

SAINT GERMAIN'S CROSS OF FREEDOM

SAINT GERMAIN'S Cross of Cosmic Might,
Standing on High in Beauty Bright,
Is His God-Victory NOW ALL WON!
In Freedom from the Central Sun,
He raises all mankind above,
Reveals to them His Cosmic Love!

His Cross of Freedom ever sings,
For in Its Glorious Heart there rings
The Song of Joy, His Cosmic Light,
His Violet Flame all Dazzling Bright,
Now lifts on High all Life below
And makes us here His Freedom know!

His Cross of Freedom which "I AM,"
Is God's Great Scepter and Command
For all His Mighty Heart can give,
That only Cosmic Love may live!
It is forever Power Supreme
And is His Love that does redeem!

His Mighty Cosmic Freeing Power,
Floods forth His Gifts and Love each hour,
Till on and on His Freedom flows,
And everywhere His Presence goes,
Great Love and Wisdom rule o'er all—
His Cosmic Answer to each call!

Our Glorious Blessed Saint Germain,
Is Cosmic Freedom, to remain
In Full Command and God-control,
As we His Vict'ry now behold,
Lo! Sun and Stars shall sing His Praise,
As all on earth He does now raise!

His Cosmic Flame, His Ray, His Light,
Reveal His Presence' Cosmic Height,
Now unto Him in joy we come
And there abide with Him ALL ONE,
For earth and Heaven MUST NOW MEET
And blaze the Light none can defeat!

"I AM" the Love of Saint Germain!
"I AM" His Great Victorious Flame!
"I AM" His Freedom unto all!
"I AM" His Mighty Cosmic Call!
"I AM" His Scepter in Command!
"I AM" His Freedom NOW AT HAND!
