

## THE "I AM" LEGIONS OF GOD'S VOICE

-1-

I call the "Legions of God's Voice,"  
To sweep the Earth and make rejoice,  
All God-Creation here below,  
For all this "I AM" Truth MUST know!

-2-

The Voice of God, Great Legions sends,  
To rule the Earth and all here cleanse!  
The Life, the Light, the Good God gives,  
Forever by Those Legions lives!

-3-

Now! Everywhere! Their Voice is heard,  
They rule Our Land by Cosmic Word,  
All! All! upon the Earth obey,  
For BRIGHT now dawns God's Cosmic Day!

-4-

Great Angels from Love's Realm now blaze,  
Through all This World and ever praise,  
The Cosmic Sacred Fire's Power,  
That makes all evil cease this hour!

-5-

We call These Legions without end,  
They are God's Help! They now descend,  
They everywhere on Earth control,  
And here forever Victory hold!

-6-

We do behold Their Realm of Light,  
Great Legions of God's Voice and Might!  
Their Sacred Fire Sun above,  
Now floods us all with Peace and Love!

-7-

Their Violet Flame reveals God's Law,  
As into Its Heart Flame we draw;  
Obeying Freedom's Great Command,  
We hear the Voice of God—"I AM"!

-8-

Now Legions of the Voice of God,  
Rule everywhere that man hath trod,  
They purify the Earth again,  
As Choirs sing the "Great Amen"!
