

MIGHTY COSMIC BEING, BELOVED VESTA'S DISCOURSE

SANTA FE, NEW MEXICO

JULY 1, 1951

Beloved ones of God's Heart, treading the Pathway of Earth, know Thou art the Home of God's Heart's Flame, whose Life forever comes forth in Cosmic Action to bless, to love and to forever expand Its Glorifying Power and produce Purity everywhere.

As We enter into the Release of that Great Purifying All-Christ Fire, which guards the Home of God's Life to the Earth, know that each of you from today, becomes the Home and Flame of Love from My Heart. Will you consider yourselves as such, and guard carefully the Gift of God, for It is All-Powerful! It is ever the Great Onward Flow of All Perfection to this Earth, from the Great Beings Who have designed Its Cosmic Destiny of Beauty, Perfection and Ever-expanding Light; to produce the Miracles of Creation and bring Joy that is Eternal.

Try to know that the Flame of Love from My Heart, is the Guardian of your Life's Flame in this World. The Cosmic Fire of My Love is the Guardian of the Purity which Life in you must forever express. The Fire of My Love is the Guardian of the Home of the whole race of mankind. Therefore, America is Mine to guard! America's People are the Sacred Fire from the Heart of the Central Sun! It is My Great Privilege to hold Life's Trust, as Guardian of the Life of God's Heart here.

The Immortal Purity of Cosmic Christ Love forever

shall I guard, and those who are struggling God-ward on the Pathway of Purity, shall be held within the Flame of My Heart – which I assure you, is the Power of Immortal Protection thruout This Whole System of Worlds.

“I AM” Guardian of the Flame, Guardian of the Home, Guardian of God’s Eternal Purity of Life. Therefore, you, who have turned away from the impurity of the rest of mankind, are drawing hourly nearer and nearer into the Great Cosmic Heart of Cosmic Christ Victory! It can only express in This World as the Flame of Eternal Purity, as It is ever allowed to grow greater and expand Its Authority and Power, thru the outer selves of those who want Eternal Protection. The outer selves of mankind who want Protection must want to protect Purity; must want to protect that which is constructive; must want to protect the Cosmic Love which the Great Life of the “Mighty I AM Presence” has poured ceaselessly thruout the Universe, thruout the ages, thruout all aeons of time to This World!

Therefore, it is your privilege, as “I AM” Students, to now become the Guardians of God’s Love to the Earth! In the Power and Capacity which is Mine, to draw that Cosmic Fire and project It, of the Great Purity of God’s Love, so shall that Fiery Substance descend, and be the Protection of all that is Pure. The Cosmic Fire which forever surges thruout Creation, is the Eternal Projection and Protection of the Purity of God’s Love, and that should be understood by all mankind. Each of you is a Home of God’s Life, and that Life, if allowed to pour forth Its Cosmic Powers thru you, in the Immortal Purity of Its Love, would forever manifest the Perfection of the Cosmic Christ.

Therefore, your Nation which represents the Heart of Love to this Earth, the Heart of Life to all mankind, must be purified and held within the Cosmic Fire of All-Christ

Love and Purity – if it is to survive and be cut Free from the destruction of impurity. If you will accept the Power of My Fire-Substance, flowing as It does ceaselessly wherever Life calls It forth, there shall be established about you, the Guard of All-Christ Fire, which is every Power, that your Life could ever require; to produce Perfection in this World to master conditions here; to arise Free from the limitations which have been the shadows of human creation.

Just as surely, as the Light consumes the darkness, can the Flame of My Heart's Love, bring Purity and Peace and Protection to Life, to all that is constructive. Therefore, those who wish to guard with Me, the Cosmic Christ Freedom to the Earth of the Beloved "Mighty I AM Presence", can become the Home of My Heart's Flame. You will know what it means to enter into the Cosmic Action of the Power of Our Life Streams, to assist you to stand against that, which otherwise will destroy you.

Your Beloved "I AM Presence"! Praise It for Eternity! Love It without limit! Adore It! Serve It! Dwell within It, and know It is the Home of your Everlasting Perfection! When the disturbing conditions of the outer world seek to again cast their suffering upon Life, retire within the Flame of Our Love – first of all the Love from your "Beloved I AM Presence", the Love Flame from Our Hearts, the Hearts of the Ascended Host and the Cosmic Beings, and dwell within the Great Fire-Substance from Our Great Temples of Life, which ever pours forth Power mankind as yet, cannot direct in the physical World.

In order to overcome the conditions of destruction, that seek always to prevent the fulfillment of the Divine Plan in this World, there must come to your assistance, My dear ones, more of the All-Christ Fire of Our Love! You have got to have this Love, if you are going to have Protection; whether

it be against war or the destruction that sometimes acts thru the Powers of Nature; or from mankind's own frightful creation.

If you understand Me today, and DEMAND of your outer self, that it now become the Home of My Fire-Substance of Eternal Purity; My Fiery Protection of Life's Almighty Flame; and the Home of My Great Flame of Love to the Earth, then will you feel as you move forward, the Peace which none can take from you. The Peace in which you abide, raises you in Its Perfect Cosmic Action, above every condition of disturbance! Then, when you seek supply, will you ask for the Loving Supply of the All-Christ Fire, which thruout the Universe, ever creates Perfection that Eternally grows greater.

You who struggle in the conditions of the physical World for supply, and for the attainment of that which is constructive, know always – that when you become the Home of Our Great All-Christ Love, Its Great Loving Supply is yours automatically. You scarcely have to think of a thing, until it appears before you to serve you. That is the Power of the Love to which I refer. That is the Power of the Great Cosmic Christ Fire, of the Love to which I have attained! That is the Power and the Protection of the All-Christ Fire which I give to Life, wherever Life looks to Me and gives Me an opening, wherein I may come in and abide thru My Heart's Flame of Love, and there establish the All-Christ Perfection of Cosmic Power!

You may struggle, you may rebel, you may weep, you may argue, you may quarrel, you may disagree, but it will not do you any good. The only thing that does you good anywhere in all Creation, is the All-Christ Love of Cosmic Christ Fire! If you will make the outer self, the Home of Its Flame, you will find It perfectly capable of supplying

you with that which you require, until your Ascension is complete.

If you will one day place this All-Christ Love from the Heart of your Beloved "I AM Presence", before everything in the physical World – you will know that It is your Home! DEMAND that the outer self live in It! Know that It is the Guard of all the Powers of your Life Flame, which you desire to use in this World. Then you will find My Words fulfilled, as I pour this Love to you today. You might seek thruout all Creation, for all Eternity, and you will find My Words True forever! You will find the Great Principle of all Creation, is the Great Love Flame of Life – Whose Authority as the Cosmic Christ, is forever in command and controlling all!

Therefore, whatever there is of lack in this World, whether it be the lack of things; the lack of harmony; the lack of security; or the lack of Peace – it is in Reality, but the lack of these Flames of All-Christ Love from your own "I AM Presence", the Ascended Host, the Cosmic Beings and the Angelic Host! This Love ought to be flowing into all physical conditions to produce Perfection; to protect It; and expand It, until Its Eternal Miracles of Light and Happiness fill all.

Mankind have been told and the intellect has agreed, but the feelings have not obeyed! Now, I come to bring the Heart Flame of My Love into the emotional bodies of those of you, who have faced your Beloved "I AM Presence"; and have tried to turn your backs upon the destruction of the World. I have come to supply the Fire-Substance of All-Christ Love, and the Guarding Flames of My Heart's Power of Life and Love without limit! until the Glory of Its Perfection, abides everywhere with you; and your own Heart's Flame is given the opportunity, to let Its Own Powers expand

thru your outer use and produce the Perfection which ought to fill this World!

The Beloved Mighty Helios Who, thruout age upon age, has poured the Flame of His Heart's Life and Love to this Whole System of Worlds, is the Authority of Life in all outer manifestation! In the Cosmic Capacity in which I serve, it is My Privilege to draw the Fire-Substance of My Life's Love, into condensation in this System of Worlds, to produce Manifestation which glorifies the Source of Love – the "Mighty I AM Presence" of each one, and of the Great Central Sun.

Therefore, if each of you, will become the Home of an Individualized Flame of My Heart's Love, I shall show you what My Power is to guard you; to guard your Life Flame, to guard your Purity, to guard your homes, to guard the Home of the rest of mankind in America. There is only One Power of Protection thruout all Creation, and It is the All-Christ Fire of Our Love! It is the most practical thing in your World, and yet the least used! From today, if you so decree it, I shall be thru the Flame of Love from My Heart, and thru the Cosmic Fire-Substance from My Great Temple of Life, I shall become a Permanent Protector of you! (Applause – audience rising).

Thank you, Precious Ones, and while you are standing, I wish you to know with every fibre of your Beings, that the Eternal Fire of All-Christ Love, must burn more brightly thru your own Heart's Flame; thru your Life's Powers released into outer physical action; and thru the Activities of your Nation, if the destructive forces are to be withdrawn from the Earth. Won't you be seated, please?

The All-Christ Love of your own Heart's Flame, must burn more brightly in and around you, if this Strength is to go forth to the people of this Nation; until they arise and do

that which they must do, if they are to fulfill the Divine Plan and hold to Freedom! The Great Cosmic Christ Fire of Eternal Love from the "Mighty I AM Presence", must burn more brightly in the physical octave! It must blaze with Greater All-Christ Power into you and your physical affairs, if there is to be Protection of that which is constructive. All the physical activities and genius of mankind, are but as dust in the breeze, when the Cosmic Forces move into action; unless the Fire of All-Christ Love burns bright around the Life Flame of those who want Protection!

We have age upon age offered mankind the Explanation and Truth of Life; and they have gone on heedlessly, creating more and more destruction by deliberate choice, and deliberate defiance of the Law of Love. Now comes the balancing time; and this Love which We are to all Creation, must become the Flame of Protection around your Life, in order for Its Powers to be used in outer action, and shut off the destruction which threatens. You must have the Fire of Our All-Christ Love, burning brightly around your own Life, your own Life's Flame in this physical World, if the Powers of your own Life are to be used in the physical octave, to produce that which is constructive in the fulfillment of the Divine Plan.

Therefore, the Peace which the World desires, depends on the All-Christ Love and All-Christ Fire of Our Life and of your Life. Therefore, if you will accept Me and join Me, in the Out-pouring of this All-Christ Love of Creation, and Its Cosmic Fire in action in the physical World; at least We will make that Flame of Cosmic Fire and Its Sacred Power, burn more brightly and act with Greater Force in and around you all!

If you were to concentrate some definite time and attention in the DEMAND, that this All-Christ Fire of Our

Love, become now the Authority of Government in your land; the Authority of Our Control of your people; the Authority in the Life of your people themselves; and become the Power in your people to hold Protection for that which is constructive, then, there could come to your assistance, Legions of Our Cosmic Fire of Cosmic Love – made manifest as Living Flame in the physical octave, to do this which protects the Light, the Constructive Activities of mankind, and their constructive desires, thruout the Nation and then thruout the World!

Mankind have thought and still think their main business of Life, is to do things in the physical World, but they are mistaken! The main purpose of Life thruout all Creation, is to expand the Heart Flame of Love from the “Mighty I AM Presence”, in physical action – to produce Perfection that holds Happiness Eternal, in Its ever-raising, glorifying Power to all Life, wherein no discord could ever act. So the main business of Life is the Expansion of the Cosmic Christ Fire of Love, which holds within Itself all Supply, and all the Powers of Life to create Beauty and Perfection; and ever expand Its Happiness to all that lives.

So, as you move forward in outer conditions, before you enter those conditions, call if you care to, to Me – for My Heart’s Flame of All-Christ Protection, All-Christ Purity and All-Christ Power, to guard the Home of Love, of Life, of Freedom in you and your Nation; and COMPEL the Light manifest that consumes all darkness forever.

Once I was known and recognized and obeyed; and those who held close to Me, were blessed for all time to come, with the All-Christ Fire of My Love! I have guarded them thru the centuries, and I shall guard them for Eternity! The World, which does not know Me today, is struggling under its own shadows, because they will not let My Love produce

the Cosmic Christ Fire and Light, that consumes those shadows. The Mighty Beings Who have created this System of Worlds, have given, and given, and given Their Love thruout aeons of time! Until mankind turn back to Them, do likewise; and pour that Love to the "Mighty I AM Presence", which enables Its Own Powers of Life to carry Its Love everywhere in Creation, mankind will go on in their slavery, until they become the Freedom of Cosmic Christ Fire—whose Love is the Master Authority and Presence of Perfection forever!

From today, you will have a different concept, a different understanding, and a different use of the All-Christ Fire of Love; and if you ask for Our Consciousness of all that Our Love can do and means thruout the Universe, to fill you with the Glory of Its Victory — you will know Freedom is at hand from every limitation. Whenever there is any limitation in the physical octave, it is because the All-Christ Fire of Our Love, has not been called into action there, and given the Authority to replace the limitation with Our Perfection of Eternity!

Since the Earth is calling again for Peace, I tell you the All-Christ Fire of Our Love must come, if that Peace is to again appear upon Earth. Peace does not come from anywhere, except the Cosmic Fire of Our Love! When will mankind understand It! Thruout aeons of time, have I poured this to Life, and Life has ever given Me more of Its Glorious Cosmic Perfection! That is the Law of all Life! Thruout all aeons of time must this Love be called into outer action! The All-Christ Fire of Our Love, must take Its Dominion on the Earth! It must be the Law! It must control all here! It is the Cosmic Command and Eternal Law of all Creation. Mankind are not authority over the Infinite Universe that surrounds them! Those who are wise enough, to enter into

the All-Christ Fire of My Love, will find the Truth I have spoken, becoming the Home of Perfection wherein they may abide! It will make them Master over everything in this World, because, It gives the "Mighty I AM Presence" of each one, unconditional Freedom thru the outer self, to pour Its Powers into your outer use and to produce for you, that which your Hearts desire to manifest – the fulfillment of the Divine Plan. This is your Destiny!

You may struggle, you may strive, you may weep, you may call, you may rebel, against this which is the Cosmic Law; but It is Greater than all manifestation thruout all the Universe. This is the Great Immortal Law and Command of all Creation! Therefore, the individual who understands what I say and is wise, will take command now, and DEMAND that the All-Christ Fire of Our Eternal Love, now become the Law in the physical World, in everything and everybody you contact – become the Law of your Land; become the Law of every Manifestation of Perfection you desire! Then, will you know that the Freedom which your Mighty Saint Germain recognizes, comes only from the "Mighty I AM Presence", means that to call forth the Power of Its All-Christ Fire, in Its Love to the Universe, is the Obedience which brings Freedom into Manifestation in the physical World! Its All-Christ Fiery Love is the Protection of the Freedom you call forth, against that which is not Love. Then may you reach to the Heart of Creation! Then may you enter into the All-Knowing Mind of God! Then may you use all the Powers of Life any time you desire them in any activity; and so long as you DEMAND the All-Christ Fire of Our Eternal Love of that "Mighty I AM Presence", be the Law of your World and the Command to Life everywhere, will you find Perfection always manifest at your command. Then, will you have the Power to protect that which is

constructive; and you have entered on the Pathway, where there is no problem, no opposition, no delay and no shadows of human discord.

If you will make yourselves and your Worlds, the Home of My Flame of Love of the All-Christ Fire of that ‘Mighty I AM Presence’, you will find that your Temple of Life and My Temple of Life, have become the Fire Temple of Cosmic Christ Love, Whose Authority is Perfection forever! Then, will you have the Power to give as the Sun gives Light to the Earth! Then, will you have the Power to protect your loved ones, and cut them Free from that which is not Our Love.

It seems to Me, the Earth has experimented long enough with the destruction of hate. We are hoping mankind will awaken to the Cosmic Christ Fire of Our Love, and have the Peace that sets them Free! Without this All-Christ Fire of Our Love to which I call you today, the Earth and the Universe Itself, would dissolve from manifestation; but think you not that, if It is great enough to create all that is, and sustain It in ever-expanding constant action, do you not think It is great enough for you?

I say to you the All-Christ Fire of Our Love, is great enough for all that is or ever will be! I give you today, the Supreme Scepter of Power – Cosmic Power, Cosmic Action, Cosmic Fire, Cosmic Freedom, Cosmic Purity, Cosmic Command of all that Life can give. If you insist that the Flame of Our Love and Its All-Christ Fire be now your Home, and you DEMAND Its All-Christ Protection come forth around all that is Constructive, your Home – the Home of Love Supreme, become the Glorifying Flame of Adoration to your ‘Blessed I AM Presence’, whose Love has caused you to be! Only by the Love of your Presence do you have existence today! Therefore, as you call the Flame of Our

Love in Its Cosmic Christ Fire, to bring into existence in your World the Eternal Peace which abides only in that Flame of Love, It will strengthen the Love in the rest of Life everywhere! It will strengthen that Love in the people of your Nation, to call It into action; and hold the Freedom which Love has given by the Power to Compel Peace; until Love again becomes the government of every Nation in the World.

Age upon age, and civilization upon civilization, have mankind tried the various ideas of their own design, as governments of the people; and whenever they have lacked Love, they have failed. Every civilization which has gone into oblivion, went there because Our Cosmic Flame of All-Christ Love did not abide within it. When people become calloused to the Great Purity of Life and the desire for Its Love, then woe is the future which they must face. You who have turned God-ward, I hope today, will understand Me, as you have never understood this Flame of Love before! KNOW Its All-Christ Fire from your own "Precious I AM Presence", and from the Cosmic Beings Who have poured Their Love to you thru the ages; from the Angelic Host, and the Ascended Masters Whose Fire of Love has given you every good thing you have ever had! I trust It will be Powerful enough today, to turn you away – forever away, from all that is not Its Authority in this physical World; until Its own Expanding Fire stands your Guardian; and to that which is not of Love, forbids its approach!

It is this All-Christ Love from your "Mighty I AM Presence" and from Us, which is the Directing, Selective Intelligence within and around you. It knows that which is constructive and that which is not. All that is Constructive is the Manifestation of this Love. Therefore, if you are struggling under conditions which are of distress, then this

All-Christ Fire of Our Love, must be called into physical action, into physical conditions, into the physical World, and into the physical atmosphere of Earth – if you are to be protected against the opposite.

I have come to strengthen this All-Christ Fire in each of you; to blaze Its All-Christ Flame of Our Love into the atmosphere of your Nation; that We may strengthen wherever possible, that which is to hold the Guard of God's Freedom here! We are privileged to once again let that Fire pass thru the energy of the feeling world of the people; and to consume as much as possible, that which is still seeking to destroy them thru war! The Great Elohim of Peace, when He came seven years ago, brought His Love in Its Cosmic Christ Fire; when His Wave of that Love passed thru the Nation, Peace within a few months followed. Today, "I AM" privileged on the next Spiral Higher, to render a Similar Service; and if I can get you to feel today, what I mean by making yourselves the Home of My Heart's Flame of All-Christ Fiery Love, We shall succeed! That is why "I AM" here to make the effort! (Applause – audience rising).

Thank you, My Loved Ones, and while you are yet standing a moment, I wish to say this: "Long has the Flame of Our Love been ignored! Long has It been refused! Long has It been denied, but today, the Door is open once again! I have been called and welcomed thru Love! Therefore, I shall stand the Guard of that Sacred Fire of All-Christ Love as Its Home and Its Immortal Purity in and around you all, as you want Me in your World! Once again, may We go forward and draw that Great Love which produces the Perfection that gives Freedom to Life! In the Service which We are to render to your Mighty Saint Germain, the Mighty Master Jesus and the Beloved Godfre – may that Cosmic Fire of Our All-Christ Love, become alive in each of you; burn

brightly in Its Ever-commanding Authority and Presence; and become for you an Eternal Temple, whose Cosmic Fire forever commands wherever you go! May the Glory of Its Perfection, bear witness to the World of Its Eternal Authority and Power and Conscious Command!

I wrap you this hour, in a Mantle of Its Living Presence of All-Christ Fire and Love from My Heart. My Temple of Life, that of the Mighty Helios, and Others Who are far greater than Us, Whom We serve, are that Love which creates only Joy, Beauty and Music Ineffable in Its Ever-lasting Celestial Splendor. In that Ineffable "I AM" Music is the Exquisite Joy of all Creation, which Love alone can give! I call you to the Heart of Its Eternal Victory! May the Glory of Its Presence, give you Freedom, and the Loving Supply of that Sacred Fire ever flood to you, Blessings beyond description; beyond your belief; for only as you use Them, can you understand how Great the Love of that "Mighty I AM Presence" is to the Universe!

May I commend you to the Glory of Its Heart, and your Home of the future be the Altar of Its Living Flame, Whose Joy forever blesses all with Eternal Peace. Let Its Purity crowd out every shadow, and lift you beyond everything in this World that is of limitation. May the Glory of Its Light be the Pathway ahead of you, and the Mantle of Its Ever-lasting Flame, be the Armor about you – wherein the shadows will never again approach; and you the Flame of Our Love in this World, become the Authority of Peace Eternal to the Earth!

To the Glory of Its Great Cosmic Eternal Power, may you turn and face your Blessed "I AM Presence", and in that hour, may you know all that Its Love has done for you thruout the ages! Now, you are privileged to turn and render that same Service to Life, and give Its Boundless Love –

Our Boundless Love of Cosmic Christ Fire, to all Life wherever you go – until Peace illumines the Earth with Its Dazzling Flame for Eternity!

Thank you with all My Heart, and the Home of My Love in you, shall become the Great Cosmic Temple of Our Service to Life; until the Glory of Its Cosmic Activity to the Earth, forever bears witness to the Truth and the Reality of that Blessed “I AM Presence”, which We in Cosmic Action, love and obey and call into Outer Manifestation, by Its Glorious Powers of Love alone!

Thank you for becoming the Family of My Heart, and may My Love live forever in you, as Eternal Peace. Thank you and won't you be seated? If you will use this consistently, persistently, continuously with Conscious Command, you shall see Flame after Flame go forth into conditions; and those conditions become the Perfection of Eternal Love. May It illumine the Earth, until every shadow is gone forever; and the Cosmic Christ Fire of the Love of that “Mighty I AM Presence,” is the only Authority thru all Life on this Earth for Eternity. Then, shall the World Itself, become a Sun and Altar of the Ascended Masters' Love in Cosmic Action – whose Ever-lasting All-Christ Fire, produces Joy and Perfection and the Music of Eternal Freedom thruout Creation with Full Power. May Its Victory draw you unto Its Altar this day, and There you abide forever!

Thank you for this opportunity, and may My Love prove the Reality of My Existence! May the Victorious Power of the Sacred Fire ever and ever and ever, give you all of every good thing. I bless you with My Love of Eternity!
