

MIGHTY GOD HARMONY'S DISCOURSE

CHICAGO, ILLINOIS

MAY 8, 1945

VICTORY-EUROPE DAY

BELOVED ONES, as I come tonight, to bring the Substance and the Flame of the Harmony of My Life Stream, I ask you to feel Its Intensifying Power, saturating your bodies completely; and maintaining the Harmony which "I AM" within your atomic structure and within your mental and feeling world! We want your minds to be the Harmony of Our Great Spheres of Activity! We want your feeling to be the Harmony of Our Love! We want the atomic structure of your bodies to be the Harmony of the Perfect Activity of the Four Elements, held in Perfect Balance! Then, It enables Us at any moment, to pour forth a Sudden Happiness through you—just a Sudden Wave of Our Flame; which will go on and on; and touch many whom you do not even dream are in existence!

In bringing Our Love to you tonight, it is Our Desire to make each one of you—this is a peculiar expression—a Storage Battery of Our Harmony! I do not compare you to an automobile; but nevertheless, what We want to do is to store up Our Power of Harmony—Our Substance and Flame of Harmony, in and around you! We want to establish Our Substance and Flame within you, and then keep adding to It from Our Octave! It has a Self-sustaining Action within Its Own Quality. Yet that which you would do to sustain and expand It, BY YOUR OWN CONSCIOUS APPLICATION, is only one phase of Its Action! We want to make you the Outpost of Our Flame and Substance of Cosmic Harmony!

Therefore, if you will accept this tonight, and let Us some time each day, send another Flame down to join the One We are anchoring around you tonight, I think you will be very greatly pleased with the Intensifying feeling within you! The conditions around you which you will find coming into Greater Perfection, will be without any strain upon yourselves! Rather, will you feel—oh, such a Relief and

such a Joy; in the Accomplishment of the things you have desired to outpicture! Day after day in Greater Perfection, your Blessings will be released in Greater Profusion!

In making each one of you the Expanding Powerhouse of Our Substance and Flame of Cosmic Harmony – it is for many Other Reasons than I can explain tonight! I shall only touch upon that which is required at the moment, or at least for the few weeks ahead! As We do This, It enables the COSMIC PRESSURE of Our Harmony, to pour forth through many OPEN DOORS; into the physical octave and fasten within the structure of Earth! Then, by Our Radiation through you, We can draw forth within the Hearts of Others whom you contact, a Greater Desire for Peace; and a Longing for the Same Harmony We are pouring through you!

This has a Tremendous Action upon the Unfed Flame in the Heart of every human Being! It is the Magnetic Attraction of Our Flame of Harmony to the Unfed Flame in everyone's Heart! By Our Very Heart Flame and Substance in and around each one of you, We can draw forth the Desire from within each one's Life Stream you contact! The Desire for the Harmony and the Perfection you are out-picturing; becomes the Expanding Power of the Higher Mental Body of other Life Streams!

As We give It to you, Its Radiation goes out to touch others and draws forth from their Life Streams through the Higher Mental Bodies, a Greater Desire for more Peace and more Harmony! Thus, you will enable Us to release into the physical octave, that which the Elohim of Peace can expand; and by which He compels the **RELEASE OF A PRESSURE OF HIS COSMIC PEACE TO GO INTO CONDITIONS; WHICH OTHERWISE MIGHT BE SOME MONTHS COMING TO COMPEL WORLD PEACE – COMPLETE AND UNCONDITIONAL!**

These Inner Actions of the Sacred Fire which We are releasing are of Tremendous Cosmic Importance! As you are willing to hold the Harmony in your own feeling, and

let Us do This for the Greater Protection of your Nation and your loved ones; you will enable a Cosmic Action from the Elohim of Peace to come into the Earth more quickly! Of necessity, It will automatically bless you, as you become a part of Our Great Expansion of the Sacred Fire! His World Peace, amplifying through This Sacred Fire which We wish to give you, can give you His Cosmic Peace! The Flame of Love which He pours forth, will not only bless you for Eternity; but It will hold you close to Him, and keep you reminded frequently that His Flame is there! As you feel It more and more, just holding Peace in and around yourself—regardless of what is going on, you will find Tremendous Illumination coming to your minds! You will find many things being made clear to you, by just a Sudden Realization and a Flash of Light from within yourself! You will comprehend things you have heard again and again; and yet did not feel the Release of their Power suddenly; which gives you the Mastery over conditions of the outer world.

You are all so much a Part of Us, and We are all so much a Part of All the Spheres and Activities of Light above Us; that it is not difficult to flood through a Flame in and around each one, who is trying to hold to the Light! It brings you to the Feeling of Ease, Happiness, and Joyous Accomplishment!

As I said in the beginning, We have MANY OTHER REASONS BESIDES THIS, which I have just explained! We want you to have Our Feeling of Harmony! We also want the Substance and Flame of Harmony from Our Octave, built into the structure of your physical flesh; because through your Harmony, there flows a Tremendous Raising Action to the rest of mankind upon This Earth! It will serve like a Magnet and draw the attention of many of mankind away from things; in which they would otherwise sink into more human acceptance. If We can do This through you, to the degree that you maintain Happiness and Harmony in your own feeling world, will We be able to keep

mankind from swinging into depression; or the conditions which follow and are the aftermath of a war.

If you will maintain Harmony and help Us to give Our Assistance to the mass of the people, It will keep them from swinging again into depression or unhappy conditions, that delay the Perfection which should come! We will bless you individually for Such Service, beyond any measure in This Universe! We have never asked the "I AM" Student Body to ever do anything; which will enable Us to act with Greater Power in this Octave, that We haven't brought to you Blessings far beyond whatever you have given! I would not ask This now except, that in order to expand the "Flame of Peace" more quickly throughout the Earth, and completely end this war—there has to come the Cosmic Pressure of Harmony and Peace, through a certain proportion of the people! It then becomes the Push or the Onrush of the Flame from the Elohim of Peace, which drives through to Its Victory!

The Hearts of those in the Orient tonight are longing for Peace, just the same as those of you here! If We can hold you steady in the Release of Joyous Harmony, in and around your bodies and your mental and feeling world—We can amplify It every day with another Flame! Then you will find Its Action of the Fire Element driving, driving, driving destructive forces back into their cause; and establishing Peace where they have been!

The sinister force is fast receding, but it is Our Desire to make it recede so rapidly; it still cannot do the damage it will attempt to release in the last stroke of its viciousness!

If you will accept It some time each day, We would appreciate It, if you would make It as regular as possible, in co-operation with your other duties of the outer world! Make It just approximately near the same time each day! Give Recognition to This Flame and Substance which "I AM" anchoring tonight in and around you! Then We will establish at the Inner Level, a Pulsation like the

Pressure of the Heartbeat! Each day as you give Us Recognition, another Flame will join the One We are leaving with you tonight; and you will feel a very Rapid Increase in your Power to hold Harmony! Its effect in your world will more quickly enable you, to bring about Divine Order and the dissolving of your problems! The Greater Powers will enable you to go forth and work more freely, in whatever you desire to do to fulfill the Great Divine Plan!

We always stand ready, Precious Ones, to release everything from Our Octave which you can receive into This Octave; because above you surges constantly, the Release of Our Great Cosmic Action of the Sacred Fire and the Substance of the Cosmic Light!

Great is the Love of the Ascended Masters, the Cosmic Beings, and the Great Angelic Host! Great is the Pressure of Their Love Flame in Their Octave. It is always surging to pour Power without limit into this Octave; but We cannot bring at one time any greater Pressure, than your atomic structure can now stand! In other words, each time We come, We bring and release all you can absorb at the moment; but with your attention to Us and your acceptance of the Release each day, there can rhythmically expand in and around you, Our Flame and Substance, to accomplish Victory more quickly! Then the Radiation pouring out from you to the Hearts of the rest of mankind, will draw another Pressure from the Higher Mental Body of each one, into the outer world of the Desire for Peace! When the Desire in the feeling world of enough of mankind, intensifies quickly; you will find World Peace compelled into outer channels!

While the Cosmic Law Itself will force a certain amount of quick action; yet when the Impulse comes from within mankind of its own Free Will, It draws manifestation into the outer much more quickly.

Now, Precious Ones, We want to release you as easy as possible, from even the slightest feeling, which would cause you any strain, stress, or disturbance for any reason!

For your own Peace of Mind, regardless of what anybody does or does not do; I ask you not to let anybody stir your feeling for any reason!

You know in the friction between personalities in the physical octave, many times it is such a little thing which can aggravate the feeling of another so intensely! If you could see the Force of Life trying to balance activities in the physical octave; and accomplish the Ascension for each Life Stream as soon as possible – you would never allow discord to disturb you for an instant! If you could see as We see it, you would never for a moment allow some of the trivial things that cause sudden discordant feeling, to hold your attention or disturb you in the slightest!

Many times, people do things that truly should not be done; yet aren't so terribly flagrant before the Great Cosmic Law! If you could see sometimes, the Capacity of a Life Stream to render some Gigantic Service to Us and to Life, you would not be disturbed for an instant! When you see the Capacity of an individual to Serve the Light and fulfill the Divine Plan; then some little thing happens to make you dislike the individual, you would not let its discord act. If you feel aggravated at some personal habit you do not like – if you could see the Scales of Life's Balance and the Gigantic Power on one end of that Life Stream to assist Us, the little trivial thing would not affect you! While it might be imperfect, yet it is such a little thing, in comparison to the Great Thing which can be released! If you could see It, you would not allow for a moment, anything to act in yourself about it, except to bless the Life Stream; and call forth all Our Strength and Power to do whatever fulfills the Great Divine Plan!

Ask your "Beloved Mighty I AM Presence" and the "I AM Presence" of the other individual, to blaze the Cosmic Hand of Sacred Fire into the outer condition! Just in One Mighty Stroke – that way – consume the wrong out of the individual! See the Cosmic Hand of the Cosmic Christ Sacred Fire reach out and take away whatever is wrong!

See the Higher Mental Body smile Its Blessing and hold Perfection there in its place forever!

Do you know why "I AM" asking you to do that? Because We do It for you very often; many, many times when you never dream We are near! (Applause – audience rising) Thank you, Precious Ones. I shall qualify your Love with My Love and send It back to you, as a Flame of My Harmony very soon!

I wish you to see This One Action of the Balancing Force of Life, from the Standpoint of your "Mighty I AM Presence"; the "I AM Presence" of others; and from the Standpoint of the Ascended Masters! We work always to balance the Force within an individual; so the Light will always have the Greatest Opportunity to expand in the shortest time, and in the Most Powerful Way! I have seen Beloved Saint Germain do this many times, when an Individual under This Radiation with sincere determination had called and called and called for the Accomplishment of something!

Sometimes in an unguarded moment, as that one would near the accomplishment, the attention would suddenly go to something of the shadows! When He suddenly saw that, trying to delay or perhaps push aside completely the Attainment for which the Individual was working—I have seen Him from a distance flash a Stream of Lightning through the whole thing! I have seen Him throw it aside and then annihilate it; so That Precious One might go forward; and have the Fulfillment of the Call which was so much desired!

I have seen Him do that no end of times! I have done it Myself innumerable times! So has every Ascended Master; because We must guard those whom We love and are watching; when they are nearing the Goal of the Great Great Accomplishment of all Lifetimes in the Attainment of the Ascension!

In the embodiment in which the Ascension is to be attained, We guard you so much, Oh Beloved! We guard you as you little dream; because then is when the struggle

is fierce; and the destructive forces are most determined to interfere with or delay your Victory! Then you need more guard than ever! Then will you appreciate the Greatest Love and Harmony which We can bestow!

When others are striving for the ACCOMPLISHMENT OF SOMETHING OF GREAT IMPORTANCE; AND TRYING HARD TO RENDER SERVICE TO THE LIGHT – an old momentum of unkindness, disagreeable habits or something else, sometimes causes a shadow or delay. If an old momentum of discord or imperfection imposes upon that which they are seeking to attain, arises; the Presence of the individual, as well as your own “Beloved Mighty I AM Presence,” will deeply appreciate your Call! It is in This Capacity Beloved Jesus said, “You are your brother’s Keeper.” It is not to tell the other person what to do; but silently do the thing which annihilates wrong! It is why your “Beloved I AM Presence” and the “Presence” of the other Individual, will deeply appreciate anything you can do; to dissolve everything about an Individual which is unpleasant or imperfect!

You know, in the “I AM” Discourses, Beloved Saint Germain says: “When you wish to accomplish something, say: ‘I AM’ always the Victorious ‘Mighty I AM Presence’! Say! ‘I AM’ the Presence doing this thing!” So, if something of imperfection and unpleasantness comes forth from one individual; just silently – because it isn’t safe to do it audibly, say to the Presence: “‘Mighty I AM Presence,’ reach Your Hand down, for ‘I AM’ the Presence annihilating that thing in that individual! Beloved Higher Mental Body, take command there and free that one for the accomplishment of Your Victory”!

This is Real True Divine Love and Compassion! It is Real Ascended Master Forgiveness! It is Cosmic Mercy and Love! It is Divine Justice, which enables the Divine Plan to be fulfilled more quickly! Do you know what else it will do for you? This is not for any personal satisfaction but it will give you a Release in your own feeling; that you

have done something to stop the thing, which was wrong or unpleasant! It will be quite a Release to your own feelings about the situation, as well as Assistance to the Life Stream!

When you wish to silence something, say: “‘I AM’ the Presence annihilating that! Powers of Light! perfect there Your Divine Plan”! Then, take your attention away! Thus, you will dissolve and consume – and help tremendously to consume – the human creation more quickly. You will help the Individual tremendously to attain the Victory more quickly!

This is an Action of “God’s Law,” which We have long wanted to give to the “I AM” Student Body; but it was not safe; until a certain proportion of your own human accumulation had been either taken away from you by Us; or had been dissolved and consumed, by your own action of the Violet Consuming Flame by your own Use of It!

When there is still too much human creation acting in an individual’s feeling world, if that one suddenly uses the same feeling about another one – in order to release the human creation from that person; you would be very apt to find more of that same quality acting in YOUR OWN FEELING WORLD THAN YOU DREAM!

I feel now, you are all to a point, when you understand how the Law acts; and where the other Life Stream has a Service to give, you will not intensify a discordant feeling. Then, you will always in your own consciousness, hold the idea; that you are trying to assist the Higher Mental Body of the other Individual, and Its Presence, to fulfill Its Own Divine Plan! Everyone really has a Service to give to all the Life in the Universe forever; because of your use of Life! Whenever you are using the Authority of your own Life Stream; to dissolve the human creation of anything that wants to interfere with Its Perfection, you can always have Our Help!

“I AM” sure, if you could see how often This Help to you has been given, you would never fail to do it for

everybody and everything that crosses your path! (Silence for several moments.) Your Desire to serve the Light, and your Determination to do so, have brought you this far in the Light; and thus, you have merited the Assistance from the Ascended Host.

Well, other Life Streams have asked for the Light and wanted to serve the Light, just as sincerely as many of you—or all of you—and so those Life Streams have merited Our Assistance also to the Fulfillment of the Divine Plan.

The Cosmic Law permits Us to give a Certain Amount of Assistance; but the opportunity you have, in the Authority of the atomic structure of a physical body; to use the Cosmic Power and Authority of your own “Beloved Mighty I AM Presence”; to assist Life to fulfill Its Divine Plan through someone else—has a Powerful Raising Action to the whole human race!

The fact that you will do this to assist others to gain their Ascension COMPELS A CERTAIN ACTION OF THE COSMIC LAW RELEASED; WHICH WILL COMPEL ASSISTANCE TO BE GIVEN TO YOU FROM US, IN CONDITIONS THAT OTHERWISE WOULD NOT BE PERMITTED! In times of emergency, when you might be off-guard and do not realize it, your assistance would entitle you to Protection you would not otherwise receive; if you had not given It to other Life Streams first! Don’t you see the “Action of the Law”? You must give It to the rest of Life first! Then, all Life above you stands ready, when you are in the hour of struggle, as you have given to others; so shall Those from Our Octave give It to you!

That is what the Statement means: “As you measure to others, so shall it be measured unto you.”

You will find in This Service “I AM” speaking of tonight, a Tremendous Release in your own FEELING; from many conditions; which have been very hard to bear, because they were aggravating, they were unjust; and they were many times wholly of the animal! This Release will give you a FEELING of your Cosmic Authority over the

human animal creation of someone else; where all outside battle, argument or reproof only increases resistance and antagonism! You can make These Calls silently; or go by yourself, go alone and make the Call! In doing it, make your Call go forth in the Acknowledgment of your own "Mighty I AM Presence" doing It; with no feeling that you on the physical side are doing it! Just know and feel—"I AM" the Presence annihilating that thing!" Do you see?

Then, you leave it wholly in the Action of your own "Mighty I AM Presence." Thus, you do not on the physical side or in your feeling world, connect with the wrong; in a sense of battle or resistance of any kind, which would cause failure! If people only knew this, it would do more in families to keep distressing conditions from growing into downright tragedy; than perhaps any other phase of the "Law"! You can do it wholly in the Silence; AND YOU CAN ACCOMPLISH BY THE POWER OF THE SILENCE, WHAT YOU CAN NEVER DO WITH THE SPOKEN WORD!

There are times when the spoken word has to be used! There are certain Actions of Life for which it is intended! There are other Activities where it only aggravates the condition, and makes it live longer! In This of which I have spoken tonight, you starve your enemy out—enemy, so called—and compel the collapse of the human creation sooner! You will have some Magical Results with this; because many times people, who have been antagonistic to you before; as you do this for them; will be transmuted from so-called enemies into friends! They will wonder why they ever thought anything but nice things about you! This is very worthwhile cultivating! (Applause – audience rising)

Thank you, Precious Ones. This is Part of My Momentum "I AM" accumulating to bless you later. Won't you be seated.

Here is a Secret, and to Me One of the Most Marvelous Ways of holding your Harmony without interruption; by obeying the Law; expanding your own Light; assisting other

Life Streams; cleansing the Earth and the atmosphere of Earth—all at the same time! So, I consider It rather an Exclusive Plan! “I AM” sure you will have the Same Magical Results from It, I have had Myself, when I was going through similar experiences; and which I have seen students use to free themselves rapidly from distress! IT IS A VERY EASY WAY OF CHANGING THE VIBRATORY ACTION IN THE ATMOSPHERE ABOUT YOU SAFELY!

This is something many people do, if they are good neighbors, when the other person’s crop needs assistance! Many times you help to give it and help weed your neighbor’s garden! That is what you are doing with Life when you give the Assistance, as I have described! Then, when it is harvest time for yourself, you will find Life—the “Be-loved Mighty I AM Presence” will provide Assistance for you! It is one of the easiest ways I know of to overcome habits, feeling, conditions, or momentum of resistance between individuals—sometimes of many centuries standing!

You often come in contact with an individual in this embodiment, maybe just a few years you have known that person; and yet the battle is on from the time you first lay eyes on that one! Such a condition was not created in a moment! It has a former cause! So, in order to free yourselves and for your safety in the future, it is quite important you try this out now! If you have been associated with someone in the past, where there were unpleasant experiences—much resistance and rebellion generated against each other—before either of you can go higher, that momentum must be consumed by one or the other, through the Action of Cosmic Love and Wisdom! SO, IF THERE BE PERSONAL ANTAGONISM, YOU WILL FIND VERY GREAT RELEASE FROM SUCH CONDITIONS, AS YOU APPLY THIS WHICH I HAVE JUST GIVEN! My offer to release a Flame each day to you, is My Guard of Wisdom! In giving your Calls to consume the other person’s unfortunate creation, your own feeling does not take on a sense of personal battle or responsibility about it!

It is one thing to call the "Mighty I AM Presence" and acknowledge, "It is the 'Presence' doing this thing!" It is quite another thing to say: "I will just annihilate that fellow's human creation." These are two diametrically opposite activities! One is of the Light; the other isn't! So, "I AM" giving you My Love to protect you! (Applause—audience rising) Thank you, Precious Ones! I shall come back to you—don't fear! Thank you so much, Precious Ones, won't you be seated.

NOW, AS YOU GAIN A MOMENTUM OF THIS, AND GIVE IT DAILY RECOGNITION, BEFORE VERY LONG, YOU WILL FEEL SUCH A RELIEF FROM THE PRESSURE AND VIBRATORY ACTION OF THE DISCORDANT CREATION OF OTHERS WHOM YOU CONTACT! YOU WILL ALSO FEEL THE RELEASE FROM YOUR OWN DISCORD AND YOU WILL WONDER WHY YOU DIDN'T COMPREHEND AND USE THIS SOONER! I tell you, Precious Ones, you will feel as though tons of pressure have been lifted from your world; and your Hearts will sing in everything you do! It will have many other effects that will bless you and your world!

It will bring a Release of certain pressure which has been in the vocal cords of many of you, and perhaps all of you to some degree! As more and more of My Flame of Cosmic Harmony and Love, has intensified and expanded, you will feel a Relaxation coming into the throat! The resistance and substance will be removed which has caused you to feel, you could not sing as you knew you wanted to, and as you knew you should.

This Explanation I have brought tonight, has many, many, many Blessings, and I have only revealed a few of Its Activities! I will tell you of Others from time to time; if you will use This Call systematically! Just make It one of your most God-like Habits; and I assure you Uninterrupted Harmony, will be yours without so great a struggle, as you might have contemplated!

THEN, WE CAN MOVE FORWARD WITH VERY MUCH

GREATER SPEED; RELEASE MUCH GREATER POWER, AND MANY MORE WONDERFUL THINGS INTO YOUR CONSCIOUS USE AND KEEP UNDER YOUR DIRECTION! GREATER PROTECTION CAN MUCH MORE EASILY BE GIVEN; WHEN LIFE IS ASSURED YOU ARE CONSTANTLY HELPING IT TO FULFILL ITS DIVINE PLAN!

If all of you in this room tonight were to do this for each other, you would hardly know yourselves before very long! You would be amazed at the Blessing which would flow forth from the Higher Mental Body of each one, to everyone else! So, I anticipate a Very Great Joy for all of you, in the Greater Use of This Mighty Trust of Life; as you feel My Flame of Cosmic Harmony come each day to abide with you; increase your Power to hold the Harmony; and to dissolve all human creation around all whom you contact!

THIS WILL PREVENT MANY PEOPLE DOING YOU INJUSTICE, BUT I WARN YOU: DON'T SAY IT OUT LOUD, UNLESS YOU ARE ALONE—AND I WOULD BE VERY SURE I WERE ALONE, COMPLETELY! You have no idea, as you build a Momentum of This how it will prevent people imposing injustice upon you; because as you, in the Great Love and Mercy of your Heart, call for Perfection, to assist other Life Streams to attain Perfection; naturally the Powers of the Universe, will come to bless you and assist you also.

IT IS A NEVER-ENDING RESERVOIR OF COSMIC ASSISTANCE, WHICH DRAWS EVER GREATER BLESSINGS TO YOU; AND CONTINUALLY EXPANDS THEM TO HELP FREE ALL LIFE FROM HUMAN DISTRESS! It is truly a Worthy Purpose! It is Obedience to the Great Cosmic Law! It is a Way—One Way and Means by which you will become aware of the Great Power of your “Mighty I AM Presence” to act instantly; in anything you desire to accomplish, or anywhere you direct It at your Command! After you have had a few experiences of Instantaneous Manifestation and Fulfillment of your Calls; you will begin to awaken to what a Mighty Scepter of Powers is yours! As

It grows Greater, nothing in This Universe will be an obstruction to you!

Now, to bring Greater Happiness to you all, I want you to feel, Precious Ones, the Purpose of your activities of the outer world! The Divine Purpose of your Journey through this world, is to release your Great Creative Powers; in producing Manifestations of Beauty and Perfection; which fulfill the Divine Plan, to bless all Life and all the Universe around you forever!

You are creating something every waking moment! With every breath you breathe and every Heartbeat, you create something in This Universe! Realize This and command everything coming forth from you, must be the Creation and Fulfillment of the Divine Plan! Then, keep active in the Fulfillment of It and you will unfold your Cosmic Powers in outer action; so It becomes the Magnetic Pull, which helps to raise you to your Ascension.

You are a Flame of the Great Creative Fire! You promised when you left the Central Sun, to fulfill the Great Divine Plan, and only use your Creative Powers, as the "Beloved Great I AM Presence" and the Central Sun use Them! That was your Agreement with Life, when you came forth and accepted the Responsibility of the Flame in your Heart!

Now, I offer you Our Easy Way to keep your Promise to Life; to go forth and fulfill the Divine Plan, with My Cosmic Flame and Substance of Cosmic Harmony! I say OURS, too, because the Beloved Goddess of Harmony is always with Me, whenever This Activity takes place! When We clothe you in Our Substance and Flame of Cosmic Harmony, you cannot be unjust to yourself or the Universe!

The Harmony will be so Great, as you give Obedience to My Request, and make your Calls as I have described! Your Happiness will become so Great, and your Service in the outer world will be almost without limit! Wherever you move, when heretofore you had obstruction and injustice

with "This I AM Activity," you will have a Clean Pathway ahead; for you will be constantly acknowledging: "I AM' the Presence consuming all that is not the Divine Plan Fulfilled for all!" Then, as you feel It again and again surge through, you will truly become acquainted with your own "Blessed Mighty I AM Presence," Once again you will walk hand in hand with your Glorious, Glorious Self; and release Its Cosmic Power to produce Manifestations which will astound all mankind! Nevertheless, Those Manifestations will hold the attention on the "Mighty I AM Presence"; until It has raised individuals into the Acceptance of Itself and Its Authority!

So, beginning with NOW, the Flame shall come and you shall know Those Words: "My Garden of Paradise," are no figment of anyone's imagination! As you live in the Ever-expanding Release of the Flame of Love from My Heart, your world will be My Garden of Paradise; and the Sacred Fire will be a Reality around you, none can ever deny!

Let Our Love blaze through you tonight, and may the Mighty Elohim of Peace – "He of the Shining Countenance" – add His Cosmic Flame of Cosmic Peace to My Flame – Our Flame – Our Flame of Cosmic Harmony! Let the Two become so intense in and around each of you, that They become the Expanding, World-Engulfing Flame; which compels Peace for Eternity, to possess the Earth and all upon it! Let It clothe all in Its Powers of Perfection, to the Attainment of the Greatest of all Victories – the Ascension of each one, and then of all upon Earth!

Tonight, may This Flame of Cosmic Harmony and Peace go forth and wrap Itself around every human Being on the Earth; become visible to all; and compel the stilling of all that is not of the Light!

We thank the Great Source of Creation, the "Beloved Mighty I AM Presence," the Great Central Sun, Beloved Helios and Those Who have so long assisted the mankind of the Earth! We thank You for this day; that the tide of things has turned; and the Cosmic Light, intensifying,

claiming Its Own once again into Its Heart – shall dissolve for Eternity the shadows of human selfishness and discord!

Oh, Great is the Peace and the Happiness within My Heart's Flame! Let Me bless you with the Joy and Power of My "FIELD OF PARADISE," and make you Its Mighty Outpouring to the rest of the Earth; until once again the Planet Earth becomes the Garden of Eden; and the Great Great Heart of all Creation, floods forth Its Blessings of Love; to expand Perfection and the Victory of Light into all Creation!

MY LOVE EVER GROWS MORE INTENSE! MY HARMONY SHALL BE YOUR GARMENT OF DAILY ACCEPTANCE! OUR SUBSTANCE AND FLAME SHALL BECOME YOUR WORLDS OF HAPPINESS AND POWER; UNTIL THE DIVINE PLAN OUTPICTURES EVERYWHERE; TIME AND SPACE IS ANNIHILATED; AND YOU SHALL RELEASE THE POWERS WHICH PRODUCE MIRACLES; THAT GIVE JOY AND FREEDOM AND THE VICTORY OF LIGHT TO THE WHOLE EARTH FOREVER!

MAY THE ANGELIC HOST GREET YOU TONIGHT, AND HOLD OUR COSMIC FLAMES OF HARMONY AND THE SUBSTANCE OF HARMONY ABOUT YOU – IN SUCH INTENSIFYING CONCENTRATING ACTION – THAT NOTHING IN YOU CAN EVER FEEL AGAIN ANYTHING BUT ITS PERFECTION, ITS HARMONY, AND ITS FREEDOM!

MY LOVE SHALL BE ALL OF ALL TO YOU, UNTIL THE GREATEST VICTORY OF ALL IS ATTAINED AND YOUR ASCENSION IS COMPLETE! IT BECOMES MY HARMONY OF THE SPHERES, AND MY PRAISE TO LIFE FOR ALL THAT HAS BEEN GIVEN TO ME! TO MY BELOVED, I SAY FOR HER, "THE GODDESS OF HARMONY," HOLDS YOU IN HER GREAT GREAT GREAT HEART! SHE WILL MAKE YOU SEE AND FEEL THE SUBSTANCE SHE DISPENSES WITH SUCH LOVE AND SUCH BLESSING! IT IS AS REAL AS YOUR OWN HEARTS. JUST CALL IT INTO OUTER ACTION! FEEL IT! LOVE IT! CALL IT! ACCEPT IT! HAVE ITS BLESSINGS

THAT ARE SO FREELY, SO JOYOUSLY GIVEN; AND TOGETHER WE SHALL LEAD YOU HAND IN HAND TO THE GATES OF FREEDOM, AND THE VICTORY OF LIGHT FOREVER!

Thank you for the Privilege of your attention this night, and thank you for your Love forever! Good night!
