

"I AM" THE MOST PERFECT DAY!

The first thing on awakening in the morning, after giving your Love and Adoration to your own "Mighty I AM Presence," qualify that entire day and all your activities with the following Decree:—

My "Mighty Beloved, Adorable, Precious I AM Presence," and all Great Beings, Powers and Legions of Light!

I insist that this SHALL BE the Most Glorious, God-Victorious, Joyous, Harmonious, Free, Prosperous, Successful, Luminous, Miraculous, Perfect, Invincible Day, I have ever lived thru in any embodiment!

I insist that all of Your Divine Plan fulfilled shall have all of my Life, Energy, Substance and Consciousness; and all of Your Ascended Master Perfection shall be sustained and ever-expanded; in, thru and around me, all I hold near and dear, and all I ever do or contact!

You and Your Divine Plan shall rule in Absolute, God-Victorious Authority, Dominion and Power (3) of the Cosmic Light of a Thousand Suns; in, thru and around all we ever do or contact; and ANNIHILATE! (3) all human veils and all else that is human—cause, effect, record and memory—before it can act or approach!

You shall manifest such Powers and Power! (3) of the Cosmic Light without limit, that the very earth trembles with the Blaze of Your Glory and Almighty Perfection released!

This call shall be sustained and ever-expanded, today and forever, in ONE MIGHTY STROKE, right now; for these words are Life and do accomplish that whereunto they are sent!

I make this call KNOWING that Life compels the Answer! Before I have called, THOU HAST answered

and while "I AM" yet speaking, Thou hast heard and manifested its fulfillment!

Oh "Mighty I AM Presence" and all Great Beings, Powers and Legions of Light, today and forever!

GEMS OF LIGHT

SAINT GERMAIN

Do not let anyone induce you to speak a critical, discordant word about anybody. If somebody comes to you and asks about something discordant, simply say: "Well really I know nothing about it." Then, if they insist on discussing it, say: "Now, I do not discuss those things." Be firm and determined and soon no one will attempt to bring those things to you, because it is all an attempt of the sinister force to get you disturbed, so it can get its claws into your world.

SAINT GERMAIN

The sinister force working thru individuals off guard, will use the most cunning means to try to get you to say something and then distort it! That is being done constantly among the students. If they would only take their stand! What if you do hurt someone's feelings, isn't it better to hurt someone's feelings, than to let them come into your world, upset it and prevent your achievement?

SAINT GERMAIN

You know when destructive forces generated by an individual reach a certain point, they have to do one of two things—find an outlet or return upon its creator.
