

## BELOVED ELOHIM OF PEACE'S DISCOURSE

CHICAGO, ILLINOIS

APRIL 1, 1945

EASTER SUNDAY EVENING

BELOVED ONES OF THE LEGION OF LIGHT, for such you are in your Service to the Earth! I come tonight to anchor in and around you, the More Intense Action of My Cosmic Flame of Cosmic Love and Peace, with such intensity in your feeling world; that your Natural Love for Peace will be increased! It shall increase with such Intense Cosmic Pressure – such Power, Force and Action, that it compels the atmosphere around you; to blaze the Cosmic Flame of Cosmic Love and Peace, from My Great Great Temple of Peace! May It become so tangible to you that at all times you are the Peace-Producing Presence wherever you move among your fellow men!

In coming into the atmosphere of Earth, which is so heavily charged with the hate and frightful destruction of mankind when at war, We have to cut Our Way through that substance, with the “Sword of Blue Flame and the Great Light Rays”; much as an Individual going through a jungle, would slash with a knife, the undergrowth which obstructed his pathway! Because of that, the outer Radiance of the Cosmic Flame of Cosmic Peace, which “I AM” bringing to the Earth is blue! The Inner Color is Gold, but the outer Radiance is like Blue Lightning! It has to be so, in order to cut through the heavy, dense, vibratory action of the substance mankind has charged with hate; which creates a blackness in the atmosphere of Earth, reaching up to a certain altitude! The Upper Atmosphere is aglow with Our Cosmic Flame of Cosmic Peace; which is Life’s Great Enfolding Radiance and Blessing to every Planet, and every System of Worlds!

The Great Law of Life as It flows forth in Its Action everywhere, draws always from the Great Central Sun,

the Enfolding Atmosphere of the Golden Flame; and It is always charged with the Feeling of Cosmic Peace! That is Our Peace and should just as naturally enfold your bodies, My Beloved Ones, as the Radiation of Light which comes forth from the Physical Sun! Mankind does not fully appreciate Peace, until It has receded and the people are left without It for a time! This time, while there will be some attempt made to continue war, or create another one; yet the feeling of the people all over the world, is sickened with the frightful onslaught of hate and destruction. That is the swinging of the pendulum of energy, which they have reached after the debauch of war! Always the swinging of the energy also comes to the other side with a craving for Light, Peace and the Understanding of Life!

Therefore, in the readjustment period, you will need Our Armor and Atmosphere of the Golden Flame of My Cosmic Love and Peace, quite as much as you do now; because when the mass of mankind takes the attention off war which creates battle, the attention is like a rubber band! It comes back to the people. It comes into their feeling, which has been charged with habits of hate, irritation, and destruction! It is but an aggregate mass of energy destructively qualified! As you move among the mass of mankind when the people feel like that, you should remember This Flame which I offer tonight! My Flame can be drawn around your physical body so concentrated, that It is like armor; or it can be expanded to any distance that you command; to carry Its Blessings to those with whom you come in contact!

This Cosmic Flame of Cosmic Love and Peace, which It is My Great Privilege to draw forth and direct to the Earth, to Individuals, the Earth and the people en masse, is the Mighty Activity from the Great Central Sun! In the beginning It enfolded all mankind in a Globe, as it were, of This Golden Light Substance! Now, We must draw It in the Action of the Flame, in order to more

powerfully focus Its Activity around the Individual; and increase the Pressure of Its Radiation into the atmosphere of Earth; until the final cleansing has taken place! Then, will you find mankind's bodies returning to the Greater Purity, the Youth, the Beauty, the Natural Radiation and Illumination which they did have in the first two Golden Ages!

As the Permanent Golden Age comes into America, you will find many things coming forth which have been here on the Earth before; but this time in a very much higher stage of development; a very much Greater Cosmic Outpouring and Action of the Fire Element!

Beloved Ones, I want you to realize something of Our Activity in the Electronic Belt around the Physical Sun! The Temple of Peace which is located there, is a Focus of This Cosmic Flame of Cosmic Love and Peace, drawn from the Great Central Sun through the Physical Sun! It is anchored within a Mighty Temple of Flame! It is a Reality just as much as your Physical Sun exists in the Heavens! From It there flows into the brain of every human Being on Earth, an Individual Stream of Electronic Force which is the Action of the Flame within the brain structure! It carries through the atomic structure, a Radiation of My Love and Peace! That Individual Flame is anchored within the forehead of every human Being on Earth; and It is one reason why mankind craves Peace, after the people have been in distress a certain length of time!

People even of violent temper, may have many explosions; yet after a few times there goes up that feeling, "Oh, dear, if I could only have some Peace." You have heard people say that repeatedly. Well, it is My Flame of Cosmic Love and Peace, from Our Cosmic Temple of Peace in the Etheric Belt around the Physical Sun, which pours Its Action of the Fire Element through the brain structure of every human Being! It is why mankind must have a certain amount of Peace periodically; or the

people would blow themselves to pieces completely, by the discord which they generate in times of war! War is a bursting back upon them of accumulated energy and substance, which they have sent forth charged with hate, anger, and selfishness! Therefore, after the bodies of the mass of mankind have taken back a certain proportion of hate; and it has taken its toll in the bodies of the people, the pressure of that force has spent itself! Then Life, in Its Great, Wonderful, Marvelous, Forgiving Activity sends again a world-wide Wave of Cosmic Flame of Cosmic Love and Peace; to dissolve again, the record of mankind's mistakes and opposition to the Fulfillment of the Divine Plan!

Remember the Divine Plan contains ONLY Peace to all of Creation! The Divine Plan, either for the Individual, a Nation or a Planet, contains no discord! Discord was never originally designed by Any Part of God! Therefore, as you enter into those years ahead, wherein Peace will become secure for the Earth, this time It will remain forever! You will find being brought into outer manifestation, many marvelous things which to you will seem miraculous; and yet which have been here on This Earth before in many, many civilizations. This time, however, when the Permanent Perfection of the Incoming Golden Age, begins to express in the outer, It brings into Fulfillment the Divine Plan for the Whole Earth!

While there is a lapse of time, which is necessary in the raising of such a quantity of substance into the Flame of Peace; yet Our Peace shall penetrate from the without to the within, and shall expand from within to the without! The Flame of My Cosmic Love and Peace, abiding within the brain structure of every Individual, gives each one the Desire for Peace! My Enfolding Flame of Cosmic Love and Peace, becomes a Tremendous Power to raise more rapidly, all atomic structure into the Permanent Peace, which is the Fulfillment of the Divine Plan!

SPECIFY IN YOUR APPLICATION THAT THE COSMIC FLAME OF COSMIC PEACE FULFILLS THE DIVINE PLAN NOW WHEREVER YOU MOVE; AND COMES INTO OUTER MANIFESTATION AT YOUR CONSCIOUS COMMAND! This will enable you to move forward clothed in Cosmic Power which as yet you do not understand! I would like you to make an experiment this week and turn your attention to the Great Cosmic Temple of Peace, in the Electronic Belt around the Physical Sun! Call forth the Mightiest Action of Its Sacred Fire Element! Then the Cosmic Power and Pressure of Cosmic Love and Peace, through the Flame which comes forth from Our Temple of Light, can surge forward throughout America and the World, like a Tidal Wave of Flame! This will do a great deal to consume much of the substance in the atmosphere that presses so heavily upon people. It will consume much irritation and aggravation; and enable more Harmony to be maintained! Then there will be less opportunity for physical violence to burst forth; and allow the destructive forces to accomplish some of their plans!

If you will give recognition to Our Cosmic Flame of Cosmic Peace, from the Great Temple of Peace, in the Electronic Belt around the Physical Sun—each of you can become a Mighty Tributary, as it were, to the Great Oceans of Flame which pour forth from the Temple of Peace. As you give CONSCIOUS RECOGNITION, accept and feel the Enfolding Cosmic Flame of Cosmic Love and Peace from My Heart—intensifying and expanding, you will become more Radiant! Your flesh will become more Luminous; and the atmosphere about you will become the Breath of Peace, to all whom you contact! Thus, My Loved Ones, each of you really can be a Sanctuary of Peace and Kindness; and oh, if you only knew how much through It, you could be the Victory of Light! My Dear Ones, the Victory of Light is clothed always in the Cosmic Flame of My Peace!

The Victory of Light must bring Peace to the feeling world of mankind, else It is not Victory! Your Mighty Saint Germain's Cosmic Flame of Freedom, is always clothed in the Love and the Peace from My Heart! I wish you might be shown before a great while, the Activities of These Magnificent Flames; from the Various Temples in the Electronic Belt around the Physical Sun! They come always from the Hand, the Heart, and the Head of each Ascended Master or Cosmic Being! They also come from your own "Beloved Mighty I AM Presence"!

My Dear Ones, as the human veil of discord in the atmosphere of Earth, is thinned by your constant calls and application of the Fire Element, you will just gradually—little by little, see more clearly your "Glorious I AM Presence," the Ascended Host, and The Inner Action of the Sacred Fire and the Cosmic Light! When you make the call and ask the "Mighty I AM Presence," to send forth the Cosmic Healing Flame of Cosmic Love and Peace; you will watch in the atmosphere of Earth, the Flame or the Light Ray go forth to Its Destination, almost instantly at your call! Then, as if you were looking through a telescope, you would be able to watch at the other end, Its Activity around an Individual or condition! You would see It change within a reasonably short time! After a Few Experiences of that kind, you would begin to feel the Gigantic Momentum of the Action of the Sacred Fire; which can be released through your Calls! None of you yet realizes what your Calls enable Us to do, and please do not limit your "Presence"! Please do not limit Us! Please do not limit the Cosmic Beings in whatever They wish to release upon the Earth; to shut off all that has opposed Our Peace and Love upon This Earth!

People so lightly cast aside, the Peace and Prosperity which your Beloved Saint Germain has given them; through long centuries of effort toward their Freedom in the Ascension! That Mighty Being of Love, Light, and Freedom, worked for over four hundred years in Europe ;

bringing a Treaty here and a Treaty there, which would bring Balance and Agreement to maintain Peace among those smaller nations; hoping one day to establish a United States of Europe! Through It could flow enough of the Action of the Sacred Fire, from Our Great Octave of Light; to amalgamate mankind in that part of the World. The Sacred Fire could harmonize them to the point, where they would stop war forever; but after a century or half-century of Peace, their own human feeling of jealousy, battle and hate surges again! It bursts into a conflagration, debauch of hatred and destruction! His Handiwork so many times through the centuries, has been lightly cast aside; by those generations which would not control their hate!

You in America have done almost the same thing – not because the people have wanted to go to war, for the people did not; but they slept in their own selfishness; allowing those to get into positions of power and authority in the outer management of your affairs; who imposed their destruction upon you! Now, with the Hearts of the people turning to God as they know It; and you calling to Us through your Decrees and your Music, have released again into Our Octave of Light, the Calls of Life for Peace; to once again come to the Earth and shut off destruction and hate!

Beloved Ones, remember, Peace is Purity and the Fulfillment of the Divine Plan! It is quite essential that you definitely draw forth the Blue Lightning of Cosmic Purity and the Spinning Violet Consuming Flame; into all conditions within your land, which cause turmoil and deny Peace to the people!

Following a war, there is always a greater unleashing of hate, anger and germs! They keep the people's feeling disturbed; so they cannot have the Peace, which otherwise would be theirs! This time, if you will take this condition in hand now; you can avoid a great many reactions in the outer activities of the people, which

would otherwise be very disturbing! In order to shut off whatever would continue to prod the people into irritation and anger against each other, that force can positively be smothered, as it were! It can be done by the Incoming Cosmic Light and your Use of the Violet Flame and Blue Lightning of Cosmic Purity! As you go on with your Decrees and intensify their activities, through the Substance in the atmosphere and in the mental and emotional bodies of the people; you will minimize greatly the aftermath of the warring conditions of the world!

Blessed Ones, another thing mankind must understand, is the people cannot have Peace until selfishness is annihilated! Selfish people have no Peace! If you will notice, selfish nations and selfish races know not My Peace! YOU who have sought the Purity of Life; YOU who have turned your faces Godward; YOU who have beheld your "Mighty I AM Presence," or at least called to It—have made Us aware of your Calls to Life; for the Peace which does bring Freedom in Its train.

I remind you that whenever you call forth My Cosmic Flame of Peace; to remember My Flame is as Blazing as the Sun at noonday; and is Golden with the outer Radiance of Violet and Blue! When My Cosmic Flame of Peace is used for healing, Its Outer Radiance in most cases, is pink! It is always adjusted by Ourselves to correct the condition of imperfection; and bring the Greatest Help in the Most Powerful Way!

Do you know what I would like to see you all accomplish in the outer? I would like to see you draw forth such an Intense Action of Our Cosmic Flame of Cosmic Love and Peace from My Great Temple of Peace; that It makes a Light about you so intense; that It compels other people to realize, he who has the Light is PEACE! He who lives in Peace is MASTER of conditions around him; because It means Uninterrupted Harmony!

"I AM" going to give you an Idea for your acceptance, because We never offer advice! We never offer

suggestions! “I AM” going to show you an Action of the Law! Then, you must decide whether you choose to obey or not!

When you are maintaining Balance in your mind, your body and your affairs – each Individual should always have a certain amount of reserve energy! If you don’t keep enough energy in reserve for an emergency, very often your Peace is interrupted which is not necessary; if you will take this hint tonight and really put It into action for yourselves!

When people become too tired, they become tense! Tenseness always produces irritation in the nerves; and as soon as you are tense and irritated, your Peace has taken wings and flown away! “I AM” giving you this reminder, so My Angels of Peace may not leave you; and My Flame of Cosmic Love and Peace, may increase around you without interruption! Then, you can move forward to a Mighty Victory and Release the Mastery which helps you and helps all!

A great many people of the outer world, are calling intensely for Peace; because such frightful suffering has been imposed upon them; but, My Dear Ones, he who loves Peace must be vigilant against the shadows, lest the shadows rob him of his Peace!

You must be keenly alert and constantly on guard; until the atmosphere of Earth is completely cleansed of all psychic substance! Then you will find it easier to maintain Peace; but until that is accomplished, **GUARD YOUR FEELING OF PEACE LIKE YOU WOULD YOUR CHOICEST GIFT OF LIFE! GUARD YOUR FEELING OF PEACE LIKE YOU WOULD YOUR MOST VALUABLE POSSESSION!** I tell you, This Mighty Cosmic Gift of Life, is the Mightiest Blessing of Life! The Cosmic Flame of Peace, is the Builder of all you really desire! It is Our Great Outpouring which allows everything that is of Perfection, to expand through you and bless you and through you bless the World and assist others! **YOU**

CANNOT HAVE THE UNLIMITED OUTPOURING OF THE POWER OF OUR MANIFESTATIONS UNTIL PEACE IS HELD WITHOUT INTERRUPTION OVER A CERTAIN PERIOD OF TIME!

So, when you feel you are in need of Peace, call to My Temple of Peace! Ask that you might hear the Music which is played within Its Sacred, Magnificent Focus of Life's Choicest Gift! Within Peace is Such Power from the Heart of the Great Great Silence, there are no words in any language, to describe to you the Manifestations which can be produced in any octave; by the Use of the Cosmic Flame of Love and Peace!

Do you know, mankind is like a garden. If anything interrupts the Expansion of the Life in the plants of your garden, it ruins your garden, doesn't it? Well, just so in God's Garden of mankind! If there be that which spoils or disturbs the Good which has been given, it closes the Door against the Action of the Cosmic Flame of Cosmic Peace! Then you have spoiled God's Garden of Manifestation! You must one day come back and correct its results; because until Peace claims all upon the Earth into the Heart of the Sacred Fire – imperfection will manifest in the outer; and the Divine Plan will not manifest in Its Fullness!

No matter what any human Being or all on Earth do, if you are strong enough to love Me in the midst of discord; I will clothe you with My Flame of Cosmic Peace; through which nothing of the human will pass! It only comes in response to Love which comes forth first from you, and to the Temple of Peace! Your "Blessed I AM Presence," then your Love must come to Me in the Temple of Peace!

May I ask you to accept the Responsibility of being the Guardians of the Temple of Peace – Guardians sent into a world of chaos; to guard the Peace which has been given here from My Temple of Flame?

Oh, Beloved Ones, please be Gigantic Outpourings

of the Cosmic Flame of Cosmic Love and Peace without reservation! Charge It forth and ask the “Beloved Mighty I AM Presence,” to send It where It is needed most, to fulfill the Divine Plan! Just surge It forth every once in a while! It will do something for you that nothing else will do!

You might wonder why I have come so often in the last year—a little over—to turn your attention to this Great Outpouring; which It is my Great Joy to direct to the Earth! The reason is that in your South America, there is a Focus of the Brothers of the Golden Robe, Who hold an Action of the Golden Flame in South America! That Action comes from the Physical Sun; to hold Peace which is a certain Pressure in South America, against the viciousness of the warring nations of the world! We, in North America through you as the student body, have established a Similar Focus; through your calls and the Great Pillar of the Cosmic Flame of Cosmic Peace, anchored within This “I AM” Temple!

This forms an Outpouring like a Scale over the Americas; to hold the Balance of Peace; so the onrushing destruction of the rest of the world does not reach in so readily to the Americas! Heaven knows, it has reached in enough! Still, My Dear Ones, with enough people recognizing their duty to the Americas, and calling for Peace and Protection; It will enable Us to intensify both of These Activities; and in that way hold repelled most of the violence and destruction, if you continue to make the Calls!

Oh, mankind is so prone to sleep, when the hour draws nigh, and Victory is at its side! Yet, the people have done it century after century; and fallen into a precipice of destruction; from which they cannot extricate themselves, except by Our Assistance!

I wish you might see just once, the Magnificence and the Beauty which are produced by the Fire Element; in the Cosmic Temple of Peace in the Electronic Belt

around the Physical Sun! Could you see the Majesty, the Beauty and the Substance of which That Temple is made, your delight would know no bounds! One day, you shall see These Magnificent Activities of Life; made visible in your atmosphere upon the Cosmic Screen, by One or more of the Ascended Ones! Then, having once seen, will you be able to draw consciously and at will, quickly through that picture, whatever Outpouring you require from Those Great Great Heights of Power!

Oh, My Beloved Ones, mankind truly has gone through lifetime after lifetime blindfolded, in the forest of human feeling; until some Great Mercy and Love of Life, through some Ascended Master, have taken the people by the hand; taken the bandage from their eyes; and shown them again the Pathway of Light! The people have tried again and again! They have turned and looked at the shadows; and have fallen and become engulfed within them! This time, My Loved Ones, go forth Blazing Sons and Daughters of the Cosmic Flame of Cosmic Love and Peace! Draw to yourselves without limit, all the Gifts, Powers, Beauty, and Perfection; the Joy, the Majestic Perfection, and Miracles from the Great Temple of Peace; and have the Experiences in your own worlds, of all Life has provided to bless you!

That Temple! That Peace! Beloved Ones, is My Special Focus to This System of Worlds! My Service to Life is to keep Its Flame expanding everywhere throughout the System! Just as the Law of Life, directed by the Lord the Maha Chohan, makes your plant life expand, each season into Greater Beauty, Greater Opulence, and Greater Expansion of Its Perfection; so do I, as the Elohim of Peace, have the Authority, the Power and the Responsibility of expanding the Golden Flame throughout every human Being upon this Planet; and throughout the Earth itself! My Cosmic Service and Duty to This Earth and to This System, is to release and expand My Cosmic Flame of Love and Peace! Won't you give Me an Open-

ing? Won't you help Me to expand that which Life wishes to manifest to bless all; and in all the Enjoyment which is the Fulfillment of Life's Divine Plan? (Applause – audience rising)

Thank you, Precious Ones. Thank you for your Love! Thank you! Thank you! Thank you! I shall, I feel, have a lovely Garden; and a lovely opportunity to expand My Cosmic Flame of Love and Peace to you and through you! Thank you for being the Open Door. Won't you be seated please.

Let Me show you, Beloved Ones, the change in your feeling when you call for My Flame of Cosmic Love and Peace; because you cannot be happy without It! There is no Happiness apart from Me! I have no Happiness apart from My Source, which is your Source. We all are Part of the Outpouring from the Great Central Sun, through the Physical Sun! That is Our Great Enjoyment of Life, in an Expanding Power of the Sacred Fire; to release the Fulfillment of the Divine Plan through My Cosmic Flame of Cosmic Love and Peace!

Just as I enjoy seeing Our Fire Element expand and grow greater; so will you enjoy the Use of This Cosmic Flame of Cosmic Love and Peace; from the Great Temple of Peace in the Electronic Belt around the Physical Sun! There abides such Magnificence, such Beauty, such Happiness, and such Power; that I long to take each of you into Its Great Cosmic Flame of My Love and Peace! I long to lift you unto those Heights; let you observe the Cosmic Powers of Creation; and bring back the Conscious Memory into your daily waking state! Then, make you know that of which you are a part; and help you to bring forth here the Beauty and Perfection which is there.

I know, Beloved Ones, you have a great deal more Peace than the rest of mankind; but your Peace so far has not always been held without interruption! With This Understanding, your acceptance and Use of This Cosmic Flame of Cosmic Love and Peace; you can demand and

command Uninterrupted, Ever-expanding Peace to be your Pathway; and Its Sacred Fire to burn away from you—everything which does not fulfill the Divine Plan! My Dear Ones, Our Cosmic Flame of Cosmic Love and Peace burns away the human struggle under which mankind labors! Life never intended struggle! Mankind struggles when the people were meant to be joyous, in the Use of all the Cosmic Powers of the Sacred Fire!

Now that you are returning once again, to Our Greater Enjoyment of Life's Freedom; I wish you to add to your Joy, This Mighty Power of the Cosmic Flame of Love and Peace from My Heart and My Temple of Peace! May you behold the Angels and the Legions of Peace, for when They fill the Upper Atmosphere of Earth; and then come closer and closer in Their Outpouring and Blessing, you will find destructive forces growing less and less; until that time when the Great Legions of Peace once again possess the Earth and all upon it; and the Divine Plan moves into outer dominion to bless all with Its Happiness!

The Beloved God and Goddess of Peace direct the Substance which can be condensed into a Substance; just as solid as anything you handle in the physical world! Strange as it may seem, the Radiation of Pure Gold is that which brings Purity and Peace! Mankind has fought so terrifically over the possession of Gold which gives Peace; and yet the people have not accepted the Peace which is Its Fundamental Quality! The Purifying Action of the Golden Ray within the atomic structure of Gold radiates Peace; which mankind little appreciates and almost never recognizes! "I AM" dropping a Word here and there tonight, to see how many will ask for Illumination; upon Those Things which have bearing upon World Peace, and the Destiny of your Nation!

Let Us guard the "Cup of Light of the World"—which America is; because the Body of the World cannot have Peace, unless the Light is kept within the "Cup, which is the Heart!" If there be no Life within your

Heart, your body is not of much use! Therefore, if the Light and the Cosmic Flame of Love and Peace, in Their Cosmic Action, do not fill the American people and their Nation – “I AM” speaking of the Three Americas – there will be nobody in the rest of the World! So, Beloved Ones, call forth with all the Authority of your “Mighty I AM Presence,” the Action of the Fire Element! Call all the Activities, which so many of the Cosmic Beings have drawn to your attention in Our Recent Dictations! They are for Cosmic Service throughout the Earth, as is This, which I bring tonight! When I come, Our Cosmic Flame of Cosmic Love and Peace pours over your city and your Nation; and is anchored Permanently within the Structure of the Earth! That is My Gift and My Blessing of Peace to the substance, which has been so contaminated by mankind’s discord!

The Brothers of the Golden Robe, doing a Similar Service in South America, are endeavoring, with Me, to hold the Balance here which shall keep war from the Earth forever! Oh, My Loved Ones, if mankind would spend one-thousandth part of its time and attention, which is poured to outer things; and accept what is within Our Cosmic Temple of Peace – the people could understand the Use of Its Mighty Fire Element! There is not a thing on the Earth could stand before them in their desire to fulfill the Divine Plan!

You cannot accomplish any good thing without Our Cosmic Flame of Love and Peace; which is placed within the forehead of every human Being on the Earth; to be an anchor of Our Special Activity of the Fire Element, within the substance of the body! It brings from Our Octave, the Ascended Masters’ and Cosmic Consciousness into the outer selves of mankind; until Individuals take hold of their own responsibility; and understanding the Law, draw forth that which expands the Perfection and Command for the Fulfillment of Life’s Great Divine Plan! Mankind must reach up to that which is greater

than itself; because the people cannot extricate themselves from destructive conditions. The lesser cannot help them! So, if they won't reach to the Ascended Masters and Cosmic Beings, there is little or no Hope!

Oh, Beloved Ones, when the body is in pain, the mind is weary with problems; and the feeling is under the pressure of the discord of others, then do the people want Peace! Then, will I come and help them, if they will but turn their attention to Me; and give Me the Call which enables Me to lift them out of and consume the conditions which are causing their distress! All must love Life, and love Its Divine Plan enough; to give the Obedience which enables the Peace to come that fulfills the Divine Plan!

Beloved Ones, contemplate for a moment with Me, "What is the condition of your world, when Peace is not here"! You have had plenty in the last three or four years to remind you of what mankind does, when the people do not have My Flame of Cosmic Love and Peace! Then, do you not think they need Me? Do you not think they need the Angelic Host; Whose Songs to Peace bring Such Power from the Great Central Sun, that It dissolves all human creation? Therefore, remember, the Door is wide open into My Temple of Peace! I invite you to come through That Door, at least in your attention and feeling, any time that you so desire! Then, I hope, in the future wherever you move, you may be the Great Anchor of Peace; in the Release of Our Cosmic Flame in North America, as the Brothers of the Golden Robe do in South America!

I must make something else very clear! Do you comprehend that the Flame in your forehead of My Cosmic Flame of Cosmic Peace, is Part of the Life Stream of a Cosmic Being—Myself? Do you fully realize and understand, the Seven-Fold Flame of the Seven Mighty Elohim within your brain structure, is an Actual Part of Each One of Those Beings' Life Stream's Action of the Sacred Fire? You have within you, part of the Life of

Cosmic Beings, Who direct the Sacred Fire! It is anchored within the brain structure of your flesh bodies! It is the Open Door which provides all good; through which Great Help can come, when you give It Conscious Recognition!

Mankind has This Great Divine Gift from the Electronic Belt around the Physical Sun! Individuals only use fragments of their mental faculties, and know no more! When the Great Ones have given of Their Own Life Stream's Flame; It is done so mankind might remember Its source and all that is Greater than the outer self!

So, when you wish to release, or receive, the Action of the Sacred Fire from any one of the Seven Mighty Elohim, remember – within your own forehead is Part of the Flame from That Being! The moment you turn your attention there, you are always in direct connection; and nobody in the Universe can change that except the Seven Mighty Elohim Who gave It to you; and They have never taken away from any human Being yet! Do you realize how close you are to Us? Do you realize why We appreciate your Love and your Calls! Do you realize how quickly We can come to you; when you realize deeply, what is placed within your body by Life, for your use and your Freedom! The Cosmic Flame of Cosmic Love and Peace is yours to expand without limit! There is not one thing in This Universe to say, you shall not expand Everyone of Those Flames in Their Fullest Cosmic Action, through yourselves; to bless your fellow man and to release from Our Octave, the Miracles, Powers and Mastery of Life, which come only through Our Sacred Fire!

The Sacred Fire is Very Great, My Dear Ones! It is Our Divine Powers of Life, acting in the Fire Element, to expand and give Their Blessing ceaselessly through to all in the Universe! Have We asked you for anything but your attention; so We might release through you, that which you cannot do for yourselves? Give Us your attention often and receive back from Our Great Temples of

Light and Sacred Fire; all the Power, Blessings and Gifts for which your Hearts call; and which Life wants you to have, enjoy, expand, and give to all!

Do you realize there is a Temple, or Flame, to Each One of the Seven Elohim, in the Electronic Belt around the Physical Sun? From everyone of Those Temples, you may draw without limit, the Action of the Sacred Fire; until your Homes become Temples like Them! Your business may become Temples like That! Your schools, your cities, your Nation, may become the Action of Our Sacred Fire; which grows greater in Its Release and Blessing of all Perfection to all Life! May you move forward in the Same Great Joy, Love, and Authority—mark you—of Our Fire Element, while yet in the physical octave, the same as We do in Our Octave!

I trust tonight, I have made clear how close you are to My Heart, and how closely Our Temples of the Sacred Fire can be to your Hearts and to your feeling world! When you understand the Law and give Obedience, which enables the Cosmic Flame of Cosmic Love and Peace, to hold Balance, you fulfill the Divine Plan in all the Joy of all creation!

This Night is a Memorable One, to the Mighty Master Jesus in His Glorious Service to This Planet! It is a Mighty Cosmic Magnet, which through the Light Rays and Flame of Love in His Heart, draws up and up and up into the Octave of Light, all who place their attention upon Him; all whom He enfolds in His Love; and all for whom you call to be enfolded in the Freedom and the Power which He offers! So you are, Beloved Ones, the Raising Power through your Calls, your Love and Co-operation! You can become each one, a Mighty Temple of the Cosmic Flame of Cosmic Love and Peace; clothed in the Flame from My Temple of Light, which It is My Great Joy to direct to all who can accept and will call to Me!

OH, YOUR PRIVILEGE IS SO GREAT! The Power and Opportunity is so Infinite; and the need of mankind

this hour, is the greatest it has ever been in the history of the world! Now, may you be a Friend to man! Now, may you be a Blazing Sun of the Cosmic Flame of Love and Peace; move forward and illumine all you contact, with that which We can give! We offer you Our Hands, and may the Legions of Light and the Angelic Host, ever abide with you and draw forth to you at your Conscious Call, everything required to bring the Victory and Freedom of Light; by Our Cosmic Flame of Cosmic Love, Peace, Authority, and Power Supreme!

May you shine as the Sun at noonday! May My Radiance, the Flame of Love from My Heart, become a Blazing Sun around you, which ever expands Its Light! May Its Blessing carry you forward in the Victory of Our Sacred Fire that forever is Eternal Authority! Our Flame comes from the Great Cosmic "I AM Presence" – the Great Central Sun! Your "Beloved Mighty I AM Presence," in each one of you, directs the Cosmic Flame of Cosmic Love and Peace at your Call; to expand It through your own Life Stream! Then, call to Us! Let Us give you the Cosmic Action of It and send It forth to still the pain of the world; because mankind has tortured the Forces of the Elements and the Beings of the Elements, by that which is of the shadows!

BE the Cosmic Flame of Cosmic Love and Peace to Those Beings! Make Them your Friends! May They show you what Their Love and Gratitude will bring to you all! I will show you My Love and My Gratitude in a very tangible way; when you remember to call My Cosmic Flame of Cosmic Love and Peace; into the outer action of outer conditions – often, often, often, and continuously!

Let us be partners in the Cosmic Peace of the Universe; and draw the Action of the Fire Element which shall once again, blaze throughout the Earth and make it Luminous and Free! To that end do I offer My ALL; and in the Radiance of My Presence, you shall know nought but Peace! May you become Our Peace to everyone you

contact; until the world has become as Beautiful and Blazing, as My Temple of Cosmic Peace! May the Earth sing its Song of Praise, and the Hymn of Eternal Peace on the Rays of the Sacred Fire, arise; and flood the Nations of the World with Eternal Freedom! May It bring your Loved Ones back to you here, to feel and know Our Peace is theirs for Eternity!

I thank you and love you and bless you for this night! I convey the Love of all the Ascended Host; to help you hold This Cosmic Flame of Cosmic Love and Peace in your outer conscious memory; around your physical bodies; into your affairs and your worlds; until once again, the Light blazes and claims all into the Heart of the Flame of Peace, this time for Eternity! May it be the end of all that has not accepted Our Peace through the centuries! Peace! It shall claim the Earth and now once again, bring all into God's Own Heart, this time forever!

Thank you, and I bless you forever for this night, and the opportunity of speaking to you! I shall come back again to you and bless you often, with My Love and My Peace; until We meet in Our Ascended Master Octave to be the Cosmic Flame of Love and Peace forever!

Thank you, and good night!
