

## BELOVED MIGHTY ELOHIM OF PEACE'S DISCOURSE

THE LODGE

JUNE 22, 1947

ENTER THOU, BELOVED ONES, into the "Eternal Sun of Everlasting Peace"! Feel yourselves clothed in Its Blazing Flame! Become Its Love to all Creation! Move among your fellow man, determined the Invincible Peace of the Honor Flame of God's Great Heart of Cosmic Activity, never fails to forgive; and to correct every wrong which is brought to your attention!

As the Morning Sun consumes the shadows of the night and the mist of early dawn recedes at the approach of Mighty Helios' Power—so do I ask you to see, feel and sense yourselves at all times, sealed within a Blazing Sphere of the Invincible Honor Flame of My Heart—the Great Cosmic Peace of All Creation! You may move clothed in Its Thousand Fold Flame wherever you choose! As It becomes a Living Reality to you—while you visualize Its Blazing Presence in and around you—as surely as you hold Our Sacred Fire Peace undisturbed, you will find every desire of your Hearts fulfilled almost on the instant!

The Invincible Love and Peace of God, always forgives and corrects everything that is wrong! When you use Our Activity of the Sacred Fire which I offer, you will not find it difficult to forgive mistakes; to forgive discord; to forgive anything that is less than Perfection; because by your Call for Perfection to forgive and take the place of whatever has been human, the Joy within you will increase to Boundless Proportions!

You are having provided for you, Every Conceivable Blessing within this Lodge and Canyon! Everything We know how to do has been drawn here to bless and to assist you! Therefore, you enter with Me today into the Cosmic Action—of calling the Invincible Honor Flame of the Great Peace of My Heart in Its Cosmic Fire; into the physical

octave through your minds, your bodies and your mental and feeling worlds! It becomes an established Pillar of Flame passing through you to the Center of the Earth, as well as the atmosphere of Earth; to hold in leash the destructively qualified energy acting through mankind and the human creation for which the people are responsible!

Beloved Ones, when something seems to disturb, won't you turn your back upon it and enter into the World of My Love? There is Only One Thing needed when things seem to be wrong, and It is the Sacred Fire of Love! You think you can correct conditions by physical argument; or change this person or that person; or get someone to do your exact will and fulfill your exact desires! That cannot be Eternal Peace and Perfection! Perfection comes from within the Flame of Love and My Peace is My Love! Victory's Victory is That Love! Mighty Jesus' Great Healing Flame is That Love! Beloved Godfre's Mighty Obedience and the Strength He has had to open the Door, has been That Love of His Heart! Beloved Saint Germain's Freedom is His Love of the Sacred Fire!

The next time, Precious Ones, the outer world's problems attempt to contact you, take your Inflexible Stand within the Honor Flame of My Heart of Peace – My Cosmic Heart of Peace! Command the disturbance to be gone; and you will find My Love and My Peace are Master over all!

“I AM” using a very Dynamic Force this afternoon, so We may pour through each of your physical bodies into the structure of Earth, the Most Powerful Flame possible; to intensify, protect and expand every atom within This Nation; to help hold Peace for the people! TRUE, THE PEOPLE ARE CAUGHT IN THE WHIRLWIND OF THEIR OWN DESIRES; BUT STILL LOVE IS THE ONLY POWER WHICH CAN STOP THE WHIRLWIND; AND THAT LOVE IS THE SACRED FIRE OF MY PEACE!

I would deeply appreciate it, when the tones of These Bells go into the ethers of Earth, if you would for a moment visualize them as a Sunburst – like a cloudburst of water;

only make this a Burst of Living Golden Flame with a touch of pink; charging into the atmosphere of This Lodge and Canyon! Then, as it goes on, see It expand and become the atmosphere of Earth! See It spread over your Nation, as a mass of Living Flame and hold Peace; until It can expand to encompass the Earth!

Oh, Precious Ones, each one wants Peace within the mental and feeling world! You don't enjoy the conditions in your bodies nor your minds, when Peace is not there! The moment there is disturbance you are decidedly uncomfortable! Therefore, MY PEACE OF MY COSMIC HEART, IS FAR MORE COMFORTABLE IN YOUR BEINGS AND WORLDS, THAN ANY HUMAN DESIRES YOU MIGHT HAVE, TO COMPEL THINGS AROUND YOU TO DO YOUR WILL!

OH, BELOVED ONES, YOU MUST AWAKEN TO THE REALIZATION, THAT SOME DAY EVERYTHING IN YOUR BEINGS AND WORLDS MUST BE ACCOMPLISHED BY LEADING PEOPLE THROUGH LOVE; AND THEN IT IS DONE PERMANENTLY!

This is the Mightiest Protection you can have, Dear Hearts, because there are those natures among mankind, very positive and dominating; who can be led by Love to reach the Heights of Perfection; but they can never be driven – never! Mankind has tried every conceivable means, to compel what the people call Perfection, to come into the outer world; and yet it disintegrates around them before they know it! There is only one Permanent Means of Accomplishment and this is within the Invincible Peace of the Great Cosmic Heart of Love; which every “I AM Presence” is – every one's “I AM Presence” – and which is God's Great Cosmic Life of the Universe!

Do you know that in the course of a year's time, were every one around you to hold the Harmony of My Love and Peace – which are synonymous – at the close of the year each of you would find you had done at least a hundred times more actual work, activity and accomplishment, than by all the driving means mankind has invented!

You have before you today the Nation of Germany. Magnificent as she was in her mechanical attainment—in her careful scientific research, magnificent as has been the Activity of Life of the German People, yet you see before you today, a Nation disintegrated; because those few Individuals who sought to dominate her, sought to drive that domination into the world and it is a mistake!

YOU CAN LEAD BY LOVE WHERE THERE ARE THOSE ACTIVITIES OF LIFE YOU CAN NEVER DRIVE. THERE ARE DOORS OPEN TO YOU THROUGH LOVE AND PEACE, WHICH YOU CAN NEVER ENTER; UNTIL YOU BECOME OUR FLAME OF LOVE AND PEACE!

So, when things of the outer world seem to burst heavily upon you, turn quickly away from them. Enter into the Invincible Honor Flame of My Cosmic Heart of Peace! Demand the Love from My Great Octave of Creation; My Great Temple of Flame, which floods into the condition and forgives and corrects what might be wrong.

Precious Ones, there is no Power superior to Our Love! There is nothing More Powerful than My Peace! I could draw It into this room! I TRUST SOME DAY, I SHALL EXPERIMENT AND SHOW YOU WHAT IT MEANS TO POUR MY LOVE INTO THIS ROOM, IN AN ACTION OF ITS ESSENCE AND FLAME; WHICH IS MY FEELING OF PEACE SO DEEP; SO POWERFUL THAT YOUR BODIES COULD NOT MOVE, EVEN IF YOU WANTED TO!

Today “I AM” going to explain something “I AM” quite sure will delight you greatly! DID YOU EVER KNOW THAT MY FEELING OF PEACE PRODUCES A FRAGRANCE SUCH AS IS NOT OF THIS WORLD? When you choose to call forth an Intense Enough Power of My Love and Peace in and around yourselves; you shall inhale the Fragrance from My Temple of Peace, from My Heart and Feeling of Peace! It is the Most Delightful Essence, you have ever inhaled!

You can energize yourselves for days or weeks or months ahead with My Essence; if you choose to make your-

selves a "Cup of Its Presence" and give It the recognition; which will let It flow into you from My Temple of Peace and out through you, to all upon Earth.

One wave of My Fragrance can refresh you on the moment; or can sustain you for days or weeks; while you are accomplishing Certain Things, which We wish to use at the Inner Level!

Oh, you have not yet beheld God's Universe in Its Fullness! You do not know the Inner Secrets of the Sacred Fire, which can be released to you; when you have taken your stand, to be the Great Cosmic Heart of Invincible Peace, in the Honor Flame of Our Love to Life! Until you have experimented with It by persistent demand, so It becomes your World of the Sacred Fire; until you have tried It out, who of you can tell Me what is within the Flame of My Heart's Love and Peace? Even within Myself, It is ever revealing New and More Powerful Activities, which go forth to bless creation! Even I have not yet drawn forth all that is within It, because It is Infinite, Self-sustained, Eternal and forever expanding!

I trust you may have many Delightful Experiences which I can release to you; as you understand Our Love, and move forward to try It out! My Essence is not an imaginary thing, as you will experience today when you drink what was water; but what is now the Essence of My Love and Peace! You can drink It to bless the substance of your bodies; to bring Illumination to your minds; to harmonize your feeling and to draw a Glory around you, which becomes your Atmosphere of Healing Power!

Oh, Precious Ones, be not disturbed by outer world human creation. It is so small compared to what is within Our Great Octaves of Manifestation! It might seem troublesome to you for the time being; but Oh, THINK DEEPLY UPON THE STATEMENT THAT "THE INVINCIBLE HONOR FLAME OF THE LOVE AND PEACE OF GOD'S COSMIC HEART, NEVER FAILS TO FORGIVE AND CORRECT EVERY WRONG!" If that were not True, where do you

suppose you would have been in the centuries past? If Forgiveness were not the Law of Love, and if your "Mighty I AM Presence," the Ascended Host and Cosmic Beings, Who have watched the activities of mankind since the end of the Second Golden Age, had not given you Their Love and Peace – where would you have been today?

If They were not the Law of Forgiveness and the Correction of every wrong, by the Peace and Love of God's Heart; do you know what would have happened to you, at the end of the very first embodiment; when you began to turn away from your "Beloved I AM Presence"? If the Law of Love were not in command, you would have lost your Identity at the end of your first embodiment! You would have met the second death at the end of the embodiment, when you first turned from the Light; if the Great Cosmic Law of Life were not the Invincible Love of God's Cosmic Heart, which never fails to forgive and correct every wrong!

Oh, Precious Ones, won't you experiment with It this week? Won't you try Me out? I want so much to give you the Greater Enjoyment of everything My Love contains! One of the Most Wonderful Joyous Experiences the Essence of My Peace and My Love can bring to you, is to clear the brain structure; and let you look within the Ray of Light and behold your "Beloved I AM Presence" face to face! It is no farther above you than twelve to fifteen feet! Once you behold Its Glory; once you feel Its Power; once you understand It in the feeling body, and know you and your "Blessed Mighty I AM Presence" belong to each other, you will understand Our Joy! You will become Our Joy for Eternity; because every other desire in you dies, except to be your "I AM Presence'" Beauty and Perfection through your outer form; and reveal It in giving Its Blessings to the Universe around you!

There is so much of Beauty you have in This Lodge and Canyon. You have had such Divine Gifts here, while the rest of the world goes on in the struggle of its distress and limitations! You do not yet know the Fullness of the

Blessing the Lord the Maha Chohan gave you the day you had His Fragrance for more than twenty-four hours! You do not know yet what a Sustaining Power It is; and only as He might reveal to you, the Etheric Records of what took place at that time, would you comprehend how Great was His Love then! There have been many forces that wanted to disturb you all; but some one, or more, of the Great Ones has stood by and given you the Use of Their Love, to help forgive and correct every wrong!

Your "Beloved Mighty I AM Presence" has given you Its Love through the ages! It has forgiven every mistake! It has forgiven every imperfection; because It has sustained you all through the centuries; so you might come to the hour of the Fulfillment of Its Divine Plan! From this day, won't you go forward like happy children; and just replace everything which looks like a problem, with the Thousand Fold Flame of My Love and Peace? If you will call My Flame into every problem and limitation, that appears to you in the outer world; from today on, you not only will be released from those problems; and your sense of struggle or limitation; but you will give Me a World-Wide Open Door, to expand My Flame of Love and Peace; and anchor It more permanently within the structure of Earth to go forth and bless the rest of mankind!

You will give Me a Cosmic Opportunity, and in that naturally your own affairs would have to come into Happiness and Perfection, with an ease you have never yet experienced! EVERY MOMENT OF YOUR WAKING HOURS WILL BE ONE CONTINUOUS EVER-EXPANDING THRILL OF JOY; IN A PEACE AND A POWER OF LOVE, YOU HAVE NEVER YET UNDERSTOOD NOR USED! Give Me the Open Door to blaze My Honor Flame of Love and Peace where your problems seem to be today; and I shall be your Partner in a WORLD ACCOMPLISHMENT, which will sing you through to your Victory the rest of the Way!

You know the peculiar expression mankind in a sense of humor sometimes has used - "Well, we are going to have

Peace if we have to fight for It.” It never comes that way, but, at least, I congratulate anyone on the fierce determined decision to have Peace, when one uses that expression humorously! However, Peace only comes through Love! You might draw forth what you call Love in the outer—I mean Kindness, Happiness and Assistance to others; but, Oh, you don’t know the Power of Our Love! You couldn’t unless you were Us! You couldn’t comprehend the Magnitude, the Enormity and the Power of Our Love, in Our Great Cosmic Flame of Peace!

Therefore, if you will begin your Acquaintanceship with Us and Our Flame, We will form what the outer world calls a contract! If you will use My Flame of Love and Peace to solve your problems, you not only will be free from those problems; but because you give Me a Greater Cosmic Opening to help Free the Earth, THE COSMIC LAW will see to it, there are no more problems in your world in the future!

I don’t believe the outer world would quite understand Our contract; but Others of the Ascended Host beside Myself, have offered you a Similar Power occasionally. The Mighty Saint Germain said to you once: “Give Me your human creation tonight, and I will give you My Freedom in its place!” I think He said, “Isn’t that a fair bargain”?

“I AM” willing to release you from your limitations, your problems and your unhappiness; if you will become for Me an Open Door through which My Cosmic Flame of Love and Peace, can go forth to hold the Americas safe against war! You have no Protection against war, if you don’t have Our Love and Our Peace; to stand between you and the destructive forces of the outer world! They won’t protect you! Your own human concepts won’t protect you! Your own ideas and your feeling won’t protect you against a thing which is a mass accumulation of hate, viciousness and destruction of war! It is the mass accumulation of selfishness around Individuals who want to impose war upon this Nation! You have no Protection against the mass energy

of destruction, except Our Love and Our Peace; which is the Sacred Fire that will stand between you and the destructive force!

Today, "I AM" asking this for Many Reasons, Many Reasons! Could you hear the sound, Dear Ones, which arises from the outer self—the personal self of each Life Stream on this Earth; could you hear the tone of the energy which is in the outer self, that rises into the atmosphere of Earth as a mass sound, you would know "I AM" greatly needed! We have listened for many centuries to the midnight cry of pain; from the personal selves of those of mankind, who won't serve the Constructive Way of Life! You don't know the cries which come to Us in the night! We want so much to still that sound! We beg mankind to accept Our Love and Our Peace! We beg the people to take Our Purity, and yet the mass of the people cry in the night with pain!

Every thought, feeling, spoken word, and act which does not carry Our Love and Peace to Life will produce pain! You have either one thing or the other! Oh, Beloved Ones, Our Gifts are so Great! The Door swings wide any time you give Us your attention! All We ask is your attention, so you may make the connection through; and let Us give back to you that which holds you Permanently Happy! Your attention gives you the Scepter of Power, by which you can accomplish in this world Miracles; which have never yet come to pass in the outer world of mankind! Remember all that is not Love, Dear Hearts, is pain!

Try to really bring your Inner Self to the point of rest, calm, and quiet; so you handle every situation with Our Wisdom, Love, Peace, and Purity! If you could realize there is nothing allowed to come into contact with your Life Stream, except the energy you have misused in the past, you would handle every problem harmoniously! Your Higher Mental Body does not draw to you, nor allow to come into contact with the energy of your Life Stream, the mistakes and frightful conditions of other Life Streams!

Your “Beloved Mighty I AM Presence” has given you the POWER, to either Purify a condition, give Assistance and lift Life to Perfection; by your Forgiveness, Love and Peace, which corrects wrong; or It enables you to take the energy which has come back to you as discord, and by your Love, your Peace and your Forgiveness – correct the wrong in it! You must return your own energy, qualifying It with Our Love and Peace; and hand It back to your “Mighty I AM Presence” to bless the rest of the Universe!

Every problem which comes to you from day to day, is either the return of some of your own Life’s Energy of the past, coming back to be purified, forgiven and remolded into the Love and Peace of Eternal Perfection; or if it be from mankind’s creation, the Higher Mental Body allows it to touch your Life Stream, so you may make the Call and forgive it, too! Then, flooding it with Ascended Master Love and Peace from Our Octave, you may requalify it! In that way, you can lift all mankind to some degree nearer the Perfection of Life!

There is no Peace, My Dear Ones, apart from Love! It cannot be! You might just as well make up your minds today, to be through with everything, which is not the Forgiveness of Love and Peace; because then Purity will flood your world, but Forgiveness must come first!

You cannot have the Great Master Powers of Life, except within the Flame of Our Love and Peace; because if you could have had those Powers of Mastery – under the Action of the Cosmic Law of your own Life without Our Assistance – you would have had Them long ago in the past! Mankind has not had the Mastery of its own energy; because Individuals have been directing and qualifying it as they chose! The fact that they have not reached Mastery, proves THEY HAD TO HAVE SOMETHING ELSE BESIDES THEMSELVES, AND THAT IS TRUE THROUGHOUT CREATION! THE LESSER ALWAYS HAS TO HAVE THE GREATER, AND THAT GOES ON INFINITELY UNTIL ALL ENTER INTO THE GREAT CENTRAL SUN!

Today, We are not asking you to do one thing nor let go of anything, except that which causes pain and unhappiness, because unhappiness is pain! Limitation is pain! Everything that is not the Peace of Love is the pain of discord! Why do limitations and problems exist? Why have they come down through the centuries? Why do they return to mankind again and again to be handled? Because, when mankind had the Master Powers of Life in those First Two Golden Ages, the people still retained the Use of the Divinest Gifts from the "Mighty I AM Presence"! They chose not to give them back to God! The more energy they have held to themselves, the Greater their misery has become!

So now, if you will provide the Door for Me, to pour through My Love to strengthen the Peace of the World; the Cosmic Law will provide the Door for you in your worlds, to be freed from your problems! Our Peace and Our Love, My Dear Ones, can flood into your hands and use, more than you know exists or ever was on This Earth! Our Octave of Life contains Blessings and Perfection that never manifested here yet, but which must come some day! However, it comes only through Our Door of Love and Peace to every living thing! When you become Our Flame of Love and Peace to all Life, you will find all Life in the outer world instantly obedient to your slightest command! Even the Beings of the Elements of the outer world, automatically know when you have become the FLAME OF OUR LOVE AND PEACE!

From this hour, Precious Ones, won't you feel, see yourselves, and see each other moving in a Sphere of Golden, Violet, and Pink Flame? If you wish to feel Peace instantly in the midst sometimes of surrounding conditions, that might not be too peaceful, feel the Flame from My Heart envelop the upper part of your bodies quickly, as a Sun and enfolding you through the solar plexus! SEE IT JUST AS IF THE UPPER HALF OF THE BODY STOOD WITHIN A SPHERE OF GOLDEN, VIOLET, PINK FLAME;

AND YOU WILL FEEL THE ENERGY AT YOUR STOMACHS BECOME STILL AND AT PEACE INSTANTLY!

As you feel My Heart's Flame of Peace for a moment, holding command of your Life Energy, the CLEAR IDEAS will come from your own Higher Mental Body; to enable you to do the wise, intelligent thing in adjusting conditions of the physical world. Everything you do will create Harmony, Happiness and Freedom! Everything you do will be a Joy, and everything you do will automatically turn into Perfection and delight you greatly! My Heart's Flame of Love like a Sphere, enfolding quickly the upper part of the body, will be an Insulation against human suggestions—whether they be thought, feeling or spoken word in the atmosphere around you! You will not be subject to the conditions under which the rest of mankind struggles!

We want to bring you Freedom in this Lodge and Canyon! You have more now than the rest of mankind; but, Oh, you could have so much more! If you choose to charge the atmosphere in This Lodge and Canyon, with My Essence and Fragrance of Love and Peace, it shall be for you; as visible and tangible, as the snow storm or the clouds or rain which comes within the Canyon! If the Beings of Nature can come within this Canyon, do you not think I can, too? If they can bring you their substance, do you think I cannot bring you the Substance of My Love, Peace, Fragrance, and the Essence of My Peace? I can bring you Its Flame, Its Essence and Its Atmosphere! I can bring you My Substance that is as tangible in your hands, as an oiled perfume you might get from the outer world! I can fill this Canyon with My Essence, and not only you, but everyone who enters here, would be aware of My Delightful Flower Fragrance! It is hardly a flower fragrance, it is a DELIGHTFUL FRAGRANCE; and yet unlike anything of your physical world's flowers! It can become for your bodies, a Healing Substance! It can become a Blessing to the plant life here! It can become an Action of the Sacred Fire to purify and to heal!

Oh, Precious Ones, the whole world just needs My Love and Peace to heal wounded humanity! Dear Ones, people's discord to each other, not only wounds their own mental and feeling world; but en masse it wounds the Earth! The Being Virgo, who governs the substance of this world, has to take that into the substance She gave Wholly Pure!

So from this day, if you choose to agree to your contract with Me, We shall go forward like happy children hand in hand; and ever receiving more Thrilling Joys, more Magnificent Miracles and Blessings; EACH DAY SHALL BE AN ENJOYMENT A THOUSAND TIMES GREATER THAN THE DAY BEFORE; IN JUST EXPLORING GOD'S WONDERFUL POWERS; and filling God's Universe with Greater Beauty and Perfection in everything you choose to build from day to day!

If you will do that, your world will soon become akin to Ours and you will stand like a Pathway of Light; between the outer world's activities of distress and limitation and Our Octave of Eternal Perfection! You, the Pathway between, may receive from Our Worlds the Gifts, We are so glad to give! You may pass Them on to the rest of the world, who will be so glad to receive Them and need Them so greatly!

Remember, every Life Stream is a Flame from God's Heart and a Trust of Life to you! No matter what is accumulated around the outer self, two-thirds of the Life Stream is Very Wonderful Perfection! It is the very Intense Love and Peace from the Central Sun! As you have heard the Messenger say twice – each of you, when you are here, call to the “Mighty I AM Presence” and Higher Mental Body of every Life Stream, who has ever been in this locality is now or ever will be, to come to your Assistance! Those who have been here in the past or are now, have released some of their Life-energy into the ground here, as they passed by!

IF YOU WERE TO CALL TO EACH ONE'S LIFE STREAM TO ESTABLISH HERE THE ETERNAL FLAME

OF THEIR LOVE AND THEIR PEACE FROM THEIR GREAT "I AM PRESENCE," YOU WOULD FIND A VERY GREAT ADDITIONAL POWER COMING TO BLESS AND HELP YOU TO PERFECT EVERYTHING MORE QUICKLY! There would be those of the outer world come to you, not knowing why; but who would be delighted to assist you, who would give you every co-operation; and they would have such Joy doing it, they could scarcely contain themselves!

These Things, My Dear Ones, are all the Natural Action of the Great Love of God's Cosmic Heart; and the Heart of every Electronic Body and Higher Mental Body, of every Life Stream who has ever come onto This Earth since the beginning!

Do not forget each of you is a "Dazzling Being of the Sacred Fire"! You are a "Crystal Cup" within which the Sacred Fire abides, and you have received from the "Great Cosmic Crystal Cup" your Magnificent Powers and Gifts of Life! Therefore, Life expects Those Gifts to be given to others; so you may have Greater Gifts and "Your Cup blaze with Brighter Flame"!

I have Many Surprises for you, Some of which you may anticipate and Some of which you will not dream exist, until They are presented to you. Oh, I have so many Gifts and Surprises I would love to flood into your worlds; because the happier you are, the Greater is the Strength of My Flame of Peace throughout the World! Won't you LET Me make My Flame as strong as possible and very quickly? Even from a selfish standpoint, it would pay to co-operate with Me! Oh, don't be concerned about what each other does or what anyone of the rest of mankind does! If it be something wrong, forgive it; and ask Our Flame of Love and Peace to correct the wrong.

We have been correcting mankind's wrong a good many centuries! You are not just quite as much in practice as We are, that is all! The more you practice, the more Love and Peace We can give you! So, your so-called enemy is

really your friend! Everyone contacts another one, in order for Some Greater Good to come forth! Many times in families or business associations, certain Individual Life Streams will be bound together again and again and again – lifetime after lifetime – to learn the Adjustment of Love! They will stay bound together in one way or another, until one or the other rises out through Love!

There is only one Dissolving Power to human creation and that is the Sacred Love of the Sacred Fire; which forgives every wrong, by giving Its Flame into the substance and energy, manifesting as something wrong; and raising its vibratory action until it rises into Perfection!

Precious Ones, you have a Most Wonderful Example of this in your daily activities! When you put a loaf of bread – just the dough into the oven – it isn't usable, is it, in that state? You turn the Fire Element into it! It raises into the condition whereby it produces Perfection for you! You can absorb it in a way which is Harmonious to your bodies! So is This Great Flame of Love and Peace, which It is My Responsibility to expand throughout the Earth, until It once again becomes Self-Luminous! It is the Same Action of the Sacred Fire!

If We forgive a thing, We pour Our Flame into it! Precious Ones, if you feel you cannot quite generate the Love to go into it, just make your Calls! Turn your attention from it! Let Our Flame go into it, and raise the condition into Greater Perfection; until you reach the time, when everything is but a handling of energy; and you are no more concerned about it, than you are some inanimate object you remodel; or clean up, refinish and raise into usefulness, when before it was useless! It is the same thing!

Everything is but an aggregate of energy! Every limitation is just so much energy! Every problem is just so much energy! Therefore, you know you have the Power to requalify energy, which is discordant! You requalify it by the Use of the Sacred Fire, into something that yields a

Blessing to every one! Your loaf of bread, when you put it into the oven, isn't a Blessing until the Fire Element has passed through it! Then it gives you the best of itself! So it is with all problems and all conditions you contact in the outer world!

Oh, just feel yourselves moving in My Golden, Violet, Pink Sphere, of the Flame of My Love and Peace! When you see It long enough and feel It deeply enough within yourselves; there will come the time when you can be very still in My Love and Peace, and you will hear the Music within It! You can try Me out, if you desire! I can prove everything I have said this afternoon, in your own minds and bodies; in your own affairs, in your worlds, in this Lodge, in this Canyon, and in the World! I don't have to take back one word!

From this hour, henceforth, Precious Ones, I want you to have the Happiness which is in My Love and My Peace! Live within It without interruption for three months; and everyone of you can have bodies like Bob, Rex, Nada, and Pearl! Live in It three months and your bodies automatically would become Perfect as Theirs are! You would be given bodies like Theirs! If I could have each of you who is here today, and any others who might be strong enough to do this, I could move you around at various places in the United States! By My Intense Power, pouring through your bodies and the community where you might abide even overnight, I could show you a Force in America which would be Invincible for Peace; and through which no destructive activities could pass! You can help Me save the Nation! It must come one way or the other!

The Purification of This Nation and the World must either come because Individuals of their own Free Will choose to use the Love, Purity, and Cosmic Peace of God's Sacred Fire, to forgive and correct wrong conditions; or the Sacred Fire must be released to annihilate all wrong! It must purify—redeem all Harmoniously and Permanently! Purification must either come through Our Love, Purity, and

Peace, or the GREAT COSMIC SACRED FIRE must be released to pass through all substance of this Nation and the World; and consume that which has no right to remain in the Universe!

EACH OF YOU CAN BE MY OWN CHOSEN SON OR DAUGHTER, IF YOU WILL! I WONDER IF YOU UNDERSTAND WHAT THAT MEANS FROM THE ASCENDED MASTERS' STANDPOINT! If you use My Flame of Love and Peace, as I have indicated, over a certain period of time, IT WOULD AUTOMATICALLY UNDER THE ACTION OF THE COSMIC LAW, CAUSE ME TO DRAW YOU INTO SUCH CLOSE ASSOCIATION WITH MY LIFE FLAME, THAT YOU WOULD BECOME A PART OF ME! YOU WOULD BECOME ONE OF MY FAMILY OF PEACE! JUST THE SAME AS ANY MASTER IN THE RETREATS WHO TAKES AN INDIVIDUAL IN FOR ILLUMINATION AND INSTRUCTION! AS THAT LIGHT GROWS BRIGHTER AND BRIGHTER AND THE LIFE STREAM BECOMES MORE PURIFIED, THERE COMES THE HOUR, WHEN THE MASTER MAKES THAT LIFE FLAME A PART OF HIS OWN AURA; AND THEN THE TWO ARE NEVER SEPARATED AGAIN! WHEREVER THAT ONE MIGHT MOVE IN THE UNIVERSE, THE OTHER ONE IS INSTANTLY CONSCIOUS OF WHAT IS THERE!

THAT IS WHAT IT MEANS TO COME INTO AN INTENSE ACTIVITY OF THE LOVE, PURITY AND PEACE OF AN ASCENDED BEING! FOR UNASCENDED MANKIND TO BE RAISED INTO SUCH CLOSE ATTUNEMENT MAKES EVEN THE OUTER SELF A PART OF OUR LIFE FLAMES FOR THE FUTURE! YOU DO NOT REALIZE HOW CLOSE A RELATIONSHIP THAT IS! IT IS CLOSER THAN ANY PHYSICAL RELATIONSHIP COULD POSSIBLY BE. IT IS AN ETERNAL AT-ONE-MENT IN THE FRIENDSHIP OF LIFE!

SO FROM THIS HOUR, PRECIOUS ONES, JUST FEEL THE ONLY THING YOU NEED IN ANY CIRCUMSTANCE, IS TO HOLD PERFECTLY STEADY WITHIN OUR SPHERE

OF ENFOLDING LOVE AND PEACE! HOLD PERFECTLY STILL! THEN, CALLING OUR FULL COSMIC ACTION OF OUR SACRED FIRE INTO A CONDITION, FORGIVE IT! ASK THAT OUR FLAME OF PURITY, LOVE AND PEACE, CORRECT THE WRONG; AND HOLD ALL THINGS IN THE VICTORIOUS CONTROL OF THE COSMIC CHRIST! IT IS THE GREAT SACRED LOVE OF THE SACRED FIRE!

You are blessed, indeed, Precious Ones, and you can be such a Great Blessing—greater and greater and greater each day; through which My Cosmic Flame can reach the Earth in Much More Powerful Action! There is a Part of My Flame of Peace already within your brain structure! If you let It expand, until It becomes Our Sphere in which We enfold you; It will be easier to forgive everything! Then, just turn away from all wrong! Call the Sacred Love of the Sacred Fire to correct every wrong condition and lift it into Permanent Perfection!

That is what We have done through the centuries, for all with whom We have come in contact! We are not allowed under the Action of the Cosmic Law, to use any other means to bring about changes for Greater Good; because until everything is corrected by the Purity and Peace of Our Great Love, in the Great Honor Flame of God's Great Cosmic Heart; it is never Permanently done! There is no Victory in This Universe except by Our Love.

So from today, feel you have come with Me for this hour's Dictation, into the Great World of Our Love and Peace! May Its Essence saturate everything in your Beings and worlds! May It flood through you to all you contact; UNTIL THE LIGHT ITSELF BECOMES SO BRIGHT AROUND YOU; MANKIND WILL AUTOMATICALLY KNOW THE SECRET OF YOUR PERFECTION!

Oh, just know that every sound which goes forth through here, must become the Purity, the Love and the Peace of Our Great Cosmic Hearts; and if you demand It, We will surely fulfill your Calls!

Now, Beloved Ones, in Our Essence which you are to

absorb; just rest within Its Great Comfort, Its Purity and Its Healing Love and Peace! Oh, please don't ever again qualify any Release of anything that is coming, with anything but the Great Joyous Acceptance of the Love and Peace which It comes to bring! Don't let any suggestions of the outer world, come to you, that you are going to be under a strain for this, that or the other thing! Those are nothing but fear suggestions. Sometimes they are just a passing thing in the atmosphere of Earth! **JUST TAKE YOUR STAND FOR THE INVINCIBLE VICTORY OF PURITY, LOVE AND PEACE, OF THE INVINCIBLE HONOR FLAME OF MY HEART, AND YOU WON'T HAVE ANYTHING ELSE! IF YOU WILL ISSUE THE COMMAND I WILL SEE IT IS FULFILLED!**

MAY ITS ABIDING REALITY BECOME VISIBLE AND TANGIBLE IN AND AROUND YOU – NOT ONLY TO YOURSELVES, BUT TO OTHERS; UNTIL IT BECOMES RECOGNIZED EVERYWHERE AND ITS MIRACLES AND BLESSINGS GO FORTH AT YOUR CONSCIOUS COMMAND; TO FORGIVE AND CORRECT EVERYTHING WRONG, WHICH COMES TO YOUR ATTENTION!**

In the Great Masterful Power that will be yours in Cosmic Action, after This Service is rendered to the Earth, you will bless the day, you were shown how to use Our Power; to increase the Momentum of Your Own Life Stream's Service in the outer world! After your Ascension, It becomes Cosmic Power of Wonderful Victory! The more you

call It forth here, the Greater will be your Cosmic Power, as soon as you Ascend!

It is an Opportunity offered but very seldom to unascended Beings! You have been called Beloved Saint Germain's Family of Freedom! As Chohan of the Seventh Ray – the Violet Ray to the Earth – It is a Very Great Honor He has bestowed upon you! If you will do this I have asked today, to help this Nation hold Peace – I, too, shall take you into My Family of the Sacred Fire! May I have the Joy of bestowing that Honor upon you as soon as possible!

In the Great Sphere of Golden, Violet, Pink Flame which is My Love and Peace to you, I clothe you this day! As you drink My Essence, may the Reality and Full Illumination of all I have given this afternoon, reveal Itself to you in the Victory and the Mastery that brings you Boundless Joy.
