

# ANGELS OF FREEDOM

**ANGELS of Freedom bring Love's Violet Flame,  
God's Sacred Fire from Loved Saint Germain,  
It sweeps on and on in His Mighty Power,  
Giving the earth all Its Freedom this hour;**

**Their Blessing Eternal raises all now,  
Their Flame's Mighty Power compels all to bow,  
Love's Great Dominion is Freedom complete—  
Light all commanding prevents all defeat.**

**Angels of Freedom guard always the Light,  
Bestowing Its Gifts, releasing Its Might—  
Revealing Its Joy, projecting Its Rays,  
Expanding Its Power, thru Life's Mighty Praise;  
These Mighty Beings abide everywhere,  
In tangible Forms and beauty so rare,  
For Saint Germain's Heart pours thru Them His Flame,  
In His Mighty Love, "I AM" Freedom's Name!**

**Angels of Freedom come winging Their Way,  
O'er Our Blessed Land, to hold Their Full Sway;  
And all Hosts of Light rule earth evermore,  
Until all mankind, the "I AM" adore!  
Freedom and Justice all balance now hold,  
And Light's Great Victory in Splendor untold,  
Shall blaze Perfection and reign here as One  
The Presence "I AM"—the Great Central Sun!**

**Angels of Freedom compel Triumph thru,  
The "I AM" Supreme and His Presence too,  
Are Full Dominion, Light's Glory for all,  
The Mighty Release for which we now call;  
The Great Violet Flame from Saint Germain's Hand  
Shall cover the earth and hold Full Command,  
All shall have Freedom and all shall now see,  
God's Great Divine Plan—His Victory ALL BE!**
