**EXCERPTS AND DECREES TAKEN FROM  
BELOVED SAINT GERMAIN'S DISCOURSE  
AT THE "I AM" SANCTUARY**

**OURAY, COLORADO**

**AUGUST 1, 1948**

*For your mistakes*

Don't accept that you have to be subject to the reaction—discordant reaction of your own mistakes. Call on the Law of Forgiveness and then with all the determination of your Being, turn upon those mistakes and command them annihilated from the Universe by the Violet Consuming Flame and the Blue Lightning of the Ascended Masters' Purity and Love! Then take your Freedom like the God Beings which you are!

*Sometime every day—night and morning and sometime in the middle of the day, take your stand and issue the call:*

**THRU THE INVINCIBLE FIERY VICTORIOUS HAND OF THE COSMIC CHRIST OF MY "BELOVED MIGHTY I AM PRESENCE," THE "MIGHTY I AM PRESENCE" OF ALL MANKIND; THE ASCENDED MASTERS, COSMIC BEINGS AND GREAT ANGELIC HOST!**

**I DEMAND, I COMMAND** the Annihilation of all human appearances from my Being and world, and **I DEMAND** the Fiery Victorious Hand of my "Mighty I AM Presence," stand guard! and **FORBID** my acceptance of any human appearances (which are nothing but rates of vibration of energy and substance)!

When you feel you do not have enough determination in the outer to overcome some limiting condition, charge yourself once a day—with the Ascended Masters' Victorious Determination to annihilate all human appearances from yourself and others, also from your Nation!

(Take the appearance world and crack the shell of human discordant suggestions and appearances!)

Seize every human appearance and shake off its human vibrations! Then **COMMAND** it to yield you the Perfection which is within Life! Shake off the discord, the limitations and imperfection, then seize what is left of the Energy of Life, and Command the Perfection within It to yield you the Joy, Freedom and the Victorious Divine Plan Fulfilled without limit!

At the Heart Center of every electron is—God-in-Action, the Perfection of Life!

In the Name and Authority of my "Beloved Mighty I AM Presence," I speak to the God-Energy within....., and **I DEMAND** that you yield me the Perfection of God! **I COMMAND** the annihilation of every human appearance! I call the Invincible Fiery Victorious Hand of my "Beloved Mighty I AM Presence," to **STAND GUARD! FORBID!** and **PREVENT** me accepting any human appearances ever again!

**THRU THE "BELOVED MIGHTY I AM PRESENCE, WHICH I AM"**

**I DEMAND, I COMMAND** the God Presence within all energy to yield me the Victory of Freedom and Perfection!

*Many times a day when human appearances come to your attention, fold your arms around your "I AM Presence" and in all the Love at your command, say:*

"Beloved Mighty I AM Presence," I DEMAND Your Hand of the Victorious Sacred Fire of the Cosmic Christ, stand guard around me! FORBID the entrance into my world of any human appearance! and take me forward in the Fulfillment of Your Own Divine Plan!

Your own Life Flame within the Heart is the Beginning of the Thousand Petalled Lotus of your Life Flame; and as you give that recognition, consciously command It to expand for you, thru yourself and your world—the Fulfillment of God's Divine Plan and the Victory of My Perfection and Freedom over My Own Life Stream. Then call to the Ascended Masters to enfold you in Their Flame, and DEMAND the Perfection of Life be expressed thru you to Fulfill the Divine Plan, the Ascended Masters' Way!

*For disturbing conditions or down-right wrong take your stand and say:*

NO! You shall not touch me or my world! "Mighty I AM Presence," I DEMAND there be only God-in-Action here! I speak to the God in that Life and I DEMAND the Victory of God's Perfection to produce Freedom for the Nation!

*Take the stand against everything discordant; everybody in public office or positions of trust, authority or influence thruout This Land:*

I DEMAND, I COMMAND the Invincible Fiery Hand of the Victorious Christ stand in front of every individual within Our Nation—especially all in public office; all in positions of trust, authority and influence within Our Land; and COMPEL God-Victory into Action! COMPEL the Divine Plan Fulfilled for the American people! Then COMMAND that there is only God-in-Action in all energy in This Country!

I DEMAND, I COMMAND that from the Invincible Fiery Hand of the Cosmic Christ, which is the Higher Mental Body of every one within our borders, and the Higher Mental Body of every Life Stream within This Nation—there goes forth a Flash of Flame (Blue Flame) enfolding the individual, or the condition from which you want Perfection to come forth; and that Flame going forth from the Hands of the Higher Mental Bodies of the people, is God-in-Action and is ALL Authority!

I DEMAND, I COMMAND that the Higher Mental Body of every one of the Younger Generation raises Its Hand of Invincible Cosmic Authority and Power without limit; and stands as a Wall of Living Flame, which prevents that Younger Generation being railroaded into another war!

IN THE NAME, LOVE, WISDOM, POWER, AUTHORITY AND VICTORY OF THE LIFE STREAMS OF EVERY ONE OF THE YOUNGER GENERATION,

I call the Invincible Fiery Victorious Hand of the Cosmic Christ to come into outer physical action, and FORBID any more viciousness of war touching those Life Streams! I DEMAND the Fiery Hand of the Victorious Christ blast all human appearances; and let that Younger Generation go forth uncontaminated, to build the Perfection which is the Glorious Incoming Golden Age for This Country!

I DEMAND the Invincible Fiery Hand of the Cosmic Christ, FORBID any more human appearances to act against the people of This Nation! I DEMAND God-in-Action in the Authority of the Cosmic Command, COMPEL every Life Stream to stand forth for the Freedom and Victory of God—RIGHT NOW!

“BELOVED MIGHTY I AM PRESENCE” AND GREAT HOST OF ASCENDED MASTERS!

CHARGE (3) me with Your Ascended Master Determination in everything I attempt to do which is constructive!

Use the same feeling of determination you have, when you want your own way; and DEMAND the human appearance annihilated or stood aside, while you talk to God, the “Mighty I AM Presence” within a situation and DEMAND it to yield you the Victory of Perfection!

Don't go down under the silly insane human conditions and suggestions of discord of other human beings! Stand and blaze the Light into the seething darkness of the outer world, and live in your own World of Light; knowing It is God-in-Action in you from your own “Mighty I AM Presence.”

Intensify that Light and day after day DEMAND Its Expansion and the annihilation of all human appearances!

Definitely COMMAND several times a day: that the Hand of Your Presence stand on guard and prevent you accepting any human appearances—you *have got to do it!*

The moment a human appearance comes to your attention, use your Cosmic Authority and DEMAND that human appearance annihilated from the Universe, whether it affects you or someone else. Just form the habit, so you automatically consume all human appearances, the moment anything comes to your attention—which is not the Victory or Perfection of Life!

THRU THE “BELOVED INVINCIBLE MIGHTY I AM PRESENCE, WHICH I AM”!

I DEMAND Saint Germain’s Freedom of God-in-Action into every situation, into every limitation or discordant condition that touches me or my world!

*Energy is everywhere and the Heart Center of all energy is Light, which is the Perfection of the Life from the Great Central Sun.*

Therefore, I speak to the God-Life in all energy and DEMAND AND COMMAND It yield me the Victory of Perfection! the Power of Freedom! the Purity of Love and the Joy of the Fulfillment of the Divine Plan!

Everybody has saturated the energy in the atmosphere of Earth with a sense of tire, exhaustion, work, etc. Now let us reverse that!

If a condition seems difficult, take the time to talk to that condition like you would a child or a human being and charge into that condition your Demand, for God-in-Action there to give you Its Blessing; for you are determined to have the Fulfillment of the Divine Plan. You will soon gain such a momentum that you will mow down most of your struggle!

I want you to come to the place where you withdraw from the body, from your mental and feeling world, its capacity to feel pain or exhaustion or discord of any kind. You can positively charge the energy in your mental and feeling world, with the Authority of God-in-Action; which FORBIDS—for the rest of Eternity, that you ever feel anything but God-in-Action, the Harmony and Enjoyment of Fulfilling the Divine Plan!

If discord seems to block your way—stand as if you were within a Pillar of Light which goes directly to your “I AM Presence” and into the Upper Atmosphere of Earth; and call the Perfection of God-in-Action, into what you want in the outer, which will release the pressure and drive it away, or give you the sense

of Greater Power; make destructive conditions recede, and let you alone to Fulfill the Divine Plan!

If you are going to have the Perfection of God in your world, then you have got to DEMAND that there is God-in-Action there, instead of human qualities in action!

Sometimes when you decree about a thing and it seems to be at a distance, and you are not sure the assistance is coming or not; when these negative conditions come to your attention, say: "PEACE BE STILL"! The Hand of my Presence is there in action, and my Presence is God-in-Action doing this thing, and I refuse acceptance of all human appearances!

(Watch the Hand of your Presence going forth and blazing thru the flesh as It stretches Its Hand out, and see that Flame go forth! Take time to visualize the condition Perfect as you want it, and let the Flame dissolve whatever has been the problem.)

You need to train the Inner Action of your sight, to visualize the Flame from the Hand of your Presence, going forth and actually doing the thing while you watch it. Speak the word! Send forth the desire! Send forth Love to your Presence! Then take time enough to hold within the mind, the clear picture of the thing already accomplished, by that Flame from the Hand of your Presence!

When you see the Blue Flame or the Violet Flame go forth from the Hand of your Presence into a condition—for instance, releasing the Spiral Blue Flame around an individual to help cut that one free from struggle, strain or anything that is wrong—see the Hand of your Presence project that Blue Flame around the individual, and take away on the instant whatever is wrong! See the individual waking and looking to the "I AM" Presence; accept, and become Its Luminous Presence Fulfilling the Divine Plan!

If you become acquainted with the Hand of the Presence, as It goes forth, and thru Its Flame or Light Ray—command God-in-Action to take the place of human appearances, you will see so many Miracles, you will feel such an up-lift after you have done this, that your entire sense of struggle will disappear; and "I AM" DETERMINED to give you the Freedom of My Life, because "I AM" FREE!

If you form the habit of remembering the Word—"I AM," as spoken in English today—is the Full Activity-of-God, then as you speak your Decrees or give the acknowledgment in the outer, stop a moment and feel as you speak the Word into the physical; that your Presence speaks the Word in Blue Flame into the condition, and everything human must be consumed!

If you couldn't remember anything else except—"I AM" and you saw the Word go forth in Blue Flame from your Higher Mental Body into a condition and stand there blazing in Blue Flame; until every human appearance is consumed, It will do for you whatever is God-in-Action in the Fulfillment of the Divine Plan. It is the Word by which the Universe came into being, why wouldn't It do that for you!

Try to realize more and more the Power or release of Life's Energy in That Word; and guard yourselves that you do not follow It by the ordinary expressions of mankind in the outer world, which are constantly acknowledging the human limitations and appearances that become the saturation of the atmosphere of Earth, then return to mankind as war!

#### THRU THE "BELOVED INVINCIBLE FIERY VICTORIOUS HAND OF THE COSMIC CHRIST,

I call forth the Full Authority of my "Mighty I AM Presence" and the Invincible Fiery Hand of the Victorious Christ of every Life Stream on this Earth—to be raised in Cosmic Action and not only prevent war, but take all that is qualified with war, and blast it in one Mighty Flash of Blue Flame, as if it had never been!

*Visualize* the Violet Consuming Flame going into every human appearance, then command that It annihilate all that is human; and God-in-Action in the Violet Flame frees the Earth and all upon it! When you do that, you rise above the Law of the human consciousness and accumulation of the rest of mankind! Then the race consciousness which has produced so much human limitation, is no longer an effect in your world; because you are using the Transcending Power of the Law of this Cycle to which everything bows!

When you want conditions corrected, don't battle on the human side. Call the Invincible Fiery Hand of the Victorious Christ to blaze the Violet Flame or the Spiral Blue Flame into those human appearances; and keep on intensifying It until they are compelled to change into God-in-Action and the Fulfillment of

the Divine Law—the Divine Plan by the Great Love and Happiness of God-in-Action.

Take every human appearance which comes to your attention and practice upon it. . . . If it seems to yield you happiness and God's Perfection, then ask the Hand of your Presence to sustain that and the Victory of Perfection to be the only manifestation to come out of it!

Go about this systematically. Make it a daily habit to annihilate human appearances! Draw forth the Secret Powers of your own Life Stream's Flame! DEMAND that those Secret Powers of your own Life Stream, flood your world with the Miracles, Victories and the Success of God-in-Action, and you will have My Freedom!

There is a Cosmic Action of the Violet Consuming Flame and the Spiral Blue Flame, I would be very happy to have the whole Student Body use thruout the world, if it is only one flash each day.

Try to see the whole World as if it were abiding within the Violet Flame and the Spiral Blue Flame spinning around it! See the Spinning Blue Flame constantly winding around the Planet Earth! See within that, the dissolving and consuming on the instant, of everything that has ever been of war! See all impurity, all disease—everything and anything that is of impurity and imperfection or human discord, taken out of existence!

See this sometime each day, and it will give Us a certain "CUP" so to speak, from a Cosmic Angle; into which the Lords of the Flame from Venus, Mighty Surya and the Lords of the Blue Lightning from the Great Central Sun, will join that which I too will draw forth, until that Reality has compelled the purification of all upon the surface of the Earth!

*If an appearance seems to be wrong:*

Call on the Law of Forgiveness, wrap it up in My Spiral Blue Flame and My Violet Consuming Flame; and DEMAND the Perfection of everything. Then call forth the Hand of your Presence to stand there, and in the Power of the Great Central Sun, DEMAND the Victory of God-in-Action come forth! Don't accept anything else!
