

BELOVED GODFRE

WASHINGTON'S BIRTHDAY

(Record CD1406A)

CHICAGO, ILLINOIS

FEBRUARY 22, 1968

BELOVED OF MY HEART, I wish to bring something to your attention tonight, and give you an Explanation which is necessary to be held in the outer intellectual consciousness; to understand more thoroughly, the Inner Activities of the Sacred Fire you are privileged to use; and which can come forth into outer action without any limit whatsoever; depending entirely upon the amount of attention and time you give to It; and It is This.

There is a difference between the Inner Activity of the Sacred Fire and what mankind understands as the physical fire of the physical world.

The Inner Activities of the Fire Element, which the Sacred Fire is, contain nothing whatsoever that produces discord, otherwise that discord would be Eternal.

The physical fire when uncontrolled, directed by, or used by destructive forces, produces destruction; and that destruction to mankind's feeling world is pain; but the Sacred Fire is not! This is why We want you to understand, in the Use of the Cosmic Christ Sword of Blue Flame of Indestructible Purity, and Indestructible Control of all physical manifestation—whatever goes forth in the Sacred Fire's direction into physical manifestation, dissolves and consumes whatever is discordant, harmoniously and permanently! It never, at any time, creates discord!

That is why mankind can use It without any limit whatsoever. It is Unlimited Power! At no time does It ever open you to anything destructive; or anything which would be what the outer world calls the use of too much power!

The Activities of the Fiery Christ Blue Lightning

Sword of Blue Flame, and Fiery Christ Blue Lightning Purity are simply the Activity of such Intense Love that It produces a Light so Intense, mankind's discord and the rates of vibration – which are but the discord of mankind's energy – cannot enter into It!

The Sacred Fire is the Love from the Heart of the Great Central Sun! It has been referred to in many channels as the Honor Flame, the Cosmic Flame, the Power Flame, the Master Flame! the Invincible Flame, the Victorious Flame! the Miracle Flame! This has been called many, many, many names – many Activities of the Sacred Fire, all of which are Harmonious!

At no time does That Sacred Fire ever create discord! Therefore, if you will learn to fill yourselves with It! CALL TO YOUR “BELOVED MIGHTY I AM PRESENCE” AND THE ASCENDED HOST, TO FILL YOU WITH THEIR SACRED FIRE’S INVINCIBLE VICTORY AND POWER UNLIMITED; TO HOLD INVINCIBLE ETERNAL PROTECTION AROUND YOU!

You will find It is very comfortable within; and will at all times help to dissolve habits, accumulation, or conditions of any kind within the body; or the mental and feeling world; that are of human creation; but It dissolves them Harmoniously and Permanently!

It carries Its Own Protection, because It is Protection to everything that is constructive! This mankind needs to understand as the difference between the Sacred Fire, and what the outer world understands as physical flame or physical fire.

You may speak of It as Electronic Force, or put any label on It you choose, but that which comes under the Direction of the “Mighty I AM Presence,” the Higher Mental Body, and the Ascended Host never, never, never creates discord.

Therefore, you can use It in Unlimited Power, Unlimited Victory, and Unlimited Quantity, and at all times,

wherever It goes, It consumes everything which is a rate of vibration of discord.

So This is the Master Presence of all manifestation! It is the Master Authority and the Power used to draw together! You can call It Cohesive Power, or whatever you want; but It is the Power used to draw together the Cosmic Light-Substance; out of which physical worlds, and Systems of Worlds and Suns are created.

What mankind experiences in the destructive activities of the physical fire, is due entirely to mankind's own creation of discord. It is not in the Sacred Fire, which is the Supreme Power of all creation in the Great Central Sun.

I want you to understand This tonight; because, if you will CALL FORTH THE SACRED FIRE POWER UNLIMITED INTO EVERY OUTER PHYSICAL CONDITION, it is just as if you threw a whole Flame over something that is wrong; simply stopped its action; and dissolved and consumed everything within it which is impure, discordant, or of human creation of any kind.

This needs to be understood, then people will not fear to use It! The Sacred Fire cannot produce anything that is discordant, because It is Love! Love doesn't produce discord!

If I can make This clear to you tonight, I can armor you with the Use of Such Power from the Great Central Sun, and the Ascended Masters' Temples of the Sacred Fire; as to help you overcome anything in the physical world! You need This, Beloved Ones, in outer physical conditions today!

So whenever you see destructive conditions, don't hesitate to CALL FORTH THE SACRED FIRE FROM THE GREAT CENTRAL SUN; ITS INDESTRUCTIBLE VICTORY OF BILLIONS OF SUNS; WITH SUCH POWER NO HUMAN THING CAN LIVE LONGER IN ANY DESTRUCTIVE CONDITION!

You can see This go forth into the warring conditions

of the World; as if the Sun, Itself, came onto the Planet, and everywhere Its Flame went, Purity, Peace, and Love were the only Things that could manifest.

This is what you need to call forth into every outer physical condition of disease; or anything and everything under which mankind struggles; as problems, limitations, distress, or suffering of any kind.

The reason "I AM" bringing This to your attention is because of the hatred mankind has generated through the centuries! It is generating hate every hour, every day through war! This hatred must be consumed, and physical fire won't consume all of it!

You must understand the Inner Action of the Sacred Fire; in order to call It into outer physical conditions in the emotional bodies of the people to consume hate; because hate is the selfishness mankind has generated through the emotional body. It is energy in the feeling world! It has been charged with the vibration of hate, which is destructive!

This is the thing which has thrown out of balance, the Powers of Nature; whether They be in mankind's mental and feeling world; in the Powers of Nature that produce food for mankind; or in the warring conditions of the world, matters not!

The hatred and selfishness of mankind is what is the creator of the hordes of evil! The hordes of evil are simply energy and substance discordantly qualified and held under the control of destructive direction from the Individual.

Your Great Central Sun Heart-Flame, which is the Sacred Fire, is the Love, in the Consciousness! It is the Intelligence, the Consciousness, and the Feeling from the Great Central Sun, which designs a World, a Sun, a System of Worlds, or Systems of Suns in Interstellar Space.

It is That Harmonious Action of Life that keeps manifestation in existence Eternally throughout Infinite Space.

If It can produce those manifestations in the Cosmic

Activities of the Universe, certainly It can produce Divine Law and Order; Purity, Love, Peace, and Perfection inside of you; inside of your affairs, inside of your business, or your association. It can be wrapped around you! Then, Beloved Ones, it is not a struggle to overcome the human creation, which has been generated through discordant thought and feeling, past and present, in your own use of your Life energy! It is the Heart-Flame of the Great Central Sun that gives you existence here; and if It didn't love you, It wouldn't give you Its Life to use!

Therefore, when It gave you Its Life to use, It gave you Its Love to use, which is the Sacred Love of the Sacred Fire!

I hope tonight, if you will understand This, you will ask the "Mighty I AM Presence" to FILL YOU WITH ITS OWN HEART'S FLAME; OF SUCH INVINCIBLE, VICTORIOUS SACRED FIRE LOVE, INSIDE OF YOU; THAT IT FILLS EVERYTHING IN YOUR BEINGS AND WORLDS AND WON'T LET DISCORD REGISTER!

It will give you a Release, Beloved Ones, from nervous tension, strain, struggle and human effort; which has produced your limitations of the past and present! This is the Dissolver and Consumer of anything and everything mankind has generated through the misuse of energy; the misuse of consciousness, the misuse of the substance of the Universe!

There is another phase of It I wish you to understand! If you ASK FOR THIS COSMIC SACRED FIRE LOVE TO CONDENSE ITS SUBSTANCE INTO YOUR BODIES; IN, THROUGH, AND AROUND YOU, AND INTO YOUR AFFAIRS—It is just as if a snow storm covered over everything with its substance! Didn't you have an experience last winter where it stopped the action of many things in the city, when the snow came?

Exactly the same action can come, if you ask your "MIGHTY I AM PRESENCE" AND THE ASCENDED

HOST'S GREAT CENTRAL SUN'S SACRED FIRE LOVE; TO PRODUCE AND CONCENTRATE ITS SUBSTANCE IN, THROUGH AND AROUND YOUR PHYSICAL FLESH BODIES; TO HOLD THE PERFECTION WHICH FULFILLS THE DIVINE PLAN! IT GIVES YOU THE POWER AND POWERS TO DO OUT HERE WHATEVER IS NECESSARY, SO LONG AS IT BE CONSTRUCTIVE! You can have It, Precious Ones, as easily as you can have air to breathe! It is always Eternally Pure, and that is an advantage!

When you understand the impurity which is in the atmosphere of Earth, you certainly need to be insulated from it! When you KEEP CALLING THE HEART FLAME OF YOUR OWN "MIGHTY I AM PRESENCE," THE ASCENDED MASTERS' HEART FLAME, AND THE GREAT CENTRAL SUN'S HEART FLAME, OF SACRED FIRE LOVE; TO CONDENSE ITS COSMIC LIGHT SUBSTANCE IN, THROUGH AND AROUND YOU – Precious Ones, We can do almost anything to assist you! We want you to learn to use It, so your struggle, your strain, and your failures may cease forever, if you will only use It!

That is why We offer you the Use of Our Luminous Presence! That Luminous Presence, whether It be of the Master Jesus, Beloved Saint Germain, Any Ascended Master, or the Angelic Host, is made of Light-Substance! Our Ascended Masters' Bodies are composed of This Cosmic Light-Substance, which is the Cosmic Light from the Great Central Sun, and Its Sacred Fire Love! If people would only use It, the discordant conditions of the outer world, could not be sustained any longer; if anyone will call This into outer action!

If you will give Us the opportunity to draw It in and around you, and gain a Momentum, you will find It a very practical Protection in outer world conditions, until your Ascension is attained! We want to give It, if you care to use It! (applause, audience rising)

Thank you so much, Precious Ones, won't you be seated please; and just remain so.

When We speak of the Ascended Masters' Fiery Christ Blue Lightning Armor of Indestructible Protection, We want you to know It is made of This! It is the Cosmic Light-Substance and Sacred Fire Love from the Great Central Sun! Not all mankind put together can misuse It; impose destruction upon It, nor enter into It; for It consumes everything unlike Itself, but It does It Harmoniously.

This is what Beloved Saint Germain referred to in the very beginning of This Work, when His very first sentence of Instruction to us was: "Until you overcome a thing Harmoniously, it is never permanently done; and as long as you will fight a thing, it will fight you back."

Well, the only thing that nobody can fight with is the Sacred Fire Love from the Great Central Sun! Its Cosmic Light-Substance is That Love! It is the Great Central Sun's Energy, condensed into Substance!

It is completely forever, the Consciousness and the Perfection of the Ascended Masters' Octave! Some day, some time, somewhere, It must be drawn into This World! This World must be Purified and Redeemed by It!

That is what is meant by those Decrees you have: "Oh, God, have Mercy"! "Forgive us"! and "'I AM' the Ascended Masters' Law of Forgiveness"! This is the God-Way, the God-Master Life of the Universe which is Master of man! Master of mankind's discord! Master of everything discordant in manifestation! or of anything which lacks perfection for any reason whatsoever!

So until This World and mankind are filled with and surrounded by That Sacred Fire Love from the Great Central Sun; and Its Cosmic Light-Substance is brought into This World, the struggle is on; the discord goes on; the suffering, the tragedy, the savagery of mankind's hate goes on; because IT IS THE ONLY THING WHICH WILL COMPLETELY AND UNCONDITIONALLY, ETERNALLY, HARMONIOUSLY ANNIHILATE ALL HATE.

From tonight, whenever you think of anything needed

in This World to annihilate destructive forces, try to remember the Heart Flame of your "Beloved I AM Presence," the Heart Flame of every Ascended Master, the Heart Flame of the Physical Sun and the Great Central Sun, are This Indestructible Sacred Fire Love, the Master Presence of All Creation!

It is the Power Flame, the Master Flame, the Cosmic Flame, the Victory Flame, the Violet Consuming Flame, and IT IS ALL HARMONIOUS AND WILL FOREVER REMAIN SO.

Mankind can never interfere with Its Perfection. The only thing mankind can do is refuse or shut It out! Then the Individual must live in the destructive activities of his or her own feeling world!

So from tonight, if you will accept This, the Beloved Mighty Victory has a Wonderful Reminder! He is going to give Every Possible Assistance to those, who will hold the Picture of His Victory Flame of His Love in and around the physical body; within the flesh; around it, into your affairs, into every condition of the outer world; because where It goes, It makes failure impossible!

Beloved Jesus' Luminous Presence does the same thing. Beloved Saint Germain's Violet Flame does the same thing! I trust, if you would care to experiment with My Obedience Flame, I assure you, It is the Flame of My Heart! When I called you Dear Hearts of the Light, it was because I enfolded you in That Flame, and I will fill you with It! I will fill your world with It! I will give It to you to use, and use, and use until Your Ascension is complete!

So Blessed Ones, from tonight, I hope you will rest in Its Blazing Glory and Victory of Its Eternal Peace; because It is what the Beloved Elohim of Purity referred to, as His Purifying Love and Peace, and Mighty Victory's Victory over all in This World!

May you abide within It. Use it, and every time you

use It, It will become an Eternal Part of your Life Stream! We never withdraw It! It is your Eternal Possession! When We offer you the Flame of Love from Our Hearts – the Sacred Fire Love from the Ascended Masters' Octave, you will find everything within your Beings and worlds, becoming Its Perfection! We want you to live in Its Peace, and Its Harmony! Then pour It forth to the Life around you! Pour It to your Loved Ones in the National Defense; and everywhere in the Nation, so It can go forth and consume what mankind has generated of destruction.

We enfold you again tonight, in Our Miracle Mantle of Love's Mastery – the Great Central Sun's Cosmic Sacred Fire Love's Mastery – the Master Flame of Creation! The Power Flame, the Victory Flame and the Cosmic Flame of the Diamond Shining Light of such Purity, Love and Peace; you can't help but be Invincibly Victorious over everything in human creation; until you come into the Ascended Masters' Octave for Eternity.

We hope We may enfold you in This! Make It a Sun Presence around you, to help hold Certain Balance in This Nation; until the hordes of evil who are sustaining this war, can be consumed forever!

We offer It to you so you may use It to save the Nation! If you will call, We will answer! We will fulfill the Great Divine Plan which frees all for Eternity!

Thank you with all My Heart.
