

"I AM" STUDY GROUPS

BELOVED Precious "I AM" Students everywhere, in your Study Groups, continue just as you have in the past, only with more unyielding determination than ever, that the Divine Rights of Life in every human being to worship God as our hearts dictate, shall NOT perish from the earth!

The only hope for mankind on this earth today is for the people to turn their attention to the "Mighty I AM Presence" and the Great Host of Ascended Masters and call to that Source of all Life, Light and Perfection to come forth and give the Protection which mankind cannot hold for themselves!

There is no protection for any human being on this earth if you depend on the ways and means human beings are using in the outer world today; because all human effort fails when it ceases to remember the Name of its Source of Power and existence!

Ever since mankind forgot the meaning of the Great Creative Word "I AM"—they have been going down, down, down, into greater and greater destruction and limitation!

The only Power in the Universe that can raise them is the "Mighty I AM Presence," and Great Host of Ascended Masters! Those who refuse to call to that Source for Help will not have Help!

Saint Germain has told the business men of America for four years, that the man who did not give these "I AM" Decrees for the protection of his business would not have any business; and today you see His Words being fulfilled on every hand!

There is nothing in this world worth living for, unless it contains God Qualities, God Plans, God Power! All else is pain in the body, grief in the mind and feelings and lack in the affairs because all else is disintegration! God is the Only satisfactory Activity anywhere in the Universe!

Beloved Group Leaders and Students everywhere, please do not let down on your individual dynamic application, as well as in your Group Activities. Now is the time for more intense calls and action than ever before! As the destructive forces grow more arrogant and aggressive, then is the time to pour on more Light! That can only be done thru the calls of the "I AM" Students to the "Mighty I AM Presence" the Great Ascended Host, the Angelic Host, the Legions of Light, the Powers of Light and the Great Cosmic Light Itself. After all it gives each of us an opportunity to increase our own power by more Cosmic Light!

That Cosmic Light is increasing more rapidly every day, and if the constant calls are made with dynamic sincerity and determination, it will enable the Mighty Arcturus and the Great Goddess of Liberty to release that "Light as of a Thousand Suns" into America to dissolve and consume all human selfishness and discord from the planet. They have said They would do it, but we must not let down on our calls to Them that this be done! When that stroke comes, all discordant individuals and conditions within Our Land will cease forever.

Children of the Light, you are the Vanguard! You are the Individual Focuses thru which this Cosmic Light can be released! Do not let one fail to make that call daily, yes hourly; for nobody on earth except those who have been trained and directed thru our Beloved Saint Germain and Daddy, know how to make the call. Therefore, a grave responsibility rests upon each one!

It is for this reason we are calling your attention to the greatest privilege and opportunity of all life times. We know not one will fail Saint Germain, Daddy and the Great Ones at this time.

Keep calling the Powers of Light into action for America's Invincible Protection and that of her people, especially our blessed young people who are being sent into foreign battle grounds! See the Cosmic Light descend and wind Itself around each and every one and form a Wall of Invincible Protection around them at all times! These are not imaginary activities, but if called into action, It gives the Powers of Light the opportunity to bring this to pass.

Go on in your Group Activities as you always have, only with greater determination and intensity; and remember our Beloved Saint Germain said in the very beginning of This Work: "This Work goes on in spite of any individual or all put together," and He is big enough to fulfill that Decree!

We are calling hourly for your Invincible Protection, your Freedom, Limitless Supply, Strength, Courage and a greater Determination to have the Victory of the Light move into America quickly! Do not accept the appearance world! Keep your attention upon the Perfection you desire to bring forth, and say to all discordant conditions: "You have no power"! To dwell upon the destruction of the outer world draws that into your own world to handle. So be wise and alert! BE the out-picturing of the Perfection you desire! Only as you do this can you expect to see the Victory of the Light come quickly into America! Be unconcerned as to how or when it comes! Just know without any doubt that IT WILL come! Then do your part toward the hastening of this thru your calls and constant application of the Law.

We and all the "I AM" Students thruout the world are the most grateful people on this earth for the priv-

ilege and honor of carrying and defending this As-
cended Master "I AM" Activity, which is the Giver of
all Good to all forever!

Therefore, we should be the happiest, most courage-
ous, most fearless, unyielding people on earth; for God,
the "Mighty I AM Presence," the Great Host of As-
cended Masters, the Angelic Host and Legion of Light
are with us They are our Friends of the Light and who
should be down hearted with the "Mighty I AM Pres-
ence"—God, the Ascended Host and Angels for their
Friends.

They are the Light of the Universe and who can take
Light out of existence! Human plans may come and
human plans all change, but the Light—the "Mighty
I AM," the Ascended Masters, the Angelic Host, the
Legions of Light go on forever; because none can take
Them out of the Universe.

The Light of God never fails!

The Light of God never fails!

The Light of God never fails! and the
"Mighty I AM Presence" is that Light!

SAINT GERMAIN

*We have said before that the time would come, when
quickly vicious forces sent out from individuals would
return upon them. That time has arrived. I mean by
the Power of the Cosmic Light. This is not an individual
thing at all; but the Power of the Cosmic Light which
is demanding Its Reign upon earth. This hour starts
Its Mighty Activity in that respect.*
