

BELOVED MIGHTY CYCLOPEA'S DISCOURSE

SANTA FE, NEW MEXICO

MAY 30, 1954

BELOVED ONES of My Heart, as We enter today into the use of a Greater Power of the Magnificent Love of the Universe and Its Almighty Victory of Life, I ask you to feel with Me, the Importance of calling forth the Victorious Power from within your "Mighty I AM Presence," into and around the outer self, for just this reason: You are not in physical embodiment just to either fulfill your own desires or even just to accomplish the Ascension. You are in physical embodiment to draw forth the Powers of your "Mighty I AM Presence" into outer dynamic action; and gain a Momentum which makes you a Great Creative Sun of the Love from the Great Central Sun. You are in physical embodiment to bring Perfect Manifestation into This World and into the Ascended Masters' Octave, when you come there! Then, you go on into your Cosmic Activity, where at all times you, as a Sun Presence of the Great Love from the Great Central Sun, allow your "Mighty I AM Presence" to have Its Full Dominion through you. Thus, you release ALL of Its Inner Powers of Life, in outer dynamic Action and Manifestation, to bring Expanding Happiness and Love Supreme, everywhere in the Universe that you abide.

Your Beloved Mighty Saint Germain told you, that Energy becomes Power through use. All the Inner Powers of your own "Beloved Mighty I AM Presence" must some day, sometime, somewhere, be drawn into outer action, dynamic action, if they are to produce Manifestation for you. Then, They will bring you happiness, and make you manifest Perfection anywhere you choose to go in the Universe. They will make you a Blessing to ALL LIFE wherever you abide!

You see, through the centuries mankind has been so tied to the physical body that they have forgotten the "Mighty I AM Presence" and the Power of Its Love, to keep individuals happy in outer activities in this physical world. So now, as the Purification of the Nation and the Earth takes place by Cosmic Action, each of you should gather a Momentum around the outer self, by your own use of the Powers of your "I AM Presence." You should gather a Momentum of Power in physical conditions, which will enable you to stand against destructive suggestions and discordant conditions, which otherwise will rob you of your Happiness. If you want to be happy and maintain conditions which make Happiness, you are going to have to use the Power and the Powers of your Presence, your "Beloved Mighty I AM Presence," in the physical conditions of this world; in physical action; in dynamic service; in Almighty Control of the affairs of your world, and of the world around you.

After all, My Dear Ones, when this "Beloved I AM Presence" gives you the Life of Itself, and pours constantly to you the Love of Its Heart, do you not think It expects something from you in return, to hold the Great Balance of Life; that you may move clothed in the Happiness of Perfection, and be blest with the Power to give It to the Universe around you? Your duty in your journey through This World, is to be a Sun Presence of the Power of your own "Beloved I AM Presence" Heart Flame of Love. That has nothing whatsoever to do with what you call human attachment! The Cosmic Love of which I speak, is your Love and your devotion to your Source of Life, your "Beloved I AM Presence," Who can give you everything in the Universe, to use in This World if need be!

I want you to be Free! You cannot be Free, except by the Heart Flame of your own "Beloved I AM Presence" Miracle Love of Life; and the Heart Flame of Life from the Hearts of the Ascended Masters and Cosmic Beings!

There is ONLY ONE THING in all Eternity which can make and keep you Free and Happy; and That is the Power of your own Life, from your own "Mighty I AM Presence" and from Our Octave which is One with the Perfection of your Life. Therefore, if the world around you needs more Perfection, then It must come from the Heart Flame of your "Beloved Mighty I AM Presence" into you and around you so as to allow the Greater Life and Light and Love from the Central Sun, to be concentrated into physical conditions, to transmute them into Perfection. And Happiness, after all, if It be permanent, comes only from the Perfection of the Great Love Flame from the Great Central Sun, of Which your "Mighty I AM Presence" is an Extension; and of which you are an Extension from Its Heart Flame.

Let Me express again to you, Beloved Ones, the necessity of holding the Picture in your minds of the Ascended Masters' Perfection, which ought to be in This World. You may go on enslaved and controlled by the desires of the outer self; or the suggestions of the outer world of limitations and distress; or you may arise into the Heart Flame of your "Blessed I AM Presence"; and DEMAND the Eternal Mastery of Its Victory in you! You may pour into outer physical conditions, whatever Power compels their transmutation and raising into the Perfection, Which is Eternal Happiness and the Gift of Love alone.

When you say you don't have time, to make the Application necessary to give you the Perfection you want in your physical conditions, then how are We to help you? Your Presence through the ages has offered you Its Love without limit; Its Perfection; Its Mastery; Its Protection; Its Illumination; and you didn't take time to let It come through; because everything in the world about you made you think it was more important than your "I AM Presence." When you place your Presence first, you will have to say to outer physical conditions, when you think you don't have

time: “STAND ASIDE UNTIL I TAKE TIME”! You must take your Mastery by Our Force, and that is what We have meant down through the ages, if you want the Perfection of the Presence in outer physical conditions. So long as you think, the outer conditions have more Power than your “I AM Presence,” your Presence just waits for Its Opportunity, until you change your mind. Of course, everybody changes his or her mind all the time as far as that goes. So, you can just as well change your mind this hour; and give it all back to your Presence, as you can go on accepting limitations of the outer world.

“I AM” going to hammer Something at your Door! That sounds peculiar doesn’t it? It would not, if you knew the resistance in the mental and feeling world of the mass of mankind, to the Perfection of Purity and the Love which you really want. You would know that it takes a very powerful, dynamic force to break through and compel to stand aside, the continual hypnotic suggestions in the mental and feeling world of the mass of the people – that they cannot produce God Perfection.

“I AM” going to hammer this at your Door! One day you will thank Me for being the Reminder which cracks through the mass race suggestion in the feeling world, that you cannot throw off your limitations. It is almost all in the feeling, Precious Ones, at least ninety per cent of it is in your feelings. We have to come again and again and through Radiation, cut through the vibratory action in the atmosphere about you, of the discord continually thrown off by the thoughts, feeling and chaos of the mass of Life on This Earth. So, if I hammer at your Door, it is that I may one day get in. (Applause) Thank you, Precious Ones.

It is not, Beloved Ones, that you do not know some of these things, which We have told you again and again. It is not that We have not reminded you; but it is that We have to KEEP you reminded! If We don’t keep you reminded

of the Power of Perfection, the outer world keeps you reminded of its limitations, I will guarantee you that. Every devilish force on this Earth of human consciousness, keeps you reminded incessantly of discordant pictures, discordant conditions, limitations, fighting, chaos, and destruction all the time in the outer world about you. In order to repel that, it takes far more force than you understand, to cut through that vibratory action; and stand it aside; until We can anchor within you, more of Our Power which is Our Love, which is Light, to perfect you from within; and release the pressure that allows your "Mighty I AM Presence" to bring Its Limitless Blessings into your outer use. It is to set you Free from the suggestions of the centuries, that We come again and again; and release Dynamic Force to set into Action, the Light that consumes the darkness! You will never know until your Ascension, what the Positive Force of the Beloved Master Jesus meant to you, America and the World last Thursday! (Applause—audience rising) Thank you, Precious Ones, won't you be seated please and just remain so.

THE LIGHT AND LOVE OF HIS COSMIC POWER LAST THURSDAY PASSED THROUGH ALL THE LIFE ON THIS EARTH! That is what it means for a Being of Cosmic Authority and Power, to come into the physical atmosphere of Earth, at the call of some unascended Being; and fulfill the Requirements of the Cosmic Law, in the giving of Their Gifts to the Earth which sets It Free! While to some extent, the orthodox world makes some call to Him; and accepts, in some ways, that no one can get Free except through His Presence; yet they do not understand the Action of the Cosmic Law; and what happened when He gave His promise to Life, that when He attained His Ascension, He would give Service to Life and love all Life; until He drew all Life out of the human and into the Ascended Masters' Octave of Eternal Divine Perfection!

You see many people in some of the statements they make in the religious channels of the World, have a Fragment of the Truth; but they do not understand the Cosmic Law enough, to show mankind the Application necessary, to set That Truth into Service for themselves and for the World. So, We have to come again, and again, and again, to remind those who know This Law of the "Mighty I AM Presence," to make every effort; to draw more Power in and around your outer selves! You must make the effort to draw the Power of the Heart Flame of your "Mighty I AM Presence," so It may release around you, Our Victory to protect you; and allow you to go into action in physical affairs, to change them for the better.

Now, I return you again to what I said in the beginning. Each of you should be a "Sun Presence" in your Being and world, to give the Light, the Life and the Love from the Heart Flame of your "Mighty I AM Presence," into outer physical conditions. That is your Duty to Life; and if you fulfill your Duty you automatically gain the Ascension the Eternal Divine Way, the Ascended Masters' Way without passing through so-called death. When you fulfill the Requirements of the Law, and "I AM" speaking of the Cosmic Law of Eternal Love, by letting the Heart Flame of your "Mighty I AM Presence" expand Its Love, Light and Perfection into outer physical action, you automatically have the Assistance of That Cosmic Law of Our Octave. It draws Our Love in and around you to bring you into Our Octave, when the Higher Mental Body says: "Come I AM ready"!

The people can rebel all they want to, but their rebellion does not set them Free! They may criticize and condemn This Messenger and This Work, but their criticism and condemnation will not set them Free! This which "I AM" offering you today, in your effort to make the outer self a "Sun Presence" of the Heart Flame of Love, from your "Mighty I AM Presence" brings into this physical

world, Light from the Heart of your "Mighty I AM Presence." If It is allowed to come into you and into your outer affairs, It will show you at all times, the Right Thing to do to bring you Perfection; to protect It; to supply you; until everything in your world is brought into Divine Order and is made Self-Luminous. Its Blessing continues to expand, until wherever you go, your Light, Life and Love set all Life Free which has been bound in human qualities. It sounds very easy, doesn't it? Isn't it easy to love someone you love? Now answer Me that! Isn't it easy to go out and buy the things you love, you have seen and want? When someone provides you with your supply, isn't it easy to go out and get something you love; and bring it into your world for use? Is that so difficult? Then, it should not be difficult to free yourselves from that which is not Love; if you keep the Picture of the Unfed Flame in your Heart expanding to enfold your "Mighty I AM Presence"; and you feel the ONENESS of your Life and your Love and your Power from there!

Believe Me, Beloved Ones, the difficult thing and the difficult way of living is to live with the human. "I AM" sure it is difficult to live with your troubles and with those who create discord. It is difficult to live with discord, isn't it? Then, shouldn't it be easy to live with Love to your Presence; and to the Great Ascended Masters' Octave of Life; so your Love sent There, may draw Its Perfection here? Now, that should not be difficult. If you are very still and you are pouring Love to your Presence, you surely can't be unhappy! It is not difficult and It is not uncomfortable! Is it? Try It! I shall offer you plenty of Opportunity.

Then, when It is so easy to live with the Love of your Presence and Love to Our Octave, that We may send back into your world, thousands of times more Love than that which you give Us, I do not see why you don't take

the Easy Way of Life. That is why I said: "I shall knock until you let Me in." I might knock away some human creation in the process. (Applause) Thank you, Precious Ones.

I have come today and given you This Explanation that you may have Added Understanding of That which We offered in the Chicago Class at Christmas time. I asked you to hold the Picture of the Great Sphere of Iridescent Flame, within Which was My Great Cosmic Heartbeat of the Power from the Royal Teton. All the Power which is there, My Dear Ones, is the Power of Our Love to set you Free. If you use That Power every day, hold the Picture of Its Expansion, and charge forth the Power of your own "Mighty I AM Presence'" Heart Victory to Life, then you gain a Momentum. It becomes a Reservoir through which the Cosmic Activities of Our Love can assist you, in Ways and Means you know not of.

"I AM" going to say one more thing about pictures. Unless you will force the intellect to hold the Picture in the mind of what you want, there is no focus in the physical world for the Fulfillment of your call! The mind is plenty ready to conjure up destructive pictures – pictures produced by fear. You hold those in your mind and don't realize it. So, if you will definitely control your attention, and the Power of Sight within the mind; and force the mind to hold the Picture which brings about the physical condition you want, there is not one good thing, great or small, which you cannot have in your world of experience, until your Ascension. You don't realize that every limitation you have, every destructive disturbing force in your world, is held there by a picture in the mind! That picture concentrates the energy into the feeling, until it becomes the manifestation which disturbs you.

The outer self must be disciplined, to hold the Picture of the Fulfillment of the call, the Picture of what you want; instead of the picture of the discord, that is but the

temporary condition from which you wish to be Free. There isn't a thing of doubt or fear which ever touched your feeling world, that didn't have a picture in the mind. So, if you will root out those pictures; if you will uproot the feeling which holds them in manifestation, then We can bring you Perfection! Perfection is not so hard to produce! Love is not unhappy! We love Perfection! We love to give Perfection! We love to produce Perfection! We love to fill your world with Perfection, for That is Our Happiness to Life! That is Our Gift to Life! It is no trouble for Us to give you the Happiness and the Perfection of Our Love; but if you think for an instant, that We allow the destructive pictures in this world to register in Our Life or Energy or Substance, We could never be Free!

You might think, well, how do the Ascended Masters, looking upon the world, change conditions. When there seems to be a shadow arising, which is discord in this world, We do not watch the shadow to see what is within it.

WE BLAZE THE LIGHT RAY AND IT CONTAINS THE PERFECTION WHICH WILL NOT ALLOW THE SHADOW TO EXIST! The discord of your world is but a shadow to Us. We dare not allow the pictures of treachery, discord and the frightful destruction of human creation to register in Our World. If We did, We would have eternal discord in the Ascended Masters' Octave! I say to you Immortality is Love, the Love of the Great Central Sun; and discord is not Immortality. Therefore, you are All Authority to command it to change; and yield you the Perfection Which should long ago have been in its place.

So, if I continue to knock, I trust you will forgive Me! (Applause) Thank you. When I knock, it will be just to let My Love come in and set you Free, for I will not discuss your problems in detail! I will not criticize you for any mistakes! I will not know anything about your so-called enemies, nor your problems! I simply come to let My Love

come in and set you Free; with a Power of Happiness which will allow the Expansion of everything good to bless you; and raise you into your Final Victory, as you come into Our Octave! I trust you will come without the limitations of the centuries of so-called "death." Some of you must stand with Beloved Master Jesus, if His Words are to be fulfilled to the Earth, and I assure you they are! If you will love Him, He will love you Free. If you love Him, you will help to fulfill His Decree to Life. Those of you who love Him, I assure you are never out of My Heart, NEVER! So, if His Love and My Love may come into you and around you and your world, the Happiness you seek, the Perfection you desire, the Freedom which you want, you will become! The Picture must be in YOUR CONSCIOUSNESS AND IN YOUR WORLD, if the Manifestation is to be produced which fulfills the Divine Plan.

So in governing the Power of the Mind to produce a picture, I plead with you, DO NOT LET OTHER PEOPLE PUT PICTURES OF DESTRUCTION IN YOUR MINDS. If you do, they are the condition manifested for you. The picture is the thing itself, and it only becomes an outer condition, as the momentum forces it into physical action. So Beloved Ones, live in the Heart of your Presence! Picture the Unfed Flame in your own Heart enfolding your Presence! Picture the Love of your Presence, shedding Its Radiance and Sunshine of Happiness to all around you! JUST BE THE SUNSHINE PRESENCE OF YOUR OWN "MIGHTY I AM," AS IT BLAZES ITS PERFECTION INTO OUTER CONDITIONS! BE NO LONGER UNDER THE LIMITATIONS OR THE CONTROL OF THE PICTURES OF THE HUMAN CREATION OF MANKIND.

Discordant pictures, destructive pictures, destructive colors and destructive sound must be kept out of your world, just as surely as destructive conditions! If you will work

in the Realm of Cause, We will produce the Results of Perfection.

Go forward, and when you think of Me and the Sphere of Iridescent Flame which I have offered you, try to realize, that It is Our Love and Our Power of every Perfect Thing you could ever want in This World. As you recognize It, use It and command It to expand to fulfill the Great Divine Plan, YOU BECOME ONE WITH US. THE LOVE WHICH WE ARE TO THE EARTH MANIFESTS YOUR FREEDOM, YOUR PROTECTION AND YOUR SUPPLY AS YOU DESIRE THEM, WITHOUT ONE DISCORD EVER TOUCHING YOU AGAIN! If you live in the ONENESS of your own Heart's Flame to Us, Our Love will come back to you, and YOUR WORLD WILL BE OUR OCTAVE OF PERFECTION.

So, I shall knock, and knock, and knock, until you let My Love in; and when It comes in, that which has been of the shadows I assure you will cease to be! May I forever set you Free! May That Freedom be manifest now with Full Power in your outer affairs; and give you Protection and the Supply which enables you to go forward and reveal what the Victory of Our Love is to the Earth!

I CLOTHE YOU IN MY HEART'S LOVE OF THE VICTORY, WHICH SETS YOU FREE FOREVER! THANK YOU.
