

SPECIAL NOTICES

BELOVED STUDENTS:

Because of the need for more energy to be released thru our Decrees, we ask that all Groups speed up their Decrees. Don't let them drag, but have a good snappy rhythm which really releases energy and puts pressure back of it to fulfill our calls instantly.

Ask all students to memorize the Decrees and give them rapidly. This cannot be done when they are read from the books. It only takes a couple of times repeating to memorize them and this helps to sharpen the wits and keep you alert. This improves your memory too.

Those who expect to attend the Large Classes should be able to keep up with our Decrees. We have built a tremendous momentum and this shall increase rather than diminish, so we advise all to be prepared. If all Groups will speed up their Decrees, this will assist those who want to attend the Large Classes.
