

## BELOVED GOD OF GOLD'S DISCOURSE

SHASTA SPRINGS, CALIFORNIA SEPTEMBER 23, 1953  
SENIOR CONCLAVE

BELOVED HEARTS OF THE SACRED FIRE, as Our Love enfolds you tonight, I ask you to feel the Strength, the Peace and the Power of the Golden Flame, which comes from the Physical Sun to the Earth! Within That Flame there comes forth, the Condensation of the Substance from the Physical Sun, into the Crust of the Earth, through what you call the metal of gold! I wish you to feel, It is the Carrier into the structure of Earth; into the Plant Life of the World; into the mental and feeling world of mankind – even into the physical bodies, of the Force and the Magnetic Currents from the Physical Sun to the Earth! It is a certain proportion of the Substance from the Physical Sun, which is anchored within the crust of the Earth! It continually grows to greater and greater proportion, if not interfered with by mankind! If It be allowed to do Its Perfect Divine Work as is intended, It would hold Purity in this World, which would enable Peace to come once again, enfold the Earth and possess mankind into Its Heart!

Since Gold can never be contaminated, you should realize It is an Eternally Pure Substance from the Physical Sun to the Earth; to hold Immortal Purity in a certain proportion of the physical structure of Earth; until all once again becomes purified and Self-Luminous! This is Its Effect! Its Radiation is pouring forth constantly to bless mankind and to purify the outer activities of Nature; so they may bring forth the Perfection which was once in this world, and will come again! Just as Gold helps to purify the Activities of Nature and sustain Purity; so does It affect the human body the same way, also the mental and feeling world.

The Natural Color of the Radiation of Life from the Higher Mental Body of each Individual into the brain structure, is that of the Golden Ray; or Golden Flame into the very physical atomic structure of the body. The Natural Color of the Life of the Individual within the physical form, which flows forth through the stomach, is a Golden Sun! The Natural Enfolding Sun-Presence around the Unfed Flame in the Heart is a Golden Sun! In every case, the Substance which pours forth the Radiation of Gold in the body, is drawn from the Physical Sun, through the atomic structure of the body; to pour forth Its Healing Rays; to pour forth Its Harmonious Peace Commanding Blessings to Life!

In the nervous system of the body, there is a Liquid Bluish White Light which flows through the nerves as blood flows through the veins. On the outer coating of each nerve flows a Sparkling Golden Oil, which holds Protection of the nerve fluid! It passes through the cells of the body! It enables Peace, Health, Balance, and Purity to be maintained within the body through the nerves! When That Golden Oil is burned off by nervous tension, irritation, wrong food, or any substance put into the body which causes impurity, the Individual is under strain. The energy is drawn off by the activities of mankind in the atmosphere around the body! It depletes the energy so the outer self tires more easily or gets under nervous strain, which interferes with the BALANCING of the forces within the body.

When you turn your attention to the Heart Flame of your "Mighty I AM Presence" and to Myself; and ask for the Blessings of the Golden Flame of Peace from the Great Central Sun—the Radiation or Concentration of Its Substance, the Flame begins Its Release from the Heart of the Higher Mental Body into the physical body! When I come to enfold you in the Sun-Presence of the Golden Flame of Love, which "I AM" to the Earth, It passes

through the cellular structure of your bodies! It purifies all wherever It flows, by bringing Balance within the currents of the body—the Magnetic Currents which flow through the nerves and through the cellular structure of the body!

It is necessary that you give CONSCIOUS RECOGNITION to the “Presence” of the Golden Flame within the body, for It is the Purifying, Balancing, Directing Intelligence within the brain structure; which enables the mind to receive from the “Mighty I AM Presence” unobstructed, Its Perfect Direction, Its Inspiration and Its Truth of the Cosmic Law of the Universe surrounding It.

Wherever you feel the Outpouring of the Golden Ray, you will always have the Feeling of Peace and Love! For your information, it might encourage you greatly to know, that in the actual Substance of the Ascended Masters Bodies, the Light and Flame as They pour through—where you have the blood in the veins and arteries of the red and the blue—in the Ascended Master’s Body, the fluid which flows through the Electronic Structure, is a Golden Liquid! So, that Golden Essence is an Eternal Part of Life and is Immortal Purity!

It is with Great Joy “I AM” privileged to give you This Information tonight; because if you understand It and hold the Picture of Its Presence flowing through you, It will be very much easier for you to command the feeling world and the energy of your emotional body, to be still; and receive from your “Mighty I AM Presence” the Correct Direction of whatever you require!

When the Golden Flame is allowed to flow through the body without obstruction, there is always Peace and Love and Balance in command of the forces of the outer self! The Gold is the Natural Color within the mental body. It is the Natural Radiation from the Heart except that from the Heart and within the Heart—within the Golden Radiation from the Heart—there is also a touch of blue

and pink. If you will feel yourselves often held within My Enfolding Presence or Sphere of the Golden Flame of Love from My Heart—you shall feel My Peace IMMEDIATELY in the outer activity! IT IS AS IF A PORTION OF THE PHYSICAL SUN'S SUBSTANCE AND FLAME OF LOVE, CAME IN AND AROUND YOU TO LOVE YOU INTO ITS PEACE!

The Golden Flame of Love is very necessary, My Dear Ones, to maintain Balance, Purity and Protection in the physical structure of the outer self! In the Great Balancing Activity of Life, as It directs the Sacred Fire in Its Many Activities; to anchor certain Blessings of Perfection into the outer self for use—it is well THAT MANKIND UNDERSTANDS CONSCIOUSLY THE USE OF EACH COLOR OF EACH FLAME! It is necessary to understand the use of each color of the atomic substance of the Earth, the Etheric Substance, the Cosmic Light Substance, and the Universal Light Substance! It is necessary you understand Their Activities! Then, as you hold the PICTURE of whatever you require, it is more easily built into the outer self! Then, you are able to hold the Balance, produce the Perfection you desire; and outpicture the Fullness of the Presence and the Fulfillment of the Divine Plan.

Beloved Saint Germain in training the Messengers in the beginning, gave them the exercise of passing a Globe of Golden-White Substance from the feet up through the body and out through the Higher Mental Body! He told them to do that over and over and over again; and It would bring a Certain Balanced Condition within the nerves of the body; within the feeling world and would bring about Perfect Mental Relaxation, so it would balance the body; and enable Health to be maintained with just a Great Natural Balancing Power!

This which is done in the physical body, as I have described It tonight, is also done in a larger way in the Nation and the World! When a Nation accumulates great

quantities of gold within certain portions of the Nation, within the structure of the Earth—there comes a certain holding of the Balancing Force of Magnetic Currents within the structure in that portion of the Earth! In India for long, long centuries there has been focused actual physical gold in quantities which would astound you! There are certain places in India where that gold has been held untouched for centuries! It is forever increasing to hold Its Purifying Power there, to bring Certain Balance in that portion of the Earth! It has to be held under the Control of the Ascended Host; for only a certain proportion of the ACTUAL METAL OF GOLD is ever allowed to come into the outer use of mankind!

IF YOU KNEW HOW MUCH GOLD THERE IS IN THE STRUCTURE OF THE EARTH, YOU WOULD UNDERSTAND HOW MUCH POWER OF LOVE, PURITY, THE MAGNETIC CURRENTS FROM THE PHYSICAL SUN AND ITS SUBSTANCE, IS PLACED IN THIS WORLD, TO MAKE IT WHAT IT OUGHT TO BE; AND TO BLESS THE PEOPLE TO BECOME WHAT THEY OUGHT TO BE! SO WE NEVER ALLOW MANKIND TO HAVE MORE THAN A CERTAIN PROPORTION AT ONE TIME, BECAUSE THE PEOPLE DON'T HAVE THE POWER TO INTERFERE WITH THE GREAT HAND OF GOD'S DESIGN IN THIS WORLD! THE PEOPLE DO NOT HAVE POWER TO INTERFERE WITH THE POWERS OF LIFE WHICH HAVE PLACED CERTAIN THINGS IN THE CRUST OF THE EARTH, TO PRODUCE MANIFESTATION AND FULFILL THE DIVINE PLAN!

MANKIND'S HUMAN SELFISHNESS MAY BUILD TO A CERTAIN POINT AND COME TO WHAT YOU MIGHT CALL A WORLD EXPLODING POINT; BUT MANKIND WHICH IS ONLY CONCERNED WITH DESTRUCTION AND SELFISHNESS, DOES NOT HAVE THE POWER TO CHANGE WHAT THE MIGHTY HELIOS HAS PLACED IN THIS WORLD, TO FULFILL THE DIVINE PLAN, AND

I WANT YOU TO REALIZE THAT TONIGHT! (applause – audience rising) Thank you, Precious Hearts, won't you be seated please?

Mankind has developed a peculiar genius for destruction, but it is NOT THE AUTHORITY OF THIS WORLD; and while the people may disturb certain things to a certain point – past that point, there is “The Presence of Life” WHICH IS GREATER THAN THEMSELVES! There is the “Beloved Mighty I AM Presence” which owns the Earth! There is the Life which controls the Universe around mankind! When destruction builds to a point, where it defies the Authority of the Mighty Helios and the Seven Mighty Elohim, then there must come the lesson to all destructive forces!

It will force them back into their own cause to learn the lesson through suffering, which they will not learn in any other way; because of their stubborn defiance of Our Magnificent Love of Life, which has given every good and Perfect Thing! It loans Its Energy, loans Its Life, loans Its Substance to the people of This World; so they may draw forth the Powers which keep them Eternally Happy! It gives them Eternal Freedom to go anywhere in the Universe, manifest Perfection and give Blessing to all that is!

SO, YOU DON'T NEED TO FEAR WHAT YOU CALL THE “MONEY BEAST” OF THE WORLD! IT IS TRULY OF THE ANIMAL, I ASSURE YOU! IT IS THE CONDENSATION OF SELFISHNESS; BUT EVEN SELFISHNESS CAN BECOME SO CONCENTRATED WITHIN ITSELF, THAT IT CAN NO LONGER MOVE! DID YOU KNOW THAT? SELFISHNESS CAN BE SO CONDENSED WITHIN ITSELF, THAT IT REACHES THE POINT OF INERTIA; AND THEN IT BINDS ITSELF BY ITS OWN DENSITY! NOT SO WITH THAT WHICH IS OF LOVE!

Love forever expands Its Blessings to the Universe, and in the giving of Itself, It ever grows Greater from within Itself, because It is Immortal! It is Self-sustained!

It is Self-expanding! It is Self-Glorifying, by the Release of the Blessings which forever expand throughout Creation!

THE ACTUAL PHYSICAL SUBSTANCE OF THE METAL GOLD IS THE RELEASE OF OUR LOVE INTO THE STRUCTURE OF EARTH; TO PERFORM CERTAIN SERVICE TO THIS NATION WITH WHICH MANKIND CAN NEVER INTERFERE, NEVER IN ALL ETERNITY! (ap-  
plause) Thank you, Beloved Ones.

I ask you to observe what mankind has built through the years, by tearing the inside of one mountain after another to pieces; to gain metals to use in outer world manufacture and the people use to destroy their fellow man! Do you think such a thing was God's Original Divine Plan? No! Could a God of Love and Beauty and Perfection ever design a Creation which would have to be torn to pieces in order to help mankind survive? Mankind is in the prison-house of its own selfishness, of its own dishonor, of its own degeneracy, of its own impurity!

So, We come periodically, to release more of the Purifying Power from the Physical Sun, into the substance and the conditions mankind has contaminated! The mental bodies of mankind need more of the Golden Flame of Eternal Purity and Ever-expanding Ideas of Perfection from the "Mighty I AM Presence"! So, We come at intervals to bring the Magnetic Currents and Purifying Electronic Force of the Substance of Gold; into certain conditions of the outer world; to re-establish the Balance and the flow of those Currents; to bring Their Blessing and Perfection here as Life intends!

BELOVED ONES, TRY TO FEEL WITH EVERY ATOM OF YOUR BEINGS, THE NECESSITY OF UNCONDITIONAL SURRENDER, DEVOTION, AND SERVICE TO YOUR "MIGHTY I AM PRESENCE" FIRST; SO YOU MAY KNOW THE DIVINE WAY OF LIFE; THAT YOU MAY KNOW THE DIVINE WAY TO MOVE IN THIS WORLD; AND DO WHAT IS NECESSARY WITHOUT EVER MAKING

ANOTHER MISTAKE! In your willingness to become Obedient and At-One, mark you, through your attention to your "Beloved Mighty I AM Presence," through your surrender to It, you become One with Its Perfection! Then when you require something out here to fulfill the Divine Plan you—being One with Its Perfection—in your Love and Devotion to your "Presence," automatically draw It into outer conditions! You draw whatever the "Presence" requires, to produce the Perfection in This World; which holds command against the destructive forces and sets your fellow man Free!

In understanding something of the Service which I render to the Earth, the Powers of Nature and mankind, try always to know the Immortal Purity within the metal of gold, renders a Tremendous Service to Life everywhere in this world! It was established by the Cosmic Command of the Mighty Helios; to forever fulfill the Divine Plan of Beauty and Perfection which shall one day express as mankind is set Free!

The Power, Radiation and Purity of Gold in solution, is everywhere in the waters of the Planet! It is in all the ocean water! It is in some degree in all plant life! It is in some degree in all mountain ranges and it interpenetrates certain conditions in the Earth! It is stored in lavish quantities at certain points within the Earth; and not all mankind together could find them—even if they saw it—if We did not want them to know! Mankind forgets there are Powers which are their Masters, and We are some of Them! Since Our Power is always that of Love, always Purity, always Perfection, it would be very well for mankind, to know something more about Us and Our Authority in the world of things!

Since the Great Gift of Gold to the Earth from the Beloved Helios, is Eternal Purity and Eternal Perfection; then as you become more AT-ONE with the Love of your "Blessed Mighty I AM Presence" and your UNCONDI-

TIONAL OBEDIENCE TO IT – It will be just a natural course of events which will draw to you in outer use, more of the Gold of the Planet; to fulfill the Great Divine Plan of Beauty, Perfection and Purity to all!

Whenever the Greater Perfection from the Ascended Masters' Octave comes into the World at certain ages, Gold always comes into more lavish use in the outer activities of mankind. It is a Natural Result of Love and Obedience to the "Beloved Mighty I AM Presence"; because the "Presence" has placed It in the world for Its own Divine Use! When you feel your ONENESS with your "Presence," it will let you use anything It has, so long as you fulfill Its Divine Plan in outer conditions, to expand Perfection to Life!

So, in some of the plans of the sinister force has in outer world activities concerning gold, I might say to you tonight, some of their plans are going to go awry! (applause) Thank you so much, Precious Ones. Now "I AM" going to offer My Substance to you in This Way. The Service of My Love has been poured forth to Life by the Gift of the Gold I create! "I AM" the Creator of metallic gold within the structure of Earth; for I carry out the Will and the Command of the Mighty Helios! He has sent Me to render That Service to the Earth! If you care to accept the Radiance of the Golden Substance, which I bring to the Earth through Love, it can come in and around you like a vapor; like a Delicate Golden Vapor; as you make the Call! You can absorb that just like you breathe in air when you go out of doors!

You will never be able to turn your attention to that and ask for It without always feeling the Soft Peace and Love which My Mission to the Earth brings to Life! It is the Gift of the Mighty Helios, of Himself to the Life of This World! If you feel yourselves enfolded in a Golden Vapor of My Luminous Presence, you can feel yourselves absorb It, like a sponge absorbs water! You will be so

conscious of the Peace and the Love which It brings, that in Its Quieting Feeling, there comes the Purifying Substance; which will anchor within you, some of the Immortal Substance from the Physical Sun! It will come into the energy of your outer self, into the atomic structure, into the etheric body, into the mental body, into the emotional body!

That, My Dear Ones, becomes an Action of the Great Magnetic Power of Love, to draw you into your Ascension. It is One of the Activities of the Great Central Sun Magnet! THERE IS A NATURAL RAISING ACTIVITY AS THIS SUBSTANCE IS DRAWN BY CONSCIOUS PICTURING; CONSCIOUS CALL AND CONSCIOUS LOVING OF IT, DRAWING THAT INTO YOURSELVES! AS IT IS ESTABLISHED WITHIN YOU, THERE IS A NATURAL RAISING ACTIVITY WHICH IS THE RESULT! It clears away obstruction and provides ahead of you the conditions which will make your Ascension very much easier than otherwise would be! If you choose to live in It and understand Our Love which offers It; the Love that acts through It; the Love that raises you into your Ascension; you may pass into your Higher Mental Body without ever knowing one moment of distress. As the Permanent Atom leaves the Heart and enters in through the etheric body, It is absorbed into the Higher Mental Body! Then, that which has been the death struggle of mankind throughout the centuries will never be your experience.

Through My Love tonight, I offer the Substance from the Physical Sun, which in Its Great Magnetic Love and Purity—if anchored within and around you—will be the Enfolding Radiance; as you pass through the atmosphere of Earth into the Final Attainment of your Victory of the Ascension! Wouldn't it be unusual if mankind knew the Actual Vaporized Substance of Gold, were able to help one to the Ascension? Wouldn't that be unusual, if the selfishness of individuals or people who have selfish

inclinations in the world, understood there is a way to give the Substance of Gold to Life to attain the Ascension; and the selfishness of the world cannot interfere with It? (applause) Thank you, Beloved Ones.

So, Beloved Ones, when you feel My Love to you, It is that your Final Victory may be the Glorifying Activity which lifts you in such Joy to your "Blessed Mighty I AM Presence." As you leave the Earth you will leave it with a Blessing and thank the Life here, for all the Good you have! You will thank the Life above for Its Good into which you are entering! The Enfolding Radiance of My Golden Love will lift you Happily, Freely, Joyously, Eternally into the Arms of your Higher Mental Body; as you go forward into the Victory of your Eternal Freedom! WITH THAT USE OF GLORY NO THING IN THIS WORLD CAN EVER INTERFERE; FOR WHEN I COMMAND MY LOVE TO ENFOLD YOU IN ITS SUBSTANCE OF PURE GOLD—ITS VAPOROUS PRESENCE, THERE ISN'T ALL THE EARTH, ALL OF MANKIND COULD EVER INTERFERE WITH IT! YOU SEE THERE IS A MASTER HAND WHICH RUNS THE UNIVERSE INDEPENDENT OF CONSULTATION WITH MANKIND.

Beloved Ones, know " 'I AM' your Friend of Eternity, and the Golden Love of My Heart ever abides with you; gives you Its Boundless Blessings and awaits your use; so you may forever express the Mastery which is your destiny." Then together one day, We will render the same Service with you to the Earth; until it too is enfolded in the Golden Vapor of Our Hearts' Eternal Purity and Love! It is as if We put Our Arms around the Earth so Our Hearts' Love interpenetrates It; and lifts It purified into the Great Glorifying Presence of a Dazzling Sun into the Ascended Masters' Octave!

Oh, you don't know the Wonders of Love as yet! You don't know the Wonders of Gold! You don't know the Wonders of Our Hearts; but you can know; and by the use of

Our Gifts can you too become all that We are! Then, wherever you abide, you glorify the Universe by your Presence in It! You glorify all by the Ever-Expanding Beauty, Happiness, Mastery and Full Perfection of that which abides within the Heart of your own Blessed Life Flame from the Great Central Sun!

So, when the Beloved Messenger speaks of the Brothers of the Golden Robe, They are a Group of Ascended Beings and Cosmic Beings Who abide above and upon the Earth! They are directly charged with the Power and Commission to perform the Service of pouring forth the Love of Our Golden Flame and Golden Ray of the Perfection from the Physical Sun! It shall continue to expand, until one day all has become Its Glorifying Presence to the Earth Itself and mankind has become the Sons of Everlasting Love and Freedom! I say That Word "Sons" means Son and Sun! They are One in the Glorifying Presence of the Life from the Physical Sun; the Life from the Great Central Sun, which you are in this world! If you allow It to expand, It makes you the Glorifying Luminosity, the Sun-Presence; which forever gives of Its Boundless Blessings to Life! It is forever leading the Pathway for those who follow on, looking to the Light, as they enter into Its Glorifying Presence Eternally Free!

Long ago, Beloved Ones, in those ages in which the Light was loved more than outer manifestation, the phrase was always used—when people passed from a body, "He has gone to the Light." They recognized always that the Realm of Perfection is the Realm of Light, and Light is Love in Manifestation! I say to you Gold is Love in manifestation also! It is the Eternally Pure Manifestation of Our Love which cannot be contaminated! It is Actual Substance from the Physical Sun, given to the Planet, to hold a certain amount of Eternal Perfection here; until mankind has once again become purified; and allows the rest of the Substance of Earth to reveal the Greater Purity

which is to come forever!

As you go forward, remember "I AM" your Friend of Love—so Great, so Pure, so Golden in Its Flame; that wherever you abide; you may have It without limit and Peace enfolds you then unto your Final Victory! Just realize how Great is the Magnificent Plan of Creation and Its Ceaseless Blessings of Love, which flood to Life everywhere! Life can absorb It in manifestation wherever you abide; and you may give It without reservation, without interruption, without delay to all wherever you command It to come forth! You can give into outer physical conditions, the Action of Eternal Purity which fulfills the Divine Plan.

So, feel very close from tonight in your association with the Brothers of the Golden Robe and Myself! You may feel just as close to Me, as your own Heart's Flame is to you! If you do, My Life will prove Itself and release all you could ever ask in Every Blessing you can use; and then lift you to your Final Victory in the Ascension! So, I leave you clothed in a Mantle of Our Substance! May It intensify around you; until one day It becomes tangible in your outer use, as the Mantle, the Magic Mantle which holds you in the Heart of Love; clothes you in Its Boundless Powers; and is for you, all Protection from Our Octave; until your World and Our World are Eternally One! **MAY YOU FEEL ITS ENFOLDING RADIANCE AND THE GLORIFYING POWER OF ITS VICTORY, ITS PURITY, ITS LOVE, AND ITS ETERNAL PEACE; TO FOREVER ABIDE WITH YOU AND BE FOR YOU PROTECTION, POWER, AND VICTORY FOR ETERNITY!**

**THANK YOU WITH ALL MY HEART'S GOLDEN LOVE!**
