

BELOVED Precious Students of the "I AM" School, we enfold you in all the Power of Light and the Flame of Love from Daddy's and Donald's and my Heart every day many times!

We call for all the Ascended Master Honesty, Honor, Love, Freedom, Light, Wisdom and Victory to blaze thru you in all you do until your Ascension. We call our Beloved Saint Germain, Jesus, Daddy, Nada, the Great Divine Director, Mary the Mother of Jesus, Archangel Michael, Mighty Harmony and Glorious Victory, all the Goddesses, Beloved Meta and Beloved Quan Yin to bring forth the complete Fulfilment of Your Ascended Master "I AM" School and it *shall* come!

We call our Beloved Hercules, Helios, the Seven Mighty Elohim, the Seven Mighty Kumaras, the Seven Mighty Chohans and the Gods of the Mountains to seal you in the Heart of the "Mighty I AM Presence" and the Ascended Masters' Octave of Light! to let nothing find you but the people of the Light! and to keep you forever Invincible, Invisible, Invulnerable, Victorious and Free from all but the Cosmic Light of a Thousand Suns, until you are wholly ascended, and so shall it Be!

Remember the only thing in this world worth living for is God, the "Mighty I AM Presence" in Action, in and thru you and all who are constructive! the Great

Host of Ascended Masters and the "Light of God that never fails"!

Therefore measure all you do by those standards! No matter what any other human being on earth does or thinks, you live always within what you think and feel; and no thought or feeling less than God's Perfection—which the Ascended Masters are, will ever be satisfactory to your feelings or make you happy. Nothing else is worth one moment of your time nor one ounce of your energy.

This is a Self-evident Law of Life. Any other thought or feeling always brings one or more problems with it and sooner or later all must be dissolved by the Light of the "Mighty I AM Presence"—the "Light of God that never fails"!

SAINT GERMAIN

Few of the students give sufficient attention to the use of the Violet Consuming Flame. It is so important, because It is what Life has provided for your use; and while the Messengers have said it so many times, still many do not feel the importance of it. It is the only means Life has provided by which your accumulation can be dissolved. Everything has its special action, and people do not understand what they say! "Since these Light Rays are All-powerful, why would They not do the same thing?" Why would Life provide the Violet Consuming Flame for that specific purpose if It were not Its Work?
