

BELOVED DADDY'S DICTATION

FAMILY BIRTHDAY PARTY

206 McKENZIE STREET

SANTA FE, NEW MEXICO

JULY 28, 1961

BELOVED ONES, thank you for your celebration tonight, and your recognition of My Humble Efforts to pour Love and Blessings to you all, down through the years. Now, since you are abiding in the garden of God's Heart, in more ways than you realize, I come to bring My Blessing; to anchor here the Sacred Fire of My Protecting Love; and to make It an Eternal Part of this portion of the Earth. I anchor into the atmosphere above you, the Sun Presence of My Love, which I shall use in and around you, whenever you are abiding within this city.

This is not just for the immediate locality. It is the establishment of a Radiating Center which, if you care to give It recognition and demand Its Expansion in this entire area every day, We can establish a Focus of Our Power! The "Beloved Mighty I AM Presence," the Higher Mental Body of each one, as well as Myself and Those who are the Guarding Presence of all which is constructive in this area, can establish here a Pulsating, Radiating Sun! It will ever intensify Our Power here, to keep purified all conditions around you; so more and more of the Great Powers and Perfection We want to bring to bless you, can be established here, and around you! More than that, if you will recognize and make the call for This Power of the Sacred Fire, which I want to bring into this locality, It will go down into the Center of the Earth as a Pillar of the Master Flame. It will bring My Powers of Life here! You will know, not only the Obedience which I have given to Life; but the Ever-Expanding Blessings which "I AM" determined to bring into outer physical conditions; in, around and through the "I AM" Student Body; to accomplish the Fulfillment of the Divine Plan here.

When I passed this way in the unascended state, "I AM" frank to say, I did not have too much hope of purifying this locality; but little did we know then, what the Cosmic Law permits to be done, when there are those of the Light who want to purify the locality, make the call to the Great Cosmic Law, as well as to the Presence of each one, to set into action here whatever continues to expand Purity forever!

This locality, long ago in the centuries past, had a very Great Activity for the Blessing of mankind, but that Blessing was desecrated! Now, it is your Privilege and Ours, to redeem the locality. There still abides, not in the etheric record but the Akashic Records, the Perfection which was once here! By your conscious recognition of It, you may call forth again, the Great Power of the Sacred Fire's Purifying Love! It can again be set into action to expand, this time, Its Perfection for Eternity.

Now, wherever you go and in whatever you do, so long as you do anything constructive, do not miss the opportunity, to command even what temporary manifestation you might create in the locality, to be made Invincible! Even where you travel from day to day, whatever is Constructive which your Life brings into outer existence, keep demanding it be kept Invincibly Pure and Invincible against all human control! In this way, it is as if you planted trees in the Garden of Life, which are the Eternal Powers that forever expand Their Blessing to all who pass this way.

In establishing this which I hope We can make permanent, if you accept It and daily charge It into outer action, We can establish here a Projection of Certain Activities of the Sacred Fire from Our Octave of Life! Not necessarily as is in the Temples of the Sacred Fire, but It can be a Gift from Our Octave of the Perfection which is Eternal into the substance of This World! It can begin here, and then forever expand Those Activities which are to become the Magnificent Blessings of the future!

In all of mankind's Advancement, most of the time, when terribly destructive activities are going on in the outer world, at the Inner Level, the Great Law of Life through the "Beloved I AM Presence" of individuals, is always building Something More Magnificent for the future! It is always laying the Ground-Work to establish the Focus and gather the Power of whatever Perfection is to take the place of evil, which is now manifesting in outer world conditions.

So, whenever you redeem a portion of the Earth, Purification must come first; but unless you definitely command, the Perfection of the Ascended Masters' Octave to come in and fill the place where the discord has been, you but wipe it out and more discord would again come in that place! You must establish an Eternal Focus of Perfection from the Ascended Masters' Octave where the evil was; so nothing of destruction can take place there again!

If the people in the past had known This Law of the "Beloved Mighty I AM Presence" when a civilization was destroyed, the Life Streams who came in and occupied that area afterwards, could have built Permanent, Better conditions. If the people had known This Law and demanded the Purification and Establishment of the Ascended Masters' Perfection in the place of that which was consumed, there would not have been the building of one city after another in the same locality; in which age after age, the same destructive activities took place!

You are privileged through understanding how to make This Call! As you demand the annihilation of all destructive etheric records, call forth the Ascended Masters' Eternally Fulfilled Manifestation of the Perfection of the Akashic Records! We mean the Eternal Perfection of the Ascended Masters' Octave, designed to make This World Perfection also! So, wherever you go, you can become an Illumining Sun-Presence! That is just as if you entered a city or a large building; and wherever you pass by, you turn on one

electric light and you leave it on! Then, you turn on another, another and another; until the whole building becomes illumined by the Light you turned on! This is your Privilege! You have This Power through making the Call and the Great Cosmic Law will always produce Ascended Master Perfection into This World; when the Divine Consciousness of any part of Life wants It here; purifies the surrounding area; and calls It into existence in This World!

I wish you to understand something from the Standpoint of the Law of Creation, which will explain to you why destructive forces are so heavily energized and seem to last so long. The intellect of mankind does not realize that every particle of Life everywhere, is creating something every instant; whether it be in mankind, in the minerals; or the plant life; in the animals or in the atmosphere, the Powers of Nature or Forces of the Elements! Life is everywhere! Your Life is creating something waking or sleeping every instant, embodied or disembodied! There is no time when Life is not creating something. So, when you understand This Law, and demand Its Invincible Purity to manifest everywhere you abide; to manifest everywhere in the structure of Earth with which you come in contact, you are allowing the Creative Activity of your own Life, to draw the Great Central Sun's Perfection into the physical existence of This World! Invincible Purity is an Eternal Light which ever lights the Pathway of all Life that passes this way! When you understand how great are your own Creative Powers of thought, feeling, and spoken word, you will not miss one opportunity to keep commanding; first of all, Invincible Purity; and then the Ascended Masters' Invincible Perfection, Eternally Self-Luminous; and Eternally Invincible; to come everywhere you abide and take the place of all evil! In this way, you will never have to retrace your footsteps, to go back and create Permanent Conditions which otherwise you would.

Whenever disaster has come into any locality, every human being, can use the Great Creative Power of Life! First of all, demand Invincible Purification! Then, demand the Ascended Masters' Perfection from Our Octave, to come into the place where the impurity has been; establish a Self-Luminous Manifestation of Invincible Perfection from Our Octave of Life, and command It to expand; command It to be Eternally Invincible against all evil! My Dear Ones, if you will do this, you will fill your own Beings and Worlds with such Perfection, day after day, after day, as you call this into action, that I cannot put into words, the Blessings you will experience; the Freedom you will enjoy, and the Protection which will automatically be yours! The Earth having been contaminated by mankind's discord, must be purified, redeemed and flooded with the Perfection of the Ascended Masters' Octave, little, by little, by little!

You have been told this before, but I remind you of it, because of the meaning It conveys to you now. In some of your transportation activities in the winter time, when the great transcontinental railroads have been blocked by snow storms, sometimes they have been held completely inactive! Sometimes as long as two weeks at a time, when people could not move and no help could get to them! This your Nation has experienced only a few years ago! When that took place, do you realize that a thing so tiny as a snowflake, multiplied Infinitely, can block the tremendous energy which it takes to move those trains across the country? That is why, if each of you, who understands This Law, wherever you abide, will demand all the Great Central Sun's Sacred Fire Purity, It will come into every particle of substance you contact! It will FORCE the Purification of the Ascended Masters' Octave, to take the place of mankind's discord, and It can redeem the Earth! When you ask all to be purified, demand it be made Self-Luminous, and Ascended Master Perfection take its place forever! Demand it be made Self-

Luminous, Invincibly expanded; Invincibly protected against all discord! Demand It be kept Invincibly Free from any human control! Then, just little by little, as you build a house brick by brick, will you find the structure of the Earth becoming purified; redeemed and built into the Temple of the Sacred Fire's Eternal Ascended Master Perfection! That is the Fulfillment of the Divine Plan for the use of your own Life Stream's Energy and Creative Powers.

You have the Power, the Capacity, the Right, and the Opportunity! It is your Obligation to create Perfection wherever you abide! If this World is offering you the opportunity to come into embodiment and expand the Powers of your own Life here, by which you gain your Ascension; you owe This Earth the Command for Purification! You owe the Command for the Ascended Masters' Perfection from Our Octave, to come into every place which has been contaminated by impurity. You demand the Purification! Demand Our Perfection come in and become Self-Luminous, Invincible, Ever-Expanding! Then, hold control of the whole atmosphere about you, or about the locality!

As you do this and We co-operate with you, little by little you build the Incoming Civilization! Wherever you draw forth the Invincible Perfection from the Ascended Masters' Octave into This World, there will come those of the Ascended Masters, Who will come and instruct mankind; and be the Divine Authority which all in the outer must obey! Then, you take out of the clutches of the hordes of evil, their usurped authority in their constant interference with the Perfection, which is the Fulfillment of the Law!

I want you to be aware of your Powers and realize every moment, waking and sleeping, your Life is creating something! Your every thought creates a manifestation! Your every feeling produces manifestation! Your every spoken word produces manifestation! So, wherever the Earth gives you the opportunity to abide; and gives you the Blessing,

the Powers of Nature provide here, it is automatically Divine Justice, to demand the Purification of everything you contact! Demand the Ascended Masters' Perfection take the place of all human creation! Demand Our Perfection manifest in This World, Its Invincible Illumination, Its Invincible Expansion, and Its Invincible Master Flame of all possession and control for all time to come! Then, that portion of the Earth can never be touched again by destructive activities! Any part of Life which passes this way, will be blessed by It! That is a Part of the Great Central Sun Magnet's Love, which concentrates here! Thus, It raises all Life It touches into the Illuminating Presence of the Ascended Masters' Perfection.

You have, through your Calls to your Presence and the Ascended Host, the Power to create Perfection! Do not miss one opportunity to fill every place wherever you are, with the DEMAND for Our Invincible, Illuminating, Ever-Expanding Purity; Ever-Expanding Perfection; Ever-Expanding Possession and Control of everything in the world around you; into everything you use! Then, you will not have to come back to correct any condition! You will go forward held within the Sun-Presence of Our Perfection! You will bring It here; plant It here; let It grow and expand; and control all Life which passes this way! Thus, you use the Powers of your own Life, to create Our Perfection in This World; and your demand for the Ascended Masters' Control of everything you call into existence, will bring Our Heaven on Earth! Then, everything in this locality, as time goes on, will become more and more purified, illumined, harmonized, and become more Invincible!

Just think, Beloved Ones, what it would mean if you did this for just one locality in any one of the big cities of this country! If everyone would make This Call for Our Perfection to come into every city, just realize what could be accomplished without worry, without struggle, without fight,

without one failure!

When you demand the Invincible Purification of the ground in this locality which blesses you, your demand for the Ascended Masters' Cosmic Light-Substance would come into it! The Ascended Masters' Violet Consuming Flame would come into it! The Ascended Masters' Invincible Purity, through your demand, would make It Invincibly Pure! Just demand It be made Invincibly Self-Luminous and Eternally untouched by any human authority or creation!

I have not brought This to your attention just for your amusement tonight! You need This Invincible Purity surrounding all wherever you happen to abide! You need It around all conditions within the Nation which are Constructive! You need It to prevent all that wants to desecrate anything which is Constructive! You need It to protect all which has been placed here in the custody and use of all Constructive people in the Nation! Then, can they use whatever is within your borders, to bring Eternal Perfection here; and take the Control of the World out of the clutches of the sinister force! So, your opportunity is very great!

You could just make the call at least once a day, that everywhere your body goes, or wherever your attention or consciousness goes, you demand the Ascended Masters' Invincible, Eternal, Sacred Fire Purity, go forth on your Life consciousness into everything! Demand Invincible Purity! Demand the Ascended Masters' Eternal Perfection come in and take the place of everything you contact! Make It Invincibly Self-Luminous, Ever-Expanding and Eternally untouched by human creation! Then, give it into the Management of the Ascended Masters' Consciousness, possession and control here for Eternity! My Dear Ones, you will not know failure! Wherever you pass by, as you keep pouring Our Purity into all conditions you contact, It keeps sweeping out of you and your world, everything unlike Itself!

There isn't a thing more Transcendent, more Powerful,

nor which can be a Greater Blessing to Life, than for you to set this habit of commanding everything you contact to become purified; by Ascended Master Invincible, Eternal Self-Luminous, Ever-Expanding Purity, untouched by human authority forever! When you give ALL AUTHORITY to your "Beloved I AM Presence" and the Ascended Masters; ALL AUTHORITY of This World to control anything; and raise it into the Ascended Masters' Octave, the Great Ones will take you at your word!

Your Presence will fulfill Its Own Reminder to you through the centuries: "Call unto your 'Beloved I AM Presence' and It would answer you"! Then, you take the management or control of physical conditions out of selfishness, and out of contact with the selfishness of other individuals!

This is the Way you keep your world insulated and out of the clutches of forces, which otherwise would distort it, destroy it, try to control it, or try to use it for destructive purposes! You need this for the Invincible Protection of your homes, the Protection of everything you use every day! This is your Strongest Protection against selfishness!

When you think This through, you can contemplate It; and realize how easy it is to DEMAND all the Ascended Masters' Sacred Fire Powers necessary, to purify a condition or a locality; and fill it with the Ascended Masters' Substance of Eternal Light, Ever-Expanding, Invincible against all human control! Then, you will move forward into It! Thus, you become Our Light which in Its Expanding Power, controls conditions around you! This is what makes you Invincible! This is when the Light becomes Its own Defense! It does not make any difference what is in manifestation in This World, Our Ascended Master Sacred Fire will handle it!

If people understood what Power they have TO COMMAND the end of all evil, they could demand the annihilation of it! They could demand the Invincible Purification of EVERYTHING in and around them! The Ascended Masters'

Cosmic Light-Substance of Perfection from Our Octave, can take the place of all impurity! Make It blaze Its Light Ever-Expanding, with Invincible Security against all human control! Then, just go on your way! You will find the hordes of evil cannot interfere with you and will not try; because **THEY KNOW THEY WILL BECOME ANNIHILATED**, if they any longer try to contact you or your world!

This is the Way you control conditions which surround you or which you might meet anywhere in your outer world activities. Your very willingness to demand everything in This World to be purified, would compel everything to be filled with the Ascended Masters' Cosmic Light-Substance of Eternal Perfection! It is Self-Luminous, Invincible, Forever-Expanding, and Eternally Controlled, only by the Ascended Masters' Consciousness! Do this and see for yourselves!

People could do this in their financial supply; and I trust everyone of you will experiment with It! Definitely take your financial affairs in hand; and **DEMAND** the Ascended Masters' Violet Flame Purification of every channel of supply to you! Demand the Ascended Masters' Supply of Invincible money, wealth, opulence, or whatever you want, Invincibly Self-Luminous, Invincibly Expanding, Invincibly Ascended Master Controlled! Thus, the "I AM Presence" and the Ascended Host, can bring It to you regardless of all outer world changing conditions!

When outer channels seem to be filled with selfishness, impurity, and injustice, they need your calls for Purification more than ever! When those things manifest, do not hesitate to call forth **ALL** the Ascended Master Power or Sacred Fire Purity, to annihilate all selfishness—all selfishness everywhere! Replace it by the Ascended Masters' Cosmic Light-Substance of Eternal Perfection; Self-Luminous, Ever-Expanding, Eternally untouched by human control! Then, you can demand that everything you call forth, manifest the

Ascended Masters' Divine Plan fulfilled! You can demand It be Ever-Expanding Perfection to bless all Life! You can compel your Freedom; because your Life has commanded Freedom for all you contact, and Purity is Freedom!

Go forward and experiment with This! I shall watch you and when you call forth the Cosmic Light-Substance from the Ascended Masters' Octave, just remember no one can contaminate It! No one can manage It but the Ascended Masters! When you call Our Self-Luminous Cosmic Light-Substance into a condition, no human being can manage It. Therefore, you take conditions out of the clutches of the beast of selfishness! You give all back to the Presence and the Ascended Host! This allows the Ascended Masters' Management and Control of physical conditions, to come into you, into your world, and the atmosphere about you wherever you move! You live in a world of your own! You travel on an even plain where stumbling is unknown!

I hope you will experiment with This, and not fail to demand the Self-Luminosity of everything you call into manifestation; because if you will give Our Light recognition, the very Self-Luminosity surrounding a condition, can make it Invincible; and the hordes of evil cannot see it, control it, nor manage it. It keeps you insulated and it takes everything out of the clutches of the sinister force! You live in your world of Light and It gives you Its Blessings wherever you abide! It is your Insulation! It becomes your own Defense! It becomes your own Supply! It becomes everything of Perfection from Our Octave! All you require is the recognition of This and the fierce determination, whenever anything disturbs you, to demand Its Invincible Purification on the instant; with Lightning Power and Speed without limit! Then, the Ascended Masters' Light-Substance of Eternal Glorifying Perfection, comes in and takes the place of all evil and selfishness! It blazes Its Illumining, Ever-Expand-

ing, Invincible Power everywhere; Invincible against all human control!

I think you will have some of the Most Delightful Experiences you could ever desire; for "I AM" giving This to you as My Birthday Gift. I have many Secrets within It, which I trust will be revealed to you; or will reveal themselves to you, as you use This Law; and become Its Authority to compel the end of everything which is human in This World.

We have all stood together, My Loved Ones, many times through the centuries! Every time the Light was to be guarded or expanded, the same Group of Life Streams agreed to be That Protection; and help expand the Light everywhere in every age, when It has been allowed to come forth! Now, since you are entering into the Victory of all ages, the Earth must be purified and redeemed; must be filled with Our Ascended Master Perfection! It must be taken out of the human control of all human creation; and it must become Luminous! Then, as Beloved Saint Germain told you in the beginning, "The Light becomes Its own Defense." Just automatically, as you let It expand, It contains within Itself the Fullness of all good things!

I hope you will enjoy purifying the Earth and all upon It, for many reasons. As you demand the Invincible Purity of all Life and the Release of all Life from the impurity of mankind's selfishness, you will find not only do the Ascended Masters come closer and closer to you, in your individual activities; but This purifies and prepares the way for the return of the Ascended Masters into the outer manifestation of the governments of the World! They must teach the mankind of the future, the Ascended Masters' Government of every Nation! One or more of the Ascended Host, will come from time to time; state the Law and teach the generations of the future, the Way unto the Ascension. This is the redeeming of the Earth and the returning of all Author-

ity and Power of mankind's outer activities, into the control of the "Beloved Mighty I AM Presence" and the Ascended Host! Every step of the Way will be a Joy for you, which ever expands Its Powers of Almighty Blessing to Life! Then, Its Perfection of Eternity will reveal to you, the Magnificent Activities of the Ascended Masters' Octave; until This World has become Our Perfection also!

So, may My Gift, which I give to Life, purify and bless This World which enabled Me to have My Ascension! "I AM" ready and willing to come back and bless It for Eternity, from the Ascended Masters' Octave, with all We have at Our Command; and I trust It will keep you happy, until you stand in Our Octave also!

Thank you with all My Heart.
