

## ANGELS OF PURITY

ANGELS of Purity! Come! Sweep o'er the earth!  
Blaze Oceans of Flame to give all New Birth!  
Reveal Thy Great Presence, Come! mankind  
enthrall;

Thy Purity's Love forever we call!  
Thy Light now descending is flooding us here  
Thy Peace and Thy Pow'r, clothe all we hold dear!  
"I AM" is Thy Presence, Thy Flame and Its Light  
Are Victory Supreme, God's Great Cosmic Might!

Angels of Purity! Come! blaze thru the air  
Thy Great Cosmic Name, revealed everywhere,  
That all who behold Thee, shall ever become  
Thy Blazing Glory—a Pure Dazzling Sun  
Of such Mighty Power, the Heavens resound  
With Oceans of Praise, till all are unbound;  
For Purity's Freedom is all Mastery—  
Thy Legions of Light are all Victory!

Angels of Purity! Descend! Light our way,  
For Light and Thy Joy shall rule every day,  
Shall raise all in Love and ever sweep on  
Till Purity's Flame expands in each one  
The "Great I AM Presence" of Life ever Free,  
Revealing God's Plan—fulfilled now by Thee!  
Releasing Its Blessings and raising all too,  
Till each heart's own Flame is seen and comes thru!

In Music Transcendent, Thy Purity sings,  
Behold It offers on Light's Healing Wings,  
All the Victory "I AM," the Presence above—  
And earth here below, shall be cleansed and prove  
Thy Great Holy Presence, Thy Mighty Command  
Is Mastery too thruout every land  
Freedom and Purity reveal all God's Flame  
And blaze evermore "I AM"—God's Great Name.
