

## BELOVED LADY MASTER NADA

SANTA FE, NEW MEXICO

JUNE 1, 1948

BELOVED ONES of Our Family, because you are Our Family of Light and Love, Victory and Freedom! Tonight, I trust I shall be able to explain Certain Things to you which will bring you the Greatest Joy you have ever known; and take you deep into the Secrets of the Pink Flame!

Glorious, indeed, are Its Qualities and Powers! Marvelous are Its Secrets and Wonders! Miracles and Manifestations without limit can be produced by Its Continued Use!

Mankind has forgotten how Powerful is the Outpouring of God's Love! Intellectually, mankind from age to age, has given a certain amount of recognition to the Love of God; but en masse, the people do not know how to CONSCIOUSLY FEEL THAT LOVE; and command It to go forth to produce the Victory which brings Perfection everywhere.

However, We can but wait and keep pouring It on, in Everlasting and Intensifying Action; until one day mankind, the Earth and its atmosphere, will reach the point of saturation; and when it does, you will see the World of the Pink Flame!

Oh, Its Glory, Its Beauty and Its Power are so Magnificent, and so, so Victorious! It is so Wonderful with the Gifts which are held within It! Tonight, as We enter deep into the Illumination of the Pink Flame, I want you to behold the Relaxation which will come into your physical body.

Mankind, in the strain, stress and struggle of the outer world, comes under very great mental and muscular tension; so much so, that the body does not allow, through relaxation, the Full Power of the Pink Flame to gain Its Dominion in the flesh structure; and send forth Its Relaxing, Releasing, Forgiving Love which would so quickly set mankind Free!

All muscular tension is, to some degree, fear! So in the Use of the Pink Flame for Healing and Correction of conditions which are wrong, you will find the First Reaction to the Use of the Pink Flame, is to dissolve the fear! With It will also go the feeling of doubt within the Individual. It is with Very Great Joy that "I AM" grateful you have focused your attention upon the Pink Temple and the Pink Planet, and My Outpouring in today's Activity!

If people understood how wonderful the Activities and Qualities of the Pink Flame are, they would use It consciously and intelligently; to shut off the things which ordinarily cause so much irritation and unnecessary distress! Not that any distress is necessary; it is not! in the fulfillment of the Divine Plan; but mankind suffers so much, when the people could so easily be Free!

You may take a tiny child, or anyone who is nervous, irritated or in pain, in absolute physical distress! You can call forth This Great Power of the Forgiving Love in Its Victorious Intelligent Action, from the Pink Temple and the Pink Planet; or directly from the Hand of your own "Mighty I AM Presence"! You can call forth the Pink Flame into outer physical action, through the individual, or the condition; and hold the feeling of It steady within yourselves! As you call forth Its Peace and Its Forgiving Love, you will find the body relax and the irritation dissolve. Purification and Balance will take its place; because in the Use of the Pink Flame and in the Relaxation which It produces - It allows the Liquid Light from the Higher Mental Body, flowing within the nerves, to flow freely through the various channels of the body, which have been under tension and discord.

So, My Dear Ones, if you become Our Pink Family, "I AM" quite sure you won't object. You will feel very much more relaxed! You will find Healing very much more quickly manifest; and there are so Many Gifts within Our Pink Flame, which you could so easily have! You have

already drawn forth many of Them to your own Great Enjoyment and Greater Power! When you call forth the Victory of the Love of the Pink Flame – Oh, Precious Ones, as you give your Love to Our Pink Flame, and demand Its Victory to the people of Earth, It will bring you what no words can describe!

I cannot even speak of It to you without Its Love, Its Peace, and Its Ease filling the room! “I AM” sure you feel quite as much as I do, Its Great Peace of Relaxing Power. Since mankind today, in the outer world, is struggling under so much stress, strain and tension, the people need This Pink Flame more than you will ever know! It should indicate to you something very important; when the Mighty Saint Germain, in the Use of the Violet Consuming Flame, said It had a Heart Center of Pink!

Pink is far more important than mankind knows! The very Intensity of Its Beauty to begin with, brings Joy to the mental and feeling world of the Individual. As you draw It forth Consciously – understanding what Qualities and Powers are within the Pink Ray, or the Pink Flame from the Pink Planet; from your “Beloved Mighty I AM Presence” or from the Pink Temple, you will find – oh, just like a Whole New World opens to you; in the most Glorious Beauty and Power you have ever beheld! You may think this unusual, but after all, fancy daydreaming is not exactly My Pastime; but “I AM” going to tell you of something you have never heard until tonight! – a thing it is My Great Joy and Privilege to bestow! When the Victory of your Love and Devotion to the Sacred Fire; your Conscious Acknowledgment and Use of the Pink Ray and Pink Flame, reach a Certain Intensity; I have the Right and Power to clothe you in an Armor of Pink Jewels – Armor studded with the Jewels of the Pink Light! You have no idea, until you see It in action, what the Beauty of God is within the Pink Flame!

It is no imaginary thing! We can condense the Light and the Substance of the Light into whatever We please;

but when you see Armor studded with Jewels of the Pink Flame, you will begin to understand something of what "My Palace of Beauty" means!

You sing Those Words in the song the Beloved Godfre has given to you; but only when you see within My Temple of the Pink Flame, will you know How Beautiful are the Gifts of God!

The Pink Jewels We draw forth in the Condensation of the Light Substance, which We use for Healing in the Pink Temple, are Extremely Powerful! As the Light Rays flash from Those Jewels, in and around an Individual's atomic structure and the mental and feeling world—even though that one has hated tremendously, there will come instantly the feeling of—"Oh, it doesn't matter so much." That will be its first Reaction! THEN THERE WILL COME OUR INTENSE FEELING TO FORGIVE AND TO PUT LOVE IN THE PLACE OF HATE!

I have much to do in Association with the Great Being Charity; because Loving Charity is an Action of the Pink Flame! When irritation and nervous tension become great; when sometimes the struggle seems almost unbearable, remember Me! Give Me your Calls! Ring Me on My private telephone! Will you? I would like to show you something of the Beauty of My Palace and Temple of Light!

WE CHANGE THE MANIFESTATIONS WITHIN OUR TEMPLES OF LIGHT, DEPENDING UPON THE ACTIVITY WITH WHICH WE ARE CONCERNED AT THE MOMENT! WHEN WE CHOOSE TO DRAW FORTH POWER OF A CERTAIN INTENSITY OR CERTAIN QUALITY, WE USE THE JEWELS OF THAT COLOR! THEY ARE LIKE CUPS OF FLAME AND SUBSTANCE, WHICH CAUSE CONDENSATION OR CONCENTRATION OF THOSE QUALITIES, TO COME INTO OUR CONSCIOUS DIRECTION! WE SEND THEM OUT, ALMOST LIKE LIVING BEINGS, TO GO FORTH AND PERFORM A DEFINITE SERVICE TO CORRECT A CONDITION, AND REPLACE IT WITH OUR

## LOVE AND PERFECTION!

We are anticipating some Very Wonderful Experiments through the "I AM" Music in the Use of the Pink Ray and Pink Flame! "I AM," as you say, tipping you off tonight on a good many things; which can only bring you the Most Extreme Joy in Their Use!

There isn't a human Being on the Earth who wouldn't feel more ease and relaxation within the body, when that one is clothed – in pink!

Did you ever notice how much pink they use in babies and young children's clothing? Why? Because the grown people love the children. Children are Beings of Love, in the majority of cases! Their Love is far greater in childhood than it is in later life, in nearly all mankind! There is a Natural Desire in mankind to enfold them, in Great Love for their Protection in the growing state! If mankind only understood when people grow up, they are still children – they are, so far as the Higher Octaves are concerned – and would still enfold themselves in the Love of the Pink Flame, they wouldn't have so many problems! Life would not be such a struggle! THE WORLD HAS FORGOTTEN TO USE ENOUGH PINK!

You may look around in the outer world, and see many of the other colors. You will see a great deal of Pink; but could you understand what It can do throughout Nature – in the Radiation of the Color Pink to the Plant Life of the World, you would understand Its Power. Its Purifying Happiness always comes with It! Now you can understand why the Plant Life in the Center of the Earth, under the Mighty Pilleur's Direction, is Pink and Ivory!

There They have the Sun of Even Pressure! The Peace in Its Life is Very Great! All who are privileged to come under His Direction, are those for whom the Service has been rendered, which has cut away their discordant creation! As soon as it is cut away, they abide in the Radiation of Pink and Ivory, until their Ascension is at-

tained! When I see the struggle of the outer world, today surely, it needs more of the Pink Ray and the Pink Flame!

Someday I would like to take an entire city and make an Experiment! You know there is the Golden City, the Golden Etheric City over the Sahara Desert! I would like to have a Pink City over a certain location in America! I may not suggest to you; but I can describe Its Beauty and Perfection if you should, by any chance, desire to call It forth so I could have My Wish fulfilled! (Applause) (I call to Beloved Lady Master Nada and all from the Pink Planet to establish over Chicago a City of Pink of the "Beloved Mighty I AM Presence" and the Ascended Masters' Everlasting Purifying, All-Protecting Love and Peace!—The Messenger — Mrs. G. W. Ballard)

Thank you, Beloved Ones, please be seated! The "I AM" Music of the Spheres will play a Very Important Part in the bringing forth of That City! The Mighty Being Helios has quite as much Love for Pink as I have; and after all, you know He is Quite Powerful! Tonight, "I AM" taking you into Some of the Secrets of the Great Great Silence; hoping you may take Them up and use Them; experimenting with Their Manifestations through your Calls; and doing whatever you can, to bring into outer manifestation, These Greater Wonders, Beauties, and Blessings which Life so Freely offers!

Now, I shall again return you to My Pink Armor, My Armor of Pink Jewels! The outer world might think It is fantastic, but they don't know the Power within Those Jewels, and I do! When people don't know something, sometimes they become very arrogant! When We know something, We become more humble and more grateful for That Knowledge; because We know how Boundless is the Knowledge which goes on beyond It! The World has almost no Knowledge of the Pink Temple, the Pink Planet, the Pink Flame, and the Pink Ray! The World, at large, has practically no Knowledge at all, of the existence of Those

Great Foci of God's Love, Beauty and Power, which compel Victory through Love!

Now, We are going to get into the Power Part of That Pink Flame! The outer human self of mankind has desired power, to compel Individuals or conditions, to do the will of those who wish to control outer conditions, in order to dominate others! When you want to change conditions permanently, My Dear Ones, through Love – so that Individuals co-operate with you, because they want to – use Our Blessed Pink Flame! Our Pink Flame allows the Higher Mental Body more Freedom through the outer self! Then, as you use the Pink Flame and the Pink Ray, you make your Calls for the Victory of Our Love, to flow through the Pink Flame! Thus, you will find people co-operating with you because they love to! The hypnotic control which the sinister force has thrown over mankind – in order to force the people to do destructive things – will find no longer an entrance into the emotional worlds of the people!

You have been told This Earth is taking Its Initiation in Love! When hate increases, Love must somewhere come forth to offset the hate, in order to hold the Balance! The outer world today needs the Qualities of the Pink Flame; and the "I AM" Miracle Music from the Pink Temple, in the Electronic Belt around the Physical Sun! Those of you who know This Law, can be very greatly blest! This will come as you pour forth your love; and make your Demand, if you please, for the Victory of the Sacred Love of the Pink Flame, to bless all everywhere!

Qualify every Call, as the Sacred Love of Our Victory of the Pink Flame; for I tell you, Precious Ones, It is a Wand of Power by which you can do almost anything! Why? Because Its Great Ease, Love and Peace – which are the Supreme Law of the Universe, are the Cohesive Power that draws substance together; and holds it in a Definite Form through Love! Without the Pink Flame you don't have Cohesive Power! The Very Magnetic Attraction which is fo-

cused within the Great Central Sun Magnet, is drawn there by the Pink Flame! When you begin to acknowledge Our Victory of Our Love of the Pink Flame, you will never know how much you can love Pink, until We show you!

It is the Quality all mankind needs very, very greatly! In the Use of the Violet Consuming Flame, with the Heart Center of Pink, you have within Its Purifying Action, always the Power of Forgiveness! The moment there comes a feeling within you, to send Forgiveness into a condition, the Unfed Flame in your Heart sends forth a Wave of Pink Light!

I could talk to you on the Color of Pink for the Rest of Eternity. You wonder that I love It? Do you wonder "I AM" It? Does that mean anything to you? Do you know "I AM" Certain Authority over the Pink Flame to This Earth? If you should ever care to experiment with My Power and My Victory of My Love of the Pink Flame, do you know what It will do to you? It will make you love Our Pink Flame, as much as I do!

So My Dear Ones, in the Great Intelligence of Life from the "Mighty I AM Presence" which you desire to have manifest through the outer self, remember to call forth from your own "Blessed I AM Presence" Its Full Illumination to you, of all that is contained within Its Own Pink Flame! You will have Many Delightful Experiences! You will have a Peace you have never before known! The Great Elohim of Peace' Predominant Color is a Golden Flame! There is within It That which brings His Great Peace, The Power of His Victory of Peace, yet the Outer Radiance of Gold is Pink!

I wish you to become acquainted with the Powers within the Pink Flame and the Pink Ray! I wish you to hear the "I AM" Music in the Pink Temple in the Electronic Belt around the Physical Sun! I wish you to know something about the Pink Planet; because there is Substance which radiates forth on the Music, that is like sparkling

diamonds of Pink! You cannot even imagine, in your most extreme imagination tonight, the Beauty within Those Jewels! Within Their Light Substance, within That Flame, the Beauty of the Pink Flame, is the Most Extreme Joy you can contemplate!

So tonight, will you qualify your clothing, your atmosphere, and the world around you, with the Victory of Our Love of the Pink Flame? When the Ascended Masters give the Assistance to one attaining the Ascension, the First Radiation from Our Octave, which enfolds the physical body, as the Ascension begins to take place, is that of the Pink Flame! The Pink Ray touches first! Then, as It enters into the atomic structure and the other colors follow, the Purification and the Raising take place! The Pink Ray gives the Greatest Ease, Peace and Forgiveness which must come within the Individual's emotional body; before its substance can leave This Earth and come into Our Octave! All things of this world which are imperfect must be forgiven, by each Life Stream in the entire feeling world! Our Great Love and Forgiveness must flood through; in order to loosen the connection between the substance of the atomic structure and the physical atmosphere of Earth! We have to do It with the Pink Flame!

Now, you will know how important It is; and especially concerning your Ascension; if you just by Nature, keep pouring It forth and not holding any hard feeling against any part of Life! If something occurs and you have to correct it, as soon as it is corrected, flood it with the Pink Flame; and go on happy, within a Great Sun of Its Presence!

Were you to suddenly come to the moment, when the transition is to be made; and you are to come into Our Octave, you would be already prepared, because of your Complete Forgiveness! The Forgiveness must be Complete, in order to loosen the Life Stream and Its Substance, which It wishes to raise into Our Octave, from the physical structure of Earth! So It has much to do with your Ascension,

with Healing, with Music, with Peace, with Purity, with Intelligence, and with Protection! WERE THE PINK FLAME HELD ABOUT YOU INTENSELY ENOUGH IN ITS CONCENTRATED ACTION, YOU WOULD BE SO COMPLETELY HARMONIZED BY ITS PRESENCE, THAT YOU WOULD AUTOMATICALLY POUR OUT PROTECTION!

When the Pink Flame is called forth to concentrate Protection around an Individual, in order to overcome fear, the Pink Flame is usually enfolded in an Outer Radiance of Blue! The Pink entering into the emotional body of the Individual, is what helps that one to overcome fear! It gives the emotional body the Peace and the sense of Security through Love; and OUR LOVE IS THE ONLY ETERNAL SECURITY THERE IS!

You might draw Power, you might draw Wisdom in very great intensity; but you cannot come into Our Octave without That Pink Ray! You have to come on the Pink Ray to Us; regardless of how much other Perfection there is in the outer self or in the Causal Body, accumulated through the centuries. No matter what you have accomplished in that respect, you cannot come into Our Octave except on the Pink Ray!

It is vitally important, for We intend Certain Melodies to come forth from the Pink Temple! They will enter into certain Healing Activities; which are to come forth at your Conscious Command! Then you will begin to comprehend more deeply within yourselves, how important is your Conscious Recognition of the Pink Flame, the Pink Temple, the Pink Planet, and the Pink Ray! It is one of the Most Beautiful Manifestations of the Great Love from the Central Sun! It is vitally necessary you understand this tonight, in connection with the Accomplishment of the Ascension!

Beloved Ones, those of you who might be interested in Plant Life; or the Various Blessings and Gifts the Lord Maha Chohan is about to bring forth, you can have some Extremely Victorious Accomplishments, as you pour Our

Pink Flame to the Beings of the Elements.

While green is the predominant color in Nature, because of the condensation of the substance due to Precipitation; for that is its predominant field of activity; yet the Beings of Nature respond to the Pink Flame, perhaps the easiest of any. You will find some of It in every other color! You will find It within the blue! You will find It within the gold! You will find It within the green! You will find It within the violet; and even within the white itself you will find at times flashes of the Pink; because the Forgiveness and the Peace of Healing Love abides— or shall I say, Its Home is the Pink Flame! The Pink Jewels, as I have said before, are the Concentration of Our Light Substance; which We use in the Pink Temple, to draw forth Certain Intense Activities; and project Them upon the Planet Earth for definite Manifestation! While they are a Condensation of That Power, the Use of the Power Itself contains Extreme Beauty. Even in the Powers of Precipitation, the Activity, the Cohesive Power in Its Energy, is the Love in the Pink Ray!

My Dear Ones, you may move in a World, in a Sun of Its Blazing Presence! Within It, you will find Peace and the Supply of things which will delight you beyond words; and give you a sense of Mastery over the things of this world; because if you had everything in this world, and did not have the Pink Ray, you could not be Master over all in this world!

It is vitally important that the Forgiving Love of the Pink Ray, which is the Divine Compassion of the Sacred Fire, come into the emotional bodies of mankind! Through Conscious Recognition, Conscious Command, and Decrees for the Pink Flame to go forth into conditions, you will release more powerfully, the Love of the Sacred Fire which brings God's Victory everywhere!

Oh, you have no idea, the Power, the Majesty, the Supremacy within That Pink Flame! You have no idea how

much I love It! If I should show you something of the Power of Its Love, and what It has brought to Me through the centuries – you would understand how the Intelligent Direction of Our Pink Flame, can do for you what the World calls Miracles, Marvels and Wonders which make you Victorious; because LIFE HAS TO HAVE THAT LOVE IN ORDER TO FULFILL THE DIVINE PLAN.

The Golden Ray, too, contains the Great Love and the Mighty Intelligence of the Pure Christ Mind; but the Pink holds the Relaxation and the Fearlessness which Heals, Forgives, Blesses, Illumines, Protects, and Supplies; because It loves to Supply! I want to say this: “THERE IS NO WAY AND MEANS BY WHICH THE PINK RAY COULD BE USED FOR SELFISH PURPOSES!”

You may use Power with a selfish motive and produce certain results. You may use ideas of the intellect with certain intensity, and compel certain manifestation, and you can compel those ideas to serve selfish ends; but you cannot compel the Pink Ray! You cannot qualify It with anything which is of selfishness! Now, do you understand why It is so necessary to the mankind of Earth at this time; when selfishness is so rampant that it keeps the World in continuous war?

The hate of the World must be overcome by the Activities of the Love of the Sacred Fire; and it is why even Beloved Saint Germain's Violet Consuming Flame – His Purifying Action, contains the Pink at the Heart Center! Now, you know why “I AM” such a Champion of Pink; because “I AM” a Champion of the Blessed Saint Germain! (applause) Thank you, Precious Ones, please be seated!

I have also a Champion of the Pink Ray in the Mighty Pelleur, since He guards much of the Plant Life at the Center of the Earth; and it is qualified with the Pink! He, too, knows what Its Forgiving Love and Divine Compassion can do to release Life Streams from their discordant accumulation; when they are ready to have it cut away, in order

to accomplish the Final Victory of the Ascension.

So, Precious Ones, tonight I have left you with Some Ideas of the Pink Temple and Our Music there – the Pink Planet, Its Mighty Outpouring; and Rays of Love, Forgiveness, Divine Compassion to the Earth, and Its Mighty Healing Radiance! If I have let you into Some of the Secrets of the Great Great Silence, concerning the Pink Ray and Its Wonderful Blessings to Life; I have done it with the Hope you will call It forth into outer physical action, wherever possible! Charge your Beings and worlds with Its Forgiving Love and Divine Compassion; which not only keep you prepared to make the Ascension at any moment; but your Radiation goes into the feeling world of the rest of mankind! It charges the people with the desire to forgive! Then, Loving Charity and Divine Compassion can release them from the conditions which are causing so much distress!

In the Mighty Outpouring which is the Beauty of Our Octave, as well as Its Power, I also remind you of the Beings in attendance in the Pink Temple! The Angels Who direct and guard the Pink Flame are the Most Beautiful Beings you could ever describe. There are Legions of Angels of each color. Those Who are concerned with the Pink Temple are concerned with Healing. Forgiveness must come first in the Great Divine Compassion of Life, before Healing can be Permanent! They have much to do with the Healing Flame to the Earth! Those who understand something of what I have said tonight, may take up in your Calls, Our Use of the Pink Flame and the Healing Angels; to intensify the Desire in mankind to forgive and to forget all that has caused so much tragedy and distress!

Tonight, may you be clothed in the Blazing Light-Substance of the Pink Ray and the Pink Flame from the Pink Temple! As you leave the body in sleep, may it be enfolded in Our Substance which I shall draw around each of you, so your emotional body may absorb It! Then you

awaken in the morning like happy children, freed from the distress caused by fear and discord of the world around you.

Therefore, in My Heart's Flame and the Victory of My Intense Devotion to Our Pink Flame, tonight, do I clothe you! If you choose to come to Me to enter into the Great Great Silence; and learn more about the Pink Ray and the Pink Flame there, We shall do everything possible to assist you! We can help you to retain the Conscious Memory of It, when you return to the body; so you may use It in your daily activities; to offset the things which have caused so much distress.

The World needs all you can call forth! We are ready to give It without limit! Its Power is Invincible and Unquestionable! It is the most practical thing in all the Universe; because It is the Supreme Gift of Love from your "Presence," the "Beloved Mighty I AM," from the Great Central Sun! May the "I AM" Miracle Music of the Pink Temple, flood your Beings and worlds and let you have the Master Power of Its Healing Flame!

With My Love and My Call, that you will use the Victory of My Devotion to the Pink Flame; may you come tonight and be clothed in Its Power! Then come back and use It in the physical octave; until all mankind has forgiven the human creation on Earth; and the Love of the Pink Flame has once again set into Divine Order, God's World! May mankind sing forever, the Song of Love and Peace and Gratitude to the "Blessed Mighty I AM Presence" and the Great Beings Whose Love is the Redemption of the World!

Thank you, Precious Ones, tonight, with all the Love of My Heart!
