

BELOVED SAINT GERMAIN'S DISCOURSE

SHASTA SPRINGS, CALIFORNIA OCTOBER 3, 1967
ANNIVERSARY DISCOURSE

BELOVED OF MY HEART, tonight, I wish you to accept if you will, the Sacred Fire Power which We are drawing in and around each one of you, with as much Intensity as you can stand from day to day.

It is necessary to do This, to keep you disconnected from the pressure of discord in the outer world; which is increasing until the Cosmic Law removes from the Earth, certain Life Streams who are the concentrated action of the sinister force.

This is not anything about which you need to be concerned, because it is under the Control of the Cosmic Law! Whenever you think you need Power to accomplish anything in the physical world, as long as it be the Fulfillment of the Divine Plan, try to take time for just a moment; and send your Love to your "Mighty I AM Presence" and all the Ascended Host, to give you Assistance in accomplishing what you need to do! Be sure you do not fail to CALL TO YOUR "BELOVED MIGHTY I AM PRESENCE" AND THE ASCENDED HOST, TO FLOOD IN AND AROUND YOU, WHATEVER SACRED FIRE POWER THEY KNOW YOU NEED FOR PROTECTION. IT NOT ONLY GIVES YOU THE ABILITY TO DO WHAT IS NECESSARY IN THE OUTER WORLD, BUT IT GIVES YOU THE PROTECTION YOU NEED PHYSICALLY; TO STAND AGAINST THE DESTRUCTIVE FORCES, AND ALSO TO PROTECT THAT WHICH YOU ARE GOING TO ACCOMPLISH!

Power is the Concentration of the Electronic Force from the Great Central Sun. Power, as the outer world understands it, is energy—electronic force; but what We speak of as Power, from the Heart of the Great Great Silence, is the Concentration of the Sacred Fire Love, Wis-

dom, and Power! Our Power is Love, Wisdom and Power in Perfect Balance!

This is Divine Justice to the Universe around you, because It is the Perfect Balance of everything required; to produce Perfection, to sustain It, protect It, and let It expand!

When you think of Power, don't always just think of energy! It is energy, of course; but the Power to which We refer, and We have referred to all the time, is in the Great Great Silence! The Greatest Power in the Universe is in the Great Great Silence! It is the Power of the Sacred Fire from the Heart Flame of the Great Central Sun!

So, when you need Energy, Strength, or Power of accomplishment, or Protection of conditions in the outer world, try to realize the Mightiest Power in the Universe, is the Sacred Fire in the Heart Flame of the Great Central Sun! Then YOUR OWN HEART'S FLAME can be intensified and charged with the Expanding Power of Light, which enables anything to come through from your "Mighty I AM Presence" more quickly and more Powerfully! It will enable you to do many things in the physical world, that heretofore you have never done; but which you can do, if you care to draw on Our Powerhouse of the Eternal Sacred Fire Love; by which the Universe Itself is created and exists, and is continually expanding Its Blessings to Life!

Therefore, whenever you think of My Freedom, which ordinarily you feel is Freedom from discord or limitation, It is more than that, Beloved Ones. It is This Concentration of the Sacred Fire of the Heart Flame from the Great Central Sun; the Violet Flame's Freedom from everything of discord—Freedom from problems! Freedom from limitation! Freedom from everything and anything of human creation in this world! I assure you, when you recognize It as the Sacred Fire Power from the Great Central Sun, It is all free from discord! Recognize It as Sacred Fire Freedom of the Heart Flame of the Great Central Sun, then wherever It goes, It is always Eternally Free from human

creation, because It burns it up. Nothing human can get into That Sacred Fire!

This is the Supreme Power of Love, Wisdom and Power in Perfect Balance! It is the Almighty, Perfecting Love of Creation from the Heart Flame of the Great Central Sun!

If you care to make the Experiment, It will prove Itself to you, without any shadow of a doubt. When you first wake up in the morning, ask your “Beloved Mighty I AM Presence” and Us—All the Ascended Host—to FILL YOU WITH THE SACRED FIRE HEART FLAME’S POWER FROM THE GREAT CENTRAL SUN AND DRAW IT INTO YOUR FLESH BODIES! CLOTHE YOUR FLESH BODIES IN THAT FLAME; AND LET IT MAKE YOU ITS “ALMIGHTY PRESENCE,” ITS VICTORIOUS PRESENCE, INSIDE OF YOURSELF! IT WILL ENABLE YOUR “BE-LOVED MIGHTY I AM PRESENCE” TO POUR FORTH THROUGH YOU ALL IT WANTS TO POUR, IN ORDER TO PURIFY AND SAVE THE NATION, AND HELP TO PROTECT FREEDOM TO THE EARTH BY THE SACRED FIRE! This is what We refer to, as the HONOR FLAME OF THE GREAT GREAT SILENCE! It is what We refer to as the SACRED FIRE LOVE FROM THE HEART OF CREATION!

It is Power, Beloved Ones! It is Power Unlimited! So when you are dealing with conditions in the outer world; and you feel you need more Power to accomplish what needs to be done, in order to hold Constructive Activities sustained; don’t be afraid to call all Power of the Sacred Fire’s Heart Flame from the Great Central Sun, because nobody can misuse That!

Many people in many channels are afraid of Power! They are afraid to call forth Power! Under This Radiation, some of you—not particularly you, but I mean some of the Student Body—feel, at times, they might call forth too much Power and they can’t handle it.

You can’t have too much Sacred Fire Love’s Perfection from the Great Central Sun! It is the Controller—not you! Your outer physical self is not the Controller of That!

If you will fill yourself with It, you will find It controls conditions in the outer which you, yourself, cannot control.

This is the Power from the Ascended Masters' Octave which controls the Powers of Nature and Forces of the Elements! It holds in Balanced Action, every bit of energy that comes from anywhere. If destructively qualified energy is driven against you, the minute it comes near you, This Sacred Fire Power, burns up whatever is destructive within it!

It is Invincible Protection! It is One of the Most Magnificent Miracles! It is the Supreme Miracle of Life everywhere in Manifestation everywhere from the Great Central Sun!

Don't be afraid to use It! If you will experiment with It, It will automatically prove Itself to you; by the feeling within you of the Mastery which comes, when you fill yourself with Its Glorifying Presence! There cannot be failure wherever It is used! (Applause—audience rising) Thank you so much, Precious Ones, won't you be seated please.

Now no matter what you have to overcome in the physical octave, whether it be within yourselves or around you; when you understand and KEEP CALLING FORTH THE SACRED FIRE POWER OF THE HEART FLAME FROM THE GREAT CENTRAL SUN, It contains the Violet Consuming Flame! It contains the Unfed Flame! It contains the Blue Lightning Purity! It contains Every Activity of the Sacred Fire and the Cosmic Light Substance which is required in any condition to produce Purity, Balance, Protection, and Expansion of Perfection!

So I bring It to you tonight, that you might understand what Unlimited Power is at your Command; and you are privileged to use, without any danger whatsoever, to anything being out of balance in you or your world. This is Eternal Security, if people would only use It! Mankind through the centuries, has heard the expression and been told of the Power of the Sacred Heart! This is what It refers to and not only to the Heart Flame of the Beloved

Master Jesus and every Ascended Master! It is the Heart Flame of the Great Central Sun which has created This World! It is the Sun Presence of This World and This System of Worlds! More than that, It has created the System of Suns to which This System of Worlds belongs! There certainly can't be anything wrong when the Power of Love and Magnificent Perfection of Life is so Great, It can create a System of Suns around which there are Systems of Worlds in Manifestation! They are created and sustained in Full Perfection, by the Love from the Great Central Sun! Then surely It can't hurt anyone in the physical octave who is willing to use It!

You will have Unlimited Success! This is the Miracle Presence of Life everywhere in Manifestation, for It is Life's Perfection. It is not any part of mankind's human creation! It is the Consumer of that human creation!

So from tonight, CHARGE YOURSELVES WITH IT! ASK YOUR "MIGHTY I AM PRESENCE" AND THE ASCENDED HOST, TO FILL YOU WITH THE GREAT CENTRAL SUN'S HEART FLAME OF SACRED FIRE POWER!

You will feel Our Feeling of the control of physical conditions to stop discord and destruction; and It commands Perfection to take their place and fulfill the Great Divine Plan!

This is Part of what the Master Jesus referred to on the last day of the Senior Conclave! If you will begin to use This, as powerfully as possible, between now and Thanksgiving Day, you will never have cause to regret It! It will enable Us to do many things within the Nation, which We are hoping to do; to prevent certain destructive forces combining their destruction within your Borders!

So, if you will use It to purify the Nation, you must, of necessity, be blest by Its Victory also!

Call It forth to FILL THIS NATION, FILL EVERYBODY WITHIN THE NATION; because wherever It goes, It consumes everything of human creation!

Become acquainted with Its Power! Become the

Blessing which It is to Life and have the Miracles which It can produce in and around you, and in your worlds! It enables you to give Those Miracles to the rest of Life! This is Unlimited Supply of every Good Thing; so I trust you will use It! (Applause) Thank you so much.

So from tonight, dwell upon It! Ask your "Beloved Mighty I AM Presence" to fill you with It, as you go to sleep. Recognize It when you first awaken in the morning! When you need to do anything—for just a minute, an instant—say "'MIGHTY I AM PRESENCE' AND THE ASCENDED HOST, FILL ME WITH THE HEART FLAME OF THE GREAT CENTRAL SUN'S SACRED FIRE POWER!" Then go ahead and do what you want to do.

It is Invincible Protection, Precious Ones, not only against the discord and pressure in the atmosphere about you; but It is Protection inside of you against your own habits; which as yet have not been changed! That is why I bring It tonight!

If there are any habits within you that you wish to change, ask your "Presence" and the Ascended Host, to FILL YOU WITH THE GREAT CENTRAL SUN'S HEART FLAME OF SACRED FIRE POWER, WHICH WILL NOT LET THE HUMAN LIVE IN YOU ANOTHER INSTANT! as either distress, limitation, or habits; the destructive etheric record, or anything within you which is not the Eternal Indestructible Purity and Harmony of Its Love!

This is a Scepter of Power Supreme; and It will produce all the miracles you could ever desire; if you will start in to use It systematically, as often as you breathe!

Whenever you think of conquering any condition in the physical world that is of destruction, fill yourselves with This first; and then make the Application to control the condition or purify it; or dissolve whatever is wrong and put Perfection in Its place!

Whenever you give Decrees to annihilate everything that is wrong, CALL FORTH THE GREAT CENTRAL SUN'S HEART FLAME OF SACRED FIRE POWER, TO

TAKE THE PLACE OF THAT WHICH IS WRONG! You will find destructive forces let you alone; because they know very well when they approach that Sacred Fire, their end is right then!

I trust from tonight, you will enjoy using It! There is nothing strenuous about This! It never produces strain! You never get under tension! You can't have any discord as a result of It; and It is the Supreme, Eternal Master Presence which loves the World enough to purify it and set it Free!

So Beloved Ones, if you have never lived for any moment except this immediate moment and This immediate Instruction tonight, it is worth hundreds and thousands of embodiments of effort in the physical world, to arrive at the place where We could give This to you! We couldn't give It to you until you had made certain Application of Purification of yourself! When you have made Application enough to demand certain Purification; when It reaches a certain point—We are privileged under the Action of the Cosmic Law, to give you the added Power! Tonight is the Appointed Time! (Applause) Thank you so much, tonight starts the first day of the 36th year of This Instruction, and it is a Momentous Occasion. It is of Tremendous Import! It is going to release many things the world must have; and you are the Open Door through which We can give Them!

We appreciate, more than you understand tonight, your Love of This Light, your Service to It; and every effort you have made to come this far in the Light! Now the Light, as the Sacred Fire Love comes from the Great Central Sun, Its Heart Flame is ready to bless you in return for your Willingness to help Purify and Free the Earth.

As you hold to That Decree to purify the Nation and purify the world, ask Its Heart Flame of Love to fill you with Itself! I want you to try It and let It prove Itself to you, or you prove It to yourself—inside of yourself! Through This, your struggle against habits you try to

conquer—and yet seemed unable to master them—will drop away! If you will only do This, they will drop away from you by their own weight, as if they had never been; and you will know Peace because This is Its Source Supreme.

Whenever you care to be through with your human habits, your human feeling, your human consciousness, ask your “BELOVED I AM PRESENCE” AND US, TO FILL YOU WITH WHATEVER SACRED FIRE HEART FLAME FROM THE GREAT CENTRAL SUN, WE KNOW GIVES YOU YOUR VICTORY, and you cannot fail!

You cannot go on and experience discord, if you will fill yourselves with This! Wrap It around yourselves, but fill yourselves with It first! Then clothe yourselves with It! Acknowledge your Victory and Perfection of It within yourselves! Acknowledge yourselves as the GREAT CENTRAL SUN’S HEART FLAME OF SACRED FIRE LOVE’S MASTERY OVER ALL MANIFESTATION IN EXISTENCE!

I want you to have This because It is Part of My Freedom! As you are willing to use It in outer world conditions, It automatically must set you Free! You will find the “Angels of the Sacred Fire,” Who have never yet been human, can come and be your Guard over many conditions, that you want to control in this physical world! After you have purified them, and asked for the Sacred Fire to come there and produce Perfection for Eternity—It will be guarded by the Beings of the Sacred Fire, Who live just to produce Perfection, protect It, expand It, bring Its Peace and Its Love to Life for Eternity.

It is Invincible Peace! It is Peace Indestructible! So when you think of Power from tonight, think of the HEART FLAME’S SACRED FIRE LOVE, THE POWER OF THE SACRED FIRE HEART FLAME’S LIFE IN THE GREAT CENTRAL SUN, and experiment with It!

Do all I do! I told you in the beginning I would never give you anything but verifiable Law; and I would never

give you anything that you cannot prove! This is Part of the Proof; but you must become It! (Applause) Thank you so much. When you fill yourselves with It, clothe yourselves with It, blaze It into all in your Beings and Worlds, It will automatically teach you of Itself! Then, you are not at the mercy of the conditions of the outer world, which heretofore have limited you, or discouraged you, or you felt you could not master!

This is Mastery! It is Ascended Master Mastery for Eternity from the Heart of Love; the Heart of Creation; the Heart of Life which sustains, controls and creates Systems of Worlds!

From tonight, as This Sacred Fire Heart Flame's Power from the Great Central Sun, expands through This "I AM" Activity—We hope to bring into outer manifestation Many Things that are constructive, and belong to the Incoming Perfection of the Permanent Golden Age to the Earth! We want to bring this Sacred Fire Power inside of you first, so you may be the Guarding Presence which brings into outer physical conditions, the Visible, Tangible Proof of Our Existence and Our Divine Plan Fulfilled! Its Illumination will teach mankind the Right Way to live Life; and forever close the door against suffering!

This is the Master Presence over all disease! It is the Master Presence that can remove everything from the world of mankind's human creation!

From tonight, dwell within It! Use It, use It, use It on everything you contact! Wrap the trees of this magnificent forest in This Heart Flame; and see for yourselves whether or not I tell you the Truth! (Applause) Thank you so much.

This is the Heart Flame of Life and Love that permits a Planet to exist; provides the Powers of Nature upon it; and sustains them to give mankind food and the Blessings, by which embodiment can take place on This Earth!

This is the Supreme Treasure House of the Universe! So, if you will FILL YOURSELF WITH THIS HEART

FLAME, YOU BECOME THEN, THE POWER OF THE GREAT GREAT SILENCE! Many times you don't need to do a thing but fill a condition with This, and bless it with Its Perfection! Before you know it, It will transmute things into the Fulfillment of the Great Divine Plan; because It is the Divine Plan of the Ascended Masters' Indestructible Protecting Perfection of Eternity, forever expanding!

I leave you to your own devices! I clothe you in This Mantle of Sacred Fire Love which it is My Privilege to bestow! It is the Sacred Fire Power of the Central Sun's Heart Flame; and the Earth tonight needs It more than anything else in manifestation!

If We may give It to you, and you will use It, It will expand and pour forth into outer world conditions, to protect and sustain whatever is constructive; and to dissolve and consume the torture mankind has generated and imposed upon Life; and which now is taking its toll in those who have unfortunately created it.

Tonight We have given you the opposite! There is nothing Greater in Infinite Space, than the HEART FLAME OF THE LOVE; WHICH IS THE POWER OF LIFE AND PERFECT MANIFESTATION IN THE GREAT CENTRAL SUN AND TO EVERYTHING IN INFINITE SPACE!

Blessed Ones, CALL FOR THE ASCENDED MASTERS' ALL-ILLUMINING CONSCIOUSNESS AND COMPREHENSION OF ALL IT MEANS TO YOU! Then, set It into action and the Power that is released, will continue to expand and help to perfect conditions wherever you abide; until mankind is purified by the Action of the Cosmic Law!

This is Part of the Cosmic Law which must come to the Earth by mankind's own Free Will, Desire and Call; and by the Conscious Use of the Great Creative Word, I AM!

As you accept This, as you fill yourselves with It; clothe yourselves, live in It, abide within It, and use It everywhere you abide, there cannot be failure for you! You cannot again know unhappiness, if you will abide within

the Love which is Happiness for Eternity. So I leave you wrapped in My Heart's Flame of Freedom from everything which is not That Love and Its Power of Almighty Control of everything in Existence for Eternity!

Let us go forward and reveal the next wave of Light through This "I AM" Activity; which shall bring to the Earth Blessings Invincible, Infinite, and Eternal; that raise all Life into the Perfection of the Ascended Masters' Octave for Eternity!

I give you the Priceless Gift that only Love can bestow! It is All-Protecting Freedom from everything of limitation or distress; as you use It and become Its Blessings to the world around you for Eternity! It is My Freedom and My Love and My Gift to Life, until the Earth and all upon it, have been raised into the Ascended Masters' Octave for Eternity!

I commend you to the Greatest Happiness of Its Presence, the Mastery and Joy of Its Use—Invincible, Infinite, Victorious and Eternal! Go forward and live in Our World, the Heart-World of the Great Central Sun's Heart Flame Power and have that which only It can bestow; which the World must have; and which purifies everything wherever you abide! May you live in Our World of Its Presence, Victory, Power, and Control for Eternity!

Thank you.
