

“I AM” GOD’S CHRISTMAS LOVE!

This Day of God’s Great Blessing,  
We fill with Cosmic Love,  
To evermore reveal to man,  
God’s Law of Light above!

As years roll into centuries,  
Our Love expands God’s Light,  
It evermore reveals to man,  
The Source of Cosmic Might!

The Master Jesus Coming,  
Flings Wide God’s Cosmic Door,  
His Oceans of Light’s Blessing,  
Flood Earth forevermore!

He led the Way, in’ Vict’ry,  
He brought to Earth Love’s Flame,  
And ever shall His Blessing,  
All here to Freedom claim!

His Mast’ry ever calls us,  
Until we do respond,  
To God’s Great Will - Perfection,  
Consuming every bond!

Our Joy shall know no limit,  
Our Love shall know no end,  
His Luminous Presence clothes us,  
Until we too Ascend!

Now unto Him we offer,  
Our Love, God's Love, "I AM"—  
Until again He greets us,  
And His Love holds command!

The clouds of Earth must perish,  
His Light must rule Our Land,  
For in His Living Presence,  
All must arise and stand!

Oh, Blest, Beloved Jesus,  
We bless Thee evermore,  
We give Thy Help and Blessing  
Till all Thyself adore!

Mankind shall now behold Thee,  
They SHALL obey Thy Call,  
We blaze Thy Cosmic Fire,  
Till It floods forth to all!

Great Cosmic Host of Angels,  
We call to come to Earth,  
To make all here behold Thee,  
As all receive Light's Birth!

Thy Presence is approaching,  
We come to greet Thee too,  
Beloved Master Jesus,  
Earth's Door swings wide, Come thru!
