

"I AM" JEWELS OF LIGHT

N Living Substance—dazzling bright,
Abide God's Jewels of Cosmic Light—
Each one a Focus of Great Power,
All growing brighter every hour!
The Light expanding within each one
Is ever pouring from the Sun,

Perfection, Beauty and God's Love—

A Mighty Presence from above,
Who, like a Magnet in the sky,
Compels release for you and I!
Now all the world shall stop its strife!

All shall behold the Crown of Life
Bestowed in Love upon all here,
To evermore make all things clear;
For in that Crown are Jewels of Light,
Those Jewels "I AM"—ALL God's Great Might!

All Jewels of Light within the earth,
Are Mighty Gifts of Heavenly Worth,
Whose own Pure Substance all may see
And thus beholding, help set Free,
To give their Light and Beauty too,
Their Blessings rare and Radiance true;
For only God's Pure Being Bright,
Can grow those Jewels to hold God's Light!
Our Love to Them gives full release
From all that is not God's Full Peace!
Our "I AM Presence" ' Mighty Love
Dissolves all else, below, above,
And in Its Glory all shall blaze,
For all shall see Its Mighty Rays,
Like rarest Jewels of Liquid Fire,
Whose Living Flame now lifts us higher!

All "I AM" Jewels, we now behold,
As Cosmic Rays our earth enfold,
To rule in Majesty and Power,
To blaze Perfection every hour
For ALL Authority They bring,
They give release, so all may sing
Life's Hymn of Praise to God's Great Light,
In Them behold God's Cosmic Might!
Those "I AM" Jewels Great Nature holds,
The Royal Teton's Love enfolds,
And all Great Beings charge Their Love,
To blaze thru Them and raise above,
All mankind here with Light They bless
And by Their Light stop man's distress!
"Beloved I AM Presence" Bright,
Clothe us with Thy Great Jewels of Light!
