

# SAINT GERMAIN'S DISCOURSE

## OAKLAND CLASS

August 18, 1939

**B**ELOVED ones, I greet you with all the Joy of My Heart, and may you feel that Joy intensify and increase in your world during this class. Let It be so sustained to forever bless you, for We have such Achievement, that like most little boys, I could not wait any longer to tell you.

This call was made some eight months ago by the Messengers and some of the Staff, and I believe all the Staff, with very dynamic power; and I know this Messenger called to Me many times, to see if this could be done! Since about the middle of the Shrine Class, We found that it was possible to set into action certain Cosmic Laws, under the new Dispensations, that this Service be rendered for which they have called, and that is: TO DISOLVE ALL HUMAN ACCUMULATION AND CREATION—NOTICE CAREFULLY AND DON'T GET MIXED UP IN THIS—ALL HUMAN CREATION AND ACCUMULATION THAT COULD BE BALANCED BACK TO THE GREAT COSMIC LAW!

If you saw as We do, you would see that this is a STUPENDOUS THING. It is removing the pressure from mankind to about 62%. I put this specifically, that you may understand how much less is the pressure of each one's own accumulation. I am talking about people outside now who do not understand this Great Law.

Since this Service has to be rendered to America, and since mankind were not doing enough themselves, the Messengers knowing the Law, conceived that this could be made possible. YOU KNOW ONE OR TWO PEO-

PLE FROM THE PHYSICAL OCTAVE OF MANKIND CAN DO WONDERS! I HOPE ALL OF YOU REALIZE THAT! YOU, EACH ONE OF YOU, IS AN ATOM IN THE BODY OF MANKIND, ALL MANKIND! DO YOU SEE THAT? THEN, YOU HAVE A RIGHT TO MAKE THE CALL FOR THE RELEASE OF MANKIND FROM WHATEVER CONDITION YOU MAY DETERMINE!

Weil, they determined that this should be done, and your response to My great Eternal Joy, has been beyond anything We could have contemplated at the time. Why? You would say to me, "Well, if you are All-wise, why don't you know"? Get away from that nonsense, dear people! I have told you time and again, if We could depend upon humanity to do what We ask them to do, We could tell you almost exactly to the moment, what the achievement would be, but you have not done that.

Haven't you seen students, a few, who swore loyalty and in earnestness for the time, then quickly turned aside? Is that not proof of what I tell you, that We could not depend upon human beings? The only time We can, is when you stand determinedly in the Light of your Presence, then you will do the thing that is of greatest assistance to Us! That is why.

You will remember some time ago, THIS CIRCLE OF DESTRUCTIVELY QUALIFIED SUBSTANCE AROUND AMERICA, WAS DISSOLVED AND CONSUMED BY THE GODDESS OF LIGHT! Well that was the sex substance released from the people of America. Of course not wholly, but it applies particularly to America, and it is mankind's accumulation of the ages. Oh, one day, the people of America who do not know anything about this Great Light, will come to find out what has been done for them unasked, unsought! We just have to do it for your protection!

Now then remember, dear people of California, don't fail to take advantage of this. Since the entities have been removed, We have also removed this substance, your accumulation! This includes the students as well, for a great many have not used the Violet Consuming Flame dynamically enough to dispose of their accumulation; because sometimes they could not make themselves believe, that they had a vast destructive accumulation; but if you saw it, you would believe!

This means you, dear students, who have not used the Violet Consuming Flame enough, are helped as well. This means more than words would ever be able to convey to you in the outer world. **THAT SUBSTANCE, YOUR ACCUMULATION OF THE AGES, WAS THE PRESSURE WHICH BROUGHT LIMITATIONS AND DISTRESS TO YOU INDIVIDUALLY!**

I say to you our blessed -----, your accumulation of the past has been completely dissolved. (applause). Will you take advantage of this and enter into the full happiness, and joy of all this means to you; and then go forth in the Glory of this Light as you have never dreamed possible. May you realize this and know, I have spoken the Truth to you! Do not generate any further causes and you will see the out-picturing of that Freedom which is yours!

I say to you, many many of the students have been released from so much, even in the Shrine Class in Los Angeles, San Francisco; and now for many of you, the completion of It will be here, so try to feel It! Do you think I would speak a word of encouragement to you that you are not entitled to, or did not belong to you? I want you to know this! I want you to be Free, not laboring under the deceptive power of your intellect, that you still are not Free! This Freedom is the Glory of one who serves! This blessed boy who has served so earnestly,

may he now feel Our Blessings which enfold him as never before.

May I explain to you and to our blessed \_\_\_\_\_, there are individuals, where it is impossible for Us to give promptings when We would like to; because they must be the Conquering Power without Our Assistance, as was the condition with the Messengers the first year that they went forth! They thought I was giving them lots of Assistance, but I did not! They had to stand or fall upon their own mighty application! It would not have been wise for Me to tell them that; but they have gained dauntless power and strength thru it. Our blessed \_\_\_\_\_ has gained dauntless strength and Victory of the Light thru it. I congratulate you my blessed \_\_\_\_\_.

The forces of destructive power that have been holding their dominion upon this earth, are seeing definitely, that they are dealing with a Power of Light which is not human; and that now, there are too many human beings calling that Power of Light into action to stop It! So many of those forces are sitting astraddle of the fence, wondering which way they are going to fall; because they know they are going to fall sooner or later! It is rather a precarious position to be in, but they were the creators of it; therefore they must handle the results.

Dear people, today I want you to realize that all these Magnificent Achievements, all of the great sincere effort of the Messengers, has not been in vain! Your efforts have not been in vain for this Power is gaining, this Light is gaining such momentum, that there will be hundreds of thousands in America, who will suddenly find instantaneous answers coming at their calls, which will give them such joy and happiness. If you do not gain a momentum by your continued application, how can you expect to have the answers to your calls? YOU must

determine that momentum! The Messengers and We can tell you about it, but if you have not yet built that momentum, it is up to you to apply the Law until you get it; because it is quite different from even thirty days ago! The Activity of the Law compels you to do now more for yourselves, because of the Great Assistance which is being given.

Observe what this which I have just told you today, means! My dear ones, words are so inadequate to convey to you what this means, this removing of the pressure of your own creation! Now notice what it means—this is the far-reaching Power. We have told you before, how your mighty Decrees go forth in the mental and feeling world to render this Service; and how thousands of people entirely unknown to This Activity, have had these Decrees go into their mental and feeling worlds; and when they touch this Light, they come up like a flower unfolding before the Forces of Light. Then, they accept It with great firmness and determination, which is a surprise to even the former students.

Since this pressure is removed from within the boundaries of America, see what this will do in the future! PEOPLE WILL BE REACHED BY THIS LIGHT WITH SO MUCH GREATER EASE AND WHEN THEY COME INTO IT, THEY WILL BE STABILIZED! You will see this to your astonishment many many times. Therefore, I wish to acquaint you with these Truths today, so you may have the Blessing! That does not mean you should cease your application! Don't ever cease that, until you are ascended, no matter what We reveal to you; but go right on with that same determination and dynamic power of application and have its Blessing, because you need it. REMEMBER, YOU NEED THAT CALL FOR YOUR INVINCIBLE PROTECTION, UNTIL YOU ARE ASCENDED.

Do not ever let up on it three times a day! Remember that! So much is being accomplished, of which never a word is mentioned, because We do not wish you to lean upon Us.

We are here for the Victory of the Light, dear ones! During those long long years, I served by Myself—believing firmly, that some day from somewhere, would come that Assistance which I required. When I asked the Messengers to go forth, do you think that I saw with My Great Wisdom, this achievement today? Of course not, because that is an Expansion of the Light which no one could determine, except as you see It acting through individuals! That was one thing which could not be determined! There are many things which can be determined, but not that! That is why, do not ever feel that in some things Our Wisdom is Supreme and in some things it is not! Have I not proven Myself to be a good businessman?

I have watched this and it is really very delightful to Me. You know every time individuals have come to the Messengers and said: “You know I could be of great assistance in advising you,” the Messengers said: “Oh, yes”? Then I would see their spines straighten up and they would say: “Have you forgotten We have the wisest Adviser in our business affairs”? YOU KNOW I HAVE BEEN ACCUSED OF MAKING A LOT OF MISTAKES, BUT I NEVER MADE ONE; AND I COULD NOT MAKE ONE BECAUSE “I AM” THE POWER OF LIGHT AND ITS PERFECTION! HOW COULD I MAKE MISTAKES? IF HUMAN BEINGS MISINTERPRET MY ACTIONS, THEY HAVE MADE THE MISTAKE INSTEAD OF ME! Doesn’t that seem quite logical or very real and practical, dear people?

Today, as I stand here flashing These Words to the Messenger, I am just as tangible as he is! Now this is the very joyful thing that is approaching. As the vibratory

action of your bodies and minds is stepped up and raised, don't be surprised, if some day in the class, you see Me quite as clearly as the Messenger! That would be the Natural Law, but do not strain to do it! Just be patient, until It arrives, then I cannot hide Myself from you! Of course, I do not do that on purpose, but then you just have not seen Me so far; but "I AM" none the less tangible as you will observe!

That is what I want you to feel, because all the great powers which you use are invisible. You only see their manifestation. **YOU ARE SEEING PLENTY OF MY MANIFESTATIONS, ONLY YOU JUST HAVE NOT BEEN QUITE SURE OF HAVING SEEN THEM.** You know, poor puny human beings spread their vicious falsehoods, concerning Our Reality and concerning the Reality of these Dictations. What imbecilic puny minds they have, to try to pit themselves and their falsehoods, against the Great Light which is the Light of the Universe! Their dull vicious intellects are too depraved to understand It or even try to!

Observe that dear people! Do not be pulled into vicious vile gossip of depraved human minds! Many of those depraved human minds know only falsehood and gossip! Not even, if it were to save their physical lives, would they be willing to tell the Truth about which they have told a falsehood. Therefore, it is up to you, beloved students, in the future now, to guard yourselves against these things! After We have prompted you so lovingly, kindly and earnestly, then if you do not stand on guard, the fault is yours!

**EVERY WORD OF THIS GREAT LIGHT IS REAL! EVERY WORD WHICH IS OUR WORD, CONVEYING THIS GREAT LIGHT, HAS WITHIN IT OUR ALMIGHTY QUALITY OF PERFECTION!** Now notice! I am flashing the Words to the Messenger today! For an illustration, they are My Words and every

Word that he is speaking to you, is charged with My Quality of Perfection! Whoever does not believe it, is unfortunate and they won't get the Benefit, won't get the Blessing, they won't have the Protection!

This is the Law of Life and We have, all the students who have been in the Retreats, have seen this Manifestation constantly. They come into the Retreats, and at first, they see nothing but the ordinary physical sight, and as they remain, without effort the vibratory action raises and raises! WHAT DO YOU SUPPOSE SHUTS OFF THE GREAT INNER SIGHT FROM WITHIN YOU? IT IS ALWAYS THERE WITHIN THE BRAIN STRUCTURE! Where do you suppose It is shut off? Right here at your solar plexus, where all discord enters your body or your world and that causes the density. It has made the density of those organs, which otherwise would naturally see Us, fail to do so, until they were returned to that height of vibratory action, where they would naturally cognize Me standing here, the same as you see the Messenger now!

All these things are practical and Natural Laws and actions of Life; and when you harmonize yourselves enough, and the Light pours thru the heart and illumines the brain, then you see, then you hear the Voice of your Higher Mental Body speak clearly and distinctly to you! Then, the troubles from your worlds cease to be! It is not necessary to strain for those things; because if you did, you would force thru into the psychic world and see that which is most undesirable; but when you have really begun to hear the Voice of your Presence, which is the Voice of your Higher Mental Body, you will find there is no difficulty in distinguishing that It is the Presence' Voice which is speaking; because that will compel all Voices around you, which might even be human suggestion, from speaking to you!

Do you know that human suggestions can speak to you thru your feelings, as clearly as the spoken word? That is why We have endeavored to protect you and guard you against these things. If you will not believe, that human suggestion is acting about you all the time, well how are you going to be protected from it! If you do not believe We are telling you the Truth, how are you going to have Our Blessings! WE KNOW WE ARE SPEAKING THE TRUTH AND THE MESSENGERS KNOW WE ARE, AND THEY NEVER SPEAK ANYTHING ELSE BUT THE TRUTH TO YOU; BUT IF YOU DON'T BELIEVE IT YOU WON'T HAVE THE BENEFIT.

Now really in the past, in the beginning of the Messengers carrying this Light, I sometimes almost began to plan some Unusual Manifestation for the student body; either My Tangible Appearance or something of the kind, which would give the earnest students the encouragement, that they crave so much; but you know there are certain things which even We must go to the Central Source of Intelligence, from which you all came, to this earth, to determine whether We may use a certain action of the Law. When I suggested this the Great Wisdom there said: "Saint Germain, have you forgotten in your earnestness for this Release of mankind, that mankind having been the generators of these conditions, must make a certain amount of effort to get out of them or they will not remain out?" I said: "Yes, I had thought of it," and then They said: "We think it would be very unwise," and so it was withheld, but They said to Me then: "Saint Germain, You are not to blame, because the people fail to see the constant Manifestations of these Great Laws, thru the activity of the Messengers. Limitless proof has been given to America and to the people who have been in these classes and many outside; why humor mankind with trying to give

them something else that the doubting Thomases would still say was something other than what it was?"

So today, I remind you that when you call with earnestness yourselves, for the out-picturing of the Perfection of your Life, you will begin to see, know and experience that Perfection! Then, you will raise yourselves where you will naturally see Me and see Me flash the Words to the Messenger the same as you see each other!

We are coming into more and more tangibility in the use of this Great Law; and as you see that, you will find that everything works under Law and Order, Divine Law and Order; and no one can over-step that for a single moment and not pay the penalty for it!

The Great Law of Life which was once giving such Freedom to mankind, owing to the activity from the Great Central Source to this earth and the other planets of the system, is becoming more, more and more exacting; because mankind has little more time to make their decisions! That is not My Opinion, that is not the opinion of the Messengers; it is the Law of Life to this earth, coming into action and the human beings who do not believe It and cooperate with It, well they will just go down under It.

Why is it, every time that a Great Cosmic Activity takes place in the world, to bring Its Greater Perfection, there is always a certain amount of humanity who refuse to listen or pay attention to it? This time, ten thousand times the number of the people have responded thus far, over the experience in two million years. Do you see what that means? Do you see why the Great Cosmic Light, the Law is taking Its Action upon this earth more than It ever has during that previous time; because mankind must be returned home where they belong, and that which they have imposed upon the earth must be removed.

Is it not strange that people when they have seen, whether they believe in re-embodiment or not, thru historical record, this war and destruction; war and destruc-

tion; war and destruction; destroying one civilization after another, why won't they see that war is not the remedy? Even today, when this Great Light is reaching many great minds in America, why won't they come forth now and say to the whole world: "Here is the solution to human problems! Here is the Freedom of America, her people and the world! People of the world take hold and give your assistance to this," and it would all be finished in a comparatively short time!" I shall expect this yet and keep on expecting, until these Mighty Decrees go forth in the mental and feeling world and give these people, the courage to stand out before the world and say to the people: "The 'I AM' is the Light and Authority of the Universe and of every human being; and those who will respond to It, will have Its Blessing of Perfection pour forth into the world of human action; and the earth will become a paradise in which mankind shall live forever."

I thank you, beloved ones, and may you join Us now in this class, in making it the most glorious of your experience; for We have provided in this room, **THAT WHICH WILL ENABLE YOU TO KNOW AND FEEL IT AND THIS WILL INTENSIFY EACH DAY!** May you be Its Great Glory, receive Its Great Blessing and go forward from these ten days in your Freedom forever!

Thank you so much.
