

BELOVED JESUS' DISCOURSE

MOUNT SHASTA, CALIF.

AUGUST 19, 1949

"I AM" Ascended Master Youth Conclave

BELOVED ONES OF THE LIGHT, you who are looking to the Heart of Love for the Redemption of the World, I come! and I shall come again, and again, and again, until mankind cannot deny Me; they cannot defy My Love; they cannot resist Its Power!

I enter into the Life of the World, this time, with the Victory of Cosmic Authority, Irresistible in Its Overwhelming Action and Cosmic Perfection! Long has the human creation denied the Source of Perfection and defied the Cosmic Law to consume it, and now the end of the Cycle has come! That denial shall recede and be consumed! Mankind shall not oppose further their Complete Release into the Happiness of God's Love. The human shall be shorn of its power! shall be stripped of its authority! and shall cease to exist!

I did not lightly centuries ago, accept the responsibility of returning mankind to God, neither did the Beloved Saint Germain nor the Blessed Godfré; and with Others of the Cosmic Beings Who, as We have entered upon the Cycle of Freedom, move into outer action, those Powers of the Sacred Fire which are forever Master everywhere!

Be of good Cheer! My dear ones, and draw forth the Full Consciousness, the Eternal Divine Memory, the Love, the Power, the Secrets and that Full Authority of Loving Dominion, which you all had in the Great Central Sun with Us, before This System of Worlds was created—yea even before the Sun Itself did exist! Yet, We were all together in that Life in the Central Sun. Now that Life, in Its ever-expanding Authority and Power of Perfection, must be Consciously Acknowledged and drawn forth into outer dynamic action; for all which has been there throughout uncountable time, and shall forever exist, now moves into Dynamic Service in the physical octave.

Great shall be the Reward and the Blessings to you who have accepted that "Mighty I AM Presence," and have stood so staunchly True to Its Light and Its Perfection. It shall enfold you! You shall manifest the Victory of Its Fulness! The physical world must be filled with It; and beloved ones, try to keep this ever before the attention of the outer mind, you have the

Authority! It is the Command of Life, and you can have Boundless Power to Compel the Annihilation of hate. Then those Activities of the Love of the Sacred Fire move over the face of the Earth, and undo mankind's unfortunate creation!

If one individual from unascended mankind could overcome the forces of the physical octave and arise into the Ascension, then all can! If One can return to Earth from the Ascended State, then all Ascended Beings can come to assist you; when in the Authority of your Life Streams, and in the Authority of all Life in this System of Worlds, you DEMAND mankind's capacity to hate be withdrawn and annihilated forever!

Just as you can give the conscious command to yourselves—In the Name of the "Mighty I AM Presence," to withdraw the capacity to feel pain, just so can you—in the Name of the "Mighty I AM Presence" of all mankind and of this System of Worlds; and in the Name of Myself and all Ascended and Cosmic Beings, DEMAND that the capacity to hate, to doubt, to fear, to defy or to rebel against, the Perfection, Glory and Authority of that "Mighty I AM Presence" and the Great Cosmic Law of Perfection, be withdrawn from every particle of Life in this World!

Please pay deep attention to this tonight! You can DEMAND the withdrawal from every Life Stream, thru the Love, Authority and Power of each one's own "I AM Presence" and Higher Mental Body, that the human capacity to hate or to create destruction be COMPELLED to be withdrawn from the outer self, of every one in this Nation, and then the World! Then, will you see the Dawn of the Age of Freedom and the Honor Flame of God's Love, becoming a Reality upon Earth; and manifesting the Victory of the Divine Plan's Fulfillment of Eternal Happiness!

Precious ones, this is a very important thing for all of you to call forth into outer Conscious Action! You, as atoms in the body of the human race, shall have the Authority to have the capacity to hate withdrawn. Then, you will find your Blessings will be Infinite and ever-expanding for Eternity. You cannot imagine how great will be the Blessing to you all, as you DEMAND from the Life Streams of this World, that the Cosmic Law withdraw the capacity to hate, to rebel against or to defy the Requirements of the Great Cosmic Christ Law of Purity, Perfection and Happiness, which IS the Fulfillment of the Divine Plan!

If you will do this, great will be the Assistance of those who are waiting to hear the call! The Listening Angel I assure you is a very Real Being—waiting, waiting, waiting thru the centuries;

until some one thru this call, opens the Door to the Crowning Glory of Life's Victory on this Earth! When individuals caught in the throes of human creation, whether it be their own, that imposed upon them, or the general accumulation of the sinister force—defy the Law which would bring them Freedom and Happiness and the Great Mastery of Perfection; when they are caught in that, they must have Help from outside their own calls, and this Help you can give thru this Decree!

I know whereof I spoke, when I said that the Etheric Record of My Ascension over the Hill of Bethany was a Living Magnet! The Etheric Record is a Living, Pulsating Magnet to draw even the human mind, which means the outer discordant human creation, up into the like Perfection of My Ascension! This is the call by which you can do it! If you demand—with the same Fierce Determination and Intense Power of Concentration, the withdrawal of mankind's capacity to hate and defy, and rebel against the Cosmic Law of Life's Perfection, and the Eternal Happiness of Freedom—the Cosmic Law will answer you!

The Cosmic Law is all Authority, and if I were you—it will help greatly to see a Light Ray like a River of Flame, go forth from that Etheric Record over the Hill of Bethany, and wind Itself around every human being on this Earth, until It has raised all into that Flame of Freedom, Cosmic Christ Purity and Love, which "I AM" become in Cosmic Victorious Action!

I said: "'I AM' come to bring Life and bring It more abundantly." Well, that Life is Our Life from the Ascended Masters' Octave, which is the Beauty, the Perfection, the Freedom, the Mastery, the Victory and the Love of the Cosmic Christ. Therefore, those who defy, deny or rebel against the Happiness of that Love, must now have that capacity withdrawn, until they see what Love can do for them!

My Love brings Peace, and unless you withdraw from mankind en masse, the capacity to defy the Peace of My Love, then it would be a long time before their own human creation would be dissolved to the point, where they would co-operate completely of their own Free Will; but if you give this call, it would be as if you lifted a layer of substance from all mankind, under which they have been sleeping in an hypnotic condition. Much of this hatred has been imposed upon Life Streams thru war. Now with the Hand of Cosmic Love from Our Great Cosmic Realms of Activity, and with your call—you may Demand the capacity to hate, to defy, to rebel against or to oppose for any reason, the Happiness of Our Love, which Our Forgiveness can bring, be withdrawn. That capacity from mankind under the

Command of the Cosmic Law can be withdrawn! Then, you would see mankind reverse their activities in some cases almost over night!

You have heard the Mighty Victory say, that in one Wave of His Hand, He has taken away human creations which have tortured individuals for centuries! This is what this call will do for your Nation and the World! If you will start the Action of that, thru your calls, We will add Ours to yours in action; and individuals will awaken from the hypnotic substance which has been imposed upon them thru war.

Certain Life Streams who have been the sustaining energy for great destructive activity thru many centuries, are rapidly being removed from the Earth and more will be! I mean those who have been in positions of Trust and Authority and who should know better than to do what they have done! Therefore, in your calls to the Angelic Host, demand this Assistance come quickly. First of all, call to the "Mighty I AM Presence" and Higher Mental Body of each Life Stream, in order to save the Earth from most frightful destruction! You DEMAND the withdrawal of the capacity to hate, to rebel against, and to oppose the Freedom of God's Love to man, and it will be withdrawn from Life! Use all the Authority of your own "Mighty I AM Presence" and that of every Life Stream!

I said: "Ask the Father what ye will in My Name and He will give It to you." Therefore, if you DEMAND this capacity to hate, rebel against, and oppose the Happiness of My Love, and you DEMAND that in My Name—the "Mighty I AM Presence" of every Life Stream will fulfill your call; together with Our Assistance, and that of the Cosmic Beings who are the Cosmic Law's Authority to this Earth. This is a Mighty Scepter of Power! DEMAND of the "Mighty I AM Presence," your own Life Stream, that all capacity to hate in the outer self be instantly and Eternally withdrawn! All capacity to doubt and fear! DEMAND your capacity to do those things withdrawn from the Planet and from your own Life Stream! Then We can move into outer action, certain Powers of the Sacred Fire, and the Cosmic Light which will begin their Work of Redemption!

Mankind in their defiance of the Great Perfection and Happiness of God's Love, do not know what they do when they hate. They do not know what they do when they condemn and defy; and rebel against the Happiness of Perfection; but if you will make the call, you, as Beloved Saint Germain's Family of Freedom, have the capacity thru that call to bring Freedom, and surely you owe that to Him who has opened the Door to your

own Freedom! If you use the Authority and Power of your own Life to Demand this Freedom for your Nation and the World, you would automatically gain your own! Since you are His Family of Freedom, then upon you devolves the responsibility of using your Authority, His, Mine and that of Others who have offered you Assistance; to Demand the Freedom of the World. You can only bring Freedom to the Earth or Permanent Peace, by withdrawing mankind's capacity to hate, to rebel against, or oppose the Happiness of God's Love and Perfection.

Even those who seem not quite able to conquer those conditions individually, have no concept—not even the most depraved individual, has any concept of what would be the condition of Life on this Earth were all Our Love withdrawn. Therefore, since they do not know what they are doing, and do not understand what their damage is to Life, and you do—you have the Authority to withdraw the capacity from the outer self, by your own Conscious Command! Withdraw the capacity from those Life Streams to hate any longer.

Now this will have many reactions! In some cases almost over night, will the individual become a different Being, a Divine Being, where rebellion has seemed to be before. In other cases for a time there may be a great quietness, great stillness in the outer self—while the change takes place. In very vicious individuals, who have opposed the forward movement of mankind in the Great Fulfillment of the Divine Plan, those who have become wholly criminal and vicious, will by That Command, suddenly have their power collapsed and the Higher Mental Body will determine what happens to the physical form, but be not afraid to use this Command!

Oh you do not know the Power in your own Authority of Life, and were you to take this Command, and I trust you will—with all My Heart's Love, I hope you will: "I AM" the Resurrection and the Life, in the Full Victorious Conscious Use of the Eternal Divine Memory, the Secrets, the Power, the Powers and all the Authority of Life which I had with my "Mighty I AM Presence" in the Great Central Sun, before the World was," the Light within you would be very much brighter!

If you will Demand this Authority in Full Victorious Action, and give the Command to withdraw all capacity to hate, rebel against, or oppose the Happiness and Victory of God's Love on this Earth; and you Demand that removed from every Life Stream, the Light around you will grow brighter very much more rapidly. Your own Conscious Power over all things in this world, will begin to surge forward into your outer use, with

a speed and a Perfection of Victory that will amaze you. DEMAND this to come forth, and USE that Authority in this Command!

When you Demand—in the Name of the “Mighty I AM Presence,” in the Name of the Mighty Saint Germain’s Freedom to the Earth forever; in the Name of My Authority of Life, which has already overcome this World, then every Ascended Master and Cosmic Being Who has been waiting for that call for centuries, will rush forward with a Power which will fulfill your calls! Some Mighty Assistance like This, must be given My dear ones, if mankind are to be compelled to reverse the use of their energy, because they are like children caught in quick-sand. When they get into a vortex of these destructive feelings, they go down, and down and down; until only the Great Mercy and Power of Our Love, can reach Its Hand to hold them; until some Assisting Being cuts that human creation away, disconnects it, and consumes it; and sets that loved one on the Pathway of Light to once again try to fulfill the Divine Plan! You must first withdraw the capacity to hate; the capacity to rebel; the capacity to any longer oppose Love’s Happiness!

Where Love is there is Happiness! “I AM” speaking of that Great Divine Love to your Presence and to Us, and to all that is constructive! Where that Love is, hate and fear and doubt dare not approach; and that is My Mastery over this world. That is the Power I used when I said: “Be of good cheer, I have overcome the world.” That was a direct invitation to the rest of mankind, to make them know, they too could accomplish a like Victory; but since they have slept again under their own creation, this time you have all Authority, all Power, you have all the right, you have the use of the Violet Consuming Flame; and it is your responsibility now to drive that wedge into the destructive force, which has caught mankind in its vice-like grip! Now, We shall drive that thru, till We shatter its hold upon Life everywhere!

Do not hesitate to drive and bind the combined hatred and rebellion against the Light, and all that has opposed Its Loving Perfection, right back into the brain and body of the sinister force! Demand that entire creation and the psychic stratum of Earth, be Compelled to consume itself in this Mighty Cosmic Fire of Eternal Purity.

I have given you the Secret of the Ages tonight! Try It! Demand with fierce determination, with unyielding Authority and conscious command, in the Name of the “Mighty I AM

Presence"—in My Name and that of your Mighty Saint Germain, this Freedom to Life and Life will set you Free! If you give Freedom, you must become Free! So withdraw mankind's capacity to any longer deny God's Love and Happiness to Life!

As you issue the Command for the withdrawal of this hate, et cetera, DEMAND this of the "Mighty I AM Presence" and Higher Mental Body of every Life Stream on the Earth! DEMAND that hatred and that capacity, be locked within the Cosmic Violet Consuming Flame and held there till it is blasted from creation! Then, you will know what it means to be Ambassadors of Light and Freedom, and Saviors of the World! The World must be saved from hate, My dear ones! It is the only sustaining Power of destructive forces; but when you withdraw the capacity from a Life Stream, to do things of that sort, and the capacity to hate is locked in the Cosmic Action of the Violet Flame, It is the great Intensity which consumes and blasts that from the Universe forever!

We are waiting with very very great interest, the amount of Momentum which you can gather in this call within the next ninety days; and We trust you will be able to bring it within thirty days! If you will go right into action on It, My dear ones, It will be a Source of Freedom to the Earth, for which your Blessed Saint Germain and all of Us will bless you forever!

When you lock the capacity to do something that is wrong within that Violet Consuming Flame; or within My Ascended Flaming Presence—now please remember these Words tonight, it will stay there held helpless, until it is consumed from creation! We are determined, with your assistance, to bring about conditions which mankind will see they cannot change, and they will understand more as time goes on!

When you choose to use My Luminous Presence; My Flaming Presence in Violet Flame; in Golden Flame; in Dazzling White Fire; or in the Blue Flame—in places where things are very vicious; when you ask and DEMAND in the Name of the "Mighty I AM Presence" and in My Name, that the capacity to hate or do these things is locked in My Flaming Presence, until it is annihilated from the Universe; you will see Miracles which are God's Ways of Perfection un-interfered with by mankind!

"I AM" giving you Cosmic Secrets tonight, for your own Protection and the Release of those you love, who have been caught in these frightful conditions because of continued war! With those Life Streams let alone and cut free from the mass accumulation, they would long ago have gained the Victory of

their Ascension, and fulfilled their destiny to the people of Earth!

I wish you to understand, Loved ones tonight, when the Cosmic Law thru My Ministry and My Life's Experience in this world, established that Magnet of the Ascension over the Hill of Bethany, that is an Eternal Focus of the Sacred Fire—which shall remain there, until My Command is Fulfilled; the same as any of these Great Manifestations of which the Mighty Saint Germain has spoken. When the Ascended Masters draw these Activities within certain places on the Earth's surface or within the structure of Earth itself, that remains there until the Earth Ascends as a Sun, and enters by Its Own Radiation into connection with the Electronic Belt around the Physical Sun! Therefore, We don't establish These Things one day to forget Them the next! We offer them to you for use with Cosmic Power and this "I AM" determined to accomplish!

All the energy which produces sound in what ordinarily is called this outer world's noise, you could qualify with the Cosmic Violet Consuming Flame, to withdraw the capacity from all mankind to hate! You could qualify the storm, you could qualify the lightning, you could qualify the wind, you could qualify the torrents of water with this same Mighty Action; and were you to charge that with intense feeling through this command, Miracles would become your daily experience!

Try this out and We will see how fast the Power can be released safely, because We won't release It any other way; but you My loved ones, who have this Knowledge of the Law thus far, if you will move into action on this with Us, great will be your Service to your Nation and the World! I would also withdraw from every human being within your Nation—DEMAND the Higher Mental Body withdraw, all capacity to foster any destructive plan within your borders! Withdraw the capacity of the outer self, to foster any destructive plan in the Nation! Many will receive a surprise. I trust We will give them very good ones, at least good for the accomplishment of the Fulfillment of the Divine Plan.

Please remember, precious ones, regardless of what your struggle might seem to be, regardless of anything that seems to weigh heavily upon you; just remind yourselves of one thing—anything that is wrong in anybody, is but the sinister force which just has a hook out there, so to speak, to drive something into someone to make more discord occur! Therefore, instead of feeling you hate individuals or are resentful or rebellious against them, if you will just demand that whatever they are

doing that is wrong, be driven right back into the sinister force, just like a streak of lightning that shatters it; makes it annihilate itself; and then DEMAND its annihilation, you will experience Freedom. DEMAND all human creation be compelled to annihilate itself and the entire psychic stratum of Earth! Thus you prevent all intended thru that, as you make it consume itself—cause, effect, record and memory; because every bit of that electronic force, just by its own pressure driven back into itself, can become an explosion which surrounded by the Violet Consuming Flame or Blue Flame automatically purifies and consumes itself!

So let us move forward tonight, with very determined use of Our Cosmic Authority; because much Power must be drawn into the physical octave as quickly as possible, for the production of this film of "I AM" Come! "I AM" COME IN MANY WAYS, BUT THEY DON'T ACCEPT ME! One of them is this tonight! and they will find that I have come—"I AM" COME! I shall make Those Words a Living Reality in the atmosphere of Earth! They shall stand a Living Fire before the eyes of men, and I shall keep My Promise—to come again! Thru the centuries I established that Command, and It shall be repeated, until all know the Truth and the Reality of My Power.

When I say: "I AM" Come—"I AM" there! Know this always, where "I AM" and where "I AM" Come, Love must reign, and the Authority of Light holds Supreme Command! You will need all the dynamic force you can generate, as you use your Authority in this respect; and if you give the sinister force shock enough, your efforts won't take very long to produce manifestation!

We are in a Cosmic Moment for the next few weeks or months, wherein this can have tremendous Added Impetus from Certain Activities of the Cosmic Powers which govern the whole System! If you will co-operate with Me in this, you shall see the loved ones, who want to stop many of the things which you don't like, gaining their Victory! They are often struggling silently within themselves, only sometimes they don't admit it openly! You will see many of those loved ones set Free! This is the call My loved ones, which is necessary to assist the Goddess of Light in the Fulfillment of the Great Work to which She has put Her Hand, in the removal from the Earth of certain destructive forces; until mankind have a chance to be Free and live the Law of Love in the Happiness Life intends!

We are Beings of Love, but that Power can be so Dynamic

and so Irresistible in Its forward Onrush, that like a tidal wave, It can sweep everything before It into oblivion forever! You must learn to use your Authority and your Power, to bring the Happiness of Our Love with unyielding determination; and as soon as your feelings are charged with that, others absorb It and It gives them strength and courage to go forward, and **BE** the Obedient Children of the Light by which all Happiness becomes theirs forever!

There is no use healing people, My dear ones, over and over, and over again, just because they come into such distress, that they call out for relief from the distress; and then do not discontinue the cause—because We have healed thru the centuries! My Mother has healed limitless numbers thru the centuries, but unless mankind will stop generating the cause, they go forward and create more distress again! When you withdraw the capacity to hate, you have removed the cause of the sinister force in this World! All hate is selfishness; all doubt and all fear are some form of hate; all criticism and condemnation, all imperfections are some form of hate, because they are not Love!

If you will move into outer action now, this of which I speak, you will begin to feel once again your Authority of Life, to Compel the human to dissolve and be consumed! Then you will use your Great Creative Power to command Perfection to appear, which will bless you and all forever!

Go forward from tonight and set your loved ones Free! Remember I said: “I AM” with you always! In My Flaming Presence of Cosmic Fire, I can do on the instant all that you command! Thank you, and I trust I have reached into your Life Streams tonight, with a Radiation and a Fierce Determination to use your own God-given Powers, in outer command to prevent that which I care not to describe. That is the reason “I AM” asking you to do this tonight, to prevent the repetition of that which a few years ago you had to pass thru. Let us have no more of the conditions of war on this Earth! If you will use this Command We will give every Assistance, until We can see what can be accomplished! Then you will find “I AM” the Prince of Peace! Then will you find the Love I have called forth and you will call forth, will sustain the Harmony of the World; until mankind can try again to fulfill the Great Divine Plan. It is worth all the effort you could possibly make, and so We go forward with Legions of the Angelic Host to help accomplish this quickly!

Take the Scepter of your Power! Use your Authority and give Us this assistance and let us see how quickly, the Dawn of

the Freedom of Earth, will move over your Land and release the Blessings of Its Sunshine Presence! In the Glory of Its Great Great future, and the Destiny of Perfection, may you enter into the Crowning Glory of all embodiments! Go forward in the Victory of Freedom and hold Peace in your feeling world! If you want Happiness, call My Love and I shall personally see that you remain Happy until your Ascension!

Thank you!

GEM OF LIGHT

SAINT GERMAIN

Dear hearts, ninety-nine percent of the reports out of a hundred that you hear really have no foundation. Something starts and someone carries it and there may not be a word of truth back of any of it. So never let yourself be disturbed by any kind of report, and don't allow your human feelings to be piqued by what anyone may say, feel or do. If it is less than Perfection, It is human quality that has no power.
