good thing until we are all wholly Ascended and Free!

Thru that Unfed Light, blaze forth the Unfed Flame in whatever Power is required to overwhelm all that is not constructive in mankind the earth and its atmosphere forever; and flood Ascended Master Miracles of Perfection everywhere we go forever and to all to which we direct our thought, feeling or attention!

Compel the Power of Instantaneous Precipitation, Etherealization, Levitation and Transportation to come forth from Our Crystal Cups into the use of all those under this Radiation who will use them only as the Ascended Masters do!

Beloved Jesus, Pour forth all Your Power of the Open Door which no man—no human creation can shut! and annihilate all doubt, fear, lack, hate, anger and discord from our beings and worlds forever!

Beloved Goddess of Light! Pour forth all Your Power of the Three Open Doors into the Ascended Masters' Octave of Light and the Power of the Inner Chamber to enfold all under this Radiation forever!

All Great Beings and Powers of Light! Compel such Overwhelming Miracles, Victory, Freedom, Supply, Healing, Protection and Perfection to come forth thru Saint Germain's Focus of the Unfed Light in our Crystal Cups that they compel all that is not of the Light to be consumed this instant and the Authority of the Light to take Its Dominion in all forever and compel God's Divine Plan for all mankind to be fulfilled forever!
