

BELOVED LETO'S DISCOURSE

CHICAGO, ILLINOIS

JANUARY 12, 1944

Afternoon

BRING you Greetings, beloved Ones of Light and Love, from those in foreign lands who are struggling so bravely to hold This Light and thru whom the Light is being expanded. Even where there is only one, still that one may be made a Pillar of Light, whose purifying Radiance may spread to all within both the locality and the Nation.

My Work like that of many Others of the Ascended Masters has much to do with healing, as well as releasing you from your human limitations. There are many under the Radiation who need assistance, and who, if they will still themselves and call forth the Healing Power, will be able to help themselves and others.

The healing of the individual is but a small need of the outer world today. The healing of the Nations is far more important; but you should not just call forth Healing Power for yourselves! Call forth the Healing Power to the Nations and It cannot act without It healing yourselves.

I know sometimes these bodies make you very unhappy and very uncomfortable, and yet, you can command them to be silent and remain at peace; while you command your attention to go to your Presence, and entering into the Flame of Love in Its Heart, you can insist that the Presence silence the human distress.

Powerful Healing Rays shall go forth from this room today! In sending forth Great Rivers of Healing Light-Substance to assist those who are calling forth This Power of the Light and looking to the Light for Healing, Our Healing Power, if you will so command It, can pour forth like an Ocean of Living Flame, to heal all humanity as well.

I know the body insists on attention, but if you will insist that your attention GO INTO THE HEART OF THE "I AM PRESENCE" AND STAY THERE; that it be controlled and not allowed to draw anything into the body except the Love from the Presence—the Light-Substance from the Presence and the Feeling of the Presence, you will soon master those bodies.

Some of you have been in distress a great many years, but precious ones, you still do not insist enough that your pain or limitation shall get out of all your bodies! It is a substance that is created, obedient to your will. It was obedient to your will when you qualified it wrongly, then why would it not obey you, if you reverse that quality? If you will command it with the same intensity of the FEELING of indestructible Peace and Harmony, that you charged forth in your feelings of discord when you were displeased, then it will let go!

You do not yet understand how much energy you have qualified discordantly, when something displeased you! Now the distress in the body is displeasing to you, is it not? Well, since it displeases your desire for Perfection and you call forth from your "I AM Presence" all the Powers, Mastery and Power of Light that are required to requalify it, instantly it shall obey you!

If you will take your authority, I will help you, but you were the authority over that energy, when you were displeased; for no one prevented you sending forth irritation and discord, when you so chose! If you were displeased, you released your feeling of displeasure. Therefore, if you want to be pleased, you must release the opposite!

I don't want you to sit in these classes longer in distress, when you should be at PEACE. This is the most glorious Blessing in the outer world today, outside of the Ascended Masters' Retreats. There is no place where greater Power of Light or Purity is being drawn

into the outer world! While you are here in Our Love and Our Radiance, you are as if you were raised temporarily and had come to visit Us in Our Ascended Master Octave of Light.

Why allow your bodies to longer displease you? Do they not displease you, when they hold your attention from that upon which your heart wishes you to hold it? You must some day, precious ones, be Master of those bodies! You must make them obey you, and if you will always speak from within the Flame in your heart—you can say to every atom of your body: “Peace be still”! and you shall be still and I will help you; but you cannot do it just letting your body run you. You must take the Master Hand and hold Command some day!

Do not say because you are rather elderly: “I am so old, I must be one of those who is not going to stay here, I am going to have my Ascension; therefore, the perfecting of the body is not so important as it is for younger people”! Do not take that attitude! Neither you nor any one else, outside of the Ascended Masters, knows who is to remain and who is to be raised at this hour! Your Life Stream decides that, not your human intellect, nor do your human feelings, just because they are uncomfortable!

“I AM” determined, with your insistence, that you are the authority over your bodies, to give you Help. The Great Divine Director will withhold nothing and He is the Authority over your Life Streams! The Great Ones need to have your bodies FREE from distress, if enough Light is to be released quickly. Therefore, really seriously insist, that your bodies and every feeling within them shall become NOW the PEACE OF THE FLAME OF LOVE IN THE HEART OF YOUR PRESENCE; the Love from the Flame in the Hearts of the Ascended Masters, Their Feeling of that Love and Their Substance of Light, which is Their Ascended Master Consciousness!

Then all Their Perfection shall release to enfold you, if you really want to be Master; but you must command those bodies!

You know I was quite shocked, when the Great Divine Director said to Me: "Why do you not give more help?" I said that I thought I was doing all I could, and when He said: "Come with Me," and He showed Me how to release more Positive Force, that epidemic or plague as it was called then, was annihilated within the hour! Do you think the Divine Director has lost any of His Power? I think not! I have not lost any of Mine and you have become more powerful than you were before this class began! Then, why should you go on in these conditions? Won't you let go of them today? Won't you command them to stop displeasing you?

You know someone or more must become Pure enough to let the Light become brighter, so Its Rays may expand further; for if It is not bright enough, the Rays do not go forth very far; and with distress in the body, the Rays of Light are not bright! I want you all to be Free! You can be and if you only knew what a few hours determined persistent commanding to your feeling world would do for you, your bodies would respond and you would be Free!

I want to help you wield greater Powers from your "I AM Presence," but I cannot do that, unless you will take a more positive attitude toward your bodies; not from any sense of vanity, but just because you are determined, that they shall be purified! They shall be obedient! They shall remain harmonious! There are many precious ones who need your assistance. If you will take yourselves in hand and command today, with this Power I am calling forth, We will call to the Divine Director to give you the same Assistance He gave Me; not only to call forth this Healing Power for those who are crying out for it; but to send it forth thru your own bodies and

STOP that human nonsense forever, for that is all it is! Even an accumulation of substance, is just energy vibrating at its own discordant wave length and you can change that by the Fire Element!

You know each one of these Blessed Angels who have come to surround this room today, bear a Jewel as big as that (about 33 inches in diameter) as wide as Their Shoulders. Each One as He is carrying It, offers you Its Purifying Radiance and Its Quality. These Jewels are the Powers of Life, the Powers from your "I AM Presence," the Powers from the Ascended Masters' Octave, the Powers from the Angelic Host!

"I AM" speaking of this, that all of those in the outer world who are trying so bravely to hold to what is constructive for America; and who are beset by this frightful epidemic, which is nothing but human hate, anger and sex substance, can arise and annihilate all of that viciousness in One Mighty Stroke, Right NOW! YOU CAN TAKE THAT OUT OF AMERICA NOW! Will you stand with Me and give those precious ones the Healing Rays, that they require and the protection they require also; to hold to the Constructive Way, until We can remove from America that which has sought to kill her Freedom and her people?

Take your stand with Me today, call to the Great Divine Director and your bodies shall be Free; but no longer keep saying: "I have got this cold! It has almost got me down! I just cannot help it, I have tried and tried to throw it off; but it hangs on." That is hugging it closer to you and refusing to let go of it.

If you will use the Violet Consuming Flame, keep your bodies clean, get your needed rest and then speak to those bodies from within the Flame in your heart—not the intellect, because the Flame in your heart feels—you can free yourselves. YOUR POWERHOUSE IS WITHIN THE FLAME IN YOUR HEARTS!

AS YOU SPEAK THRU IT, YOU WILL EXPAND ITS LIGHT TO SPREAD THRU EVERY ATOM OF YOUR FLESH! YOU WILL SPEAK THRU IT, AND YOU WILL EXPAND ITS LIGHT TO SPREAD THRU EVERY ATOM OF YOUR FLESH! YOU WILL SPEAK WITHIN THE POINT OF LIGHT IN EVERY CELL OF YOUR BODY; AND WHEN THE VOICE OF THE LIGHT SPEAKS, THEN THAT WHICH IS AROUND IT, BECOMES EITHER DISSOLVED BY THAT LIGHT OR ITS OWN DISCORD IS CONSUMED IN THE VIOLET FLAME.

If you will speak from within the Flame in your heart, to the Point of Light in every cell of your flesh and say to that which is not of the Light: "Be gone, thou art not of the Light; therefore, go into the Violet Flame and be thou no more," it will obey you! It did, when you were displeased!

I want you to feel your Mastery! If you will call forth the Full Authority and Mastery of the Flame from the Heart of your "I AM Presence" and give It authority thru your body, the substance It contacts will obey you instantly! The Flame in the Heart of your Presence is the Authority over your body! Ask It to expand thru your heart and speak from within It also, then you cannot speak irritably! You cannot speak discordantly! You cannot speak untruly, when you remember that it is the Flame within your heart which is making the sound going thru your throat!

Your intellect is not your voice, and if you will dwell in the feeling of the Flame within your heart and speak always in that balance of Love, Wisdom and Power, you shall know what the Divine Director means when He says: "Precious ones, if you only knew what your feeling could do for you, you would still that feeling and you

would be Free within a few hours.” Isn’t it worth it to be still in order to be free?

Oh yes, I know you are all more comfortable when you come into the Class Room and are still—so is this Messenger; but do you come to the Class Room to be still for yourselves, or do you come to save your country? Then, won’t you be still, when you leave the Class Room, in order to draw the Power that will save your country?

I love America, you know not how much, and I love those precious ones in Scotland! They are very brave, precious ones, very brave—those blessed ones who have these books in foreign lands! Think, they have just one book among many and you have Complete Freedom and access to anything you desire. I want you, because of that greater privilege, to be the “Cup of Light” which is so bright, that It compels the healing of your bodies; that It compels the freeing of your country! I say to you this hour, is anything too much to save your country? It should not be! You know your country has saved you from a great deal of distress, otherwise you would not have embodied here! Since it offered you Its Heart, and since it offered you Its Light, and since you have been offered the Love of This Country, do you not think it is worth fighting for—with All the Powers of Light? Then, should anything of the outer world’s demands stand before your service to your country in the Release of that Light which is Its only Protection?

Don’t be deceived, there is no protection for your country, except by the Power of God Light, because human destruction does not protect anything permanently. Never forget that!

Since these Precious Beings have come today, to offer the Jewels from the Host of Angels—the Great Angelic Host offer the Jewels of Light from Their Octave! They are the Jewels from that Great Octave of Purity which holds the Powers of Life that are Infinite and Invincible.

They are offering you Those Jewels from Their Octave!

Will you please take the Masters' Command over that little vehicle in which you ride? You know that is not you! You are the Flame and you know, precious ones, two-thirds of your Life Stream, two-thirds of the Life Streams of every unascended Being, wield unlimited energy thruout creation; because your Presence is One with the Great Creative Powers of the Planet and of the System! Well then, since unascended Beings can only qualify one-third of the energy which has come thru the body with destruction, since the vicious or sinister force has only the energy to use which has come thru the physical bodies of mankind, can you not see how much more powerful is the Pressure of the Light; and what can be released into this physical octave at your call, if your body is your servant and your co-worker?

The "Mighty I AM Presence" and Higher Mental Body of everyone on the planet, is two-thirds of each Life Stream. It allows the Unlimited Power of Light to flow thru, which will come into the physical octave at your call! Will It not assist you, when It wants Its vehicle to be Free too? Could there be any reason why It would not? Then, you do have Friends of Mighty Power! The "Mighty I AM Presence" and Higher Mental Body of every Life Stream is your Eternal Friend of the Light!

May I say this—I gave it to this Messenger this morning. When anybody in the physical world renders you a service in your daily activity of Life and you thank that individual for doing something which has brought good to your world, will you remember always to say: "MIGHTY I AM PRESENCE' BLESS THAT PRECIOUS ONE WITH ALL THE PERFECTION OF THE UNIVERSE, AND SEE THAT HE OR SHE ALWAYS REMAINS MY FRIEND OF THE LIGHT"! Then, you will claim every part of Life which brings you good from the outer world as a Friend of the

Light; and you will bless that part of Life with the Perfection, Love and Gratitude from your "I AM Presence." Then, you shall see how every particle of Life will become your friend of the Light! Then, can you be entrusted with the Limitless Power or Pressure of Light, when Life knows that you will always bless Life everywhere with Its Perfection!

I trust the Radiance which has gone into the room today, entering into your mental and feeling world and into the physical structure of your bodies, will so expand My Love thru you and My Freedom in My Unlimited Use of the Powers of Life, that they will assist you to be FREE quickly, from all substance that has caused any distress within you.

The Great Ones want quickly, if possible, to come to you as you maintain Harmony and the Master Feeling over the body; but you must draw forth the Powers of your Presence; all the Mastery of your "I AM Presence"; all the Power of your "I AM Presence"; qualified with the Ascended Masters' Consciousness to hold sustained Perfection, expanding within you! If you will remember the Information I have offered—to speak always from within the Flame in your heart, I think many of you will not say some of the things in the future, that you have said in the past!

You know our Beloved Master Jesus said: "As a man thinketh in his heart, so is he," for He knew that was the permanent—the Eternal Feeling of Perfection. Therefore, as one speaks from within the Flame in the heart, so will the Word become manifest, as the outer physical fulfillment of your call.

May I enfold you in all the Powers of the Light from the Ascended Masters' Octave to give you the greatest Assistance now! I call to the Great Divine Director to help you as He helped Me; to release without limit all the Powers and Mastery from your "I AM Presence"

thru your flesh; that you may make the calls to annihilate from America, these epidemics which if they are not annihilated, will cause more distress to the people!

You can have this Power, with the Great Divine Director's Assistance! I know He will not refuse My Call! So, I want you beloved precious ones to be Free! You have been very brave; you have been very loyal; you have been very kind; and We all appreciate your Love and Loyalty and Service to these Messengers; to this Messenger, to our Beloved Godfré, to our Precious Donald!

Now, may you all draw forth Greater Power of Mastery from your own "Mighty I AM Presence," because the more you draw that forth, the more Cosmic Light We can release into America, and that is what America needs this hour! She is the Land of Light! Now let us fill Her Cup with the more Intense Light and Purify all within her borders, so she may stand untouched by that which wants to cause distress!

I bear to you the Love, Greetings, Blessings and the Enfolding Radiance from the Ascended Ones, and may These Precious, Precious Angels of the Jewels, hold you so close within the Radiance of Their Great Purifying Power, that every Gift They bear, may pour Its Blessings into your world and you too become the Bearers of the Powers and Gifts from the "Mighty I AM Presence" to your fellow-men everywhere, until they too are the Freedom and Victory which Life intends.

I thank you, I love you, I bless you and I will stand with you and by you and help you, to harmonize and purify those bodies, that more Light may blaze thru them to your Beloved America; if you will command them with the same feeling and intensity, so you can send forth Light to all.

Your Beloved Land today needs only more Light to give thousands the courage, yes hundreds of thousands

and millions, the courage to take their stand in This Light with you; and issue these Commands for America's Release from all that is destructive! So will you help Me to release those precious ones in the National Defense, from that substance which would draw them out of their bodies?

Do you think substance cannot see? Not perhaps in itself, but the sinister force sees thru that substance the accomplishment of its destruction; unless that substance is removed from those precious ones who are in the vortex of destructive feeling! So call forth the Powers of your Mastery and let more Light blaze thru you; for the Freedom of your country and those in the channels of its National Defense; for America must have more Light quickly and We want to release It thru you!

May the Angels of the Jewels, give you Their Choicest Blessings, Their Most Powerful Release of the Light Rays! May They give you the Light from Those Jewels and dissolve all substance within you which you have accepted or which would cause a shadow of distress; for it is nothing more than that.

Now may all the Powers from the Ascended Masters' Octave and from these Blessed Angels of the Jewels, flood into you and expand Their Light and consume all that causes your distress! I shall do everything the Great Law will permit! My Love is Infinite Eternal and All-powerful! If you will LET IT take that substance out of you, I shall make the effort and be very happy!

I thank you.
